tipinformation: This is another input, one of many dozens, to the Office of Attorney General of the State of N.J. on violations of the State's criminal code Title 2C by over one hundred felons identified on the web site FreedomNewsDigest.com and alternatively ThomasCaggiano.com. CDs of evidence were provided to the new Speaker of the General Assembly, Assemblywoman Oliver, the new Acting Attorney General Paula Dow and her new Director of the Department of Law and Public Safety Division of Criminal Justice Stephen J. Taylor. The embedded email was sent to State Sen Weinberg who was the corrupt Gov Jon Corzine's running mate and was provided vast evidence of corruption in the Corzine Administration as she continued to be his running mate. The Division of Law is corrupt and the OPMA and OPRA and constitutions of the United States of America and the State of New Jersey do NOT apply therein as I have discovered by our seven year Case study the pandemic corruption of its Judges, executive agencies, mayors, law firms, engineering firms, CFOs, Department of Human Services, Department of the Treasury with its corrupt Office of Administrative Law, the corrupt Department of Agriculture, corrupt Department of Community Affairs and Department of Education are infected through-out.===== I suggest the excellent former GRC chairman Vince Maltese, Esq, the excellent State Sgt Fowler, the excellent former Town Administrator Ms Robin Kline for the Borough of Stanhope, the excellent former Secretary to the corrupt Commissioners of Community Affairs being Susan Bass Levin be contacted as she retired and moved to North Carolina Sherry Swagner, the excellent threatened property owner Mary Pawar, 12 East Drive, Stanhope, NJ all be ocnacted as witnesses including the former Office of the Gov staff member Ian Brennan and EPA Administrator Lisa Jackon including the State Police Official Corruption Bureau and Sgt Littles in its west trenton HQ and obtain copies of all records in all cases of State of NJ v Thomas Caggiano in Trenton municipal courts and its Chancellary Div, Sussex County and Morris County superior Courts and municipal courts in Frankfort township, Netcong, Stanhope, Green, Trenton and the corrupt Office of Administrative Law.===== To: SenWeinberg@njleg.org, "thomas caggiano" , Hannity@foxnews.com, FreedomNewsDigest@live.com, caggianooprarequest@live.com, njfog@njfog.org, board@njfog.org Message contains attachments 1 File (165KB) * 100125fbiuspis.jpg100125fbiuspis.jpg ===== Hello Senator Weinberg,===== I have written you before how utterly corrupt the Department of Community Affairs and its Government Record Council are that were joined in a criminal conspiracy that has lasted since Jul 26, 2002, that is NOT a typo 2002 when fourteen citizens in the Borough of Stanhope petitioned the corrupt Borough of Stanhope on an illegal development on Block 10902 Lots 10 and 12. That petition in on our filed web site now known as FreedomNewsDigest.com but also accessible by its new name FreedomNewsDigest.com===== The corrupt Department of Community Affairs with the aide of the former corrupt AG Anne Milgram, the corrupt executive director of the GRC Catherine Starghill, Esq., the corrupt Office of Attorney General's Division of Law's GRC Deputy Attorney General Debra Allen, Esq., corrupt In-House lawyer Karyn Gordon, Esq. and Acting

Commissioner Richman are felons. They also conspired with the corrupt Department of the Treasury's Office of Administrative Law Judges noted on the web site ThomasCaggiano.com and then with the corrupt Superior Court Vicinage Assignment Judge B. Theodore Bozonelis, AJSC who is protected by the corrupt State of NJ Supreme Court's Advisory Committee on Judiciary Conduct ACJC, the corrupt Mercer County Superior Court Judges Shuster and Sypke and tens of thousands of records fill the corrupt Department of Community Affairs as one just need enter as complainant on the GRC web site caggiano or do a search as GRC thomas caggiano and your search output will be filled with examples of criminal conduct.===== I am banned by the corrupt Judge Bozonelis from examining ANY government record in the Borough of Stanhope I am banned by the corrupt Judge Dana, JMC of even paying for copies of gov records or even submitting an OPRA form I was convicted by the corrupt Judge Mulhern, JMC and given a 15 day sentence for submitting an OPRA form to the corrupt State's Department of Agriculture Newton Sussex County Soil Conservation District.===== I was falsely imprisoned for 85 days by the corrupt Judge Craig U. Dana, JMC for attending an Open Public Meeting in the Borough of Stanhope's Town Council meeting.===== I am banned by the corrupt Superior Court Judge Bozonelis, corrupt Superior Court Judge Conforti and the corrupt Municipal Judge Dana from attending any Borough of Stanhope Land Use Board in the Borough of Stanhope and its Town Council meetings.===== I am banned from attending ALL Open Public meetings in the corrupt Department of Community Affairs building except for the GRC but was kidnapped from the meeting when I attempted to attend an Open Public meeting that had my complaints against the Borough of Stanhope and the Office of Attorney Generals' corrupt Department of Consumer Affairs on the agenda.===== I can NOT get from the corrupt GRC or the Borough of Stanhope copies of agenda in advance per OPMA===== I have complained to the Office of Governor, Department of Community Affairs, new Acting Attorney General Paula Dow, new Director of Attorney General Department of Law and Public Safety as the input to their own web site is posted publicly on my web site and known to Sen Sweeney, Sen Codey, Sen Kean, Sen Oroho, and now Speaker of the Assembly Oliver who has a CD of evidence. ===== I suggest the State Police Official Corruption Bureau be contacted as I have been providing them evidence of corruption of the GRC and the corrupt Superior Courts for years by giving them audio recordings of the corrupt hearings in the corrupt Courts of Judge Shuster and Judge Sypke. ===== I am even on the Office of the Gov Restricted list for OCR ! ===== My malicious criminal indictment 08-09-316 on 13 criminal charges by the corrupt Office of Attorney General and her accomplice Sussex County State Prosecutor David Weaver was dismissed on Sep 10, 2009. ===== My forty four convictions by the corrupt Judge Dana, JMC had all fines vacated on Sep 10, 2009. ===== The Borough of Stanhope OPRA custodian refuses to read the outside of envelopes and the letters and payment by check for copies of OPRA documents requested her name is Ellen Horak and she is a felon. ===== The Mercer County Prosecutor and Sussex County Prosecutor have volumes of records of the violations of OPMA but no nothing. ===== The NJ courts are a corrupt cease-pool of Judges as now 17 Judges were noted as being corrupt to the corrupt FBI Special Agent in Charge Weysan Dun who destroyed evidence. He is protected by the Director of the FBI.===== The U.S. Attorney as Chris Christie now Gov of NJ and his replacement Paul Fishman in Newark have thousands of files, audio recordings but the crime wave has continued and keeps expanding. ===== As you were the corrupt Gov Corzine's running mate and were fully informed of these facts why do you NOT file Affidavits of Probable Cause for criminal charges as I found out you can't even file CDRs in Morrystown, Newton, Stanhope or Newark with their court administrators per NJ court rules. You can't report criminal conduct into the judiciary system. If you file a CDR in Trenton municipal's corrupt court they limit you to only reporting five crimes per day so if six people are involved you can't report the sixth person! They refuse to give you copies of your own signed CDR. ===== You can't get copies of court documents in Trenton's municipal court after they convicted you on bogus charges by the corrupt GRC executive director Catherine Starghill,

Esq. as she committed perjury, the judge did not allow witnesses other than my wife, ignored the corrupt State trooper helped kidnapped me from the GRC Open Public meeting and identified a schematic of a prostate gland as that of a woman. ===== So cut the farce as the cesspool State of NJ does NOT enforce its laws or even allow any probable cause hearing in municipal courts on criminal charges filed against State or municipal officials. ===== I can't even get my own court records and make OPRA apply to Judges and courts as well and yourself and do not exempt yourselves. ===== more on FreedomNewsDigest.com ===== This email will be posted thereon ===== ThomasCaggiano.com 702-586-6768 ===== -- Thomas Caggiano ===== Author and Publisher of FreedomNewsDigest.com ===== 7086 Arcadia Glen Court ===== North Las Vegas, NV 89084 =====
