Peter Conforti, J.S.C. in Municipal Appeals 1304-08 and 19-5-09 of the convictions by the corrupt Joint Municipal Court of Green, Fredon, Hampton and Borough of Andover judge Craig U. Dana, J.M.C. and his prosecutor William E. Hinkes, Esq. who posed as an official without any valid contract per the State's Local Public Contract Law on non-indictable charges brought before the corrupt Sussex County Borough of Stanhope municipal judge John E. Mulhern, J.M.C. and the corrupt Morris County Town of Netcong municipal judge John Paparazzo, J.M.C. in a criminal conspiracy of fraud, trickery, complicity, confederation noted in filed complaints to the U.S. Attorney for New Jersey Paul Fishman, the FBI Investigative Service in Washington, D.C., Las Vegas, Nv and Newark, N.J., the U.S.P.S. Inspection Service for criminal mail fraud, conspiracy and harassment in Az (Mary Coatney 877-876-2455 Complaint 16210546), Il, Nv and Newark, N.J., (Steve Whitney 973-693-5450), the Office of Gov of N.J., the Office of Attorney General for N.J. Paul Dow, Esq., the Department of Law and Public Safety (Charles Cresenza 609-984-5655), the State Police Official Corruption Bureau via Sgt L. S2007-0754644, Morris County Assistant Prosecutor Bob Webber and the corrupt Sussex County Prosecutor's Office under the felon David Weaver, Esq., the Borough of Stanhope Chief of Police Steven Pittigher in dozens of voluntary statements, and in Affidavits of Probable Cause prepared per R. 7:2-1(a) for indictable criminal conduct filed with the excellent Newton Deputy Court Administrator Tania Ell, the excellent Netcong court administrator Ann Sheridan, and excellent Township of Green's court administrator Maria Spigler and deputy administrator Sherry Hanson, Board of Chosen Freeholders for Sussex County with its excellent Board Clerk Elaine Morgan and Deputy Board Clerk Diane S. Eakman and Sussex County Administrator John E. Eskilson (973-702--250 who requested investigations by the Sussex County Sheriff on my illegal imprisonment as inmate CN10355 for 85 days in Keogh Dwyer Correctional Facility by the court Sussex County Sheriff Untig and corrupt Sussex County Prosecutor David Weaver, Esq. twice

1. As noted on my filed and our published web site <http://freedomnewsdigest.com> or as directly accessible the web site address <http://thomascaggiano.com>, I and my wife Kathryn Caggiano have been witnesses to terrorism, tyranny, fraud, trickery, complicity, perjury, obstruction of justice and received multiple death threats previously by Frank Dawalt Jr. the developer of the illegal development on the minor sub-division on 2 and 6 Oak Drive, Stanhope, N.J. after I testified under oath at a Borough of Stanhope Land Use Board meeting against the former corrupt Town Administrator Teri Massood who fled the Borough of Stanhope without any separation payment as she conspired for years with the Mayor, Borough Attorney of Laddey, Clark and Ryan LLC's Richard A. Stein, Esq. noted in the complaint filed with the District XA Ethics Committee that was transferred to the Office of Attorney

Ethics many months ago after the District XA had contracted for legal services to investigate Richard A. Stein, Esq. and William E. Hinkes, Esq. the corrupt municipal prosecutor for the corrupt Judge Craig U. Dana, J.M.C. as I and my wife filed Affidavits of Probable Cause and CDRs in the Township of Green's municipal court, advised the State Police's Augusta Barracks Det. Sgt. Brown who recused himself. Previously, we filed complaints with Mary Pawar, 12 East Drive, Stanhope, NJ another witness who was threatened by the State of New Jersey, Judge Mulhern, J.M.C. in his corrupt Stillwater municipal court on malicious charges by the corrupt Department of Agriculture's Newton based Sussex County Soil Conservation District Manager Winifred Straub, now a member of its corrupt

Board of Supervisors as over 2,700 pages of evidence are in File application box SH#44, Block 10902 Lots 10 and 12, which never had any Certified Soil Erosion and Sediment Control Plan certified before the house on 6 Oak Drive, Block 10902 Lot 12 was not only developed but sold based upon a false deed being filed by the developer E.N.F. Development Co. with the Sussex County Clerk as known by the Sussex County Administrator, Sussex County Counsel, and the Deputy Sussex County Clerk who was the former corrupt Mayor of Stanhope Brian Mc Neilly who I filed a formal criminal complaint to the corrupt Sussex County Prosecutor's Office and met Detective Joseph Costello with more than five feet of evidence who I contacted on Jan 27, 2003 and met him on Feb 13, 2003 noted in his Case ID 03-I-00086 file. Also Assemblyman Gregg, Senator Littell and Assemblywoman Mc Hose the District 24 State representatives ALL requested criminal investigations and the Administrator of Investigations Joseph Trapp assigned case file CJ#2003-4902-IC which was blocked by the Office of Attorney General of New Jersey's Department of Law and Public Safety's Chief of Special Prosecutions Branch Louise Lester and her staff member Edgar Hess.

2. As known to U.S. Attorney Eric Holder Jr., the Executive Office of U.S. Attorneys, the U.S. Attorney for New Jersey Paul Fishman and other U.S. Attorneys in IL, NY, PA I filed civil suites in Eastern District Federal Court adjacent to the Liberty Bell and Independence Hall under 09-mc-03, 09-mc-71 and 09-mc-09 however the because of the Constitutional Separation of Powers the Federal District Court Judges could not order the U.S. Attorney to bring federal criminal charges under *Imbler v. Pachtman*, 424 U.S., 409, 424-30(1976) so my civil cases in a futile attempt as a citizen to report federal criminal acts became merely statistics as even an FBI duty officer recused themselves in Newark as I spoke of the massive corruption.

3. The excellent Deputy Board Clerk of Sussex County Board of Chosen Freeholders has already provided me over 6 inches of documentation in emails provided the Board of Chosen Freeholders and is copying other records needed for me to document in my further letters to the Appellate Division in the form of letters to gain access to court documents and examine records pertaining to the charges, the dozens of fingerprinting on the Dismissed with Prejudice against the State of New Jersey under Ind 08-09-316-I as court records in the Borough of Stanhope have been denied me to examine or obtain copies as I was even threatened with arrest and bail on Oct 18, 2010 by the Chief of Police as with the former excellent Town Administrator Richard Stewart, who posted the C.E.P.A. notice on the Borough of Stanhope Bulletin Board, he was a witness to the FBI in Newark, NJ and the State Police Official Corruption Bureau as known by the corrupt Mayor of Stanhope, its corrupt Governing Body and its corrupt Borough Attorney and illegally in secret in violation of Chap 2.2.D administration fired Richard Stewart as he attempted to gain me access to my own court records in the Borough of Stanhope municipal court which have been denied me. The corrupt Vicinage 10 Trial Court Administrator M. Arnold has refused in months to perform his official duties and attempt to gain me access to my court records in the Township of Green. The corrupt Judge Dana, J.M.C. refused to allow me to examine and photograph or copy evidence provided the municipal court, refused my court document request forms for copies of court records, audio recordings to correct the many errors in the transcript, or provide a copy of the transcript record on a CD ROM for submittal as required by court rules. Judge Dana has stated on the court record and signed denial of my ability to obtain court records known to the corrupt Judge N. Peter Conforti, J.S.C. the above facts proven on the court record and also reported to him by his excellent criminal court staff Kay Mack of

these events and confirmed to me she personally advised Judge N. Peter Conforti, J.S.C. and a member of the Sussex County Prosecutor's Office of these events on Oct 18, 2010. On Oct 19, 2010, in a letter, email and faxes sent to Allyson Kuddar who was then the Vicinage municipal appeals contact was removed from my cases thereafter. The Vicinage Ombudsman has refused to return my telephone calls in months and the Trenton Municipal Court refused to provide me court transcripts which had to be obtained by Mercer Superior Court Ostrer, J.S.C. staff as the confederator and protector of the Borough of Stanhope for many dozens denial of access is the corrupt Department of Community Affairs' Government Record Council and its corrupt executive director Catherine Starghill who with the Department of Treasury's corrupt Office of Administrative Law "judges" in Newark, N.J. have protected State officials and dozens of corrupt Borough of Stanhope officials that have conspired in its racketeering for perhaps decades.

4. The Dec 21, 2010 letter from the Sussex County Board of Chosen Freeholders excellent Deputy Board Clerk Diane S. Eakman is shown below as the data is needed to prepare briefs to the Appellate Division and for me to prepare motions to the Appellate Division to obtain needed records from State, County and Municipal agencies and also issue interrogative information subpoena under Docket SSX-L-847-07 Borough of Stanhope v. Thomas Caggiano and the Government Record Council which is still ripe before the corrupt Vicinage 10 Assignment Judge B. Theodore Bozonelis, A.J.S.C. as a conspiracy among the Office of Attorney General's Division of Law's GRC's Deputy Attorney General Debra Allen, Esq. and the Laddey, Clark and Ryan LLC's Stanhope Borough Attorney Richard A. Stein, Esq. is obvious in my filed 36 page motion to the corrupt Judge Conforti, JSC who in his letter of Nov 9, 2010 is nothing but deception as his court order of Oct 4, 2010 did NOT even have a brief due until 21 days after the court order on Oct 26, 2010 as he had HIS corrupt hearing on Oct 19, 2010 before the brief was even due and in his letter of Nov9, 2010 his note about family court is absurd R.3:105(c) on its face as the parties to his criminal conspiracy are noted in his letter being: Michel Briegil, Esq. Assistant Prosecutor, B. Theodore Bozonelis, A.J.S.C., Thomas V. Manahan, J.S.C., Richard Stein, Esq. and William Hinkes, Esq. ALL Felons and all conspirators in repeated pattern of official misconduct, in fraud, in obstruction of justice and criminal abuse of court processes protected by the ACJC and the Office of Attorney General of New Jersey, and the Department of Community Affairs and other State, County and municipal agencies.

5. Attached for the Appellate Division records and as published on <http://thomascaggiano.com/pdf> is an initial enhancement adding <http://thomascaggiano.com/pdf/index.html> to our published internet site with reports filed in various courts, government agencies and released to the public world wide on the internet. The records are adopted into this VERIFIED CERTIFIED AFFIDAVIT as exhibits in support of motions for Dismissal with Prejudice of all charges on the municipal appeals under A-00171-10 as ALL fines were already vacated by Superior Court order on Sep 10, 2009 and returned and all probation was vacated.

6. Whereas my wife's injury is causing pain and she will be seeing doctors and I have a scheduled trip to Long Island for weeks of caring for my father in Assisted living in Feb and extended family trip booked to Hawaii in March, and whereas I have not received documentation from the Sussex County Board of Chosen Freeholders needed to document requests, please excuse any delayed sub-

missions as for 10 years WE the PEOPLE in the Borough of Stanhope have been confronted with tyranny, sedition and threats with false imprisonment, court orders violating due process, the Constitutions of the United States of America, the Constitution of New Jersey, the Open Public Meetings Act, the Open Public Records Act, and court rules themselves.

7. Below is the Court Docket SSX-L-847-07 that the court records themselves prove beyond any reasonable doubt the corruption of the Judicial courts in Vicinage 10 with the aide of the corrupt State of New Jersey's complicit Attorney Generals and its corrupt Division of Law and corrupt Department of Community Affairs, Government Record Council, Borough of Stanhope and other municipalities, the corrupt Judge Devine, J.M.C. and others as a transcript record was obtained in violation of court rules by Richard Stein, Esq. without my notice, not moving papers were provided to remove the GRC from the docket nor court orders issued changing the entire purpose of the Docket. No cross examination of any affiant or witnesses has happened in three years and on the transcript record Judge Bozonelis, A.J.S.C. directly questioned Richard Stein, Esq. on his submitted VERIFIED CERTIFIED AFFIDAVIT noted to the District XA Ethics Committee in my complaint in that Richard Stein, Esq. to obstruct justice, in violation of the Rules of Professional Conduct willfully deceived and lied to Judge Bozonelis, A.J.S.C. by the incredulous statement that I had submitted eight hundred Open Public Record Act Requests during two years ALL on Zoning. As noted in the criminal charges filed under Affidavits of Probable Cause in the Township of Green Richard Stein, Esq. committed willful perjury by falsely stating ALL documents requested under my Open Public Record Act requests were provided when he was in the corrupt Office of Administrative Law courts of J. Howard Solomon, ALJ under GRC 2006-02 and OAL Docket GRC 07725-2007N wherein the former Town Administrator Teri Massood referred to the OAL by the excellent GRC lawyer Vince Maltese, Esq. admitted she willfully destroyed government records under oath and in writing to me and wherein the corrupt municipal clerk and OPRA custodian Ms. Battaglia admitted under oath and in writing she willfully refused to provide a copy of any document on the (illegally developed) minor sub-division to Mary Pawar, a threatened witness with her husband Iqbal Pawar who filed formal complaints 05-13.a and 05-13.b against the felon John Cilo Jr., a professional engineer, who was bribed by the Borough of Stanhope as he nor his employee Scarlett Doyle had any valid contracts per the Local Public Contracts Law for perhaps decades as the municipal engineer, or as some invented term which has no authority under the State's Map Filing Law "Land Use Board - Board Engineer" as the person stating he was the municipal engineer in 2006 and 2007 was Omland Engineering Associates Vice President Eric Keller who had NO valid contracts with the Borough of Stanhope, did NOT attend Land Use Board meetings as required by State laws and municipal laws IF HE WERE as falsely done by trickery in newspapers, in town council meetings in false perjured annual financial reports by the three persons to the Department of Community Affairs and as known by Richard A. Stein, Esq., the Mayor Diana Kuncken, the members of the Governing Body as reported to 10 agencies by the former excellent municipal clerk Ms. Robin Kline, RMC, MAS as the municipal clerk of the Borough of Stanhope as she was tormented by the Mayor, Governing Body and lied to by Richard Stein as he falsely signed 18 Statements of Information and has lied to the Office of Administrative Law Judge Geraphy who became aware he was deceived by Richard A. Stein, Esq. in telephone calls placed among them and myself as documented in notes provided the corrupt GRC which has over 12,000 records adopted by reference to prove exculpatory evidence available to the State of New Jersey was NOT provided in violation of R. 3.3.4 Brady applicability, State v. Parsons, 341 N.J. Super. 448, 455-456 (App. Div. 2001), State v. Hollander, 201 N.J. Super. 453 (App. Div.), certif. den, 101 N.J. 335 (1985), State v. Marshall, 123 N.J. 1, 109-110 (1991), State v. Hunt, 184 N.J. Super. 304 (Law Div., 1981), and R. 3.2 Relevancy is measured in terms of opportunity of the defendant to present a complete defense State v. Gilchrist, 381 N.J. Super. 138, 144-146 (App. Div. 2005) as a brief was NOT even required prior to Oct 26, 2010 by Judge N. Peter Conforti's own court order of Oct 4, 2010 as he was aware on Oct 18, 2010 the Borough of Stanhope threatened with me with arrest on Oct 18, 2010 if I attempted to examine or review my court records in the Borough of Stanhope as its Town Administrator Richard Stewart, a witness to the FBI and State police official corruption bureau, attempted to gain access to court records denied by Judge Mulhern and Richard Stein, Esq. who falsely told Ri-

chard Stewart as told to me witnessed by the Chief of Police Steven Pittgher that Judge Conforti, JSC has adjourned the Oct 19, 2010 "hearing" to late Dec 2010 by a court order issued by Judge Conforti, J.S.C. and that I should NOT proceed to the Superior Court on Oct 19, 2010 but leave New Jersey immediately and return to Nevada. Whereas my family lives on Long Island and I still own my property that is for sale on 10 East Drive, Stanhope, NJ and was consulting my real estate agent who was also harrassed in the Borough of Stanhope municipal building and whereas the State of New Jersey Division of Human Services has refused to provide government records and my own letters of complaint to their corrupt Commissioner Velez, Esq., please expect a delay in my letter requesting documents from State agencies and courts as I await the response of the Board of Chosen Freeholders evidence and relevant materials to formulate a motion to obtain documents denied me.
