This is an initial draft of an analysis of the court records of corruption in the Sussex County Superior Court of Judge N. Peter Conforti, J.S.C., 43-47 High St, Newton, New Jersey, Judge Craig U. Dana, J.M.C. in the Joint Municipal Court in Green, Judge Mulhern in Town of Newton, Borough of Andover and Stillwater Township different municipal courts as he was a criminal in each one aiding the corrupt State officials such as the Department of Agriculture's State Newton based Sussex County Soil Conservation District, the Corrrupt Borough of Stanhope that engaged in fraud for years of the illegal development on Block 10902 Lots 10 and 12, 2 and 6 Oak Drive, Stanhope, N. J. by E.N.F. Development Co. LLC. as the project has no authority to be developed based upon the findings of my third party appeal to of the first to two false certified Soil Erosion and Sediment Control Plans signed only by the District Chair Clifford Lundin for Lot 10 only AFTER the first house in the development was built in violation of site plans approved by the Borough of Stanhope's Board of Adjustment as documented in <http://thomascaggiano.com> and its links.

I, Thomas Caggiano, hereby publish on <http://thomascaggiano.com/courtdatesconforti.pdf> this record received from the excellent Sussex County Court Clerk Kay Mack. It is now a public record to expose the corruption in the Sussex County Superior Court and the Joint Municipal Court in the Township of Green. Additional records are also public records available in the following locations:

a. Hughes Justice Complex, Superior Court Appellate Division,, Appeal A-001721-01. Team leader is Mr. Lawrence Pinkus. The record released itself proves the criminal abuse of court process and violation of court rules by Superior Court Judge N. Peter Conforti, J.S.C. with annotated notes by Thomas Caggiano

(1) 11/03/08 The court was requested in a motion by the Sussex County Prosecutor's Office to recuse itself and Judge Conforti, J.S.C. from the Ind 08-09-316-I. and Judge Conforti, J.S.C. approved the motion removing himself and the Sussex County Prosecutor from the criminal indictment 08-09-316-I State of New Jersey vs. Thomas Caggiano on 13 separately filed complaints by the Borough of Stanhope officials and their employees. All charges were Dismissed with Prejudice against the State of New Jersey on May 11, 2010; however, this court order provided in violation of court rules NO explanation of the reason for dismissal and further more was based upon fraud and deceit by Judge N. Peter Conforti, J.S.C. and Sussex County's First Assistant Prosecutor Gregg Mueller for in violation of court rules there was NO motion in writing prepared by the Sussex County Prosecutor's Office per the written response to me by the corrupt Sussex County Prosecutor's Office.

(2) The court order of Jul 19, 2010 denying a motions for sanctions by Judge Conforti, J.S.C. also was by fraud as the court order issued was NOT only unconstitutional violating the Constitution of the United States of America, the Constitution of New Jersey, but the Open Public Record Act, the Open Public Meetings Act and was self inconsistent as it included the corrupt Vicinage 10 Assignment Judge B. Theodore Bozonelis, A.J.S.C. under Docket SSX-L-847-07 filed by the corrupt Borough of Stanhope Borough Attorney Richard A. Stein, Esq. whose investigation by the District XA Ethics Committee and against William E. Hinkes, Esq. were begun by assigning an investigation against them both by the District XA Ethics Committee under Docket XA-10-018E which was elevated to the Supreme Court's Office of Attorney Ethics. William Hinkes, Esq. did NOT have any valid contract to be the Municipal Prosecutor in the Joint Municipal Court in Green, Fredon, Hampt on and Borough of Andover on Jan 7, 2009 per my Open Public Record Act request to the Township of Green's Open Public Record Act custodian as a fraudulent document was then provided which has an effective date AFTER the trial date for the services of William Hinkes, Esq as signed by the memorandum of agreement among the four municipalities. Judge Conforti, J.S.C. to confuse the public has cited that William Hinkes was not required to have a contract with the Borough of Stanhope where the malicious petty disorder charges were filed. That is trickery as the case was transferred to the Joint Municipal Court in Green by the Municipal Judge John Mulhern, J.M.C..

(3) The record also shows that Judge Conforti, J.S.C. demanded a mental psychiatric evaluation however he had two conflicting reports from Dr. C. Joseph, Phd and Dr. P. Paul and by court rules a mandated hearing was required which Judge Conforti, J.S.C. in violation of common law and rules of the court, was MANDATED to have, by the court record he also in violation of due process stated on the court record he would refuse to hear any reports I would obtain by independent voluntary mental examinations in violation of due process and the right to challenge State witnesses with one's own expert witnesses. Judge Conforti had NO mental competency hearings under the criminal indictment, refused requests made by me that I demanded the right of confrontation and to pay for a video of such examines with a polygraph examination paid by me per N.J. Court rules to allow per N.J. Court rules to be used as evidence with approval of the State Prosecutor David Weaver who was the prior law partner of William Hinkes, Esq.

(4) As noted the court dismissed Probable Cause Affidavits in violation of court rules as the Newton Court did NOT enter these Affidavits of Probable Cause into the Judicial reporting system, never provided any docket number for the Public to know these Affidavits of Probable Cause were made under oath against Judge Conforti's staff on the Probation Department and the Sussex County Prosecutor's office thereby violation the Code of Judicial Conduct and court rules aiding others in criminal conduct. No probable cause hearing my any municipal judge was held and the Newton Court of the corrupt Judge Mulhern, J.M.C. in Stillwater, Stanhope and Newton municipal courts engaged in criminal conduct in each court.

COMMENTS: Please find your requested list of your Court Appearances from your Municipal Appeals and the Indictment. I also gave you whether it was a court reporter or tape. You also asked for a list of Orders in the Indictment file which I have provided. The Appellate Division, from what I understand, has received copies of all the Municipal Appeal Orders. We are also making sure they have any Orders that were in the Indictment and not the Municipal Appeal. We believe this will give you what has been requested. The last item mentioned was the form used to request copies of the either recorded or court reporter record- that I will check and get back to you. Take care.
