Below is my continuing report of massive unrelenting corruption as over 400,000 copies of documents fill the Federal Courts and New Courts exposing the corruption of U.S. Attorney Eric Holder JR., and others in the Federal Executive Branch including an infested FBI and Department of Justice as the U.S.P.S. Inspection Service has NOT have one investigator contact me in over 1.5 years as the threats continue and the reports to the HQ AZ office go unanswered and as threats upon my by corrupt IRS Special agents are made to the TIGTA that does NOTHING to examine evidence in my house or at any meeting in over 4 months.

Per the Direction of the corrupt Acting Inspector General of the United States of America through my Congresswoman Berkley's intructions as I have reported the corrupt of the U.S. Attorney Eric Holder JR., the FBI director and FBI in NJ as well as the U.S. Attorney's office in NJ to the Criminal investigation unit of the CIGIE, the corrupt IRS Special Agents in Las Vegas, Nv to the TIGTA Complaint 54=1103-0005-C, the corruption continues unabated as I am still defending myself against these corrupt court orders that violated due process and my civil rights under a conspiracy now engaged in by over 200 persons as many corrupt court decisions are still being enforced, by fraud, trickery and obstruction of justice. The Director of the STATE Police's Office of Law enforcement of professional standards with my complaint and as usual like the U.S. Postal inspection service there is NO response in over 1.5 years on my complaints. the IAD Lt Gale was then contacted as acting cpt and he was aware that the SGR violated the OPRA as I can not get my own records to defend myself or change the FBI reports which denied me access to Canada by Canadian immigration officials in Vancouver as I and my wife sent thousands on needless Jets from Vancouver to Seattle as we were forced on the Jet and missed our paid cruise from Vancouver to LA and paid for lodging in Canada AND USA. We had to take a 24 hour bus trip to return to LA to pick up our car. The FBI Data base is not updated causing my family great grief and expense as mental trauma is upon many persons in a sustained attack upon us for now 10 years by Government officials. Ten YEARS as over 400,000 copies of documents were filed in courts, to the FBI to the US. Attorney, his AAG for the corrupt Civil Rights Criminal, as the U.S. Attorney's Office in Dearborne St, Chicago, IL did NOTHING nor did the corrupt U.S. Attorney in Phil, Pa by the liberty bell as more corruption occurs EVERY week and Does NOT stop as we must spend hundreds of dollars in the Appellate filings to get back many thousands of false fines such as in Trenton municipal court as the municipal prose-

curator has either destroyed his records or removed them in violation of the STATE's retention laws, stopping me from preparing my own briefs to defend myself as due process DOES NOT exist only treason. The recent letter to the new Vicinage Assignment Judge Thomas Weidsenbeck, AJSC and his new acting trial court administrator are now embedded in the publi

This was tip to FBI entered Jul 15, 2011 and is published on <http://thomascaggiano.com/110715fbi.pdf> which includes reference to the report entered into the Office of NJ Attorney General's corrupt Department of Criminal Justice, Department of Law and Public Safety's data base also published on <http://thomascaggiano.com/110705dcjcriminalreport.pdf> which referenced the letter sent to the New Morris County/Sussex County Vicinage Judge Thomas Weisenbecker, A.J.S.C. who replaced the corrupt former Assignment Judge B. Theodore Bozonelis, A.J.S.C. and Susan Chait the new acting Trial Court Administrator replacing the corrupt M. Arnold as I can NOT even get records from courts needed for Appellate Division Superior Court appeals as noted in my filing under A-001721-10 which has cost several hundred dollars in just filing fees, copy and mailing costs in my appeal of the corrupt Judge N. Peter Conforti, J.S.C. approvals of the convictions of me by the corrupt Judge Craig U. Dana, JMC and corrupt William Hinkes, Esq. as prosecutor as I was assaulted by State police while standing at the defense table with my hands handcuffed behind my back. That is how the corruption continues as my own witness who came to the corrupt court were not allowed to testify in my defense and persons that saw the attack upon my were NOT allowed to testify in my defense as unconstitutional court orders continue denying all my civil rights as the terrorism continues unabated.

I certify the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false that I am subject to punishment.
