1. At this stage, I'll save postal costs and have this letter and attached CD as my last mailing to the three offices above as your apparently corrupt agencies as since Jan 22, 2010 well over 2 years ago at the direction of the Special Agent in Charge for Las Vegas, Nv shown below in their letter below I became aware that mail fraud, criminal conspiracy and harrassment with also destroyed mail admitted in the Office of Administrative Law in Newark, NJ and illegally NOT provided the person mailed to with CONTINUING criminal conspiracy using mail and threats HAS NOT Stopped as NOT one so called USPS has ever sought additional data as the number of felons conspiring together keeps INCREASING as I was imprisoned by corrupt judges in criminal coercion of me and other informants for mailing grievances and complaints and performing our public duty rather than commit State of NJ felonies (NJSA 2C:2-1 Crime of omission) and Federal felony (18 USC § 4 Misprison of felony) and my wife and I after driving from Stanhope to West Trenton, NJ to again together report official corruption and fraud to the State Police's Official Corruption Bureau were NOT allowed entry to report the continuing crimes NOR can I attend Open Public Meeting nor even write the tax assessor in Stanhope where we still pay real estate taxes, water bills on OUR prior home which we had built in 1972 as we fled the pandemically corrupt State of NJ where fraud, conspiracy and illegal imprisonment and constant threats, and prior death threats against me though my wife Kathryn were met with threats from the State of NJ and municipal governments wherein fraud, tax fraud, violations of laws is constant with mail fraud, bribery, false reports by the thousands and perjury under oath are accepted practices and is how the corruption IS PROTECTED by insidious planned treasonous attack upon WE the PEOPLE after 14 persons signed a petition initially to the infested Borough of Stanhope to comply with their own by-laws, federal, state, county and municipal laws and other letters signed by ex property owners and then 15 more property owners, letters from NJ federal senator, congressman and NV Congresswoman were ONLY met with more false mailing and even threats of tax audits and filing of criminal charges against

me by corrupt U.S. Treasury Special Agents in Las Vegas NV of course protected by their OIG as that appears to be the role of federal OIG to protect the federal officials and employees as the DOJ's Public Integrity Office is also corrupt.

2. Instead of wasting away my life as I almost died recently, had a heart attack, a stroke, pneumonia, embolism and can NOT type with two hands anymore I won't bother writing your corrupt organizations but attached as my final statement of continuing and escalating criminal conduct as recently as yesterday attached is a CD with letters, images posted for the world to understand how corrupt government is.

3. We now leave this corrupt county for Asia, Europe ad Africa now that I no longer to be on oxygen at all times as I found out I had a DNA defect not allowing me to process B12 and had an injection yesterday by a male nurse that at times came to my home in North Las Vegas as my wife has suffered enough after 11 years and hundreds of letters, audio recordings, court transcripts, posted petitions, pub-

lished newspaper reports it is obvious how utterly corrupt Government is.

4. Attached is a CD widely mailed and a portion of the front page of <http://freedomnewsdigest.com> and <http://thomascaggiano.com> as once again we travel this world as all Governments as stated by Thomas Jefferson (1) grow larger, (2) make you dependent upon it and (3) take away your rights and as proven greed, ego and power seeking destroy all empires.

5. I certify the foregoing statements made by me are true (including those in the attached CD files).  
I am aware that if any of the foregoing statements are willfully false that I am subject to punishment.

Sincerely,

*Thomas Caggiano* 4/25/2012

## The Cag Report

### An 11 year continuing Case Study

**exposing fraud, official New Jersey's Government Corruption and retribution against informants in Ex-Gov Jon Corzine's administration and even worse Gov Chris Christie's Administration and its corrupt Courts**  
Latest update Apr 22,2012 <http://thomascaggiano.com>

You may download an Adobe .pdf formatted document of this web page by clicking the link <http://thomascaggiano.com/index.pdf> for saving, filing and retransmittal

The Tyranny of United States of America's Department of Justice and the corrupt State of New Jersey's former ex-Gov Jon Corzine thrown out of Goldman Sacks, the Office of Gov of NJ and then out of MF Global as he authorized using legally segregated client's funds in risky beats on foreign bonds and collapsed was followed by an even MORE corrupt administration that as the former corrupt U.S. Attorney (NJ) and now as New Jersey's corrupt Governor even as under investigation MF Global CEO is under investigation raising millions of dollars for President Obama as a bungler of funds.

A 60 page report to the FBI HQ at the direction through Congresswoman Shelley Berkley (D) Nevada through the Department of Justice's Office of Inspector General Cynthia Schneider is included in the [sixty page report .inewjersey.pdf](#) as letters from N.J. Federal Senator Frank Lautenberg (D) to the U.S. Attorney's Office under Chris Christie is also included in the report with other letters to the N.J. Attorney General under the corrupt ex-Gov Jon Corzine from N.J. State Senators Codey and Little and Assemblywoman Mc Hese and Assemblyman Gregg as the corruption of the Office of Attorney General and its Department of Law and Public Safety, Department of Consumer Affairs, Office of Government Integrity and Division of Law and the Supreme Court of New Jersey under the Chief Justice and former corrupt N.J. Attorney General Stuart Rabner has only increased as the Judiciary Branch is infested with corrupt Superior and Municipal Judges and corrupt State Prosecutors and municipal prosecutors that protect

them as noted in complaints to the New Jersey's Supreme Court's Advisory Committee on Judicial Conduct (ACJC) with an index and links to copies of the actual complaints filed to the corrupt ACJC on <http://thomascaggiano.com/corruptjudges>
