Date March 24, 2004 Authorized Signature 

Whereas my Motions for Dismissal with Prejudice and/or Change Venue ignored by the corrupt Judge Craig U. Dana, J.M.C. on cases filed in corrupt Judge Mulhern's Stillwater/Hampton Municipal court transferred to the Wantage municipal court of Judge Mulhern, J.M.C. who conducted an unconstitutional trial and conspired with Sussex County Soil Conservation District and the Borough of Stanhope's perjurer Richard A. Stein Esq. and his law firm of Laddey, Clark and Ryan LLC's corrupt municipal prosecutor Andrew Fraizer. to transfer the cases to another municipal court. Judge Dana. J.M.C. has repeated violated the Code of Ethics in Green and Wantage and all his fines were vacated as well as probation of his convictions in the corrupt Green court transferred there by Judge Mulhern's corrupt Borough of Stanhope municipal court as many Morris County and Sussex County municipal court judges in Sussex County and Morris County recused themselves previously including Judge C. William Browkley, Jr. in Jefferson Township Municipal Court on State of New Jersey vs. Thomas Caggiano as did the Sussex County Prosecutor under IND 08-09-316-I State of New Jersey vs. Thomas Caggiano

3. This a Certified Verified Affidavit with adopted referenced exhibits noted above and therein which respond to the Ana Torres letter of May 24, 2012 (Exhibit 1).

4. The Exhibit 9 shows the cover-up facts clearly in the record of meeting by Mary Paolucci in The New Jersey Herald newspaper article published Aug 1, 2002 as the District did NOT even know the Project, minor Sub-division noted in the deeds of both properties published on <http://thomascaggiano.com/deeds.pdf> was not only started but the home on 6 Oak Drive, Stanhope, NJ was built and sold to the home owners by fraud by the Department of Community Affairs, Department of Agriculture as the homeowner questions these State offices as he was lied to and deceived by the Borough of Stanhope officials and the developer as the house was sold on Jul 10, 2002 illegally with a full certificate of occupancy by an additional conspiracy by the Construction Code Official Thomas Pershouse who as a member of the Planning Board and Land Use Board approve payments on projects to John Cilo Jr. Associates as he was stated to be the Borough Engineer or Municipal Engineer and he nor his employee Scarlet Doyle had valid contracts for at least 10 years and committed perjury with Stanhope Officials in a pattern of criminal agreement with criminal disbursements and unauthorized signatures on plans,COAH Analysis and false master plans for the Area in Need of Development prepared by fraud and government corruption for years by P. David Zimmerman Professional Planner as tax fraud, mail fraud, criminal conspiracy and harassment continue.

5. The court documents requested by Ana Torres on May 24, 2012 faxed letter in Exhibit 1 are clarified in my Exhibit 2 email response of May 25, 2012 as this letter is dated May 29, 2012 with relevant evidence and the request for court records.
