3. Pursuant to the Constitution of New Jersey these corrupt Cabinet level officials serve at the pleasure of their corrupt leader by the crime of complicity N.J.S.A. 2C:2-6b(1),b(4),c(1),e(3) Liability for the conduct of another which is the Gov of NJ and I suggest you replace them all immediately and then resign as your administration is even MORE corrupt that that of Jon Corzine as attorneys infest your Cabinet level positions and NOT only do they violated the Rules of Ethics R. 1:14 but are protected by your associate the former counsel to U.S. Attorney Chris Christie (NJ) and the corrupt former NJ Attorney General Stuart Rabner, Esq. and now thanks to you and Corzine the Chief of NJ's Supreme Court as its Superior Courts and Municipal Courts are infested with corrupt judges and attorneys. The U.S. Attorney is the corrupt U.S. Attorney Paul Fishman, Esq. (NJ) and your Acting Director and Chief of

the corrupt Office of Administrative Law is Laura Sanders, ALJ.

4. I adopt my letter to the corrupt Joint Municipal Court of Green, Fredon, Hampton and Borough of Andover with the corrupt magistrate Craig U. Dana, J.M.C. and William Hinkes, Esq. posing falsely as its municipal prosecutor as known to the corrupt Supreme Court's ACJC, OAE, DRB and AOC and Sussex County Board of Chosen Freeholders and hundreds more as some of the complaints are published on <http://thomascaggiano.com/corruptjudges>

5. More reports are published on <http://thomascaggiano.com/pdf> and the file <http://thomascaggiano.com/index.pdf> has dozens of links on the corruption in the infamous State of New Jersey under Democratic and Republican administrations. So you want to reduce the size of government then get rid of the more than 230 corrupt government officials noted on the web site and in thousands of pages filed in courts and your corrupt Department of Law and Public Safety.

6. Read my letter widely distributed on <http://thomascaggiano.com/120630greencourtrecords.pdf>

7. This is a Verified Certified Affidavit with adopted referenced exhibits noted above based upon my own knowledge and therefore by NJ Rules of Evidence can be used in courts or administrative hearings as evidence.

Very sincerely,

Thomas Caggiano aka The Cag
