Joel Ernst and Jarrett Wade as for a substantial period of time I discussed the corruption of U.S. District Judges and Magistrates, the State of NV Chief Judge for District of NV, and over 200 officials throughout feral, state, county and municipal gov't that now spans the NATION from the Office of /circuit Executive in the 9th ?District in California, the USP Insepction Service in Az nad IL, and the infestation through the State of NJ govts at all levels including those in Washington /d.C. I provided salettle photos proving the State of NJ inspectors and those in the Borough of Stanhope were frauds as well as letters from Fderal seantor, members of congress, newspaper reports, provided large plot drawing signed by the corrupt Sussex County Soil Conservation Dsistrict for Block 10902 lot 10 2 Oak drive in the racketeering enterprise structured as Borough of Stanhope and letters requesting investigations to the corrupt Office of NJ Attorney General Department of Law and Public Safety, admissions to mary Pawar of 12 East Drove stanhope from the corrupt Ssusex County Soil Conservation District then maager Winifred Straub dmittign they had NO certifeild Soil Erosion and Sediment ?Contol Plan signed by them for the Proeject, and a second false certification destined to even exist for 8 yers bythe corrupt State of NJ as its corrupt Dsistrict Attorney Rlan Smith threatened me with being Jailed again if I asked for the second false revised plan signed by clifford lundin, a letter by the corrupt Commissoem of the DEP Lisa Jackson to her accomplices the Dept of Agruclutre as she covered up the wetland violation permit on Block 10902 lot 10 and was promoted to the Chief of Staff for the corrupt Gov Corzlen adn to the EPA Administrator by Obama whose administration has the corrupt US Attorney Geenal eric Holder protecting her and his multimillion dollar fund rasier Ex Gov Corzine now protected by his former corrupt NJ Attorney General Stuart Rabner and the Essex County "hudson democratic machine" supporting fo coure their protector the corrupt Gov Chris Christie as Chritie of course is protected by the Essex County administrator and Speaker fo the Asswsembly S. Oliver. Rabner of course is now thecorrupt Chief Justice of NJ Supreme court that is infested at all levels down to the pastie of the municipalities the municipal prosecutors and the municipal judges the towns' appoint to protect themselves and act in unison with the corrupt Suerior court Judges. Much more evidence was given to them showing them how the network of structured corrupt Govt at all levels criminally uses its courts to attack adn retaliated agaisnt infomatns and take away all their civl righsand even make false metnal ewalutation under the control fo the corrupt Commissioner Jenn Velez. As noted on teh reward from I noted <http://thomascaggiano.com> and also <http://thomascaggiano.com/patriciacostello.pdf> adnd when asked y Special Agent Joel Ernest who I met the last time I reported the tax fraud, perjured finacial audited reports, journal voucuning and bribery NOT reported on law firms and the attorneys IRS tax froms that corruption reigns supreme. I nmoted Senator heller has requested Sentate investigations but since Senator reid protects obama itsl like Nixon. I doubt the Seante judiciary Committee lead by a Democrat Sen Leahy who nwe with others that the US was developing its own Nerve Gas manufacturing plant using bianry systems while the US object to chemical municitons it ws developing its own manufacturing plant to tamke these weaspon sysms that would amke nerve gas VX after launch. I refused to jion that engineering tem as I haed when I was in my 30's the engineering, and construction of all the explosives paints for the army amking HMX and octols for Navy missiles etc as the rewards given to me durign my 30 year career are included in part on <http://thomascaggiano.com/background.pdf>. So if yuou beleive the fairy tales adn hubris of the so alled polcicians realise America has black programs and a special operations froce and an NSA and treaties do NTO amatter to them. They do NOT work for the President they work fro the Commaner in /Chief and as soon as he say There is a national threat to america he can do anything he wants like Gunanimo but in Syria he has NO such authority for Obama himself stated there is NO such threat. So even as commander in chief he has NO authorityto launch cruise missles at it. there is NO declaration of war. he has NO constitutional right and if he did he is a war criminal. that idiot fienstein supports the missile attacks as she admits her constituents are agaisnt it so she should be recalled as thePresident has no authorityto attack a soverign nation that he admit is NOT a threat to the USA.
