Re: Docket SSX-C-1-13 consolidated adn combined docket SSX-L-164-13 corrupt Board of Chosen Freeholders, corrupt Sussex county Sheriff, corrupt sussex County Counsel Mc Connell and corrupt Sussex County Board Clerk Morgan and cease pool of the Township of Green with tis corrupt magistrate Craiga U. Dana, JMC and bribed attorneys William Hinkes acting falsely as municipal prosecutor and Kevin Kelly acting by fraud as Special counsel with Robert Campbell acting by fraud as assistant counsel for the above plaintiff under Docket SSX-L-164-13 before the corrupt Assignment judge Thomas Wesienbeck, ajsc in league with the corrupt Judge Thomas Manahn, JSC, Judge N. Peter Conforti, JDC, PJMS Frank Zinna and other corrupt municipal judges Devine, Browkley, Paparazzo in the infested Sussex County/Morris county vicinage with the corrupt Suroeme Court Rabner, Glenn Grant, JAD, and corrupt ACJC, OAE and DRB with a corrupt series of corrupt NJ Attorney Generals now known to Chief of United State Roberts, the State of NV Attorney General, and many federal senators and members of Congress that requested investigations for the corrupt US Attorney General Eric Holder protected by the Office of Inspector General. there are 100 witness. See the files on docket SSX-C-1-13 and the court video on <http://thomascaggiano.com/videowesienbeck.asf> in action with the corrupt attorneys Robert Campbell and Kevin Kelly as neither had the right to represent themselves as attorneys. In Judge McGovern's letter to me on Oct 3, 2013 the fraud is continuing to be exposed. There was no motion provided me to separate SSX-L-164-13 from SSX-C-1-13 as perjured verified affidavits were submitted by William Hinkes who with Judge Dana in the township of Green convicted me in violation of court rules as he had NO authority to even hear the cases transferred from the corrupt judge Mulhern who has recused himself dozens of times and has now William McGovern, JSC and before that the corrupt Browley in the corrupt hoatcong court. For over 3 years I have been refused copies of my own court records. Tania Ell of Wantage and prior Newton municipal court has been reporting the superior court and municipal judges and state prosecutors and municipal prosecutor for years to the corrupt FBI as has the Superior Court scheduler Kay Mack in Sussex County. The reward for the town administrator Ricahrd Stewart when he attempted to get me access to Stanhope court denied me by judge Dana Stewart was fired. I have no civil rights in Stanhope for the last 7 years. Your chancery division Maria Settie Hughes lied to me today and hung up the telephone as I informed Mr Jindracek and his trial court staff of the total corruption in the vicinage today. The Sussex County administrator requested criminal investigations for the corrupt Sussex County prosecutor twice and the corrupt Morris /county prosecutor is corrupt as the MT olive borough attorney and OPRA custodian wrote municipal prosecutor records can not be obtained under OPRA but are protected by the corrupt Department of Community Affairs and the last six State of NJ attorney generals. there are no motions. there are not proof of service. What there is proof of in 20,000 court pages is total fraud, judicial conspiracy and as noted by the State of NV Attorney General violation of Federal laws having life or death sentences. Judge Gannon staff was called today and refused to talk with me. Judge Thomas Manahan, jsc told the Superior court staff in Morris county NOT to talk with me as I am not even allowed to find out the fee to file a counter complaint for damages in the millions. The IRS in Las Vegas Nv has been met 4 times. The Mercer County State prosecutor told Judge Osterer find me NOT guilty on my municipal appeal and then sent 6 CDs or so of evidence to the FBI. there are over 1,000,000 pages of evidence distributed. you can watch the corrupt

judge Bozonelis ajsc and the liar Ricahrd Stein in the corrupt Assignmen jduge's court on <http://thomascaggiano.com/videobozonelis.asf> or just read the corrupt court order issued by Judge Davdi Rand, PJCv which violates my civil riughts to preven detection of fraud, criminal disbursement of funds, bribery, et al as per these corrupt jduges I ahve no right of greivance. I can not even go see the tax assessor and per Dana and conforti I can't even find out the Stanhope municipal codes or see my own court records. Per dana's court administrator NO defendant can get access to their own court records. I can't even aget access to my own attorney client records from the corrupt Robert mattia, Newton who I fired as he refused to read court orders or tanscripts and conspired with Conforti and the first assistant prosecutor gregg mueller IND 08-09-316-I the court orders he was sent while I was illegally imprsoned by dana do NOT even agree with the hand written one's by the corrupt judge conforti. and manahan PJSC is worse he issue court orders without docket numbers no hearing and even spelling my wife's name wrong stating NO municipal court jdgue adn even file a CDR-1 or have a probable cause hearing on a summons CDr-1 as all must go to him. Court rules mean nothing in the chancery court just fraud.

Re: **OPRA Request**

Dear Mr. Caggiano:

I have your letters of January 25 and January 27, 2006, responding to the letter which I sent to you concerning the copies that I made of various vouchers from John Cilo, Jr. Associates as it related to the Paramount Self Storage project and the Oak Drive development.

As you are aware, you are not permitted to enter the Municipal Building. While the OPRA statute certainly allows for the inspection of documents that can only be accomplished if you are legally allowed to enter the Municipal Building, which unfortunately you are not allowed to do. The only avenue available to you to obtain government records from Stanhope is to receive copies of them in the mail. Please forward your payment for the copies of the documents and I will send them to you immediately.

Very truly yours,

Ellen Horak
