

United States Senator Orrin Hatch

Contact Form

Thank you for contacting me via my website, thomas caggiano.

I created this webform because I was concerned that important comments, questions, and requests would get lost in the immense flood of e-mail correspondence. The new system categorizes and organizes my incoming mail more efficiently, enabling me to respond more quickly and without the risk of losing messages in the shuffle. If this new format does not suit your needs, you are more than welcome to call, fax, or mail a letter to my office in the future.

If you provided me with the contact information requested on the webform, I will reply to your message by mail. As you might expect, the convenience of e-mail has significantly increased the volume of correspondence I receive, and I regret that I am unable to respond personally if you are not a Utah resident. Again, thank you for sharing your views.

Sincerely,

Please Print this page for your records:

First Name: thomas

Your message:

Senator heller requested investigation of Dept of Justice to Sen Leahy but is blocked. Read <http://thomascaggiano.com/FEC.pdf> as FEC can not do anything to undo election of corrupt Cory Booker by fraud and cionsopiracy among senator harry reid, eric holder and his corrupt DOJ and FBI, and corrupt Essex county Dems who suuported the corrupt Gov Christie. They even had two US marshalls sent to my home after I complaitned t othe OCE which says they lost my six copes if my complaint. read <http://thomascaggiano.com.131103COAH.pdf>, [ussenate.pdf](http://thomascaggiano.com/ussenate.pdf), [corybooker.pdf](http://thomascaggiano.com/corybooker.pdf) and files on <http://thomascaggiano.com/corruption>.
