Talking Points Memo [reported Monday that Weinberg sent a letter](#) to a Port Authority commissioner, William Pat Schuber, that in part read: "I am at a loss for words regarding the Authority's sudden change in the traffic flow pattern to the George Washington Bridge from Fort Lee. Reducing the number of lanes during peak traffic times has caused a significant hardship for many in the area. This decision, made with no public comment, has created significant congestion in Bergen County." Christie was CCed on the letter, along with two assemblymen, the Port Authority chairman David Samson and Fort Lee Mayor Mark Sokolich. A spokesman for Christie did not immediately respond to a request for comment Monday evening.

Subj: Select Committees on Investigations against Christie administration

Senator Sweeney should broaden scope of Senator Weisenbeck to include abuse of power, retaliation by the infested Christie administration and use of a complicity and corrupt Judiciary. Also I note Gov Jon Corzine also with a corrupt series of Commissioners of Community Affairs continued under Christie's corrupt administration also uses the Port Authority to give favor to his corrupt Commissioner of Community Affairs Susan Bass Levin, Esq. who with Christie have a corrupt GRC, Codes and Standards, Local Govt Services and Local Finance Board officials and employees. Susan Bass Levin was given a \$256,000 job as a deputy commissioner on the Port authority AND a dual do nothing part time job on the local finance board at a by of \$12,500 per year making her eligible for her 2 years of corruption thereon to get an increase in her annual retirement pay of \$7,500 per year but also got eligible for life time medical insurance at great cost to the State's tax payers. Levin and her follow-on commissions of both parties are totally infested especially the GRC itself and the Cabinet members on its corrupt voting panel. Attached for your use in the Select Committees on Investigation are various documents referencing thousands of records and I also include a copy of a CD I provided the corrupt Municipal shared municipal court of Hopatcong/Stanhope that has refused to provide me copies of my own court records for over 4 years. See <http://thomascaggiano.com/acjcglenngant.pdf> for added references. The CD is an OPEN record in its court and was provided the useless FBI as Paul Fishman, US Attorney NJ and Eric Holder are both corrupt as stated in filed court papers in many federal courts and to the DOJ Office of Inspector General. Matt Boxer, the corrupt Comptroller and NJ Inspector general has known about the fraud, corruption since his first day in office so get his records i ailed him and emailed him

and those denied me by the corrupt Department of Law and Public Safety 675 pages of criminal tip line reports I paid the \$33.00 to get but the corrupt Department of Law and Public Safety refuses to give me records it stated it has and for which I paid. Remove the GRC and its attorneys from under the control of Christie corrupt cabinet officials.

I certify the forgoing statements ( including the referenced and adopted exhibits and records on the attached CD are true. I am aware that if any of the foregoing statements made by me are willfully false that I am subject to punishment. Replace the existing Senate President Sweeney with Codey as Senate President.

tipinformation: This an Open Public Record accessible on the internet on <http://thomascaggiano.com/140113dcjcriminalreport.pdf>. It is available under common law right of access and OPRA as it is a published public document by the author Inside on the Outside author thomas caggiano released to the public to expose corrupt, fraud and waste as known by the corrupt comptroller and Inspector general of NJ Matt Boxer, Esq. since his appointment .. by over 250 officials, bribed law firms, corrupt judges, and the power structure of govt as stated by Judge Edward Gannon gathers the wagons and throw the Superior Court judge under the bus. See quote from newspaper now filed in Morris County superior court filing by thomas caggiano.com published on <http://thomascaggiano.com/140108hansbury.pdf>. . The corrupt Sussex County Board of Chosen Freeholders together with the sheriff, counsel and township of Green continue there conspiracy to prevent detection and apprehension of hundreds of Title 2C crimes that continues. I adopt all court records provided four Suprior Court judges that already have been assigned to Docket SSX-L-164-13, SSX-C-1-13 and SSX-C-43-13 now before the fourth Judge Stephan C. Hansbury PJ CH wrote me a letter dated Dec 2, 2013 noting he consolidated SSX-L-164-13 to SSX-C-43-12 but Jduge Weisenbeck consolidated it with SSX-C-13. The court has cut off my home telephone number from calling the Superior Court on questions of prosecutor or anything and also the corrupt Board of Chsoen Freeholders has also refused all letters event hose from the Publishing firm Inside on the Outside under the 1st Amendment and the CASE law by the Supreme Coirt of the United States. The corrupt court violates many State title 2C criminal codes even retroactively revok-

ing common law right of access, OPRA and attending open public meetings by the Sheriff's office that was referred to the Dept of Justice Civil Rights Division Special litigation Section to bring a federal suite against the jail, Newton Memorial Hospital that aided the corrupt sheriff in cruel and unusual punishment of inmates by denying proper medical care and even the sheriff that is required to deliver various court records with the chief counsel Mc Connell who continues to send and return my letters to the corrupt Board of Chosen Freeholders as grievance noted by Judge Edward Gannon as even Judge McGovern III recused himself and stated the court records were wrong. The attorney of record is the corrupt Dennis Lenard a POC reporting the corruption of Judges, prosecutors and others for years is Kay Mack the Superior Court for Sussex County schedule. In the court filings told me he is NOT even the attorney for those plaintiffs. On Dec 5, 2013 the corrupt Counsel Dennis R. Mc Connell return a copy of my letter mailed the DOJ Office of Inspector General and the FBI which prosecutors ONLY Federal crimes as the DOJ has no authority to file a criminal INDICTMENT in Superior Court as done by the corrupt Sussex County Prosecutor IND 08-09-316-i State vs Thomas Caggiano as the court orders filed in the court do NOT agree with those by the prosecutor nor do they even have the complete collection of court orders issued by the corrupt Judge Thomas Manahan JSC on Docket IND 08-0931-I which were even against my wife Kathryn but the corrupt judge spelled her name wrong and issued his court order to every municipal corrupt in the vicinage but NOT us the defendants ??? David Weaver as he former law partner is William Hinkes who wrote false verified certified affidavits for court orders now violating the US Constitution, NJ Constitution, all due process rights, OPMA and OPRA. This has not been told the Republican Governors Association and the Democratic Gov Association noted in published letters on <http://thomascaggiano.com/RGA.pdf> and <http://thomascaggiano.com/DGA.pdf>. Now that the corrupt Shiela Oliver is no longer the corrupt Speaker of NJ Assembly I have noted the incoming Speaker for the Assembly and others of documents sent to other federal senators and congressman in NJ for the 11th Congressional District Frelinghausen and others. The complaint to the corrupt US District Court about the corrupt Judges therein was not answered that is published on <http://thomascaggiano.com/foley.pdf> and court records now with the corrupt law firm of Kelly and in Newton and the corrupt law firm of Mc Connell, Lenard and Campbell are published in Open Court on <http://thomascaggiano.com/140108hansbury.pdf> I called the Office of Attorney General Mr Solomon today and he is checking why the 600 plus pages of documents assembled via such tip line reports has not been mailed me. Also other Division of Law has a new OPRA custodian and are hopefully responding to my OPRA request to that corrupt Dept of Law and Public Safety and Public Safety Div of Law. See <http://thomascaggiano.com/NVattorneygeneral.com> regarding violation of the Police Enforcement Act. See <http://thomascaggiano.com/GRCfraud.pdf> as the corruption of the cabinet level voting officials are stated therein. Once again the Federal govt has NO authority of State Title 2C crimes apparently Paula Dow, the Division of Law and all attorney generals under Corzine and Christie administrations have never read the constitution of NJ nor their official duties to prosecute Title 2C crimes for which since no filing is made every day more state crimes just expire by time delay as even though the NJ attorney general is corrupt and the State Police Official corruption Unit and the many court prosecutors do NOT themselves file Title 2C probable cause affidavits as I tried 50 times and NOT one probable cause hearings was ever heard but the attorneys and judges are protected by the US Govt DOJ and State of NJ in civil duties in NJ corrupt Mercer County, Sussex County and Morris County civil part courts in addition to the corrupt Newark municipal court. The crime wave continues. READ C.E.P.A. and title 18 USC Section 4 as I told Bruce Solomon today after explaining to him the continuous corruption and unethical conduct of judges and attorneys he himself is to report under Rules of Professional Conduct called Code of ethics for attorneys RPC 8.3.a and 8.3.b but constitutions, laws, court rules do NOT apply in NJ nor the US Courts of District of Nevada so the crimes, criminal coercion, false reports and obstruction of State laws continues. READ adopted exhibits on <http://thomascaggiano.com/corruption/exhibits.pdf> filed in the Morris County Superior Court as an OPEN record and the corrupt law firms noted above. More information on how the corrupt Chris Christie and branches of NJ govt operate is published on

<http://thomascaggiano.com/FEC.pdf> See <http://thomascaggiano.com/131205mcconnell.pdf> for additional evidence o State title 2c crimes including the State title 2C crime 2C:41-1.1.c and d(2) enterprise and pattern of racketeering 2C:5-2.b and g. and 2C:28-1.a perjury, 2C:21-c false govt records, 2C:13-21-2.1, 2C:5-1.c conduct designed to aid the commission of State title 2 C crime by other, 29-1.a obstruction of administration of law as the corrupt Hopatcong / Stanhope have refused to provide me copies of my own court records see letter published on <http://thomascaggiano.com/131125hopatcongmunicipalcourt.pdf> A large file which is an Open court record in the corrupt shared municipal court of Hopatcong and Stanhope the municipal judge, municipal prosecutor and the municipality are corrupt as well as the chief of police department as noted in the exhibits in the court filed papers to obtain court records of my own. The joint municipal court in Wantage and the four municipalities including judge Craig U. dana, JMC and law firm of Dolan and Dolan PA Re corrupt and have conspired with Judge Zinna, PMJC and the totally corrupt Judge Thomas Manahan PJSC for many years. Tania ell has been uselessly reporting the corruption in Newton and nor Wantage as the court admin. or to the corrupt Official corruption bureau and FBI for years as she feared reporting criminal conduct to the corrupt State police for Richard Stewart the fired town administrator in Stanhope and Ms robin Kline RMC MAS hired her own attorney Mr King, Esq. and reported the corruption in Stanhope and others for years and like m y wife, kathryn Caggiano, Mary Pawar and Iqbal Pawar and others were retaliated against for many years and gave upon and suffer PTSD from emotional distress for over a decade of in your face tyranny .. threats that continue .. do to the obvious tyranny of State of NJ govt protected by the US Attorney Christie, the US Attorney Paul Fishman, through Eric Holder and the Office of Circuit executive and court of appeals in California as judges are protected at all levels federal, state, county and municipal. Happy new year 2014 just more threats and tyranny. This report will be published on <http://thomascaggiano.com/140113dcjcriminalreport.pdf> in the infested Sussex County / Morris County Vicinage with two corrupt County prosecutors, a corrupt Vicinage assignment Judge Thomas Weisenbeck, AJSC following the corrupt Assignment Judge T. Bozonelis, AJSC and David Rand. PJCv and of course the corrupt attorneys in the Division of Law and their complicity superiors. as attorneys are NOT even legally READ <http://thomascaggiano.com/131126DOJ.pdf> and <http://thomascaggiano.com/GRCfraud.pdf> More is on my OPRA request to the corrupt Division of Law W82681 as a new custodian has been assigned. This does NOT stop a denial of access.

Can you tell me when the corrupt Department of Justice is going to assist the citizens of the United States as the corruption within the Department of Justice and the pandemically corrupt Executive, Judicial and Legislative branches of the State of NJ and its many municipalities are just cease pools of corruption?

When are witnesses that have been threatened going to be contacted such as Mary and Iqbal Pawar of 12 East Drive, Stanhope, NJ going to be contacted as they have been criminally coerced for many years, threatened by State officials, subpoenaed to court, threatened by bribed professional engineers who they wrote separate complaints to the corrupt Office of Attorney General of N.J. Department of Consumer Affairs and its corrupt Board of Engineers and Board of Professional Planners. When is the U.S. P.S. Inspection Service going to stop the threatening and harassing mail that continues to be delivered from State and municipal officials and their bribed law firms such as Laddey, Clark and Ryan LLC as for now over a year the below evidence has sat in our new North Las Vegas, Nv home and no one from the FBI has ever contacted my wife, myself, my neighbors in New Jersey as the U.S. Attorney's Office in Chicago, IL, Dearborn St was contacted and provided hundreds of pages of evidence of massive fraud, bribery, kidnapping, obstruction of justice, trickery per the direction to me by the Office of Inspector General's Sr. Special Agent Scott Meyers staff and for over 1.5 years the outstanding Municipal Clerk Robin Kline, MAS reported the crimes and conspiracy to ten agencies and was placed uselessly in the Federal Witness Blowere Protection Program therein as the U.S. Attorney and NJ FBI were in a conspiracy themselves as FBI Special Agent W. Dun and his staff destroyed evidence as did the Town administrator Teri Massood of Stanhope as she admitted she did in writing and before the corrupt Department of the Treasury's Newark based corrupt Office of Administrative Law Judge J. Howard Solomon, ALJ.

I find I can't even file harassment complaints without criminal charge threats from the corrupt Chief of Police in Netcong, Morris county and its corrupt municipal judge as one can't even file criminal charges in many Counties in New Jersey as the courts are infested with corrupt Judges and court administrators.

I tire of updating the constant corruption that has only accelerated. Constitutions do NOT apply to protect U.S. Citizens in America and false and incomplete false FBI reports used by other countries to screen visitors prevented by wife and myself from our cruise in Canada being forced by five security guards as I protested they were NOT complying with their own laws as NO indictable criminal offense conviction is on my FBI report fed by the corrupt State Police using NJ court data which is hidden in secret such as my May 11, 2009 dismissal with PREJUDICE of 13 criminal charges brought against me by corrupt municipal officials. I note the letter of the corrupt Laddey, Clark and Ryan LLC letter of Jun 2, 2009 to the corrupt Mr. Michael Lasko, Sussex County Probation Department for which I was convicted by the corrupt Judge Dana for sending the letters itself which is referenced as evidence. While the fines and probation violation were dismissed over 1 year ago on Sep 10, 2009, the corrupt Superior Court Judge N. Peter Conforti, JSC and his accomplice's in the Office of Attorney General, the Sussex County Prosecutor's Office and Joint municipal court of Green, Fredon, Hampton and Borough of Andover are protected by the corrupt State of NJ's Supreme Court's Advisory Committee on Judicial Conduct as the protection of the over 180 persons which just keeps increasing NEVER, NEVER stops their accelerating criminal conduct.

My wife has been tormented enough. My neighbors have been tormented enough.

The corrupt FBI never examines evidence which fills the entire back wall of our third bay as noted in the photo below

**Who do I turn to in the Department of Justice to report Eric A. Johnson, SAC?**

A citizen who could NOT even get on an America Cruise Ship in Astoria, Or. with paid tickets or new tickets and who has been attacked physically by State police, hand cuffed over two dozen times, illegally imprisoned for 85 days, placed in five point restraints, had drugs forced into my body the State of NJ reducing my red blood cell count by 50%, have forty persons request investigations AND the corrupt OIG for the Inspector General states THE MATTER is CLOSED.

Well, how to we fix the FBI Data base used by other countries so we can leave the corrupt United States of America as we were forced to buy jet tickets against our will and fly back to Seattle, Wa.

We can't even get court records to prove our innocence and can't get even a hearing in the corrupt Government Record Council, the corrupt Superior Court of Judge Bozonelis, AJSC after years as he issued unconstitutional court orders about two years ago!

The United States of America. A Land of Tyranny.

The State of New Jersey .. a state of racketeering with corrupt executive, judicial and legislative branches that are world famous in the "target rich" environment where NO State crimes are allowed to be reported in its municipal courts as its Superior Court judges issue court orders without even notifying my wife or myself that WE, Citizens, are not allowed to file harrassment complaints in any municipal court, we can not file any CDR-2 or CDR-1 in any municipal court in Sussex County, Morris County and the pandemicly corrupt Essex County where Affidavits of Probable Cause forms could NOT even be obtained from its corrupt Green St municipal court Mr. Jackson which is located within a few blocks of the following corrupt offices that have hundreds of pages of evidence and audio recordings

- a. U.S. Attorney NJ
- b. FBI NJ
- c. Office of Attorney General for NJ Department of Consumer Affairs and its Board of Engineers and Board of Professional Planners
- d. NJ Department of Treasuries corrupt Office of Administrative Law
- e. Corrupt Essex County Prosecutor's Office for NJ
- f. Corrupt municipal court for Newark where per R. 7:2-1 state criminal charges are filed and CDR-2 arrest warrants are supposed to be signed by any citizen which is NOT allowed in its corrupt courts.

I certify the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false that I am subject to punishment.

To Gov Christie and his corrupt Department of  
Community  
Affairs Commissioner Grifa, Esq. and its corrupt  
AG Paula Dow with pandemic corruption protected as NO

ethics committees or County Prosecutor's enforce title  
2c,  
violations of OPMA and the GRC is an absolute  
cesspool of  
corruption.

Your corrupt Office that is to insure so called  
transparency in govt is a corrupt organization since  
the  
departure of its former excellent chairman Vince  
Maltese,  
Esq who brought in a court reporter so that on the  
GRC's own  
web site its corruption could be read by the public.  
It has  
NOT posted its minutes in now four months. It  
cancelled its  
Sep meeting do to lack of quorum because Gov Christie  
has  
NOT appointed members to the corrupt Council. It's a  
fraud  
anyway. See [thomascaggiano.com](http://thomascaggiano.com) for four complaints to  
the  
corrupt Supreme Court's Advisory Committee on  
Judicial  
conduct ACJC that protects corrupt Judges in the  
cesspool  
of NJ and the latest acts of terrorism by the corrupt  
Chief  
of Police in Morristown's Netcong and its corrupt  
municipal  
judge paparazzo and its corrupt court administrator  
that  
threatened me with a criminal charge if I sent them an  
OPRA  
request or attempted to file a complaint per R.7-2.1  
as they  
would not even notify the Morris  
County Prosecutor's Office per R. 3:2-1 that  
indictable  
criminal charges were filed in certified Affidavits  
nor did  
the corrupt Trenton, Newark, Newton, or Morristown  
court  
clerk notify the State County Prosecutor and the  
Vicinage  
Administrator that criminal indictable charges were  
filed as  
the court system is corrupt as one can get. The State  
police  
in west trenton did NOT include in the FBI data base  
that  
the corrupt Sussex County Prosecutor filed a motion to  
the  
corrupt court of Judge Conforti, JSC without even  
notifying  
me the defendant that AFTER I submitted a pro se  
motion for dismissal with prejudice of 13 malicious  
criminal

charges against me Gregg Mueller, the first asst  
prosecutor  
sent a motion to dismiss all criminal charges with  
Prejudice  
and the corrupt AP Corozza just left that corrupt  
office.  
Now I am confronted I was thrown out of Canada and  
denied  
entry as the corrupt Judge dana, Jmc on cases  
transferred  
from the corrupt Borough of  
stanhope that has over 50 denial of access but  
was  
protected by the corrupt Dept of Treasury's OAL and  
the  
pathetically corrupt Dept of Community Affairs now for  
over  
6 years is as corrupt as one can get for I can't not  
get any  
government record from Stanhope, nor examine any govt  
record  
in stanhope where I own a house I had built in 1972  
nor  
could I even pay taxes in advance, get a copy of any  
agenda  
of the town council per OPMA it's a cesspool of  
perjury,  
lies, racketeering, bribery, fraud for over 20 years.  
Hundreds of records are in YOUR departments including  
your  
own files by Ian brennan and my name is on your OCR or  
AGs  
restricted list. I would like to leave the corrupt USA  
and  
get records in NJ but I can't even get them from the  
AG, the  
courts which convicted me over 50 times. such  
corruption. NO  
transparency. Just State sponsored terrorism. so at  
least  
update the State Police data sent to the FBI so I can  
leave  
the United States of AMERICA as  
my wife and I were forced to pay for air fare  
back to  
Seattle by Canadian authorities because the State  
police do  
NOT update the data base. The criminal charges were  
dismissed on Sep 10, 2009. I have never been convicted  
of  
any criminal charge and can't even get on the NCL  
cruise  
ship in Astoria Or with my wife who is tormented by  
corrupt  
Judges, corrupt lawyers, corrupt mayors.

see the latest on <http://thomascaggiano.com> as I now  
turn to preparing a novel how to destroy as superpower  
as

my background  
gives a clue on my knowledge  
<http://thomascaggiano.com/tcb.htm> and  
<http://thomascaggiano.com/entp.htm> for  
after 10 years  
of trying the corruption of the Christie  
Administration is  
even worse then that under its prior corrupt  
Governor's as  
its State prosecutors do NOT enforce Title 2c, its  
State  
ethics committee has NO ethics, its corrupt judges are  
not  
impeached but protected by the ACJC instead and the  
lawyers  
are protected by the OAE, the corrupt PEs and PPs are  
protected by the Office of Attorney General's Dept of  
Consumer Affairs just pathetic. A state of corruption  
in a  
county of corruption.
