Thomas Caggiano was also an assigned International Contract Negotiator for Corps of Engineers. Prior member Military Comptroller and Scientific societies, Inside on the Outside's Publisher, member of Society of Professional Journalists and computer programmer for [thomascaggiano.com](http://thomascaggiano.com) and [freedomnewsdigest.com](http://freedomnewsdigest.com) exposing official corruption, HOAs, Community management firms, law firms, enforcement agencies including U.S Attorneys FBI directors under President Obama, Trump Biden administrations to U.S House Senate committee and in U.S District courts. Thomas Caggiano was a prior member of the Democratic party for over 50 years but switched parties after Biden "Left behind" US Citizens Afghan soldiers families with the death of several marines defending Afghan airport in the middle of a city not at a large air base wherein the safe transfer of the people, soldiers billions of dollars of advanced equipment was left behind. Biden simply turned the page leaving his disastrous pullout in a fashion in disagreement with his own military leadership as a total disgrace with great harm to those LEFT BEHIND/ Both the Clinton and Biden clan are corrupt and like FSR, the nation's largest community management firm has been protected by the FBI for over a decade as elder abuse has been constant from the FBI, the Las Vegas Police's Internal Affairs bureau, the Justice Court of Las Vegas which protected FSR and other accomplices in many hearings under 16PO1647 and 17PO1335 as FSR employees filed a false police report to the Las Vegas Police, and entered the report as evidence in 17PO1335 as both Michael Breault Sr and Stanley Wright have been aware the police report and its filing under a declaration of perjury by its series of protected Community managers was false and that judicial harassment was constant in those court cases as the Court repeatedly admonished the Attorney and also noted his court had no jurisdiction to prevent Thomas Caggiano from publishing or entering data into social media accounts and lied to the Court that he did not again request such an unconstitutional ban which again the court admonished repeatedly in hearing after hearing Steve B. Scow, Esq. again those violating Res Judicata defined as Judicial Harassment as 16PO1647 was also a totally meritless filing. Provided evidence to GOP candidates for Senator, Secretary of State, Treasurer NV Attorney General to replace the corrupt Gov Steve Sisolak (D), NV AG Ford (D) other corrupt Democrats which include Sen Catherine Cortez-Masto, Esq. who was also corrupt as NV Attorney General as NV AG Laxalt did direct Thomas Caggiano to the State's corrupt NV Committee on Judicial Discipline which can remove judges (16PO1647, 17PO1335, US District court District of NV Docket as the NV Secretary of State as show by over 700 MEGS provided me in response to my State of Nevada Public Access Request her Department engaged in protection of numerous candidates in the 2000 2020 elections for various representatives and officials that have been protecting Firstservice Residential (FSR), HOAs Aliante Master Association (AMA), and Autumn Ridge at Aliante Community Association (AURI), and their respective law firms FSR's Koch and Scow, <https://kochscow.com/>, and HOA's Leach Kern Gruchow Anderson Song, <http://lkglaw-firm.com/>, and other accomplices that violated oath of office, including 18 U.S.C 2,3,4, 241, 242, 1001, 1512, 1513, et. al. numerous State of NV criminal Statutes and other NRS laws describing unit holder violations by HOAs previously published and distributed by email to numerous federal, state, county authorities in Clark County and Carson City as well as their District Attorneys and Municipal Police in Las Vegas, North Las Vegas and Henderson for in each municipality teams of police interviewed Thomas Caggiano, as Thomas Caggiano reported criminal conduct. In each municipality the Police filed one or more Case event numbers with evidence but in each jurisdiction the respective police manuals, with procedures, polices, codes of ethics were violated by their superiors allowing FSR and the HOA to continue violations of State criminal while the NV Real Estate Division, CIC Ombudsman contin-

ue to protect them protecting FSR and the HOAs for more then a decade as noted in U.S District Court District of Nevada filings, and in meritless filings by FSR with the Justice Court of Las Vegas by FSR being 16PO1647 which even the Judge Joseph Sciscento repeatedly in hearing after hearing stated his court had no authority to ban Thomas Caggiano as a publisher nor in social media from publishing his opinions and evidence. The court ordered a Mediation Session that occurred on Feb 15, 2017 at the Las Vegas Justice Court's Neighborhood Justice Center's Conflict Resolution Session as the FSR attendee via Telephone was Joyce Winward and the Koch and Scow attorney was Steve B. Scow, Esq. who stated he also directly represented the HOAs and lied to the media. As noted in the 158 page filing to remove 17PO1335 FSR and disqualify Judge Joseph Sciscento as he was aware, based upon testimony by FSR that my HOA unit holder rights had been violated for years which was also known to FSR Residential Corporate, 1855 Griffin Road, Suite A-330, Dania Beach, FL 3300. As the court after several hearings advised Thomas Caggiano to file criminal charges and a civil suit against FSR. FSR had as witnesses the President of both HOAs AMA and AURI, Michael Breault Jr. who stated before unit holders in both HOAs: "I am honored to be protected by the FBI Also Stan Wright the Treasurer of the AUIR also appeared as a witness as Steve B. Scow, Esq. knowing the admonishment he received by the court, again submitted a request threat Thomas Caggiano be banned from publishing or entering his evidence on social media during the initial hearing of 17PO1335 and against Judge Sciscento who repeatedly refused to disqualify himself as the Judge violated federal laws, state laws and Codes of Ethics Judicial Canons as based upon the court record provided the NV Attorney General Adam Laxalt, Esq. he directed I file complaints to the Committee on Judicial Discipline which could remove the judge and the NV Real Estate Division which could remove Firstservice Residential from any Community management service contract in Nevada, as its Corporate office has been knowledgeable and accomplice's complaints were filed via FSR's Connect System with none of them ever responded, as mandatory additions to agenda and witnesses at alleged violations in requested Open Session was also violated, as have many NRS crimes and other mandatory compliance actions. to prevent detection and apprehension. and also force both HOAs to remove Board members and be restructured but has protected Firstservice Residential and the HOAs for years known by the Department of Business and Industry, its Nevada Real Estate Division, CIC Ombudsman and its trainer Antonio Brown who without notice as Thomas Caggiano had participated in several such training courses understanding HOA unit holder rights and filing of complaints to the corrupt NV Real Estate Division and CIC Ombudsman which like the NV Attorney Ford, Esq (D) who has protected Gov Sisolak (D), and many others being NV Federal Senators Catherine Cortez-Masto, Esq. (D), Sen Jacky Rosen (D), my Congressman Steve Horsford (D), Clark County Commissioners all Democrats for over a Decade, and other accomplices protected by Gov Sisolak (D) now vote out of office and was the prior chair of the infested Clark County Commission as a 46 page record is published by the Clerk of Clark County exposing its corruption noted in its own minutes of noted below:

c. The NV Attorney General Ford, Esq (D) provided 200 pages of my complaints and distributed records to federal, state agencies and the Las Vegas Review Journal that has protected the massive corruption in Clark County for over a decade also known by other news media. , Clark County Commissioners and District Attorney Wolfson, Esq. known by the Carson City Board of Supervisors and District Attorney of which Clark County and Washoe County Democratic machine holds and the only two District that voted for these representatives and officials protected during the 2020 and 2022 Election process by the Secretary of State Barbara Cegavske as NV election laws, and oath office as well as numerous federal crimes were violated in its Codes of Ethics and other requirements known to the Secretary of State which as also protected Firstservice Residential and other accomplices. as her office in response to a request for records provided over 700 MEGS of emails and other relevant records and Members of the House violating his oath of office, and numerous federal

laws as the NV Secretary of State has protected these entities and other accomplices to include U.S Attorney General Merrick Garland, CIGIE, OGIS, DOJ Office of Professional Responsibility, U.S Attorney District of NV and series of NV FBI Special Agents in Charge and their ASACS under the Obama, Trump and Biden Administrations. In writing banned me from participating in additional training courses in on-line sessions of which transcripts are available. as both the FBI, NV Real Estate Division, Las Vegas Police Internal Affairs Bureau to prevent further disclosure without any due process and violating my federal and state civil rights retaliated against Thomas Caggiano and continue to be accomplices even after Gov Sisolak has been voted out of office as his accomplice NV AG Ford and Clark County District Attorney Wolfson, Esq. were also protected by the FBI, U.S Attorney District of Nevada and other accomplices after the fact violating their oaths of office defined as perjury as a Special Counsel was recommended years ago to the State of Nevada and a 46 page filing was made to the Clark County Commission and has been adopted by reference in over a hundred pages of emails as the NV Secretary of State that licenses Firstservice Residential and the HOAs provided me after months of delay 13 emails containing over 700 Megs of relevant evidence per "Totality of Circumstances" evacuation methods directed by the U.S Supreme court decision and the NV Bar protected their law firms known to Sen Cortez-Masto, Esq., Sen Jacky Rosen, Rep Horsford, my State Senator Pat Spearman and Assemblywoman all Democrats as the NV People voted Gov Sisolak (D) out of office as he also protected the Clark County Commissions all Democrats for over a decade as their own minutes of including the Justice Manual and municipal Police Manuals practices, procedures, polices and Codes of Ethics therein. upon receiving my complaint against Biden Harris directed I file the complaints to the Department of Justice which protected them. Additional data was input by the Federal Trade Commission Case file 121203437 and the Federal Consumer Financial Protection Bureau complaint 200814-4366885 by these federal agencies into the FTC's Consumer Sentinel Network accessible by thousands of enforcement agencies worldwide. In addition, based upon false responses from Firstservice Residential regarding production of records, audio records, and examination of records willfully denied by the HOAs and FSR for years, the Better Business Bureau directed I file criminal complaints to the NV Attorney General other violations of our NRS unit holder rights to the NV Real Estate Division which as protected FSR the HOAs as then NV AG Laxalt directed Thomas Caggiano to the Commission on Judicial Discipline which protected judges their law clerks in the Las Vegas Justice court 16PO1346, 17PO1335 and the NV Real Estate Division has protected the HOA FSR which could have their licenses revoked by these corrupt enforcement agencies known by the State of Nevada's Supreme Court's SUPPORTING ATTORNEY, Administrator of courts Katherine Stocks, Las Vegas Justice Court mediation Works Supervisor April Thomas, federal agencies including CIGIE, DOJ OPR, DOJ OIP, NARA, OGIS, and Las Vegas Review Journal and other Las Vegas news media. which have been protected by the U.S Attorney District of Nevada and FBI Special Agents in Charge under the Obama, Trump and Biden administrations.
