Good morning,

My name is Thomas Caggiano, spelled t h o m a s c a g g i a n o.

My home is at 7086 Arcadia Glen Court, North Las Vegas, 89084.

My wife and I were Clark County Sanders Delegates and voted democratic the last 50 years. We voted for Trump as the Establishment is corrupt and grid locked by partisans who seek power via ego and greed. Under Trump the ISIS caliphate in Iraq was rapidly destroyed, the stock market and many people's IRA and unions pension's funds are up 30% at record stock and highs, the growth rate of the economy is growing at a faster pace, due to tax reform some major companies are increasing wages, illegal immigration is down significantly, the Democrats approved an actual wall longer then President Trump is requesting about 350 miles, Black unemployment is at its lowest in over 40 years. My insurance premiums did NOT go down \$2,500 nor could I keep my own doctor as promised by the Democrats. Trump demanded the DACA related Chaining Law that allows 13 times the number of other members entry to be abolished as well as the lottery system to be abolished and a merit system be designed by Congress like other countries of the world.. I agree with every item. He is from New York, gave police offices injured private donations, saved NY from the bankruptcy under Democrats. His supports our ally Israel, Obama did not. He should get someone to review his tweets. He has increased the police, border guards and military moral and requests billions for needed defense. He has gotten the UN with China and Russia both impose strict sanctions on North Korea and now the Koreans are talking with one another not done in years. He complied with congress law to increase vetting those from countries identified by Obama, deleted those that increased vetting and added others after review.

The false media is exposed. The rigging by Clinton of the Democratic party was stated by Bernie Sanders and proven by DNC chair Donna Brazile, the corruption of Clinton Foundation and the email scandal is exposed with investigations now ordered against them both. Trump should use his terms

more carefully and stop his hubristic outlandish statements such as he knows more about war than the Generals. He should get some humility and not be as brazen egomaniac as Hillary Clinton or her sex predator husband both are far worse.

Take notice U.S. District Court Judge Gloria M. Navarro of my court filings on Docket 2:12-cv-01484-GMN-GWF Thomas Caggiano v. Eric Holder and magistrate's Foley's ORDER published on <http://thomascaggiano.com/STANDING.pdf> and my filing Docket 17-cv-02921-RFB-VCF First-service Residential v. Thomas Caggiano Remove 17PO1335 from corrupt Justice Court for Twp of Las Vegas for a Fed Question and Counterclaim

I will be filing a petition under Writ of Mandamus and other writs to have the court ORDER a federal grand jury to determine Probable Cause for violation of federal crimes by hundreds of alleged conspirators in Washington D.C., New Jersey, Nevada, and other states based upon this record, my letter to the Whitehouse and others published on <http://thomascaggiano.com> as well as the FOIA response from the DOJ Office of Professional Responsibility F17-00023, Aug 3, 2017 which Provided me 5,010 pages of complaints as well as U.S. District Court Cases I filed in U.S. District Courts in Nevada, New Jersey and Eastern District PA against DOJ officials and others.

Take notice Clark County Chief Judge Elizabeth Gonzales of my heads-up" letter published on <http://thomascaggiano.com/GONZALES01.pdf> which notified you I will request you to issue court orders which ORDER State of Nevada officials to perform their official duties and my letter published on <http://thomascaggiano.com/CLARKCOUNTYTREASURER.pdf>

My published web site exposing corruption in the U.S. are thomascaggiano.com and freedomnewsdigest.com and other copies are published in South Africa and Denmark.

I have lived for 8 years within the corrupt HOA Autumn Ridge at Aliante Community Association and Aliante Master Association both protected along with its corrupt community management firm Firstservice Residential, Nevada, LLC, 8290 Arville St., Las Vegas, NV 89139 with its local office at Aliante Market Place, 2760 Deer Springs Way, Suite 104, North Las

Vegas NV 89084 by U.S. Attorney Holder, Lynch, and Sessions and the corrupt FBI director Comey and followed by Chris Wray as well as Gov Sandoval, NV Attorney General Laxalt, Committee on Judicial Discipline, the Nevada Real Estate Division, Clark County Sheriff, Clark County Commissioners and Clark County Treasurer as well as the Las Vegas-Review Journal, numerous State of Nevada Senators and members of General Assembly, and U.S. Senator Heller, Senator Masto, Congressman Kihuen and their staff, dozens of others and news media coast to coast as well as the U.S. District Court District of Nevada and the corrupt Justice Court for the Township of Las Vegas under 17PO1335 and 16PO1647 as well as the corrupt Firstservice Residential, Nevada, LLC and its attorney Steve Scow, Esq. My attorney J. Taylor Oblad, Esq., State Bar Association of Nevada, the State of Nevada's Democratic and Republican parties are well aware of the vast corruption.

My wife, Kathryn and I married on Jan 31, 2000 lived initially in the most corrupt State of the United States New Jersey as even its Gov Jon Corzine stated in his State of the State speech: "NJ is morally and fiscally bankrupt and does not enforce its laws." As an example Christie's two top appointees in the corrupt Port Authority of NY and NJ were convicted only on federal charges and did NOT serve a day in jail. As far as Gov Cuomo, a Democrat, and Gov Christie and all their attorney generals are concerned Bridgegate never happened. Like the Democrats forget Clinton and her corrupt team and Comey all violated President Obama's and President Clinton's Executive orders on National Security, SF132 nondisclosure agreement and Separation agreements published on <http://thomascaggiano.com/clinton.pdf>. The Democrats, MSNBC, NY TIMES, CNN, Trump hate propaganda media and that under Obama administration, Congress passed two laws and directed the President to determine countries that had any person from Mar 1, 2001 traveling through those countries to be vetted. The countries were selected by Obama NOT Trump and Saudi Arabia was not on the list where the 9/11 terrorists were trained but Saudi Arabia did donate millions to the Clinton Foundation and President Clinton's presidential library. Most Muslims live in Indonesia, Thailand, and Africa not mentioned in the so called "Muslim ban".

My wife and I married after I graduated City College of New York, one of 14 graduating students with a Chemical Engineering degree; thereafter, took advanced graduate courses and classified courses in military bases as I then embarked on a 30 year career in the Department of Defense,

worked with the Special Operations forces, the Pentagon and became a member of the U.S. Army Acquisition Corps , Level III in Project management, Engineering Chief for millions of dollars of design and construction, Policy Chief, Business Acquisition manager for a Billion program, a Member of Comptroller Society, Tempest Control Security officer and knowledgeable in fifty (50) fields.

Teh former corrupt Congressman Hardy or his staff had the U.S. Capitol Police threaten me when I requested a meeting with his staff. Read part of what I provided his Chief of Staff in a 40 minute meeting thereafter on <http://thomascaggiano.com/HARDY.pdf> as former Congresswoman wrote the DOJ OIG and was lied to as the DOJ OIG Horowitz is corrupt and he is also the chair of CIGIE which reports directly to the President of USA.

My background is published on [//thomascaggiano.com/background.pdf](http://thomascaggiano.com/background.pdf)

The corruption of U.S. Attorneys Holder, Lynch and Sessions, DOJ, FBI, the Enterprises of corrupt governments in Nevada and New Jersey are noted forty four (44,000) thousands web site files by googling

thomas+caggiano+corruption

In Summary, Clark County tax payer funds are being disbursed to foster corruption, protect the Establishment and corrupt HOAs and Firstservice Residential. The members of the Clark County Commission, the Nevada Attorney General members running for Governor of Nevada should in my opinion not only remove their names as candidates but resign for having violated their oaths of office, provided dishonest services and violated 18 U.S.C. § 4 Misprision of Felony.

Please include my statement and presentation with exhibits in the official minutes.

Appreciatively, Thomas Caggiano

Subject: The corrupt State of Nevada establishment, Las Vegas and North Las Vegas has been exposed to the corrupt Obama and Trump administrations, Eric Holder, Loretta Lynch and Jeff Sessions, Congress, Clark County Sheriff, Municipal Police and its corrupt Judiciary Branch with its accomplice the Nevada State Bar and more

1. In my opinion, the most corrupt State in U.S.A. is of course New Jersey with its series of corrupt Governors, its corrupt Port Authority of New York and New Jersey, its many corrupt attorney generals all three branches of its State government have been protected by President Obama and President Trump and their corrupt U.S. Attorneys Eric Holder, Loretta Lynch and Jeff Sessions. and FBI of course wherein Racketeering, Fraud, Bribery, Perjury and pervasive Retaliation by its State, County and municipal governments continues non-stop for now 16 years. additionally, the State of Nevada, is the second most corrupt State in the U.S.A.

2. Some quotes that the "Elites" and Government Representatives should know:

READ <http://thomascaggiano.com/UN.pdf> for totality of circumstances

a. Democracy never lasts long. It soon wastes, exhausts, and murders itself. There never was a democracy yet that did not commit suicide. – John Adams (1814)

b. The course of history shows that as a government grows, liberty decreases. – Thomas Jefferson

c. It will be of little avail to the people that the laws are made by men of their own choice if the laws be so voluminous that they cannot be read, or so incoherent that they cannot be understood, if they be repealed or revised before they are promulgated, or undergo such incessant changes that no man, who knows what the law is today, can guess what it will be like tomorrow. – James Madison

d. Government ought to be as much open to improvement as anything which appertains to man, instead of which it has been monopolized from age to age, by the most ignorant and vicious of the human race. Need we any other proof of their wretched management, than the excess of debts and taxes with which every nation groans, and the quarrels into which they have precipitated the world? – Thomas Paine

Congress has exempted itself for over 50 years from the Freedom of Information Act

e. The issue today is the same as it has been throughout all history, whether man shall be allowed to govern himself or be ruled by a small elite. – Thomas Jefferson

f. America will never be destroyed from the outside. If we falter and lose our freedoms, it

will be because we destroyed ourselves. -- Abraham Lincoln

g. I am for doing good to the poor, but I differ in opinion of the means. I think the best way of doing good to the poor, is not making them easy in poverty, but leading or driving them out of it. In my youth I traveled much, and I observed in different countries, that the more public provisions were made for the poor, the less they provided for themselves, and of course became poorer. And, on the contrary, the less was done for them, the more they did for themselves, and became richer -- Ben Franklin

3. For the last seven years we have now lived in North Las Vegas has proven to us the second most corrupt State in the United States of America is Nevada and its Townships of Las Vegas and North Las Vegas in Clark County are infested with corruption and protected by its Gov Sandoval, Lt Gov and through the State government including the corrupt FBI Field Office, the former corrupt FBI director Comey, U.S. Attorneys and more.

4. As the two parties addressed in this letter in Clark County Government via the Commission have been made aware in great detail of the massive corruption in Clark County one must evaluate their conduct to comply with 18 U.S.C. § 4 Misprision of Felony and other State of Nevada public fiduciary duties under their oath of office which if violated is per the State of Nevada a crime of perjury. As the FBI is infested with corruption as known by the five U.S. Treasury IRS agents I met as the FOIA responses from CIGIE, US Treasury and USPS are published on:

- a. <http://thomascaggiano.com/CIGIE.pdf>
- b. <http://thomascaggiano.com/USTREASURY.pdf>
- c. <http://thomascaggiano.com/USPS.pdf>

3. As stated by Trump correctly, the Establishment protects itself both parties. He of course is part of the corrupt Establishment as shown by the following public records:

- a. <http://thomascaggiano.com/FRAUD.pdf>
- b. <http://thomascaggiano.com/WHITEHOUSE.pdf>
- c. <http://thomascaggiano.com/USA.pdf>
- d. <http://thomascaggiano.com/STANDING.pdf>

4. My recent presentation to the corrupt Aliante Master Association with its corrupt Community Management Company has been widely distributed by email with the following link as other records demonstrating the corruption of the Justice Court for the Township of Las Vegas, its protector the Committee on Judicial Discipline and of course Gov Sandoval, Lt. Gov., Secretary of State, Nevada Attorney General, Clark county District Attorney, Clark County Sheriff and local police, mayors, court and staff, numerous attorneys, and police are extensive documents in court records on 16PO1647 Firstservice Residential, Nevada, LLC v. Thomas Caggiano

5. **TAKE JUDICIAL NOTICE:** In my opinion per the State of Nevada Constitution, PERJURY is rampant as Official duties are ignored and federal crimes in addition to State crimes are rampant:

a. State of Nevada Constitution:

NRS 199.120 Definition; penalties. **NRS 199.125** Perjury

ARTICLE. 15. - Miscellaneous Provisions.

Section 2. Oath of office. Members of the legislature, and all officers, executive, judicial and ministerial, shall, before they enter upon the duties of their respective offices, take and subscribe to the following oath:

I,, do solemnly [solemnly] swear (or affirm) that I will support, protect and defend the constitution and government of the United States, and the constitution and government of the State of Nevada, against all enemies, whether domestic or foreign, and that **I will bear allegiance and loyalty to the same**, any ordinance, resolution or law of any state notwithstanding, and that **I will well and faithfully perform all the duties** of the office of, on which I am about to enter; (if an oath) so help me God; (if an affirmation) under the pains and **penalties of perjury**.

b **18 U.S.C. § 4 Misprision of felony - TAKE JUDICIAL NOTICE**, the State of Nevada is a Common Law State: "Misprision of felony" is a crime that occurs when someone knows a felony has been committed, but fails to inform the authorities about it. The crime originated in English common law and required that citizens report crimes or face criminal prosecution. (Common law is law originating from custom and court decisions rather than statutes.)

Whoever, having knowledge of the actual commission of a felony recognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both.

c. **NRS 197.190** Obstructing public officer. Every person who, after due notice, shall refuse or neglect to make or furnish any statement, report or information lawfully required of the person by any public officer,

d. **18 U.S.C. § 1346** Honest Services Fraud - For the purposes of this chapter, the term "scheme or artifice to defraud" includes a scheme or artifice to deprive another of the intangible right of honest services.

e. **18 U.S.C. § 2** Conspiracy

f. **NRS 207.390** "Racketeering activity" defined. "Racketeering activity" means engaging in at least two crimes related to racketeering that have the same or similar pat-

tern, intents, results, accomplices, victims or methods of commission, or are otherwise interrelated by distinguishing characteristics and are not isolated incidents, if at least one of the incidents occurred after July 1, 1983, and the last of the incidents occurred within 5 years after a prior commission of a crime related to racketeering.

g. **NRS 207.380** "Enterprise" defined. "Enterprise" includes:

1. Any natural person, sole proprietorship, partnership, corporation, business trust or other legal entity; and
2. Any union, association or other group of persons associated in fact although not a legal entity.

h.. **NRS 207.370** "Criminal syndicate" defined. "Criminal syndicate" means any combination of persons, so structured that the organization will continue its operation even if individual members enter or leave the organization, which engages in or has the purpose of engaging in racketeering activity.

i. **NRS 197.110** Misconduct of public officer

2. Employs or uses any person, money or property under the public officer's official control or direction, or in the public officer's official custody, for the private benefit or gain of the public officer or another,

Every public officer who:

1. Asks or receives, **directly or indirectly**, any compensation, gratuity or reward, or promise thereof, for omitting or deferring the **performance of any official duty or for any official service which has not been actually rendered**, except in case of charges for prospective costs or fees demandable in advance in a case allowed by law; or

2. Employs or uses any person, money or property under the public officer's official control or direction, or in the public officer's official custody, for the private benefit or gain of the public officer or another,

6. Based upon my prior experience as a member of the U.S. Military Comptroller Society Member of the U.S. Army Acquisition Corps, Level III and ACAT II level Billion dollar Acquisition Business Manager, Division chief in Project Manager's Office with massive programs including specialists in Procurement Analyst, Contract Specialists, Cost analysts, and senior level engineering subordinates noted on <http://thomascaggiano.com/background.pdf>, appears that via over head accounts or direct criminal disbursements of tax payer dollars, and by fraud, that Clark County tax payers are paying for years of official misconduct by numerous State, Clark County and Township of Las Vegas and North Las Vegas officials including the corrupt Las Vegas Metro Police Internal Affairs Bureau that refused to comply with my Common Law Right of Access request for copies of my own complaints filed with the corrupt IAB and its Police officers and staff have willfully refused for years to enable me to file any Voluntary Police reports until recently 170616-1961 on Jun 16, 2017 noted in my hand out published on

<http://thomascaggiano.com/170622ALIANMASTERASSOCIATIONpresentation.pdf>

7. I request, the Commission take appropriate actions to prevent the continued criminal disbursement of Clark County funds to continue the conspiracy noted in the above public records known to the Commission members. This letter is a public record. Being of sound mind and to the best of my ability, per **NRS 171.102** and **NRS 53.045**, I declare under penalty of perjury that the foregoing is true and correct. Executed this date Jun 24, 2017

Sincerely,

Thomas Caggiano

vegas, NV 89084. When they have community association meetings Thomas always comes to Ami and asks for records from the meetings or video recordings. Each time he asks for them Ami either mails them to him, he comes into the office or she gives them to him at the next meetings. This has been happening since December of 2014.

Thomas continues to send emails to Ami's work address or calls her work leaving a message and asking for records even though she has given them to him many times.

On 9/20/17 around 1820 hours, Ami was at the community association meeting and Thomas came up to her and told her that he is going to continue to harass her and he stated, "I can even stock you. What I cannot do is say I am going to kill you".

Because this has been going on for so long, Ami is in fear of what Thomas might do. She has heard that he has a criminal record.

Subject: Request for Records and Third Request for my participation in an Autumn Ridge at Aliante Community Association meeting executive session, request for records per Nevada State Law, Defamation, Tort Act violations of Breach of duty, Outrage and Causing emotional distress and Violation of Nevada State Law and fines imposed and NOTICE of Civil Suite Thomas Caggiano v. Autumn Ridge at Aliante Community Association, FirstService Residential, Red Rock Financial Services and specific persons to be identified during discovery

1. The request is for the Jun 15, 2016 meeting per my recorded voice ail with the Community Manager Ami Reynaga on Jun 6, 2014 and Joyce Winward, SCM Regional Manager 702-215-5064 who was the former Community Manager. As known by the State of Nevada Attorney General and FBI I have filed complaints to the Office of Governor of the State of Nevada, Nevada Attorney General, Nevada Business and Industry Division, Nevada Real Estate Division, Mayor of North Las Vegas and others of the alleged criminal conduct of the above in a federal and State of Nv conspiracy being protected by the FBI, State of Nevada and the City of North Las Vegas Police Department which I visited and its desk officer stated the City of as Vegas Police Department HQ had no copy of the Nevada State criminal code that I could review and its police officer refused to give me a blank complaint form which I made known to the Ward Councilman, Mayor of North Las Vegas, Clark County Commissioner, Nevada Attorney General and FBI uselessly for one could NOT even file a complaint in a certified verified affidavit based upon their own knowledge. Similar conduct is widespread in the totally infested State of New Jersey. My recent filing with the Sussex county Superior Court, Sussex County, New Jersey filed in its corrupt Superior Court and a powerful State Democratic Senator of New Jersey's law firm with dozen of attorneys being Weiner Lesnaik LLP, Parsippany, NJ and to numerous corrupt police departments, municipalities, State of NJ Attorney General, FBI and widely distributed coast to coast is published on <http://thomascaggiano.com/> and other files not linked to its main index directory some noted below.

2. The FBI continues to willfully violate my FOIA requests since Mar 26, 2015 as noted in its actions taken ONLY after I contacted the National Archives' Office of Government Information Policy after contacting the corrupt Department of Justice's Office of Information Policy (OIP) about the U.S. Attorney, and FBI NOT complying with FOIA noted on <http://thomascaggiano.com/FBI.CDs1281753.pdf>, Feb 23, 2016 FOIPA 1281753-001. as I noted in the open session of a meeting with the Autumn Ridge at Aliante Community Association, et. al. as its President stated he was honored to be protected b the FBI. As I have noted many times the Official minutes are fraudulent and willfully decep-

tive for years. After my proceeding through the corrupt U.S. Attorney Office's which included the Public Integrity Section, Public Corruption Unit, Office of Professional Standards, U.S. Assistant Attorney General (<http://thomascaggiano.com/AAG.pdf>) for the Criminal Division and DOJ's Office of Information Policy (OIP) I had to proceed to the National Archives Office of Government Information Services (OGIS). for mediation. After the OGIS telephoned the FBI with its many corrupt Public Access Line operators.

3. Filing complaints in the State of Nevada is as useless as filing complaints to the FBI and the corrupt former U.S. Attorney Eric Holder replaced by the corrupt U.S. Attorney Lynch as two corrupt persons Hillary Clinton, <http://thomascaggiano.com/NATIONALSE-CURITY.pdf> and Gov Chris Christie, <http://thomascaggiano.com/CHRISTIE.pdf> who supports Donald Trump are lauded by the press despite both being felons along with support staff as shown on:

and detailed extensive complaints filed and published on

with the NV Attorney General, Nevada Real Estate Division against the Autumn Ridge at Aliante Community Association and the Community Manager FirstService Residential as known by the Aliante Master Association staff for FirstService Residential and BBB as well as in person to many persons in the Clark County Commissioner's Office, City Attorney for the City of Las Vegas and the City of North Las Vegas Mayor's staff, Ward 4 Councilman and State of Nevada's federal Senators and the corrupt Congressman Hardy (Ref: <http://thomascaggiano.com/HARDY.pdf>) and his Chief of Staff Alan Ten-nille who I briefed when he visited me in North Las Vegas, NV a long time ago about the corruption of the U.S. Department of justice, e. al. After telephoning a Detective in the North Las Vegas Police department in similar fashion to a Police officer i he infested Borough of Stanhope that has engaged in racketeering, tax fraud, criminal abuse of court processes for years in retaliation against me for reporting serious deficiencies in inspections, engineering practices and standing operating procedures now for 14 years as noted in my recent filing widely distributed to federal senators members of the House

of Representatives, political party staff, Department of justice and newspapers coast to coast published on <http://thomascaggiano.com/>

4. Published on <http://thomascaggiano.com/nevada> and in many pages of relevant materials provided the corrupt, in my opinion, the conspirators noted above.

5. I request time at the Jun 16, 2016 Autumn Ridge at Aliante Community Association and to allow me to record the conversation as a copy of the audio recording will be provided the Community Manager via email attachment and others.

6. I note under the planned civil suite, a request will be made for admissions to speed along any court proceeding and per "Touhy" regulations, United States ex rel. Touhy v. Ramee, 340 U.S. 46 (1951) I shall request the FBI and other federal officials to appear as witnesses in a State of NV Civil trial and also file a motion to the US. District Court District of Nevada to have the U.S. District Court ORDER the Department of Justice and FBI to provide NOT only responses to my FOIA requests which have been willfully violated and also request the Court due to the bad faith of the U.S. Attorney and FBI to allow discovery as done in the Judicial Watch v. U.S. State Department regarding the use of an unclassified unsecured home system that was never requested to be approved by the constant liar and expected Democratic Presidential 2016 nominee Hillary Clinton and her corrupt Senior State Department Staff which all REFUSED to cooperate with the whitewash Department of State's Office of Inspector General's review which in fact did NOT even address Presidential Executive Orders issued by President Obama and President Clinton that were violated. as well as President Obama's Open Government Initiative to assure Openness in Government and transparency so the public can evaluate the performance and official misconduct or negligence of those persons with official duties such as the corrupt members of the Autumn Ridge at Aliante Master Community, FirstService Residential and the corrupt State of Nevada Real Estate Division, Business and Industry Department and the City of North Las Vegas Police and FBI itself as known by the Council of Inspectors General on Integrity and Efficiency (Reference FOIA response of over 500 pages noted on <http://thomascaggiano.com/CIGIE.pdf>) to assure laws are complied with and appropriate investigations are undertaken per one's official duty and oath of office which was NOT done by the State of Nevada agencies noted herein but instead protection of those that have engaged in willful conspiracy has taken place since when I filed my 87 page complaint per Nevada State laws against the HOA and the community manager in a continuous cover-up by State and City of North Las Vegas officials and employees thereafter who also committed in my opinion Tort Act violations of Breach of duty, Outrage and Caused emotional Distress to protect THE ESTABLISHMENT as noted by Presidential candidates Bernard Sanders, Donald Trump and Ted Cruz and the tens of millions of U.S. citizens that gave them their votes against the Establishment candidates winning many dozens of State primaries in both parties. Simply stated: The Establishment is corrupt and as stated by Bernard Sanders, as I was a Clark County Delegate for Senator Sanders, the system is rigged by political bosses via super delegates who committed to Hillary Clinton BEFORE Senator Sanders even declared himself as an alternative candidate to the lying Clinton who you can watch lie o

<http://thomascaggiano.com/NATIONALSECURITY.pdf>

who was totally inept as Secretary of State by simply asking: Is the world a safer place today then when Hillary Clinton became Secretary of State? What were results of Clinton hitting the RED RESET Button with the Russians by asking the people in the Ukraine. Can you keep your own doctor under Obamacare? Are We the people disgusted with an Establishment controlled by the Top 0.1 % and their lobbyist who many in fact are Democratic Super delegates that pay millions to Super PACS themselves! I suggest the answer is: NO. Or simpler, how many citizens do not believe the Government is inept, corrupt and grid locked by partisan politics? Do you feel better off after Obama added \$ 9 Trillion dollars to the nation debt? Did Obama fix the USA's infrastructure with 9,000 bridges deemed unsafe? Did the State Department and Obama protect our borders? Is his war on drugs a success? Apparently the majority of Democrats that voted for Hillary Clinton live in some fantasy world regarding her actual horrendous failure as Secretary of State as she now opposes many things she defended as Secretary of State that have resulted in millions of American giving up looking for a good paying job and by Government statistics are not unemployed using an absurd basis for the Nation's unemployment rate for political purposes. Only by a corrupt ESTABLISHMENT can such contractor's continued to be retained by Autumn Ridge at Aliante Community Association as its accomplices protected by those in both Federal, State and city government that have over sight responsibility and do NOT enforce their official duty but themselves are accomplices in the Tort Act violations noted above.

7. Per my State of Nevada civil rights the HOA is **REQUIRED by State law to be responsive to demands for records** and the State of NV Real Estate Division is required by law to have such records provided with fines imposed daily for each record NOT provided for those responsible but instead as noted on the complaints filed with certified USPS return mail receipts, telephone logs have instead engaged in a willful pattern of official misconduct protecting them as well as the State of Nevada Attorney General, FBI and U.S. Attorney Eric Holder and his follow-on U.S. Attorney Lynch as shown by <http://thomascaggiano.com/LYNCHUSPS.pdf> and <http://thomascaggiano.com/USA.pdf> and correspondence there after regarding and U.S. District Court District of Nevada Docket 2:12-cv-01484-GMN-GWF Thomas Caggiano v. Holder (<http://thomascaggiano.com/STANDING.pdf> and <http://thomascaggiano.com/US-COURTS.pdf>), Docket SSX-C-21-15 Township of Wantage v. Thomas Caggiano (<http://thomascaggiano.com/transcript.pdf>) and its remanded District of New Jersey Docket 2:15-cv-08480-SDW-LDW Removed and Remanded.

8. RECORDS REQUESTED on CD and certified:

a. I request copies of the log entries by FirstService Residential of the many complaints I have telephoned the Community manager and letters submitted as well as all exhibits I provided the HOA and Community manager when I attended its Open Sessions as no Executive sessions were held dispute my multiple requests.

b. I request a copy of property's that have been access fines in excess of \$1,000 by the HOA during the last five years.

c. I request a copy of my emails I sent the Community manager and the HOA's accomplice Red Rock Financial Services and its emails to me stating my wife and I were criminals for violating State law and then after I responded the statement was fraudulent retracted their outrageous statement ignoring my many complaints thereafter.

d. I request a copy of property owners to the HOA during the last 5 years of the HOA property owner complaining of harassment by the HOA

e. I request a copy of all fines and civil cases filed by the HOA or its accomplices over \$1,000 imposed on HOA property owners and liens on properties for non-payment of fines during the last five years.

f. I request on a CD a copy of the audio session for each monthly meeting held by the HOA and a copy of the minutes wherein I attended and spoke at the Open Session.

Sincerely,

DA30037340 Case Folder: On Dec 1, 2017, I as a retaliated against 18 USC 1512 defendant in Docket 17PO1335 Firstservice Residential, Nevada, LLC was confronted by continued dishonest services fraud, perjury, racketeering, retaliation as witness with numerous accomplices. These included the Aliante Master Association and Autumn Ridge at Aliante Community Association President Breault with another corrupt Board member White, the corrupt Regional manager Joyce Winward and Steve Scow, Esq. My attorney was Gold Spike Legal's J. Taylor Oblad, Esq. and my defamed wife Kathryn Caggiano now for 17 years came as a witness. I filed in the U.S. District Court District of Nevada Docket 2:17-cv-02921-RFB-VCF published on <http://thomascaggiano.com/COURT001.pdf> which was also served by Kathryn Caggiano upon both HOAs. I provided the Las Vegas Police in another of many Reports a CD with numerous files exposing the criminal syndicate that is known to the U.S. attorney Sessions, DOJ, FBI, all Clark County Commissioners, the NV Attorney General, Gov Sandoval and others that thrives in Nevada noted on thomascaggiano.com/WHITEHOUSE.pdf. At the hearing under oath Steve Scow, and others were placed under oath. Joyce Winward coordinated the corruption of the HOAs with FSR senior management as shown in its filed exhibits. Once again they lied under oath to the court. In addition, I read the sentences in the false police report filed by Ami Reynaga to the LV Police. Every sentence was a false statement to obtain a court order violating HOA civil rights to prevent me from participating fully in HOA meetings as Judge Scisento continues to be protected by Chief Judge Bonevante, Committee on Judicial Discipline, NVRED, Clark County DA, NV Attorney General and Gov Sandoval among others. I have demanded my attorney to obtain copies of the Oct 20, 2017 and today's hearing Dec 1, 2017 and upon receipt it will be filed with the FBI in Las Vegas that protects NV, NJ and others. I filed another complaint with the North Las Vegas Police as two patrol officers were dispatched and after

review of the corruption in PA, NJ and NV wrote Conspiracy. A CD was provided the Las Vegas Police and defined the crimes to include racketeering. The crimes include dishonest fraud, criminal disbursement of HOA unit holder funds, retaliation continues as again on 17PO1337 Firstservice Residentail, NV, LLC v. Thomas Caggaino like 16PO1647 by Judge Sciscnto. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on Dec 1, 2017 and signed electronically Thomas Caggaino a copy will be provided by hand to the Las Vegas Police and mailed by certified mail receipt on Dec 2, 2017 to the FBI Las Vegas, NV a the direction of the DOJ Civil Rights Criminal Unit and the prior NV Attorney General. Mr. Thomas Caggiano
7086 Arcadia Glen Court
North Las Vegas, NV 89084

Dear Mr. Caggiano:

The Nevada Real Estate Division (the "Division"), Office of the Ombudsman for Common-Interest Communities and Condominium Hotels received your lengthy voicemail on Monday October 13, 2017, regarding the prohibition of you interacting with staff in person or by telephone.

I spoke with the Chief Investigator Darik Ferguson and was informed that in July of 2016, Administrator, JD Decker sent out an internal email regarding your behavior/anger with government agencies, which included the Division. At that time, Administrator Decker determined it was appropriate to prohibit you from inundating Division staff, in person or by telephone, with hour long voicemails and complaints. Although you were not formally noticed of this prohibition, as the Ombudsman I have determined that there is still good cause to continue enforcing this requirement.

Please be advised that the Division will only accept correspondence from you in writing. In addition, staff will no longer respond or act upon any written complaints, emails or voicemails that are of the same nature and have previously been adjudicated through this office.

If in the future we can be of assistance to you on another matter apart from the matter stated above, please don't hesitate to contact us.

Sincerely,

Charvez Foger
Ombudsman
