As shown on <https://flagpole.com/featured/2024/02/01/athens-sen-bill-cowsert-chairs-board-investigating-fani-willis/> The Senate Committee on Assignments named Sen. Bill Cowsert (R-Athens) chairman and Sen. Greg Dolezal (R-Cumming_ vice chairman of the Special Committee on Investigations that will look into allegations of misconduct against Willis.

"I am honored to be chosen to chair this much-needed committee investigating potential misuse of taxpayer dollars for personal gain and unethical behavior by public officials and paid prosecutors," Cowsert said in a news release.

"There has been a dramatic decrease in public confidence of our criminal justice system. If true, recent allegations related to Fani Willis and Mr. Wade are deeply disturbing. We will independently investigate those claims in a bi-partisan fashion while holding fast to the pursuit of truth. Our charge is not to interfere with ongoing criminal proceedings, to prosecute misconduct or to disqualify any individual prosecutor. Our focus instead will seek to restore public confidence in our criminal justice system." I adopt by reference all public testimony already provided to the Georgia Senate Committee wherein apparent violations are documented by other attorneys and other supportive data submitted by defendants as the Judge was unable to request nor defendants of text messages or cell phone data location reports on Ms Willis nor her alleged accomplice who resigned after Nathan Wade, Esq.

CIVIL ACTION FILE NO. _____

COMPLAINT

Plaintiff Judicial Watch, Inc. brings this action against Defendants Fulton County, Georgia

agaist her and Fulton county, GA has violated Judicial Watch's civil rights violating 18 USC Sections 241 and 242 and under Georgia Open Records Act, 50-18-70 adn as noted on the opinion of Judge noted on <https://www.theguardian.com/us-news/2024/mar/15/fani-willis-ruling-decision-full-pdf>. However, an "odor of mendacity" remains. The Court is not under an obligation to ferret out every instance of potential dishonesty from each witness or defendant. I note Willis's best friend testified under oath of the prior relationship she herself observed between Willis and Nathan Wade, Esq. prior to the date she hired him as Wade did NOT inform his wife of his divorce court filings nor IRS correctly of his proper business expenses apparently possibly committing tax fraud as Willis also was aware Wade used his business law firm's credit card for covering such expenses not legally permitted for as stated unbelievably by Wade his tax account omitted all such expenses he card on his business account including travel on cruise ships with Willis to his law practice. Such compiling of expenses which must be reported to the IRS in federal and state tax returns to be correctly allocated is unlikely and should be investigated by the Federal adn State of Georgia for [possible tax fraud and lying under oath to such enforcement agencies. as Ms Fan Willis, Esqs. would be an accomplice violating 18 USC Section 3 Accomplice after the Fact by personally benefiting from such action. Apparently they both lied to the Court, as they both stated under oath and cell tower data that is used by Ms Willis i court agaist other defendants shows wade went to her home spending overnight at her home as location data on cell phones if available and the content of thousands of text message be-

tween Ms Willis and Wade can be obtained by the Federal, State, and County government executive branch to determine if federal, and state laws were violated within included both criminal can civil contempt of court, perjury, conspiracy adn other federal adn state crimes in addition to obvious violations of Rules of Professional conduct to include bringing worldwide public destain agaisnt the State of Georgia and Fulton County as shown by hundreds of thousands of people worldwide watching the testimony of before the authorized Georgia Senate Committee shown on youtube with public comments on https://www.youtube.com/watch?v=jH_1w86Ut-w

As such based upon the above the Ethics committee using subpoena powers in obtaining records, taking depositions, et. al is requested to investigate Ms Fani Willis for violations of the Rules of Professional Responsibility and share information with the FBI and Georgia Attorney General where warranted.

<https://www.gabar.org/barrules/georgia-rules-of-professional-conduct.cfm>for Fani Willis, Esq. with her addition supervisory authority for her staff as I adopt by reference all the testimony in he above cases, facts and references therein by other witnesses.

Part IV - Georgia Rules of Professional Conduct (also includes Disciplinary Proceedings and Advisory Opinion rules)

CHAPTER 1 GEORGIA RULES OF PROFESSIONAL CONDUCT AND ENFORCEMENT THEREOF

Rule 4-101. Enforcement of the Georgia Rules of Professional Conduct.

The State Bar of Georgia is hereby authorized to maintain and enforce, as set forth in rules hereinafter stated, Georgia Rules of Professional Conduct to be observed by the members of the State Bar of Georgia

Rule 4-102. Disciplinary Action; Levels of Discipline; Georgia Rules of Professional Conduct.

- a The Georgia Rules of Professional Conduct to be observed by the members of the State Bar of Georgia and those authorized to practice law in Georgia are set forth herein and any violation thereof; any assistance or inducement directed toward another for the purpose of producing a violation thereof; or any violation thereof through the acts of another, shall subject the offender to disciplinary action as hereinafter provided.
- a The levels of discipline are set forth below. The power to administer a more severe level of discipline shall include the power to administer the lesser:
 - 1. Disbarment: A form of public discipline that removes the respondent from the practice of law in Georgia. This level of discipline would be appropriate in cases of serious misconduct. This level of discipline includes publication as provided by Bar Rule 4-219 (a).

[4] A lawyer should use the law's procedures only for legitimate purposes and not to harass or intimidate others. A lawyer should demonstrate respect for the law, the legal system and for those who serve it, including judges, other lawyers and public officials. While it is a lawyer's duty, when necessary, to challenge the rectitude of official action, it is also a lawyer's duty to uphold legal process.

PREAMBLE: A LAWYER'S RESPONSIBILITIES

[1] A lawyer is a representative of clients, an officer of the legal system and a citizen having special responsibility for the quality of justice.

a. RULE 1.3 DILIGENCE

A lawyer shall act with reasonable diligence and promptness in representing a client. Reasonable diligence as used in this rule means that a lawyer shall not without just cause to the detriment of the client in effect willfully abandon or willfully disregard a legal matter entrusted to the lawyer.

The maximum penalty for a violation of this rule is disbarment.

b. RULE 1.7 CONFLICT OF INTEREST: GENERAL RULE

c. RULE 3.4 FAIRNESS TO OPPOSING PARTY AND COUNSEL

d. RULE 3.6 TRIAL PUBLICITY

a A lawyer who is participating or has participated in the investigation or litigation of a matter shall not make an extra judicial statement that a person would reasonably believe to be disseminated by means of public communication if the lawyer knows or reasonably should know that it will have a substantial likelihood of materially prejudicing an adjudicative proceeding in the matter.

Especially noted is Ms Willis, Esq. public statements at a Black Church widely published worldwide which would influence any jury pool in Fulton county that the defendants were "RACISTS" thus defaming all the defendants and also adversely impacting any jury pool in the State of Georgia.

RULE 3.8 SPECIAL RESPONSIBILITIES OF A PROSECUTOR

(g) a prosecutor's action and that serve a legitimate law enforcement purpose, refrain from making extra judicial comments that have a substantial likelihood of heightening public condemnation of the accused;

RULE 4.1 TRUTHFULNESS IN STATEMENTS TO OTHERS

RULE 5.3. RESPONSIBILITIES REGARDING NONLAWYER ASSISTANTS

As Ms Fani Willis, Esq. is also directly responsible for assuring Congressional requests and Judicial Watch, Inc civil rights under the Georgia Open Records Act have not been violated which by the letter from the House Judiciary Committee and the Fulton Superior court Docket 24CV002805 have been violated to prevent public accessibility.

With respect to a nonlawyer employed or retained by or associated with a lawyer:

a a partner, and a lawyer who individually or together with other lawyers possesses

managerial authority in a law firm, shall make reasonable efforts to ensure that the firm has in effect measures giving reasonable assurance that the person's conduct is compatible with the professional obligations of the lawyer;

- b a lawyer having direct supervisory authority over the nonlawyer shall make reasonable efforts to ensure that the person's conduct is compatible with the professional obligations of the lawyer;

Rule 4-103. Multiple Violations

A finding of a third or subsequent disciplinary infraction under these Rules shall, in and of itself, constitute discretionary grounds for suspension or disbarment. A Special Master and the State Disciplinary Review Board may exercise this discretionary power when the question is appropriately before them. Any discipline imposed by another jurisdiction as contemplated by Rule 9.4 may be considered a disciplinary infraction for the purpose of this Rule.

Rule 4-201. State Disciplinary Board

1. The powers to investigate and discipline lawyers for violations of the Georgia Rules of Professional Conduct are hereby vested in the State Disciplinary Board.

RULE 8.3 REPORTING PROFESSIONAL MISCONDUCT

RULE 9.5 LAWYER AS A PUBLIC OFFICIAL

INDICTMENT NO.
23SC188947

ORDER ON DEFENDANTS' MOTIONS TO DISMISS AND
DISQUALIFY THE FULTON COUNTY DISTRICT ATTORNEY

On January 8, 2024, Defendant Roman filed a motion to dismiss the indictment and disqualify the Fulton County District Attorney's Office. (Roman Doc. 61). Eight co-defendants later joined and supplemented the motion, raising additional grounds for disqualification.¹ Among other allegations of disqualifying conduct, the Defendants contend that the District Attorney obtained a personal stake in the prosecution of this case by financially benefitting from her romantic relationship with Special Assistant District Attorney ("SADA") Nathan Wade, whom she personally hired to lead the State's prosecution team.

WARNING - This email originated from outside the State of Nevada. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Today when the US Government hands out money to countries it shows up in the national Debt which Congress MUST vote to increase

Congress controlled by GOP or DEM buries earmarks in omnibus bills no one even reads like the last so called agreed upon but that do NOT go truth appropriation committees as The GOP speakers lie like Democrats

What is the effect of Trump's plan?
Well if its a loan its not debt in fact giving out the money can be treated as an asset!!

Some assets with no interest loans that decline in value as inflation will cause a yearly drop in the value of this phony budget gimmick asset with no payment plan that can be forgiven at any time. What a farce. The loan will then be forgiven at any time !!!

It will be the biggest accounting gimmick ever as Congress will love it as its a great piggy bank like the FED which is off-budget and has Trillions of US Debt

Soon the uncontrolled budgets will have annual interest costs and defense spending of over \$ 1 Trillion dollars each

Of course the war-loving Sen y Gahamm loves it. as he was the corrupt former GOP chair of the US Senate protecting the Clinton and Biden clans and Obama.

Who is the SWAMP leader Sentor Graam

"It can be loaned on extraordinarily good terms, like no interest and an unlimited life, but a loan nevertheless," Trump wrote on Truth Social at the time.

All empires collapse on debt

On Aug 2, 2017, in a private ceremony the corrupt U.S. Attorney General Sessions who protects the establishment swore in the new corrupt FBI director Chris Wray ~~was~~ was the corrupt Gov Christie's personal attorney who got over \$3 million to defend Christie on Bridgegate. Christie's major appointees convicted only on federal charges did NOT serve a day in Jail. Not one person was every charged by NJ corrupt Attorney Geenals with any Title 2C State crime on Bridgegate. Christie put his protectors on the Port Authority of NY and NJ or made judges so it can stay corrupt. Read <http://thomascaggiano.com/170715fbtip.pdf>

Mr. Thomas Caggiano
7086 Arcadia Glen Court
North Las Vegas, NV 89084

Dear Mr. Caggiano:

The Nevada Real Estate Division (the "Division"), Office of the Ombudsman for Common-Interest Communities and Condominium Hotels received your lengthy voicemail on Monday October 13, 2017, regarding the prohibition of you interacting with staff in person or by telephone.

I spoke with the Chief Investigator Darik Ferguson and was informed that in July of 2016, Administrator, JD Decker sent out an internal email regarding your behavior/anger with government agencies, which included the Division. At that time, Administrator Decker determined it was appropriate to prohibit you from inundating Division staff, in person or by telephone, with hour long voicemails and complaints. Although you were not formally noticed of this prohibition, as the Ombudsman I have determined that there is still good cause to continue enforcing this requirement.

Please be advised that the Division will only accept correspondence from you in writing. In addition, staff will no longer respond or act upon any written complaints, emails or voicemails that are of the same nature and have previously been adjudicated through this office.

If in the future we can be of assistance to you on another matter apart from the matter stated above, please don't hesitate to contact us.

Sincerely,

The following agency *may* have the authority and jurisdiction to assist you on your complaint.

Federal Bureau of Investigations

FBI Jurisdiction includes many of the topics you touched on, including:

Title 18, U.S.C., Section 241
Conspiracy Against Rights

This statute makes it unlawful for two or more persons to conspire to injure, oppress, threaten, or intimidate any person of any state, territory or district in the free exercise or enjoyment of any right or privilege secured to him/her by the Constitution or the laws of the United States, (or because of his/her having exercised the same). It further makes it unlawful for two or more persons to go in disguise on the highway or on the premises of another with the intent to prevent or hinder his/her free exercise or enjoyment of any rights so secured.
