Thomas has collected all of the evidence of this corruption and fraud on four websites: [thomascaggiano.com](http://thomascaggiano.com), [thomascaggiano.com/eousa.pdf](http://thomascaggiano.com/eousa.pdf), [thomascaggiano.com/indictwray.pdf](http://thomascaggiano.com/indictwray.pdf), and [thomascaggiano.com/summaryevidence.pdf](http://thomascaggiano.com/summaryevidence.pdf). These two websites will explain in full the breadth and depth of the fraud and corruption that Thomas has experienced. Thomas has made multiple efforts to report these concerns to local police and the FBI, but police reports are suppressed by their superiors in their office, and the FBI have barred Thomas from reporting to them further. In addition, the GAO FraudNet office is protecting all of the corrupt officials that Thomas has identified on his websites. The FraudNet office should be prevented from taking part in the investigation of this report.
