DISTRICT ATTORNEY

Re: THOMAS CAGGIANO

Dear Mr. Wolfson:

My client, Thomas Caggiano, thomascaggiano@gmail.com, 7086 Arcadia Glen Court, North Las Vegas 89084 has submitted extensive complaints to the Attorney General regarding (1) Steve Sisolak; (2) Aaron Ford; and (3) the Real Estate Division and (4) the CIC Ombudsman. We attempted to get records from the real estate division however their response was less than adequate for Mr. Caggiano. The Attorney General has not responded to Mr. Caggiano as to the status of these complaints, or to inform him if they were received, being processed, or were denied. Mr. Caggiano is asking for some type of response and action from the Attorney General, but has gotten nowhere and received no response.

The Attorney General has primary jurisdiction to investigate and prosecute, and according to the law, you have authority if the Attorney General states in writing to you that they do not intend to act in the matter, or if the Attorney General fails to respond to a letter authored by you inquiring if they intent to act.

NRS 228.175 Investigation and prosecution of offense by state officer or employee.

1. As used in this section "state officer or employee" means an elected officer of the State or any state officer or employee who is compensated from the State Treasury.
2. The Attorney General has primary jurisdiction to investigate and prosecute criminal offenses committed by state officers or employees in the course of their duties or arising out of circumstances related to their positions.
3. A district attorney may investigate an offense specified in subsection 2 if:
 - (a) The Attorney General has stated in writing to the district attorney that the Attorney General does not intend to act in the matter; or

(b) The district attorney has inquired in writing of the Attorney General whether the Attorney General will act in the matter, and:

(1) The district attorney has not received an answer in writing to his or her inquiry within 30 days after making it; or

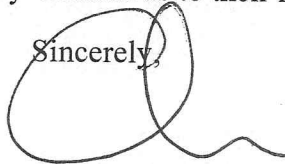

(2) The Attorney General has stated in writing to the district attorney that he or she will act in the matter and has not filed a criminal action in the matter within 90 days after making the statement.

4. When he or she is acting pursuant to this section, the Attorney General may commence his or her investigation and file a criminal action without leave of court, and he or she has exclusive charge of the conduct of the prosecution.

5. The fact that the Attorney General or a district attorney has not complied with any provision of this section is not a defense in a criminal action.

My client is asking for you to author a letter to the Attorney General as to the status of these complaints. If the Attorney General does not respond to you or does not want to process these complaints, Mr. Caggiano' is asking that you take over as permitted under the law. Please author a letter and inquire from the Attorney General as to their intent. Thank you.

Sincerely,

CRAIG A. MUELLER, ESQ.
