work analysis, highly Classified computer encrypted systems, computer programming and IT terminal security expert

Subject: Violations of President Obama's and President Clinton's Executive Orders on National Security, the State Department's guideline K and other matters regarding conspiracy by U.S. Attorney Lynch, FBI director, CIGIE, U.S. Attorney District of New Jersey Paul Fishman, U.S. District Court District of New Jersey and District of Nevada, U.S. Treasury protecting the totally corrupt Chris Christie administration and official corruption within the State of New Jersey, State of Nevada, Washington D.C., et. al.

1. Attached per 28 USC § 1746, based upon my own knowledge is a CERTIFIED AFFIDAVIT usable in courts and administrative hearings per U.S. Court rules of evidence as a public letter mailed to numerous federal, state agencies, the press by Inside on the Outside, a publishing firm registered in the State of NV previously NJ but because of assault by NJ's State police 3 times, numerous false imprisonment totaling over 100 days with bodily harm, 4 death threats after I testified under oath, and have now suffered years of retaliation which now continues for 14 YEARS under Docket 2:15-cv-08480 and NJ corrupt Superior Courts Docket SSX-C-21-15 and others even as we fled for our safety I am now permanently banned from the corrupt FBI office in Las Vegas, NV, calling the corrupt FBI's public access line, filing any complaint to the corrupt Las Vegas Police Internal Affairs Bureau, attend HOA meetings, et. al and in NJ can not enter any structure in Sussex County including any church, public restaurant, communicate with County officials or its corrupt Sheriff, request any government record by its Open Public Record Act, attorney Open Public meetings, telephone, email for fax the corrupt Government Record Council, go to the corrupt State of NJ West Trenton Police HQ to report title 2C State crimes that are unending, et. al. and because of the corrupt judge Craig U. Dana's court convictions can not take a cruise from California to Alaska nor a transatlantic cruise from Europe to New York. I have more civil rights in every county in world than USA. is a Attached Certified Affidavit with massive quantities of adopted exhibits that are public records to expose tyranny in government with crimes that rise to life or death sentences protected by U.S. attorney Eric Holder, his corrupt replacement Lynch, CIGIE, the corrupt DOJ OIG, U.S Capitol Police, U.S. Treasury, IRS, USPS, et. al.

As noted by the State of Nevada Attorney General <http://thomascaggiano.com/NVattorneygeneral.pdf> who is the Democratic nominee replacing Sen Harry Reid who wrote the U.S. Marshall's on my behalf and the former Congresswoman Berkley Nv 4<sup>th</sup> wrote the corrupt Department of Justice's Office of Inspector General and was lied to by that corrupt OIG the crimes against me rise to life or death sentences by Government officials and judges that have issued court orders violating my civil rights in a continuing conspiracy 18 U.S.C. §241 and § 242.

for issuance or revocation of Security Clearances such as Hillary Clinton, Sec of State Kerry, Undersecretary for Management Kennedy and more. The corrupt State Depart-

ment Secretary of State Kerry, his Under Secretary for Management Patrick Kennedy and his Diplomatic Security Service should have revoked Hillary Clinton's and her staff prior security clearances immediately and should per 18 U.S.C. with its corrupt OIG reported the m fro violating President Obama's' and President Clinton's Executive orders but instead a charade continues as the world can see Hillary Clinton, the Clinton Foundation and big banks such as Wells Fargo's recent major scandal are above the law just like the corrupt Gov Christie a former corrupt U.S. Attorney District of NJ and corrupt gov Of NJ after the corrupt Gov Jon Corzine was voted out of office as he spent \$110 million to be re-elected. As shown the fines on Wells Fargo are a mere slap on the finger for over 2 Million accounts were set up and over 5,000 persons fired but NOT one person even has by State nor Federal criminal charge because the banks have ONLY gotten bigger under Obama and are too big to bring Criminal Charges against as the fine fro each account is about the cost of a coffee and Danish at Star bucks as Ellen and the Fed keeping interest rates at almost zero decimating retired persons living on CD interest which is none as the nation's Debt will be \$ 20 Trillion dollars by the time Obama leaves and as shown by history ALL empires collapse by debt as the politicians to stay in power keep useless World War II bases alive to stay as a member of Congress, the FOIA updated after 50 years continues the exemption for Congress that protects itself from transparency and FOIA requests in my case take over 3 years to get a reply if I get one on over 600 days as the FBI admits it has 11 CDs of evidence ONLY after OGIS mediated twice. The corrupt U.S. Attorney Lynch and FBI Director engaged in the obstruction of law by ignoring both presidential national Security directives noted on <http://thomascaggiano.com/NATIONALSECURITY.pdf> and other willful actions to obstruct the administration of law, conduct themselves in Violation of Codes of Ethics for Attorneys called Rules of Professional Conduct and give aide to others and their accomplices.

1. Attached is my letter mailed to the White House National Security Council and many other parties which includes the Mar 17, 2016 Memorandum from the National Archives and Records Administration subject: FY 2017 Fundamental Classification Guidance Review.
2. The letter is published by Inside on the Outside, a news media enterprise reporting rampant corruption for 14 years as the U.S. attorney Lynch and other FBI agencies have more then 11 CDs of evidence and as noted in the attached letter I have sued the corrupt U.S. Attorney and its agents many times as they are protected by corrupt U.S. District Court Judges in the 3<sup>rd</sup> and 9<sup>th</sup> Circuits along with hundreds of Government officials and more then 100 government attorneys none of which comply with 18 U.S.C. § 4 nor Rules of Professional Conduct and give aide to others in continued crimes note in hundreds of pages filed in the corrupt U.S. District Court District of NJ noted in the letter with thousands of pages of adopted pages, court videos and more.
3. as noted on <http://thomascaggiano.com/POLICE.pdf> and <http://thomascaggiano.com/POLICE02.pdf> the corruption has spread from the totally infested state of NJ as the Bridgegate trail shows how corrupt Gov Christie is and his series of corrupt NJ Attorney Generals including the corrupt Chief Justice Stuart Rabner who was the former cor-

rupt 1<sup>st</sup> Assistant Prosecutor for the then corrupt U.S. Attorney Christie who brought his former corrupt U.S. Assistant Attorneys to control New Jersey. The State of NV is no better as the FBI as a keep them out book and even through I was directed to the FBI's corrupt Las Vegas Office and was threatened with being jailed if I ever returned to report any fed as five corrupt Las Vegas METRO Police Officers appeared and I talked with them for 15 - 20 minutes. The next day I attempted to report State of NV criminal conduct against my HOAs, the corrupt NV Real Estate Division, Business and Industry Division but in fact got banned from the corrupt Las Vegas Metro Police Internal Affairs Bureau after I reported the corrupt METRO police.

4. I have more civil rights in every county in the world I believe than USA where the terrorist is Government under Obama and Christie using tax payer funds to prevent their own detection and apprehension.

5. President Obama and his NSC senior staff and its high level U.S. Government Officials all seem have forgotten along with almost all Democrats such as Harry Reid and Senator Sanders and many Republicans that Presidential Executive orders MUST be complied with as if they were law but for political purpose the corrupt Lynch even prevents the money machine called the Clinton foundation from even being investigated while she meets with President Clinton on our jet. amazing that neither of their two total incompetents or in reality felons do NOT know President Clinton himself signed a Presidential Executive Order on national Security that his falling memory wife, the liar Clinton can't remember she used not one Blackberry but 13 devices and some were either stole or lost with substantial classified materials as Clinton even states discussing future drone strikes is not classified as she just lies and lies.

I suggest Susan Rice who was Clinton's false talking points accomplice resign from being the President's national Security advisor and find a full replacement for the entire NSC and get someone that is NOT a Democratic political hack that can erode.

CF Sen Heller w/o enclosure (Las Vegas, NV Office )

Sen Rubio ( already provided encl with all others on the letter noted and published on

<http://thomascaggiano.com/PRESSRELEASE/160922pressrelease.pdf>

Sincerely,

Thomas Caggiano
