Subject: Transparency in Government and a corrupt State of New Jersey's Government Record Council composed of corrupt Government and its public officials, judges and attorneys

1. Attached for the review by the Chairman, Vice Chairman and Board of Commissioner members including its Chief Council is my widely distributed via mail and email and published as a public record under the Freedom of the Press as an opinion of the corruption of Governor's Christie's corrupt Government Record Council, his appointed acting New Jersey Attorney General John Jay Hoffman with knowledge of his staff and himself published in the post card I mailed him and his corrupt LT Gov and Secretary of State Kim Guadagno, Esq. with his corrupt Commissioner of Community Affairs Richard Constable III, Esq. all protected by the corrupt Department of Justice, U.S. Court of Appeals for 9th Circuit with its corrupt Chief Judge Thomas and FBI and CIGIE coast to coast.

2. I suggest you have your staff use the search function on the corrupt GRC's own web site and use as exact match Thomas Caggiano for you will find my OPRA and Common Law rights of Access to other totally infested Christie administration that has its Office of Gov using fraud and deception deny all access by GRC headed by the Commissioner of Community Affairs and supported by corrupt State attorneys in the corrupt Department of Law and Public Safety's Division of Law prepared perjured **Statements of Information** by the Division of Law to protect the Office of Governor to his corrupt Cabinet Officials on the GRC.

3. Please refer to my published record on <http://thomascaggiano.com/newstip.pdf>

4. As former U.S. Attorney District of New Jersey being Christie, Guadagno, Constable III and the corrupt former 1st Assistant prosecutor for U.S. attorney for District of NJ Rabner all are protected by the DOJ OIG, Lynch, FBI, OGIS, CIGIE and more. All are protected by the corrupt Paul Fishman, Esq. and as stated in a State of the State speech by the corrupt Gov Jon Corzine who by the constitution oath he took was responsible to assure the laws of New Jersey were complied but instead he made the corrupt Stuart Rabner his own corrupt New Jersey Attorney General and by his and Chris Christie's' strong arming made Rabner chief Jus-

tice. The Democrats power brokers then had the Acting Gov and Senate President Richard Codey removed as Senate President as the following g ALL requested investigations or gave the corrupt U.S. Attorney for District of New Jersey and the Department of Law and Public Safety's attorney notice of 90 exhibits I provided the corrupt Board of Engineers. See <http://thomascaggiano.com/transcripts> and <http://thomascaggiano.com/acjcglenngrant.pdf> to understand why a Newark, NJ FBI Special Agent told the press: New Jersey was the most corrupt State in the Untied States of America. Review my letters to Congressman Hardy (R) and Congressman Garrett (R) both corrupt in my opinion to protect their party and avoid retaliation by Christie's gang.

5. Senator Kean has been are of the corruption as have the members of the so called State of New Jersey Committee on Investigation which if one reads the majority and minority reports reminds one of Watergate as the New Jersey Senator supported the corrupt President Nixon to the end do to party loyalty NOT loyalty to the Constitutions of U.S. nor N.J. violating his oath of office to support **WE the PEOPLE** for personal loyalty to Christie is demanded by Christie otherwise he retaliates against them as sown in the referred books and his history in Morristown< New Jersey as a member of its corrupt Morris County Board of Chosen Freeholders. Sussex County is a den and hive of bribery, kick backs, fraud protected by the U.S. Treasury and USPS also:

6. If I can be assistance to you or staff please contact me by mail, telephone or email.

7. I certify the forgoing statements made by me are true. I am aware that if any of the fore-going statements made by me are willfully false that I am subject to punishment. The corrupt Gov Jon Corzine made his campaign manager Susan Bass Levin, Esq. initially the Commissioner of Community Affairs then used the Port Authority to give her a \$250,00 job on Port Authority while at the same time put her on his corrupt Department of Community Affairs' Local Government Services Local Fiance Board in a part time job so she could qualify for medical benefits at New Jersey tax payer expense and significantly increase her retirement pay in her part time job. The Port Authority has been a pork barrel for voted out of office politicians and its culture MUST change. I was a citizen of NY then NJ for over 50 years.

8. I suggest your general council read the Codes of Ethics called Rules of Professional Conduct and give you and education on 18 U.S.C. §2, §4 and §666.
