Per the GRC decision on Nov 15, 2016 Complaint No. 2015-93 Scheeler v Burlington Twp NO non-citizen per State Senator Kyrillos can get any Govt Record via OPRA.

I note the Sussex County Prosecutor in a public letter stated any member of the Public can obtain a copy of a govt record if the restrictions in OPRA do not prevent it. I also note Common Law right of access if one has standing is a US, NJ and NV Constitutional civil right ignored by the Office of Gov and every municipality I have submitted same as the check box is ON the model form shown by the GRC but many municipalities do NOT use the model form so the public in receiving the form do NOT have the box to be checked and most would probably be unaware they would have to submit a separate letter with the municipal forms that do NOT comply with the model form

The GRC decision contradicts the GRC own response in FAQ as the GRC states anyone can submit an OPRA request

This matter was in fact settled in three Appellate division cases A-1762, A-2507 and A-2518 in 2010 and in more recent Appellate cases that state anyone can submit an OPRA request.

The Appellate court noted the OPRA itself Section 1A-5(b) instructing a government record may be purchased by any person.

I suggest the GRC stop being so very corrupt and put my complaints on its agenda Thomas Caggiano v. Twp of Wantage on its agenda for months the GRC and the corrupt State of NJ Office of Attorney Ethics have protected Senator Weiner Lesniak's law firm as have the corrupt Morris County Prosecutor and local police as well as the corrupt U.S. Attorney for District of NJ Paul Fishman, the FBI in Las Vegas, NV, the U.S. attorney Lynch, the US Treasury and NJ Treasury, NJ Comptroller / Inspector General and dozens of other corrupt govt officials and employees from coast to coast as shown on my filed court paper to the corrupt Judge Hasnbury PJ CH who retired repalcment.

How corrupt is NJ well attached in Judge Thomas Manahan PJSC court order against Thomas Caggiano and Katherine Caggiano

I know no Katherine Caggiano my wife's name is Kathryn Caggiano

12/17/16 TO RABNER

Per the Morris county Superior Court this court order does NOT EXIST but it was sent to every municipal court in Sussex and Morris County
It has NO Docket number.

Neither I nor my wife kathryn were ver notified it existed sso much for due process

If one reads it the corrupt Superior Court judge ORDERS every municipal court judge. NO municipal judge is allowed to have a probable cause hearing even on a quasi-criminal charge which is solely in the municipal court even before a trial. He admits he never even read Probable Cause Affidavits filed under oath and dismisses them all.

adn in his note ignores due process by staing he is KING as I avhe no stadning to apepal his unilateral decsion
How did I even find out abut this court roder with no docket number?

Well my freind Ann Shridan was teh corut administrator in the corrupt Netcong court and when I field another one as its corrupt jdudge buried my Afdivat with teh corrupt PMJC Zinna she showed me a copy. She could no longer hadnle the corrupcion adn retired on disabilikity. So di the fomer 1st Asssiantant prsoecutor for the corrupt David Weaver after he recused himself and so did a detective I met in their grand jury room on High St, Newton, NJ he retired on disability.

Richard Stewart teh town administrator for Stanhope, Sussex County After he reported the corruption to teh FBI and State Police both corrupt of course and attempted to get me into Stanhope's municipa l court so I could see the morethen 20 chages field agaisnt me by Stanhope officials adn employees as NONE of teh cases had any Probable casue hering before is corrupt Jduge Mulhern JMC who was the corrupt magistrate in Stanope, township of Stillwate, Township of Hampti=on adn now Town of Newton and Towsnhip of Green all corprt of course like the City of Newark, the /city of Trenton, borough of Stanhope, frankfort township and Stanhope's courts every one prorected b yte ACJC adn the morethen 20 complainn subtted to the OAE every corrupt govt attorney were prorected of course.

Even the ACJC had to admit 5 Judges I referred to violated laws but apparently the corrupt Morris county prosecutor nor does any local police perform their official duty so the useless letter from the State of NJ Supreme Court OAC municipal division to the MDAs for Sussex, Morris and Mercer County division managers to get me copies of my own court records denied me for over 5 years and to go to the local police was just another useless piece of paper

so Senator Kyrillos YOU are now infamous.

One can not even become a NJ Citizien if they are a non0citizen per Seantr0 Kyrillos postion becasu eto become a NJ Citizen you must request via OPRA a from rom teh DMV adn submit other ORPArequests to prove uou have resdied in NJ for years

You could not get a copy of any accident report so anyone noncitizen traveling on I 80 Or I 95 beware per the GRC and Sen Kyrillos you could NOT get a copy of an accident report nor copy of a death certificate if your spouse died in a car accident or was killed. You could not get a copy of agenda even though OPMA states anyone can request a copy of an agenda in advance NOT per the GRC nor Senator Lesniak nor Asm Bucu why because they represent corrupt municipalities and I have court orders issued by Hasbunbury PJ CH SSX-C-1-13 consolidated I am not allowed to enter any structure in Sussex County so I can't be put in jail against illegally and suffer bodily harm when my prescribed drugs are denied me. I was illegally jailed for 85 days. I can't get a copy of my own deeds on 10 East Drive, Stanhope, NJ 07874 I can't get a copy of any municipal prosecutor record even my own. I can't get a pet's license nor contact the Sussex County Sheriff for any reason nor the County tax assessor nor any county official nor employee in writing nor attend open public meetings by any organizations in the Sussex County annex. Per MER-C-1-02-07 GRC v Thomas Caggiano I can not attend any Open Public meeting by any organization in the entire Dept of Community Affairs building except one if my complaint is on the agenda but the GRC for 5 months refused to put my complaints on its agenda and even if the complaints were I must have a state trooper present and I am not allowed to talk during the Open Public discussion period. and more

forgive the typos. I had a stroke and my fingers do not work right on right hand

Re: Letter received

Dear Mr. Caggiano:

http://thomascaggiano.com/uschiefjusticeRoberts.pdf

I'm writing in response to your letter received in this office.

To clear up any confusion the Nevada Attorney General's Office does not have legal jurisdiction over your concerns. This office represents the State of Nevada or any officer, board, commission, appointee or department of the State. Nevada law prohibits anyone from this office from rendering legal assistance, legal advice and/or representing anyone other than our assigned agencies, boards and/or commissions. Therefore, we are unable to provide legal advice, opinions and/or interpret Nevada law for private citizens.

Should you wish to contact a private attorney regarding this matter, the State Bar of Nevada sponsors the Nevada Lawyer Referral and Information Service and can be reached at (702) 382-0504, or toll free in Nevada at (800) 789-5747.

The following agency *may* have the authority and jurisdiction to assist you on your complaint.

**Federal Bureau of Investigations
1787 West Lake Mead Blvd
Las Vegas, NV 89106
(702) 385-1281**

FBI Jurisdiction includes many of the topics you touched on, including:

Title 18, U.S.C., Section 241
Conspiracy Against Rights

This statute makes it unlawful for two or more persons to conspire to injure, oppress, threaten, or intimidate any person of any state, territory or district in the free exercise or enjoyment of any right or privilege secured to him/her by the Constitution or the laws of the United States, (or because of his/her having exercised the same). It further makes it unlawful for two or more persons to go in disguise on the highway or on the premises of another with the intent to prevent or hinder his/her free exercise or enjoyment of any rights so secured.

Punishment varies from a fine or imprisonment of up to ten years, or both; and if death results, or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title or imprisoned for any term of years, or for life, or may be sentenced to death.

Title 18, U.S.C., Section 241
Conspiracy Against Rights

This statute makes it unlawful for two or more persons to conspire to injure, oppress, threaten, or intimidate any person of any state, territory or district in the free exercise or enjoyment of any right or privilege secured to him/her by the Constitution or the laws of the United States, (or because of his/her having exercised the same). It further makes it unlawful for two or more persons to go in disguise on the highway or on the premises of another with the intent to prevent or hinder his/her free exercise or enjoyment of any rights so secured.

Punishment varies from a fine or imprisonment of up to ten years, or both, and if death results, or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title or imprisoned for any term of years, or for life, or may be sentenced to death.

Title 18, U.S.C., Section 242
Deprivation of Rights Under Color of Law

This statute makes it a crime for any person acting under color of law, statute, ordinance, regulation, or custom to willfully deprive or cause to be deprived from any person those rights, privileges, or immunities secured or protected by the Constitution and laws of the U.S.

This law further prohibits a person acting under color of law, statute, ordinance, regulation or custom to willfully subject or cause to be subjected any person to different punishments, pains, or penalties, than those prescribed for punishment of citizens on account of such person being an alien or by reason of his/her color or race.

Acts under "color of any law" include acts not only done by federal, state, or local officials within the bounds or limits of their lawful authority, but also acts done without and beyond the bounds of their lawful authority; provided that, in order for unlawful acts of any official to be done under "color of any law," the unlawful acts must be done while such official is purporting or pretending to act in the performance of his/her official duties. This definition includes, in addition to law enforcement officials, individuals such as Mayors, Council persons, Judges, Nursing Home Proprietors, Security Guards, etc., persons who are bound by laws, statutes ordinances, or customs

Punishment varies from a fine or imprisonment of up to one year, or both, and if bodily injury results or if such acts include the use, attempted use, or threatened use of a dangerous weapon, explosives, or fire shall be fined or imprisoned up to ten years or both, and if death results, or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title, or imprisoned for any term of years or for life, or both, or may be sentenced to death.

Title 42, U.S.C., Section 14141

Makes it unlawful for state or local law enforcement agencies to allow officers to engage in a pattern or practice of conduct that deprives persons of rights protected by the Constitution or U.S. laws. This law, commonly referred to as the Police Misconduct Statute, gives the Department of Justice authority to seek civil remedies in cases where law enforcement agencies

have policies or practices that foster a pattern of misconduct by employees. This action is directed against an agency, not against individual officers. The types of issues which may initiate a pattern and practice investigation include:

- Lack of supervision/monitoring of officers' actions;
- Lack of justification or reporting by officers on incidents involving the use of force;
- Lack of, or improper training of, officers; and
- Citizen complaint processes that treat complainants as adversaries.

Under Title 42, U.S.C., Section 1997, the Department of Justice has the ability to initiate civil actions against mental hospitals, retardation facilities, jails, prisons, nursing homes, and juvenile detention facilities when there are allegations of systemic derivations of the constitutional rights of institutionalized persons.

I hope you find the above-referenced information useful.

Sincerely,

CATHERINE CORTEZ MASTO

STATEMENT OF REASONS

In furtherance of the Court's order of May 19, 2009 (attached), and pursuant to New Jersey Court Rule 7:2-2(a)(1), the Court has reviewed the affidavits of probable cause filed and has determined that no probable cause exists to issue a warrant or a summons. The Court finds that the affidavits lack a showing a probable cause to believe that the offenses alleged were committed and that the numerous defendants committed any offense. The pleadings, even given a liberal interpretation, do not support a claim of any of the criminal charges which are sought to be lodged.

The Court notes that the complaintant would have no standing to file an appeal of this Court's determination. See State v. McGrane, 2010 N.J. Super. Unpub. LEXIS 512 (March 11, 2010) (holding that a private citizen, who is not authorized or designated to act on behalf of the State, would not have standing to appeal the dismissal of his complaints).
