TAKE JUDICIAL NOTICE of POINT OF LAW and MATTER OF FACT

JUSTIFICATION:

Notice of Removal Motion to Transfer from Vicinage 10 State of New Jersey Superior Court, Sussex County, Chancery Division General Equity to U.S. District Court District of New Jersey Docket SSX-C-21-15 Township of Wantage (Sussex) v. Thomas Caggiano

c.. 28 U.S.C. § 1331 - Original jurisdiction - U.S. Constitution Rights

d. Per Federal Courts Jurisdiction and Venue Clarification Act of 2011, H.R. 394, P.L. 112-63; the Act also adds a new code section 1446(c)(1), which adds to the current one-year limitation on removal a limited exception, authorizing a district court to permit removal after the one-year period if it finds that the **plaintiff acted in bad faith** to prevent removal

2. **NOTICE of REMOVAL** to the U.S. District Court for a federal question and to assure justice and the totality of circumstances are considered, Cathy E. Moore, Fourth Amendment--Totality of the Circumstances Approach to Probable Cause Based on Informant's Tips, 74 J. Crim. L. & Criminology 1249 (1983) and Illinois v. Gates, 103 S. Ct. 2317 (1983). Notice of the removal to the U.S. District court was provided in my filed papers to the FSR attorney, widely distributed by email to numerous parties including my federal senators and Congressman, newspapers and others, was provided the Justice Court for the Township of Las Vegas Court and Plaintiff at an initial hearing before Judge Sciscento held on Oct 20, 2017 and in filed papers provided the court serviced by another party to disqualify Judge Sciscento. a motion to delay its hearings until the end of November was reviewed and the case adjourned until Dec 1, 2017 as the court had not even received neither the plaintiff's filing nor mine which under great duress was filed with the court as tort act violations of Outrage and Causing emotional distress have now occurred for 17 years starting in New Jersey after 14 property owners petitioned the Borough of Stanhope to comply with safety laws, and the plans approved for an illegal minor subdivision across the street from 10 East drive, Stanhope, NJ 07874 for even though upon my complaints to the Department of Community Affairs Codes and Standards Department it confirmed violations of the Uniform Construction /code occurred and a plan certified by the State Department of Agriculture which in fact was a false plan that was a tampered Soil Erosion and Sediment Control Plan for SH 44, 2 and 6 oak drive, Stanhope, NJ 07874 was invalid and that he develop without even informing the State as required by law or the Department of Environmental Protection developed the and on 2 an 6 Oak Drive, violated the State's laws violated the wetland permit and both the State, county employees and Borough of Stanhope have engaged in a 17 year cover-

up of bribery, fraud, criminal retaliation noted in the FOAI responses from the U.S. Treasury as I met 5 IRS Special agents <http://thomascaggiano.com/USTREA-SURY.pdf>, as the USPS Postal Inspectors as notified of mail fraud and harassment by mail <http://thomascaggiano.com/USPS.pdf> and the Council of Inspector general Integrity and Efficiency (CIGIE) executive director Bret Wilson had me write the US Senate and House of representatives which also noted the corruption to the Chief Judge fro the 3rd and 9th Circuits as well as other federal representatives noted on <http://thomascaggiano.com/USA.pdf> and to the then Congressman Ryan who is is now the Speaker for the House noted on <http://thomascaggiano.com/RYAN.pdf>.

3. Judge Sciscento had not as yet received court papers by Firstservice Residential, Nevada, LLC nor Thomas Caggiano which has been filed wit the justice Court for the Township of Las Vegas and was notified in a pre-hearing on that date, Steve Scow, Esq. after an objection to the filing as judicial harassment under res judicata, Intl Nutronics Inc, 28 F. 3d 965, 969)9th Circuit), cert. denied, 115 (194) as again Firstservice Residential sought a protective order to ban Thomas Caggiano, a publisher and author from publishing opinions on his digital domains thomascaggiano.com. freedomnewsdigest.com and others in South Africa and Denmark owned by inside on the Outside, and all social media which was rejected b yteh Court on 16PO1647Firstservice Resdiential, Nevada, LLC. Wherein based upon a transcript provided Senator Masto, Autumn Rdige at Alaitne Community Association and Alainte Master Association and published on the iternet and widely disributed by email distribution to other State of Nevada Newsa-peprs, Federal and State Senatros, members of the House of Reprsetneives and Nevada Geenal Assembly, the FBI, and Police departments, the Firstservice Residential, nevada, LLSC which ahs been protected by the Nevada Real Estate Division for years as is acocmplce even though Thoams Caggiano was directed by the Nevada Attorney general to report the HOAs and Community managment firmto the Nevada Real Estate division in response to his U.S. Common LawRight of Access which is also a State of Nevada civil right and an Open Public Record request itself by its Ombudsman Charvez Foger admitted withut any formal notice that the pror administrator JD Decker was emt y thomas Caggiano whose anger included not onkly the Real Estate Division but other governmental al agencies. It is also noted federal Senators and members of Congress requested reviews and investgiators and thoams Caggiano has met 30 police officers and detecvies, file comlatism to the Nevada Attorney General, the Nevada Real Estate Division and numerous voluntary police reports to the Las Vegas Police, North Las Vegas Police and Henderson Police, the Las Vegas Police Interanal Affairs bureau and FBI Las vegas as the Commissioner Kirkpartrick afr reviwiegn materials provided her as done by several police offciers recommended Thomas Caggiano file not only civil suits as stated by Jduge Scisento but also criminal charges and that I should provide evidencne o the FBI which in fact has protected the State of New Jersey, the State of Nofficals as noted in Thomas Caggaino's letter to the White House, U.S. Attorney Sessionsn, the FBI diector Come fired by the President of the United States Trump and others. The letter to the White House and a pubic recod published by Inside on the Outside as an opinion on <http://thomascaggiano.com/WHITEHOUSE.pdf> giving an extesnvie listing of other potentail witensses in my defense to the fasle accusations by the contiuing consopracy and over-up of federal crimes and numeros State crimes as well

as violations of codes of Ethics by judges and attorneys as well as 18 U.S.C. § 4 Misprision of Felony and repeated acts in a willful repeated pattern of agreement in a structured enterprise defined as racketeering and a criminal syndicate.

4. TAKE JUDICIAL NOTICE: Whereas the field offices of the Las Vegas Police patrolman and staff were met they stated go to the FBI and the corruption was too complex for their field office to handle and I should proceed to the Las Vegas Metro HQ which I did many times and complained to the Clark County District Attorney Staff that the Police never entered the Case event numbers into the control system nor did any of its detectives ever contact me for any additional information or evidence burying the complaints for now over 6 months. Upon discussions with the North Las Vegas Police they issued a case report "**U.S. Government Conspiracy**" as the corruption by government within three states was reviewed, that I had reported to the FBI numerous times, as well as other police dispatched contacted other witnesses for verification.

5. Upon the direction of the Las Vegas Police, despite my protest, I was directed to the North Las Vegas Police to file the complaint for a false police report entered by Firstservice Residential, Nevada, LLC to obtain an unconstitutional court order by the court to ban Thomas Caggiano, a member of the Society of Professional Journalists from publishing opinions on thomascaggiano.com concerning corruption of not only Firstservice residential but the HOAs that Firstservice Residential, Nevada, Represented. Upon obtaining the transcripts of the prior efforts by Firstservice Residential, Nevada, LLC for the HOAs to deny me Thomas Caggiano the use of social media and the internet to publish opinions of the corruption of the HOAs protected by the U.S. government, U.S. Attorney, FBI, and State of Nevada and the Plaintiff in after being denied such relief by Judge Sciscento. The attached annotated Justice Court's transcripts of 16PO1647 Firstservice Residential, Nevada, LLC has again submitted to the court violating numerous federal and state laws as well as violations of codes of Ethics Rules of professional conduct by Koch and Scow, LLC numerous exhibits that are willfully deceptive, and a false police report. Do to extended travel commitments, the court rescheduled a hearing on Dec 1, 2017. Upon receipt of the filings, I then met police offices in Las Vegas, North Las Vegas and Henderson and field after meeting numerous police officers, communicating to the Clark County District attorney staff which have protected Firstservice Residential, Nevada, LLC, HOAs and Las Vegas Police and others filed under oath event cases with the State of Nevada Attorney General against Gov Sandoval and his accomplices being the State of Nevada Attorney general, Clark County district Attorney staff as known by the Clark County Commissioners, Chief Judge Gonzales and the corrupt FBI Las Vegas Office which has with the U.S. Attorney General as noted in the U.S. District Court for District of Nevada Docket 2:12-cv-01484-GMN-GWF **Thomas Caggiano v. Eric Holder** (U.S. Attorney) and U.S. District Court for District of New Jersey Docket 2:15-cv-08480-SDW-LDW Township of Wantage, Sussex County, New Jersey v. Thomas Caggiano wherein under Docket SSX-C-21-15 unconstitutional court orders were issued by the Vicinage X Superior Court judge. Upon filing a complaint to the Supreme court of New Jersey's Advisory Committee on Judicial Conduct, the ACJC noted that the Assignment judge, superior Court presiding judge for General Equity Division, Presiding Vicinage X presiding municipal judge and the two municipal judges for the Joint municipi-

pal court for the Township of Wantage, Borough of Stillwater and Township of Stillwater all violated court rules. the municipal prosecutor of Dolan and Dolan PA municipal prosecutor William Haggerty, Esq. twice wrote the court he recused himself and demanded a transfer of the case as its court administrator Tania Ell reported the corruption to the FBI and the State Police Official Corruption bureau as did the Sussex County Superior court Criminal Part criminal scheduler Kay Mack as the 13 criminal change indictment in State v. Thomas Caggiano filed by numerous corrupt Borough of Stanhope officials and employees also reported the corruption in New Jersey to other FBI and State police as did the Town administrator Richard Stewart who was fired with severance pay and the municipal clerk Ms Robin Kline, RMC, MAS was terrified as the Borough defamed her for to ears publicly as she hired an attorney Mr. King, Esq. and reported the criminal conspiracy through out New Jersey State, County and municipal governments, judges, prosecutors, and bribed professional engineers and planners, law firms to other FBI and State Police then resigned from mental anguish. After receiving four death threats after I, Thomas Caggiano, gave testimony in the Borough of Stanhope's land use board against State, county and municipal officials and employees, I was assaulted by State police three times, falsely imprisoned in the corrupt Sussex County jail control officers and Sheriff then denied prescribed drugs and suffered bodily harm being taken to other Hospital requiring intravenous injections as I was in fact denied prescribed drugs for 85 days of my illegal imprisonment for as noted in my Superior court municipal appeals the Superior Court finding was the Joint municipal court for the Township of Green, Township of Hampton, Township of Fredon and Borough of Andover municipal court constantly violated court rules and at no time were any mental issues discussed vacating all probation. In another malicious conviction by the State in the city of Trenton's municipal court, after filing a superior Court municipal appeal and meeting the Mercer County prosecutor staff three times, the State prosecutor notified the Superior Court I was not guilty of harassment. the court ignored the State prosecutor so the State prosecutor again wrote the court, Thomas Caggiano is not guilty of harassment he was filing a grievance against the GRC executive director Catherine Starghill, Esq. who also committed perjury on the witnesses. The Mercer County Prosecutor mailed the FBI, Trenton field office six 6 CDs of evidence of evidence against the State of NJ, the Government Record Council and its conspirators.

6. I have not met thirty police officers and detectives in Las Vegas, North Las Vegas and Henderson. The Department of Justice's Office of Professional Responsibility to which I was referred by the Department of Justice's Public Corruption Unit after it has assigned Case Folder by the Public Integrity Section DA30037340 shown on the published intent url <http://thomascaggiano.com/PCU.pdf> shows the corruption of the U.S. Attorney, Governor of New Jersey and his series of NJ Attorney Generals under Jon Corzine (D) and Chris Christie (R) are known to the Obama and Trump Administration in my letter published on <http://thomascaggiano.com/WHITEHOUSE.pdf> with thousands of court papers filed in U.S. District courts in the U.S. Court of Appeals for 9th Circuit, District of Nevada, District of New Jersey and District of Eastern District Pennsylvania as well as numerous courts in Nevada and New Jersey for as shown in my filed complaints to the State of Nevada Attorney General Thomas Caggiano v. Gov Sandoval, Thomas Caggiano v. Nevada real Estate Division, Thomas Caggiano v. Firstservice Residential, a crimi-

nal syndicate exists in the State of Nevada to protect FSR, Nevada, LLC in a Conspiracy As noted in the Case No. 71012000343 filed by Patrolman Olsson P#229 and D. Krivak P#2478 as they conducted reviews with witness the conclusion by them as written to the report is "Conspiracy- U.S. government" as we discussed the corruption not on in Nevada, but New Jersey and Pennsylvania for in the event numbers were also assigned by numerous Las Vegas Police after lengthy reviews being supervisor A. Plunkett P#9134, M. Martin P#8275 event 170616-1961 with added evidence appended on Sep 28 2017 and my meetings in the Las Vegas Metro Police Internal Affairs Bureau against other officers.

7. Per the direction of Commissioner Kirkpatrick, I notified the NV Attorney General again of alleged criminal conduct as I had done earlier in filed complaints 32 pages to the NV Attorney General and 87 page complaint to the corrupt Nevada Real Estate Division. Also filings were uselessly made to the Committee on Judicial Discipline at the direction of the NV Attorney General and to the Nevada Real Estate Division which issued a "smoking gun" letter against itself and its Chief investigator Darik Ferguson, its former corrupt administrator JD Decker and its Ombudsman Chavez Forger, Ombudsman, dated Nov 15, 2017 starting falsely I left one hour voice mail messages as its voice mail recording system cuts off at 5 minutes and 30 seconds. Per Nevada State law if convicted or other sanctioned under Nevada State law Firstservice Residential could lose all profits from the last seven years has not in fact done an investigation but has engaged in a cover-up of fraud conspiracy, false court filings and judicial harassment by Firstservice Residential, Nevada, LLC and its attorney Scow, Esq. who lied to the mediator mediator Battie showing in a willful pattern continued bad faith as I also noted again Judge Sciscento violated court rules and was required to disqualify himself and violated 18 U.S.C. Section 4 Misprision of Felony, Judicial cannons and has been protected by Judge Bonaventure Chief Judge, the Attorney General Laxalt and the Gov Sandoval who is to assure laws are enforced.

8. As such to assure justice, I request the case be removed from the Justice Court for the Township of Las Vegas for a federal question and to assure justice a civil trial be held in the U.S. District Court District of Nevada and that while I have provided Goldspike Legal, an initial retainer of \$10,000, J. Taylor Oblad, Esq. after meeting several law firms and being rejected as the case would be too big and complex for their firms or they did not have adequate resources to handle the case, I reduced the scope of the law firm's professional services and have not been able to have a response to update him by email or telephone., as such to meet the deadline for filing notice to the U.S. District Court District of Nevada as I did notify in filed court papers and in the Dec 1, 2017 rescheduled hearing that I would remove the case to US District Court Unfortunately, neither the court file papers nor my papers were available to the court but upon receipt of the transcript record and the negotiated 30 pages from the FBI FOIA office noted in the exhibits I could have at least a listing of potential FBI witnesses and documents I would obtain under a U.S. District Court District of Nevada Court Order to enable a further listing of persons in my counterclaim against the HOAs, Firstservice Residential, Nevada, LLC, and others. as my attorney was provided a SD card with hundreds of pages of evidence, court records, he would need added time to advise me and conduct his efforts

with zeal.

9. As such, to insure justice, I request under the extraordinary circumstances the U.S. District Court has unique powers not within the Justice court nor any State of Nevada Court to issue ORDERS to the U.S. Attorney or FBI and request a jury trial as my civil rights and home owner rights are again requested to be violated in 17PO1335 by Firstservice Residential and the conspiracy exposed on the emails submitted by Firstservice Residential that are not signed nor certified and Steve Scow, Esq. refused in via his email to provide me the names and addresses on all the individuals listed in his own court exhibits.

10. I therefore hereby give **NOTICE** of my removal from the Justice Court for Township of Las Vegas and will submit an unspecified counter claim against numerous parties after discover, written questions and requests for admissions are submitted.

JUSTIFICATION:

Notice of Removal Motion to Transfer from Vicinage 10 State of New Jersey Superior Court, Sussex County, Chancery Division General Equity to U.S. District Court District of New Jersey Docket SSX-C-21-15 Township of Wantage (Sussex) v. Thomas Caggiano

a. 28 U.S. Code § 1391(b)(1) - Venue generally -A civil action may be brought in a judicial district in which any defendant resides, if all defendants are residents of the State in which the district is located

b. 28 U.S.C. § 1441(a), authorizes a defendant to remove from state court to federal court any civil action brought in a State court of which the district courts of the United States have original jurisdiction

c. 28 U.S.C. § 1331 - Original jurisdiction - U.S. Constitution Rights

d. Per Federal Courts Jurisdiction and Venue Clarification Act of 2011, H.R. 394, P.L. 112-63; the Act also adds a new code section 1446(c)(1), which adds to the current one-year limitation on removal a limited exception, authorizing a district court to permit removal after the one-year period if it finds that the **plaintiff acted in bad faith** to prevent removal

2. **NOTICE of REMOVAL** to the U.S. District Court for a federal question and to assure justice and the totality of circumstances are considered, Cathy E. Moore, Fourth Amendment--Totality of the Circumstances Approach to Probable Cause Based on Informant's Tips, 74 J. Crim. L. & Criminology 1249 (1983) and Illinois v. Gates, 103 S. Ct. 2317 (1983). Notice of the removal to the U.S. District court was provided in my filed papers to the FSR attorney, widely distributed by email to numerous parties including my federal senators and Congressman, newspapers and others, was provided the Justice Court for the Township of Las Vegas Court and Plaintiff at an initial hearing before Judge Sciscento held on Oct 20, 2017 and in filed papers provided the court serviced by another party to disqualify Judge Sciscento. a motion to delay its hearings until the end of November was reviewed and the case adjourned until Dec 1, 2017 as the court had not even received neither the plaintiff's filing nor mine which under great duress was filed with the court as tort act violations of Outrage and Causing emotional distress have now occurred for 17 years starting in New Jersey after 14 property owners petitioned the Borough of Stanhope to comply with safety laws, and the plans approved for an illegal minor subdivision across the street from 10 East drive, Stanhope, NJ 07874 for even though upon my complaints to the Department of Community Affairs Codes and Standards Department it confirmed violations of the Uniform Construction /code occurred and a plan certified by the State Department of Agriculture which in fact was a false plan that was a tampered Soil Erosion and Sediment Control Plan for SH 44, 2 and 6 oak drive, Stanhope, NJ 07874 was invalid and that he develop without even informing the State as required by law or the Department of Environmental Protection developed the and on 2 an 6 Oak Drive, violated the State's laws violated the wetland permit and both the

State, county employees and Borough of Stanhope have engaged in a 17 year cover-up of bribery, fraud, criminal retaliation noted in the FOAI responses from the U.S. Treasury as I met 5 IRS Special agents <http://thomascaggiano.com/USTREA-SURY.pdf>, as the USPS Postal Inspectors as notified of mail fraud and harassment by mail <http://thomascaggiano.com/USPS.pdf> and the Council of Inspector general Integrity and Efficiency (CIGIE) executive director Bret Wilson had me write the US Senate and House of representatives which also noted the corruption to the Chief Judge from the 3rd and 9th Circuits as well as other federal representatives noted on <http://thomascaggiano.com/USA.pdf> and to the then Congressman Ryan who is now the Speaker for the House noted on <http://thomascaggiano.com/RYAN.pdf>.

3. Judge Sciscento had not as yet received court papers by Firstservice Residential, Nevada, LLC nor Thomas Caggiano which has been filed with the justice Court for the Township of Las Vegas and was notified in a pre-hearing on that date, Steve Scow, Esq. after an objection to the filing as judicial harassment under res judicata, Intl Nutronics Inc, 28 F. 3d 965, 969 (9th Circuit), cert. denied, 115 (194) as again Firstservice Residential sought a protective order to ban Thomas Caggiano, a publisher and author from publishing opinions on his digital domains thomascaggiano.com, freedomnewsdigest.com and others in South Africa and Denmark owned by Inside on the Outside, and all social media which was rejected by the Court on 16PO1647 Firstservice Residential, Nevada, LLC. Wherein based upon a transcript provided Senator Masto, Autumn Ridge at Alaitne Community Association and Alaitne Master Association and published on the internet and widely distributed by email distribution to other State of Nevada Newspapers, Federal and State Senators, members of the House of Representatives and Nevada General Assembly, the FBI, and Police departments, the Firstservice Residential, Nevada, LLC which has been protected by the Nevada Real Estate Division for years as is accomplice even though Thomas Caggiano was directed by the Nevada Attorney General to report the HOAs and Community management firms to the Nevada Real Estate division in response to his U.S. Common Law Right of Access which is also a State of Nevada civil right and an Open Public Record request itself by its Ombudsman Charvez Fonger admitted without any formal notice that the prior administrator JD Decker was emt y thomas Caggiano whose anger included not only the Real Estate Division but other governmental agencies. It is also noted federal Senators and members of Congress requested reviews and investigators and thomas Caggiano has met 30 police officers and detectives, file complaint to the Nevada Attorney General, the Nevada Real Estate Division and numerous voluntary police reports to the Las Vegas Police, North Las Vegas Police and Henderson Police, the Las Vegas Police Internal Affairs bureau and FBI Las Vegas as the Commissioner Kirkpatrick after reviewing materials provided her as done by several police officers recommended Thomas Caggiano file not only civil suits as stated by Judge Sciscento but also criminal charges and that I should provide evidence to the FBI which in fact has protected the State of New Jersey, the State of North Carolina as noted in Thomas Caggiano's letter to the White House, U.S. Attorney Sessions, the FBI director Comey fired by the President of the United States Trump and others. The letter to the White House and a public record published by Inside on the Outside as an opinion on <http://thomascaggiano.com/WHITEHOUSE.pdf> giving an extensive listing of other potential witnesses in my defense to the false accusations by the

continuing consopracry and over-up of federal crimes and numeros State crimes as well as violations of codes of Ethics by judges and attorneys as well as 18 U.S.C. § 4 Mispri- sion of Felony and repeated acts in a willful repeated pattern of agreement in a struc- tured enterprise defined as racketeering and a criminal syndicate.

4. TAKE JUDICIAL NOTICE: Whereas the field offices of the Las Vegas Police patrol- man and staff were met they stated go to the FBI and the corruption was too complex for their filed office to handle and I should proceed to the Las Vegas Metro HQ which I did many times and complained to he Clark County District Attorney Staff that the Po- lice never entered the Case event numbers into the control system nor did any of its detectives ever contact me for any additional information or evidence burying the com- plaints for now over 6 months. . Upon discussions wit the North Las Vegas Police they issued a case report **“U.S. Government Conspiracy”** as the corruption by government within three states was reviewed, that I had reported to the FBI numerous times, as well as other police dispatched contacted other witnesses for verification.

5. Upon the direction of the Las Vegas Police, despite my protest, I was directed to the North Las Vegas Police to file the complaint for a false police report entered by Firstser- vice Residential, nevada, LLC to obtain an unconstitutional court order by the court to ban Thomas Caggiano, a member of the Society of Professional Journalists from pub- lishing opinions on thomascaggiano.com concerning corruption of not only Firstservice residential but the HOAs that Firstservice Residential, Nevada, Represented. Upon ob- taining the transcripts of the prior efforts by Firstservice Residential, Nevada, LLC for the HOAs to deny me Thomas Caggiano the use of social media and the internet to pub- lish opinions of the corruption of the HOAs protected by the U.S. governemtn, U.S. At- torney, FBI, and State of Nevada and the Plaintiff in after being denied such relief by Judge Sciscento. The attached annotated Justice Court's transcripts of 16PO1647 Firstservice Residential, Nevada, LLC has again submitted to the court violating numer- ous federal and state laws as well as violations of codes of Ethics Rules of professional conduct by Koch and Scow, LLC numerous exhibits that are willfully deceptive, and a false police report. Do to extended travel commitments, the court rescheduled a hearing on Dec 1, 2017. Upon receipt of th filings, I then met police offices in Las Vegas, North Las Vegas and Henderson and field after meeting numerous police officers, communi- cating to the Clark County District attorney staff which have protected Firstservice Resi- dential, Nevada, LLC, HOAs and Las Vegas Police and others filed under oath event cases with the State of Nevada Attorney General agaisnt Gov Sandoval and his accom- plices being the State of Nevada Attorney general, Clark County district Attorney staff as known by the Clark County Commissioners, Chief Judge Gonzales and the corrupt FBI Las Vegas Office which has with the U.S. Attorney General as noted in the U.S. District Court for District of Nevada Docket 2:12-cv-01484-GMN-GWF **Thomas Caggiano v. Eric Holder** (U.S. Attorney) and U.S. District Court for District of New Jersey Docket 2:15-cv-08480-SDW-LDW Towsnhip of Wantage, Sussex County, New Jersey v. Tho- mas Caggiano wherein under Docket SSX-C-21-15 unconstitutional court orders were issued by the Vicinage X Superior Court judge. Upon filing a complaint to the Supreme court of New Jersey's Advisory Committee on Judicial Conduct, the ACJC noted that the Assignment judge, superior Court presiding judge for General Equity Division, Presiding

Vicinage X presiding municipal judge and the two municipal judges for the Joint municipal court for the Township of Wantage, Borough of Stillwater and Township of Stillwater all violated court rules. the municipal prosecutor of Dolan and Dolan PA municipal prosecutor William Haggerty, Esq. twice wrote the court he recused himself and demanded a transfer of the case as its court administrator Tania Ell reported the corruption to the FBI and the State Police Official Corruption bureau as did the Sussex County Superior court Criminal Part criminal scheduler Kay Mack as the 13 criminal change indictment in State v. Thomas Caggiano filed by numerous corrupt Borough of Stanhope officials and employees also reported the corruption in New Jersey to other FBI and State police as did the Town administrator Richard Stewart who was fired with severance pay and the municipal clerk Ms Robin Kline, RMC, MAS was terrified as the Borough defamed her for to ears publicly as she hired an attorney Mr. King, Esq. and reported the criminal conspiracy through out New Jersey State, County and municipal governments, judges, prosecutors, and bribed professional engineers and planners, law firms to other FBI and State Police then resigned from mental anguish. After receiving four death threats after I, Thomas Caggiano, gave testimony in the Borough of Stanhope's land use board against State, county and municipal officials and employees, I was assaulted by State police three times, falsely imprisoned in the corrupt Sussex County jail control officers and Sheriff then denied prescribed drugs and suffered bodily harm being taken to other Hospital requiring intravenous injections as I was in fact denied prescribed drugs for 85 days of my illegal imprisonment for as noted in my Superior court municipal appeals the Superior Court finding was the Joint municipal court for the Township of Green, Township of Hampton, Township of Fredon and Borough of Andover municipal court constantly violated court rules and at no time were any mental issues discussed vacating all probation. In another malicious conviction by the State in the city of Trenton's municipal court, after filing a superior Court municipal appeal and meeting the Mercer County prosecutor staff three times, the State prosecutor notified the Superior Court I was not guilty of harassment. the court ignored the State prosecutor so the State prosecutor again wrote the court, Thomas Caggiano is not guilty of harassment he was filing a grievance against the GRC executive director Catherine Starghill, Esq. who also committed perjury on the witnesses. The Mercer County Prosecutor mailed the FBI, Trenton field office six 6 CDs of evidence of evidence against the State of NJ, the Government Record Council and its conspirators.

6. I have not met thirty police officers and detectives in Las Vegas, North Las Vegas and Henderson. The Department of Justice's Office of Professional Responsibility to which I was referred by the Department of Justice's Public Corruption Unit after it has assigned Case Folder by the Public Integrity Section DA30037340 shown on the published intent url <http://thomascaggiano.com/PCU.pdf> shows the corruption of the U.S. Attorney, Governor of New Jersey and his series of NJ Attorney Generals under Jon Corzine (D) and Chris Christie (R) are known to the Obama and Trump Administration in my letter published on <http://thomascaggiano.com/WHITEHOUSE.pdf> with thousands of court papers filed in U.S. District courts in the U.S. Court of Appeals for 9th Circuit, District of Nevada, District of New Jersey and District of Eastern District Pennsylvania as well as numerous courts in Nevada and New Jersey for as shown in my filed complaints to the State of Nevada Attorney General Thomas Caggiano v. Gov Sandoval, Thomas Caggia-

no v. Nevada real Estate Division, Thomas Caggiano v. Firstservice Residential, a criminal syndicate exists in the State of Nevada to protect FSR, Nevada, LLC in a Conspiracy As noted in the Case No. 71012000343 filed by Patrolman Olsson P#229 and D. Krivak P#2478 as they conducted reviews with witness the conclusion by them as written to the report is "Conspiracy- U.S. government" as we discussed the corruption not only in Nevada, but New Jersey and Pennsylvania for in the event numbers were also assigned by numerous Las Vegas Police after lengthy reviews being supervisor A. Plunkett P#9134, M. Martin P#8275 event 170616-1961 with added evidence appended on Sep 28 2017 and my meetings in the Las Vegas Metro Police Internal Affairs Bureau against other officers.

7. Per the direction of Commissioner Kirkpatrick, I notified the NV Attorney General again of alleged criminal conduct as I had done earlier in filed complaints 32 pages to the NV Attorney General and 87 page complaint to the corrupt Nevada Real Estate Division. Also filings were uselessly made to the Committee on Judicial Discipline at the direction of the NV Attorney General and to the Nevada Real Estate Division which issued a "smoking gun" letter against itself and its Chief investigator Darik Ferguson, its former corrupt administrator JD Decker and its Ombudsman Chavez Forger, Ombudsman, dated Nov 15, 2017 starting falsely I left one hour voice mail messages as its voice mail recording system cuts off at 5 minutes and 30 seconds. Per Nevada State law if convicted or other sanctioned under Nevada State law Firstservice Residential could lose all profits from the last seven years has not in fact done an investigation but has engaged in a cover-up of fraud conspiracy, false court filings and judicial harassment by Firstservice Residential, Nevada, LLC and its attorney Scow, Esq. who lied to the mediator mediator Battie showing in a willful pattern continued bad faith as I also noted again Judge Sciscento violated court rules and was required to disqualify himself and violated 18 U.S.C. Section 4 Misprision of Felony, Judicial canons and has been protected by Judge Bonaventure Chief Judge, the Attorney General Laxalt and the Gov Sandoval who is to assure laws are enforced.

8. As such to assure justice, I request the case be removed from the Justice Court for the Township of Las Vegas for a federal question and to assure justice a civil trial be held in the U.S. District Court District of Nevada and that while I have provided Goldspike Legal, an initial retainer of \$10,000, J. Taylor Oblad, Esq. after meeting several law firms and being rejected as the case would be too big and complex for their firms or they did not have adequate resources to handle the case, I reduced the scope of the law firm's professional services and have not been able to have a response to update him by email or telephone., as such to meet the deadline for filing notice to the U.S. District Court District of Nevada as I did notified in filed court papers and in the Dec 1, 2017 rescheduled hearing that I would remove the case to US District Court Unfortunately, neither the court file papers nor my papers were available to the court but upon receipt of the transcript record and the negotiated 30 pages from the FBI FOIA office noted in the exhibits I could have at least a listing of potential FBI witnesses and documents I would obtain under a U.S. District court District of Nevada Court Order to enable a further listing of persons in my counterclaim against the HOAs, Firstservice Residential, Nevada, LLC, and others. as my attorney was provided a SD card with hundreds of pages of evi-

dence, court records, he would need added time to advise me and conduct his efforts with zeal.

9. As such, to insure justice, I request under the extraordinary circumstances the U.S. District Court has unique powers not within the Justice court nor any State of Nevada Court to issue ORDERS to the U.S. Attorney or FBI and request a jury trial as my civil rights and home owner rights are again requested to be violated in 17PO1335 by First-service Residential and the conspiracy exposed on the emails submitted by Firstservice Residential that are not signed nor certified and Steve Scow, Esq. refused in via his email to provide me the names and addresses on all the individuals listed in his own court exhibits.

10. I therefore hereby give **NOTICE** of my removal from the Justice Court for Township of Las Vegas and will submit an unspecified counter claim against numerous parties after discover, written questions and requests for admissions are submitted.

Subject: The corrupt State of Nevada establishment, Las Vegas and North Las Vegas has been exposed to the corrupt Obama and Trump administrations, Eric Holder, Loretta Lynch and Jeff Sessions, Congress, Clark County Sheriff, Municipal Police and its corrupt Judiciary Branch with its accomplice the Nevada State Bar and more

1. In my opinion, the most corrupt State in U.S.A. is of course New Jersey with its series of corrupt Governors, its corrupt Port Authority of New York and New Jersey, its many corrupt attorney generals all three branches of its State government have been protected by President Obama and President Trump and their corrupt U.S. Attorneys Eric Holder, Loretta Lynch and Jeff Sessions. and FBI of course wherein Racketeering, Fraud, Bribery, Perjury and pervasive Retaliation by its State, County and municipal governments continues non-stop for now 16 years. additionally, the State of Nevada, is the second most corrupt State in the U.S.A.

2. Some quotes that the "Elites" and Government Representatives should know:

READ <http://thomascaggiano.com/UN.pdf> for totality of circumstances

a. Democracy never lasts long. It soon wastes, exhausts, and murders itself. There never was a democracy yet that did not commit suicide. – John Adams (1814)

b. The course of history shows that as a government grows, liberty decreases. – Thomas Jefferson

c. It will be of little avail to the people that the laws are made by men of their own choice if the laws be so voluminous that they cannot be read, or so incoherent that they cannot be understood, if they be repealed or revised before they are promulgated, or undergo such incessant changes that no man, who knows what the law is today, can guess what it will be like tomorrow. – James Madison

d. Government ought to be as much open to improvement as anything which appertains to man, instead of which it has been monopolized from age to age, by the most ignorant and vicious of the human race. Need we any other proof of their wretched management, than the excess of debts and taxes with which every nation groans, and the quarrels into which they have precipitated the world? – Thomas Paine

Congress has exempted itself for over 50 years from the Freedom of Information Act

e. The issue today is the same as it has been throughout all history, whether man shall be allowed to govern himself or be ruled by a small elite. – Thomas Jefferson

f. America will never be destroyed from the outside. If we falter and lose our freedoms, it

will be because we destroyed ourselves. -- Abraham Lincoln

g. I am for doing good to the poor, but I differ in opinion of the means. I think the best way of doing good to the poor, is not making them easy in poverty, but leading or driving them out of it. In my youth I traveled much, and I observed in different countries, that the more public provisions were made for the poor, the less they provided for themselves, and of course became poorer. And, on the contrary, the less was done for them, the more they did for themselves, and became richer -- Ben Franklin

3. For the last seven years we have now lived in North Las Vegas has proven to us the second most corrupt State in the United States of America is Nevada and its Townships of Las Vegas and North Las Vegas in Clark County are infested with corruption and protected by its Gov Sandoval, Lt Gov and through the State government including the corrupt FBI Field Office, the former corrupt FBI director Comey, U.S. Attorneys and more.

4. As the two parties addressed in this letter in Clark County Government via the Commission have been made aware in great detail of the massive corruption in Clark County one must evaluate their conduct to comply with 18 U.S.C. § 4 Misprision of Felony and other State of Nevada public fiduciary duties under their oath of office which if violated is per the State of Nevada a crime of perjury. As the FBI is infested with corruption as known by the five U.S. Treasury IRS agents I met as the FOIA responses from CIGIE, US Treasury and USPS are published on:

a. <http://thomascaggiano.com/CIGIE.pdf>

b. <http://thomascaggiano.com/USTREASURY.pdf>

c. <http://thomascaggiano.com/USPS.pdf>

3. As stated by Trump correctly, the Establishment protects itself both parties. He of course is part of the corrupt Establishment as shown by the following public records:

a. <http://thomascaggiano.com/FRAUD.pdf>

b. <http://thomascaggiano.com/WHITEHOUSE.pdf>

c. <http://thomascaggiano.com/USA.pdf>

d. <http://thomascaggiano.com/STANDING.pdf>

4. My recent presentation to the corrupt Aliante Master Association with its corrupt Community Management Company has been widely distributed by email with the following link as other records demonstrating the corruption of the Justice Court for the Township of Las Vegas, its protector the Committee on Judicial Discipline and of course Gov Sandoval, Lt. Gov., Secretary of State, Nevada Attorney General, Clark county District Attorney, Clark County Sheriff and local police, mayors, court and staff, numerous attorneys, and police are extensive documents in court records on 16PO1647 Firstservice Residential, Nevada, LLC v. Thomas Caggiano

5. **TAKE JUDICIAL NOTICE:** In my opinion per the State of Nevada Constitution, PERJURY is rampant as Official duties are ignored and federal crimes in addition to State crimes are rampant:

a. State of Nevada Constitution:

NRS 199.120 Definition; penalties. **NRS 199.125** Perjury

ARTICLE. 15. - Miscellaneous Provisions.

Section 2. Oath of office. Members of the legislature, and all officers, executive, judicial and ministerial, shall, before they enter upon the duties of their respective offices, take and subscribe to the following oath:

I,, do solemnly [solemnly] swear (or affirm) that I will support, protect and defend the constitution and government of the United States, and the constitution and government of the State of Nevada, against all enemies, whether domestic or foreign, and that **I will bear allegiance and loyalty to the same**, any ordinance, resolution or law of any state notwithstanding, and that **I will well and faithfully perform all the duties** of the office of, on which I am about to enter; (if an oath) so help me God; (if an affirmation) under the pains and **penalties of perjury**.

b **18 U.S.C. § 4 Misprision of felony - TAKE JUDICIAL NOTICE**, the State of Nevada is a Common Law State: "Misprision of felony" is a crime that occurs when someone knows a felony has been committed, but fails to inform the authorities about it. The crime originated in English common law and required that citizens report crimes or face criminal prosecution. (Common law is law originating from custom and court decisions rather than statutes.)

Whoever, having knowledge of the actual commission of a felony recognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both.

PROLOG: All parties above have been notified of the corruption that is as pandemic in the State of Nevada and Clark County as well as the White House, U.S. Attorney Jeff Sessions, fired and corrupt FBI director Comey as well as State of Nevada newspapers and the corrupt Chief Judge for 3rd and 9th Circuit as well as my two federal Senators and Congressman. As stated by the liar President Trump that he would have his corrupt U.S. Attorney Jeff Sessions investigate Hillary Clinton, the Clinton Foundation were just as expected lies as Donald Trump holds hands with the most corrupt governor in New Jersey history, his accomplice Chris Christie known to the National Governors' Association and of course Nevada's corrupt Gov Sandoval. I left the infested State of New Jersey 7 years ago after 9 years of retaliation but am of course still retaliated against from New Jersey as noted in my letters to the corrupt Congress which the Establishment protects itself <http://thomascaggiano.com/WHITEHOUSE.pdf>, <http://thomascaggiano.com/SPECIALPROSECUTOR.pdf>, <http://thomascaggiano.com/STANDING.pdf>, <http://thomascaggiano.com/USCOURTS.pdf> and FreedomNewsDigest.com

Many of the above will be running to replace the corrupt Gov Sandoval who is term limited or the Mayor of Las Vegas so the wide spread official corruption in Clark County and Nevada would be expected to be continued but I will in Jan 2018 file a Writ of Petition to force a federal Grand Jury after the next election as NJ will also have a new Governor as many of those running for Gov are totally corrupt of course in New Jersey and it will get a new Attorney General as all the Attorney Generals under Gov Jon Corzine (D), Chris Christie (R) as known by its corrupt legislators are corrupt and hopefully its Government Record Council will get a member that does NOT violate 18 U.S.C. § 4 Misprision of Felony, 18 U.S.C. § 2 Conspiracy, 18 U.S.C. § 1467 Honest Servitude Fraud, its State criminal codes and Codes of Ethics at least the Henderson Chief of Police and

"The city manager (Robert Murnane) has the authority to name a deputy chief as acting chief of police and that authority has been exercised," March said in a text message Thursday night. "I cannot offer further comment on

the circumstances behind this action." March had told the Review-Journal on Wednesday that Moers and the foundation were being investigated internally. She and other city officials again declined on Thursday to say who was conducting the investigation or what the status of the probe is.

Dear Mr. Caggiano:

I have received your email requesting copies of letters Congressman Frelinghuysen sent to the U.S. Environmental Protection Agency (EPA), the U.S. Attorney for the District of New Jersey, and Federal Bureau of Investigation (FBI). However, it is not the policy of this office to provide constituents with copies of correspondence sent to agencies. Nevertheless, I can provide you with a synopsis of the history of our inquiries.

On November 23, 2003 Congressman Frelinghuysen received two letters from you, one addressing concerns you requested be reviewed by the office of the U.S. Attorney for the District of New Jersey, the other addressing concerns you requested be reviewed by the EPA. I can find no record of you providing a letter specific to the FBI. On the same day, November 23, 2003 Congressman Frelinghuysen forwarded your letters on to the respective agencies, each with a cover letter requesting that every possible consideration be given to your request.

Although I cannot honor your request, I hope you find this information helpful.

Re: Minor Subdivision

Dear Mr. Caggiano:

Thank you for your letter dated March 13, 2006 regarding the above captioned matter. It is my understanding that the New Jersey State Board of Professional Engineers and Land Surveyors ("Board") is currently investigating the complaints which you filed against John Cilo, P.E. (#05-13), Peter Schneider, PE (#06-16), Wendell Ihoffter, PE (#06-17) and Joseph Sedivy, PE (#06-18).

As indicated in your letter, you appeared before the Board for an investigative inquiry on February 2, 2006 with regard to your complaint against Mr. Cilo. Thereafter, you provided numerous documents, which are part of the Board's investigative file. You further indicate that you have contacted various state agencies, as well as the United States Attorney's Office, regarding related issues and that you may request copies of the information provided to this Board be made available to those agencies.

Please be advised that the documents contained in the Board's investigative file are presently confidential pursuant to N.J.S.A. 47:1A-3, but will become available upon conclusion of the investigation. However, in the interim, if you wish copies of the documents which you provided to the Board, we can accommodate such a request. Should the Division of Consumer Affairs receive requests from other agencies regarding an investigation, the Division and Board will fully cooperate as permitted under the law. Thank you for bringing this matter to my attention.

Sincerely,

NARRATIVE		
<u>Thursday February 13, 2003</u>		
At approximately 10:00am on this date I met with the following at the Sussex County Prosecutor's Office:		
Thomas Caggiano 10 East Drive Stanhope, NJ 973-347-4354 SSN: 059-40-0692 DOB: 11/12/1945		
Caggiano contacted this office on 01/27/2003 in regards to Stanhope Boro and the construction of a home on Oak Drive. Caggiano contacted this office along with several other local and state agencies with respect to building code violations and proper permit and inspections have not been issued or completed. I requested Caggiano bring any/all information relevant to his complaint to this office.		
Caggiano brought with him a large suitcase along with two plastic containers filled with binders, papers and photographs. I asked Caggiano to supply me with a list of government officials he has spoken with concerning his complaints. Caggiano was able to provide some names and agencies from his notes. Copies were made of his contacts and are attached in the case file. I then asked Caggiano to provide me the background of his complaint.		
Caggiano stated that in 1999 Elenor and Franklin DeWalt, doing business as ENF Development Company LTD, purchased the properties of #2 and #6 Oak Drive in Stanhope. Stanhope Boro then held hearings regarding the DeWalt's desire to build on this land. According to Caggiano, permission to build was granted on 11/07/2001 by the Boro of Stanhope conditional with the State approval. As per Caggiano, permission from the State was ne obtained and construction started in January of 2002.		
According to Caggiano, during the month of January 2002 the Boro engineer, John Cilo, wrote a letter to the B requesting DeWalt stop construction. Construction did not stop and the residence was completed in July of 2002 and has been occupied since by the same family.		
Caggiano explained the he has become the point of contact/spokes person for the neighborhood because damages to other properties this construction has caused. Due to this home being built, water and soil have mov into others property. Caggiano claims that he and his wife have suffered emotionally because they can see t home from the windows of their home (across the street). Caggiano is retired and has voluntarily become t spokesperson for the neighborhood. Caggiano informed me that he has spent more then \$1000 in OPRA requ

1. US. District Court District of Judge James Robart as stated by President Donald Trump:

"The opinion of this so-called judge, which essentially takes law-enforcement away from our country, is ridiculous and will be overturned," the President tweeted.

2. As Commander in Chief Donald Trump has a unique official duty to protect U.S. Citizens and if fact could declare Marshall Law if he desired; hire a contractor to go into any jail in so called Sanctuary Cities to obtain those the FBI determine warrant deportation under the "sovereign clause" and the Official duty of the President remove the persons from jail deport them. The corrupt Judge without jurisdiction made an absurd illegal court order defying the authority of the Commander in Chief and multiple laws in items of high levels of Terrorism noted by Congress passing laws to restrict entry of noncitizen to the USA without a high level of vetting especially from those seven countries identified by President Obama's Department of Homeland Security published on the U.S. Government web site to any person that visited or was from those countries since Mar 1, 2011. The judge whose decision and the Democratic State attorney generals in my opinion praised by the Democrats and their partisans for purely political purposes such as by Congressman Lewis who falsely stated President Trump without facts as reviews showed the Russians had no impact on the electoral College result 344-227 which overwhelming had President Trump winning the rust belt states and Florida as the pollsters and the Democrats didn't even understand the rise of Senator Sanders was an anti-Hillary Clinton vote by Democrats as the super delegates were already in Clinton's pocket by the political bosses before Sanders even ran for as a nominee and the world watch Clinton change her position on TPP and the lies constantly told regarding her at the Department of States and U.S. Attorney Lynch and FBI director Comey, OIG for the State Department, Undersecretary for Management Patrick Kennedy and senior State Department officials with its corrupt Bureau of Diplomatic Security and its Office of Personnel Security and Suitability protecting them ignoring its own IT Guideline K procedures <https://www.state.gov/m/ds/clearances/c10978.htm> and <https://www.state.gov/m/ds/clearances/60321.htm> as the Establishment protected Secretary of State Kerry and the Clinton Foundation, her aides Cheryl Mills and Huma Abedin and even ex-Congressman Weiner whose laptop had tens of thousands of emails on them many probably highly classified yet the Department of Justice and FBI have

not charged him with any violation of National Security laws nor the President Obama's Executive orders which are suppose to have the same effect as law. On Bridgegate similarly, the corrupt Gov Chris Christie administration or the corrupt Port Authority of NY and NJ, a cease pool of political favors using Bridge and transit tools and high paying do nothing jobs to reward those in its corrupt patronage system of nihilism, nor any State of NJ County Prosecutor under his control nor Local Police Department charged any person with any State of NJ crime nor even quasi-criminal offense of harassment N.J.S.A. 2C:33.4. as far as the three branches of Government in NJ, the Port Authority and gov of NY <http://thomascaggiano.com/PORTNYNJ.pdf> , <http://thomascaggiano.com?FEC.pdf>, <http://thomascaggiano.com/161013FTLEECOURT.pdf> and <http://thomascaggiano.com/POLICE.pdf>, <http://thomascaggiano.com/PARSIPPANYPOLICE.pdf> those in the Establishment do NOT commit State crimes which also applies to the corrupt Nevada corrupt Government <http://thomascaggiano.com/nevada/161212COURTLASVEGAS.pdf> and <http://thomascaggiano.com/POLICE02.pdf>. <http://thomascaggiano.com/> the attorneys that lied about traffic studies did not even violate any codes of Ethics called Rules of professional Conduct nor did the public statements made by the corrupt "pork barrel" Port Authority of New York and New Jersey officials and employees as none are even charged with giving false statements to its law enforcement officials as the establishment protects itself as shown on filings with its corrupt Chief Justice Stuart Rabner of NJ Supreme Court, its former corrupt chief Counsel to Governor Jon Corzine (D) former chief counsel to Senator Jon Corzine (D) and former corrupt U.S. Attorney District of New Jersey 1st Assistant prosecutor for the then corrupt U.S. Attorney for the infested District of New Jersey Chris Christie replaced by the corrupt Paul Fishman, Esq. who was protected by Eric Holder and Loretta Lynch and CIGIE, DOJ, and the Establishment as both parties protect each other. with his fellow felons he brought with him to control the most corrupt administration in New Jersey history for which President Trump has stated he will find a job for the corrupt former protected U.S. Attorney district of NJ, Bush fund raiser, Chairman of the GOP National Council the corrupt Gov Chris Christie, Esq. and arrogant, hubris felon some wherein his administration after removing him from controlling his transition team. of course known by the State of New Jersey's many Senators of both parties, Members of the General Assembly on the Select Committee on Investigation and its committee's attorney Reid J. Four corrupt Dept of State officials resigned or retired during President Trump's first week in office as violation of National Security Executive Orders issued by President Obama and President Clinton supported by the corrupt Obama's National Security Council and the Media forgot to mention during the campaign and still ignore these ORDERS.

3. **TAKE JUDICIAL NOTICE** for the inept Judge James Robart and those that say Trump is violating the U.S. Constitution performing his duty are just more false reports spread by the media of lies told by Democrats and their supporters who hate that President Trump has already stated to clean out the swamp.

4. The Congress passed the **Consolidated Appropriations Act of 2016** which contained the **Visa Waiver Program Improvement and Terrorist Travel Prevention Act** of 2015. This Act directed and required the President of the United States to comply with the Act to develop methods to improve vetting via Terrorist Travel Prevention technique including better intelligence gathering and sharing of classified or official use only information from large data basis on a rapid basis suing fingerprints, face recognition or other methods or combination of with sophisticated artificial intelligence systems.

5. **PRESIDENT OBAMA** must enforce the Act and t protect U.S. citizens from ever growing sophisticated techniques using multimedia and encrypted systems to prevent detection, directed his Department of Homeland Security to analyze potential threats on a pro-active basis and develop better vetting systems which were then directed agaisnt every person entering the USA that had been in or just visited any of the identified countries cited on the Depart-

ment of Homeland Security's web site before Trump even became the Republican's party's nominee to run for President and during his campaign

repeatedly told the world about the deficiency in the Obama's response and inadequate vetting questions his executive branch developed in response to the Act was abysmal from counties selected by his administration to require improved vetting from any person traveling to any of the seven countries selected by his Executive Branch for any person having traveled to them for noncitizens of the United States DO NOT have a privilege under the U.S. Constitution to enter the USA but must comply with the laws and guidelines established by the Executive branch which is common place in the civilized world. by the unconstitutional actions of the U.S. District Court Judge based upon false pretense established by the Democrats that has spread through false media, the fact that the countries were selected NOT by the Trump administration and that all persons from Mar 1, 2011 MUST have been vetting is willfully repeated statements by politicians opposed to Trump by both parties. Trump was elected per the U.S. Constitution and under Immigration and Nationality Act of 1965 as Commander in Chief he has performed his Official duty while the Court in disgrace has impugned the integrity of a biased judiciary the same way the U.S. Supreme Court Judge Ginsburg, who should resign or recluse herself from every case brought by the Trump administration or against the USA, as noted on <http://www.cnn.com/2016/07/12/politics/justice-ruth-bader-ginsburg-donald-trump-faker/> she in violation of her Codes of Ethics attempt to influence the Republican Party and We the people and Sanders supporter NOT to vote for now President Trump. The Democrats complain the deceit of the DNC was exposed but do not object to Ginsberg's partisan comments with total disregard for these called independent co-equal branch of government. Judge Ruth Bader Ginsburg statement during a Presidential campaign in my opinion makes her totally unfit to remain a U.S. Supreme Court judge for if she said such statement she would have never been confirmed as any Judge The only faking done is by her as she is obviously totally biased.

Ruth Bader Ginsburg :

"He is a faker," she said of the presumptive Republican presidential nominee, going point by point, as if presenting a legal brief. "He has no consistency about him. He says whatever comes into his head at the moment. He really has an ego.. I can't imagine what this place would be -- I can't imagine what the country would be -- with Donald Trump as our president.

6. Per the greatly increased moral of the boarder guards and military in just a week under President Trump who kept his campaign promises by his immediate issuance of many executive orders to do exactly what he stated he would do as a candidate to protect the U.S.A. and in fact even as President - elected by meeting with or simply tweeting, he had many major companies keep jobs in the USA, significantly increase the number of jobs to be made in the USA and lower the cost of a major weapon system development. The media continues to bash his cabinet members and the child like Democrats even boycott meetings to express their opinions in a mature manner giving a model of disrespect to be given the President followed by its partisan so called adults with violence in universities that use criminal activity by setting fires, smashing faculties to even prevent the freedom of speech as they state the criminal conduct is allowed per freedom of speech to prevent another from giving their opinion in a university hall for shouting, name calling is the way of a person who has no debating skills and can not persuade others in a civilized manner. The U.S. Senate, wherein States are equal sovereigns, treaties and Cabinet level persons NOT the House of Representatives for

the USA is a Republic of equal States with Vermont having same voting power as California. The U.S. Constitution established the electoral College for this reason. The President is NOT selected by popular vote. The USA is a republic of independent States which the federal government constantly abridges the State's powers by activist Supreme Court judges that unilaterally change the Constitution such as Obamacare is a coercive tax with penalties for those such as old men must pay for insurance for their giving birth? Obamacare was passed only by Democrats and by total fraud: Keep your own doctor and your rates will decrease by \$2,500 per year. The statements by the Democrats is rhetoric; the President is NOT and never will be selected by popular vote. **Trump won . Mr. Trump won 30 states, gathering 306 of 538 electoral votes.**

6. President Trump many different religious leaders give invocations and attend his inauguration parties including Jewish, Hindu, Muslim, Catholic, et. al. it is obvious the media reporting has been egregiously biased by libel, slander and defamation as the idiot Madonna reading from a script as she says; " I am thinking of blowing up the White House" sets the example for her followers to throw fire bombs and assault Trump followers and destroy their personal property which is not freedom of speech but criminal conduct. . Well that's a good reason her groupies have no respect for freedom of speech as shown by rioting at universities if a conservative commentator was offered to give a speech. Many people did NOT tell reporters they supported Trump for fear of reprisal so by partisan bosses such as UBER CEO crowds and total defamation of any other opposing candidate for the confirmation processes is now one of hate as Democrats as my family has left the part after 0 years has been controlled by the corrupt Establishment and Super delegates and their lobbyist to the detriment of USA's many major cities such as Chicago which has developed into a war zone. of unmatched violence. do NOT even attend cabinet level hearings, sit down on congress and don't show up at the unifying inauguration of a President who is suppose to represent our nation to foreign countries with a untied voice. No wonder today's generation have no respect for private property attack physically by assault those opposing their political vies even among the same family as universities give college students stuff toys and play do and they cry like totally immature children. because the USA has become with excessive regulation a nanny state to control their every action and thought by 24/7 propaganda. By constant texting, the ability to debate, the discuss, the ability to persuade is lost as so called commentators shout over one another, people in crowds scream to suppress even the invited speaker from presenting their opinion fro if the opinion of another does not agree with your today the other party is treated as "the enemy" as exemplified by Congress and the Senate itself. screaming defaming remarks with false decision of laws that in facts exist. Today the word compromise is a synonym for traitor t other causes the farewell address of George Washington read to congress every two years falls on deaf highly polarized partisan ears.

7. By bringing tens of thousands of jobs back to America and already having major companies state they will greatly expand their jobs in the USA which will expand and enhance small business owners to provide contacted services in a multiplier effect of typically 6 to one,, the answer is simple: Within two weeks of his Presidency he has boosted the moral of the military, the boarder agents, the police and his over 100 million citizens that voted for him giving him a massive victory in the electoral college representing many states having tuned from blue to red which the pollsters stated were in Hillary Clinton's column. The pollsters and the Democrats have never been so wrong in understanding the many Sanders supporters such

as my family that would never vote for Hillary Clinton and voted for Trump.
Make the America great again.

8. Well by Trump's executive orders it seems unlike most politicians he means his words to restore the USA to greatness and to protect U.S. Citizens home and abroad unlike the Obama administration and bring together within a week a better relationship with great Britain and Israel. Even Senator Schumer and other Democrats greatly objected to Obama's UN position on Israel.

9. The democratic controlled Press to a large degree is extremely partisan, even PBS commentators, and those that hate Trump's promise to return the country to We the People rather than The Establishment smears President Trump for merely enforcing the Act and the vetting required under the ACT. Such conduct as stated by the President is outrageous and as such the Court has dishonored its integrity to the hundreds of millions of Americas that support greater security. If he were elected President, Donald d Trump stated as President he would establish extreme vetting which in fact was begun very poorly under President Obama's Department of Homeland Security questions noted on its web site, which should NOT be given to alleged possible terrorists in advance in response to the essential Act of War declared by Congress in its passing the Consolidated Appropriations Act of 2016 which funded the Department of Homeland Security to develop a better approach to vetting all persons that traveled to or were from Countries wherein the person could be induced, taught, or become a terrorist sometimes called a "lone wolf". The Obama administration determined that Seven Countries warned the extreme vetting of any person traveling through the country since Mar 1, 2011 as not religious test as implied by the corrupt Democratic partisan for the State of Washington's Attorney General and the FAKE news is spread by the press and the likes of the CEO for UBER which transmitted a letter to every driver in the world that President Trump had issued a MUSLIM ban. Quite the opposite is true. what is actually stated in President Trump's executive order which does NOT even list the Countries published by the media but are published by the President Obama's DHS are the names of seven countries from which extreme vetting as determined by the Commander - in - Chief in times of War against the terrorist are his unique duties in that role far exceeding authority of the President of the United States of America for as stated by President Trump rather than lead from behind like President Obama, his administration will take PRO-Active actions, and all actions at his disposal to protect U.S. Citizens around the world for the U.S. under Obama even stated regime change was his goal putting out useless red lines, setting dates for withdrawal which no Commander in Chief should tell the enemy their plans in advance but keep all options on the table for otherwise one even gives up diplomacy by giving up restraints or actions taken by the Commander in Chief in advance. The term LOOSE LIPS SINKS SHIPS applies to given any advance notice of dates, actions one can take to protect the Citizen of the United States of America. The partisan press repeats false news and if they say it enough such persons actually believe there is some term called Sanctuary City which of course is untrue from if and when the FBI determine any Police harbor a potential criminal that is not a U.S. Citizen the FBI can go pick that person up from jail without their support for the Mayor or Governor would be violating his oath of office to uphold the U.S. constitution and obstruct the administration of law by the federal official and its laws and in reality be violating Honest Service Fraud, 18 U.S.C. § 1346 by stating such a reality exists for as shown by the US flag the United States is NOT a democracy, it is a Republic with a U.S. Senate that has 2 Senators for each independent State with its own

constitution that MUST comply with the U.S. Constitution but contain other local factors and the states own Criminal Code and oaths of office which require compliance with federal laws. State that confirm treaties with foreign countries and Cabinet officials as each State, being a separate State is part of the United States and b the Civil war, the Constitution shows all States must comply with the U.S. Constitution which every State, County, municipal officer and Police officer agree to become our public servants. We the People, having voted via the electoral college have given President Trump NOT only laws that he must enforce but an all powerful military to defend all U.S. Citizens world over which includes developing Proactive Standing Operating Procedures (SOP) especially to defend against increasing missile threats and Cyber security threats with better use of artificial intelligence, brilliant systems, face record recognition, sound acoustic, infrared sensors and advance decryption methods. Such is the authority of the Commander in Chief, especially under the Visa Waiver Program Improvement and Terrorist Travel Prevention Act of 2015 which orders the President to improve terrorist travel prevention. The lies told by the Washington State attorney general that the Act is a Muslim ban is totally false and keeps being repeated constantly on the 24/7 news channels for if you repeat the false stories by Senators, members of Congress, the media including PBS commentators precept ion becomes reality but that is done for purely political purposes including giving a Cabinet nominee over 1,000 questions to respond. That simply outrageous. now world wide by falsehoods. It is time the Democrats who used their own DNC to sabotage the campaign of Bernie Sanders, willfully attempted to delete Hillary Clinton's non-.gov email address from unsecured servers and in reality 13 devices not counting printers that are unsecured transmitters of information and lost devices with classified information on them shows the Democrats which I had voted for for 50 years no longer deserved our vote so we voted for President Trump for We the People are the masters not the elites and their idiots like Madonna that instill hatred by telling the terrorists and agitate her followers to violence: I think I should blow up the White House". Instead their minions prevent Freedom of Speech, destroy university property, attack police and Trump supporters, block subway transportation systems adversely impacting thousands of riders and causing by wanton harassment great emotional distress and possible great financial loss to totally innocent citizen and tourists which directly impact emergency services, cause gridlock and unintended disastrous consequences in the medical field and other critical time needs. The mass confusion leads to reduction of response time in emergencies if a terrorist attack were to occur on the subway system and other locations. Below are published records displaying the constant lies, deceit by Hillary Clinton and her supporters that deny such events even happened.

Despite the false perjured filing by the Washington State attorney general to the Court resulting in suspension and costs to the tax payers by an appeal process, there is NO religious test, NO so called Muslim Test, as stated by the Press as more than 95 % of the Muslims in the world live in Indonesia, Bangladesh, Africa and other countries despite Congresswoman Pelosi's and Senator Schumer's false rhetoric and the false filings of Democratic influenced State Attorney Generals. Any person in contact by travel or having been in those seven Countries identified by the Obama's Department of Homeland Security per the requirements by law to identify per the Visa Waiver Program Improvement and Terrorist Travel Prevention Act of

2015 provides an increased proactive level of enhanced vetting to possibly influenced person by terrorists in those countries by ANY person visiting those countries since Mar 1, 2011 are to be subject to extreme vetting by the Act approved by Congress prior to entry into the USA or its territories. The Trump Administration provided specific United States Codes, Case Law and extensive Constitutional authorities for its actions in U.S. Court of Appeals for the Ninth Circuit (which itself is corrupt an was protected by Eric Holder in Thomas Caggiano v. Eric Holder Docket 2:12-cv-01484-GMN-GWF <http://thomascaggiano.com/USCOURTS.pdf>, <http://thomascaggiano.com/STANDING.pdf>, <http://thomascaggiano.com/USA.pdf> and <http://thomascaggiano.com/POLICE.pdf>), Donald Trump, President of the United States, et. al. v. State of Washington, Docket 17-35105, published on <http://thomascaggiano.com/TRUMPAPPEAL.pdf>.

The Washington's State Attorney General, Bob Ferguson, a Democrat, for political purposes, spending tax payer funds for political and personal benefit provided deceptive information to the court violating 18 U.S.C. § 1623 - False declarations before grand jury or court; violated 18 U.S.C. § 1346 Honest Services Fraud, and Codes of Ethics Rules of Professional Conduct violating RPC 3.1 by submitting meritless claims and contentions to the tribunal for obvious political purposes by fraudulently stating as President (who is also Commander in Chief fighting a WAR declared against Terrorism) that President Trump's executive order violated the Constitution and was a "Muslim" ban totally discounted in the Feb 7, 2017 submittal by the Deputy Solicitor General Edwin S. Kneedler, Esq. published on

<http://thomascaggiano.com/TRUMPAPPEAL.pdf>

Bob Ferguson's unethical and in opinion criminal conduct using tax payer funds to foster his own political agenda caused a flood of unvetted persons into the USA in violation of the Act passed by Congress to prevent travel by possible terrorists who had visited any of the countries or lived in the countries on the public web site published in response to the ACT by the President Obama's administration. As stated firmly by our Commander-in-Chief one MUST act pro actively not as done by President Obama lead from behind without any real strategy on how to combat the terrorism which has in fact spread to many under countries under his Secretary of State's Hillary Clinton and Kerry's inept leadership. and a State Department that willfully did NOT enforce President Obama's and President Clinton's executive orders on National Security nor perform is official duty by the corrupt Under Secretary for Management Patrick Kennedy who retired before being fired by President Trump and his accomplices that resigned he first week in Trump Presidency. (<http://thomascaggiano.com/NATIONALSECURITY.pdf>) . the Department of Homeland Security did not even enforce its own guidelines under President Obama as dozens by other Democrats and even some Republicans of THE ESTABLISHMENT are terrified that the President and his nominee for U.S. Attorney Senator Sessions who has had his confirmation stalled by Democrats in the U.S. Senate confirmation process state simply their OATH OF OFFICE - they will enforce the laws and protect the citizens of the United States of America.

Published and made available to the U.S. Senate and House of Representatives Homeland Security and Oversight Committees are extensive public records published on FreedomNews-Digest.com and <http://thomascaggiano.com/STANDING.com>. Thomas Caggiano v. Eric Hold-

er, Docket 2:15-cv-08480-SDW-LDW and court records for corrupt U.S. District Court Court of Appeals for 9th Circuit and also 3rd Circuit published on <http://thomascaggiano.com/US-COURTS.pdf>, <http://thomascaggiano.com/USA.pdf> and <http://thomascaggiano.com/WETTRE.pdf>, for "the Establishment" protects itself.

Presidential nominee won the electoral college vote which is how this republic of fifty united State selects its President and his position known world wide is documented in the below abstract from his Phoenix speech as the Board Agents and ICE applaud his efforts, as Trump has greatly boosted the moral of them, the Police, the military and veterans that really with their lives and family protect We the People. So to those that spread false news - "very bad" are typical words stated by our nation's Commander in Chief in our nation's performance to stop the spread of terrorism as our congress by its laws declared War on Terrorism. Get out of his way as you wasting his time and our tax payers money fighting frivolous law suites with tax payers money. and others to defend against political life time hacks that never an a business, lies and defamation. In case the Democrats do not get it Trump won the Electoral College and those in the State Department that do NOT support our President's position which he clearly stated should resign. We are to be a country united, having voted Democratic for 50 years. Having lived in New York City for 26 years and NJ for 40 years, we voted for Trump a proven leader who saved New York City from Democratic mayors like John Lindsay and Abraham Beame; Donald Trump's projects in Manhattan <http://ny.curbed.com/maps/donald-trump-ny-real-estate-development> saved New York that was near bankrupt with property values collapsing.

Phoenix, Arizona: Trump - Sep 1, 2016: Instead, I'm going to deliver a detailed policy address on one of the greatest challenges facing our country today, illegal immigration.

I've just landed having returned from a very important and special meeting with the president of Mexico, a man I like and respect very much. And a man who truly loves his country, Mexico.

But to fix our immigration system, we must change our leadership in Washington and we must change it quickly. Sadly, sadly there is no other way. The truth is our immigration system is worse than anybody ever realized. But the facts aren't known because the media won't report on them. The politicians won't talk about them and the special interests spend a lot of money trying to cover them up because they are making an absolute fortune. That's the way it is. Today, on a very complicated and very difficult subject, you will get the truth. The fundamental problem with the immigration system in our country is that it serves the needs of wealthy donors, political activists and powerful, powerful politicians. It's all you can do. Thank you. Thank you.

10. The Department of Homeland Security developed such increased vetting from countries listed on the President Obama's web site with questions that were inane and obviously as stated by Presidential candidate Trump he would improve the vetting of those people from and that traveled to those counties already defined by President Obama The vetting was to

apply per President Obama's administration to every, that is every person that traveled into or through the countries listed by the Department of Homeland Security. This list applies to every person as religion is not the criteria. It would be nice of Senator Elizabeth Warren read the emails, stop lying, act rationally not a screaming partisan, as I am sending her and Congresswoman Pelosi and Senator Schumer this correspondence. I suggest they READ the Presidential Executive Orders on National Security that the Democrats and the Republicans on the Intelligence Committees, and Judicial committee willfully have failing memories or have forgotten such minor details like Hillary Clinton forgot was her answer to over 90% of the questions put to her by the FBI which did no follow-up questions, provide any copies of documents to refresh her fiend failed memory and that of her aides such as the corrupt Chief of Staff Cheryl Mills, Esq. have such terrible memories. failed to remember the yearly training required by the Secretary of State's Guideline K and her Presidential National Security orders as did every person on Obama's National Security Council and the Chief Legal office for the State Department, the Diplomatic Service and the Intelligence Committees as well as the FBI and DOJ OIG and State Department OIG as well as every OIG on CIGIE. read so they were provided many times to the corrupt media and are published on <http://thomascaggiano.com/NATIONALSECURITY.pdf> which Senator Sessions confined as U.S. Attorney General and after the corrupt FBI director Comey resigned tell his corrupt DOJ OIG to resign and find some ethical attorney for out of over 140 government attorneys noted on **Thomas-Caggiano.com** and in the FOIA responses from the US. Treasury, USPS and CIGIE NONE comply with Codes of Ethics Rules of Professional Conduct 8.3 Reporting Professional Misconduct nor any US court judge nor Judge in the States of NJ or Nv as Police forces obey the corrupt Governors, State Attorney Generals, County, Town, Township and Borough officials such as the corrupt mayor and their accomplices municipal attorneys, administrators and governing body members operate for decades as structured enterprises engaged in racketeering protected by the US Treasury, <http://thomascaggiano.com/USTREASURY.pdf>, United States Post Office Inspectors <http://thomascaggiano.com/USPS.pdf> and the rest of the Establishment including GAO Fraud Net <http://thomascaggiano.com/Christie.pdf> and of course the corrupt FBI <http://thomascaggiano.com/CORRUPTFBI.pdf>, <http://thomascaggiano.com/FBI.pdf> and <http://thomascaggiano.com/FBI.jpg>, and <http://thomascaggiano.com/GAOFRAUD-NET.pdf>. In Stanhope, N.J., 77 Main Street, Stanhope, NJ 07874, professional engineers and professional planners are birded without contracts for decades and protected by the NJ Attorney Generals, the US Attorney Generals, Department of Law and Public Safety, Division of Law, Government Record Council (GRC) and every Commissioner of Community Affairs under the corrupt Jon Corzine (D) and totally infested Chris Christie (R) administration known from coast to coast by 'THE ESTABLISHMENT' such as Elizabeth Warren, U.S. Senate President Senator Mc Connell (<http://thomascaggiano.com/USSENATE.pdf>), Speaker of the House of Representatives Ryan and other politicians by reviewing letters punished on <http://thomascaggiano.com/corruption/exhibits.pdf> and [FreedomNewsDigest.pdf](http://thomascaggiano.com/FreedomNewsDigest.pdf). Not one Judge nor attorneys including my three, Robert Mattia (Newton, NJ), Walter Risi (Dover, NJ) nor Carl Perrone (Morristown, NJ) complied with the above but a fraternity bond of corruption exists in the Government Establishment of lobbyists, politicians, judges and attorneys at all levels including Chief Judge of the United States of America (wrongly referred to as Chief Judge of the Supreme Court) Roberts the Judiciary Committee and the Chief Justice of NJ infested Supreme Court and its ACJC, OAC, OAE and District Ethics Committees shown on for Stuart Rabner which his accomplice Glenn Grant, J.A.D. <http://thomascaggiano.com/RABNER.pdf>, <http://thomascaggiano.com/acjcglenngrant.pdf>, <http://thomascaggiano.com/161212COURTLASCEGAS.pdf> and <http://thomascaggiano.com/COURT.pdf> as noted

retaliation, fear, and retaliation is the Standing Operating Procedure of the Establishment as noted in my statements before many corrupt judges such as N. Peter Conforti, J.S.C., Craig U. Dana, J.M.C., John Mulhern, J.M.C., Glenn Gavan, J.M.C., Louis Sancinito, P.J.M.C., B. Theodore Bozonelis, A.J.S.C. (court video on <http://thomascaggiano.com/videobozone-lis.asf>, court video <http://thomascaggiano.com/videowaisenbeck.asf> and the current corrupt Commissioner of Labor Hal Wirths for the corrupt Christie administration who was promoted from being the corrupt chair of the racketeering center of Sussex County, the Board of Chosen Freeholders in Newton, NJ 07874 which obtained court orders under Docket SSX-C-1-13 Consolidate with the Township of Green, the corrupt Sussex County Sheriff Strada, the corrupt Sussex County Council that I can not even enter any structure in Sussex County, any church, private home, attend any Open Public meeting nor even have any attorney or representative nor per the Government Record Council (GRC) can any newspaper obtain a copy of any Government record, no no-citizen of the USA could become a citizen of NJ for no non-citizen is allowed to obtain a copy of any Government record such as a tax form, application of a nondrivers license from DMV with extensive government records needed to prove NJ citizenship, State nor Community College student records, apply for any State, county or municipal job or welfare support applications, their own medical records and voting records, nor any newspaper nor noncitizen obtain a copy of any Government Record such as a death certificate, the tax code, motor vehicle codes, construction codes, a registration form for a drivers license or any required license or tax payment. that is how utterly corrupt NJ is as such as Senator Lesniak's law firm Weiner Lesniak LLP Docket SSX-C-21-15 Township of Wantage v. Thomas Caggiano and corrupt U.S. District Court District of New Jersey and DOJ PIN Case folder 30037340 is allowed to submit perjured filings to the corrupt U.S. District Court District of NJ, Sussex and Morris County Superior Courts and Government Record Council (GRC) and be protected by the FBI, NJ Attorney General, Supreme Court and federal and state legislators <http://thomascaggiano.com/POLICE.pdf>, <http://thomascaggiano.com/PO-LICE02.pdf>, <http://thomascaggiano.com/PARSIPPANYPOLICE.pdf>, <http://thomascaggiano.com/RABNER.pdf>, <http://thomascaggiano.com/WETTRE.pdf>, <http://thomascaggiano.com/acjcbrennan.pdf> and <http://thomascaggiano.com/170202fbitip.pdf>

11. Not one judge nor attorney. complied with 18 U.S.C. § 4, all violated 18 U.S.C. Honest Service Fraud and Codes of Ethics called Code of Judicial Conduct Cannon 3.B(3) Administrative Responsibility. The Establishment as stated by President Trump correctly protects itself in both parties NOT WE the PEOPLE. - We the Citizens of the United States (a republic of independent sovereign states now controlled by activist Supreme Court judges and overbearing government of millions of pages of regulations (11,000 pages of federal regulations on Obamacare alone) that remove our freedoms for in many cases political agendas. The entire USA governmental system is now rigged by the Establishment as shown by:

12. As stated by the White House spokesperson in one day over 318,000 travelers came into the county and less then 200 people were temporally delayed for improved vetting. A temporary suspension of the privilege for foreigners as specific by the limited scope to allow his De-

partment of Homeland Security to develop a better vetting scheme is fully appropriate as many other Presidents have suspended entry for various reasons. The outrageous statements made by the above minority leaders in the Senate and House of Representatives and totally partisan parties rather than unite the country divide it only further based upon false media reporting. The Attorney for the State of Washington that such actions was a ban on Muslim is outrageous and tort act violation of outrage fostering destruction of property and injury to people simply stating give the President Trump Executive branch some limited time to develop a much better extreme vetting system for that is one of the main premises why Donald Trump won the Presidency in the Electoral College overwhelming.

13. The recent attack again in Paris's Louvre shows such prudent actions to protect the safety and private property exists

14. I suggest the Judge James L. Robart and the Washington State prosecutor both who violated their oath of office to the Constitution, the Nation's laws and codes of Ethics be removed from office.

15. Under the Obama administration, the CIGIE, NSC, Holder, Lynch, DOJ OIG, State Department OIG, and other agencies protected in The Establishment including the U.S. District Courts for 9th and 3rd Circuits and the corrupt Chief Justice Stuart Rabner of the State of NJ Supreme Court, the former corrupt U.S. Attorney District of NJ 1st assistant prosecutor under the corrupt Chris Christie and his gang of corrupt Assistant U.S. Attorneys now control the infested State of NJ as shown by <http://thomascaggiano.com/POLICE.pdf> and <http://thomascaggiano.com/index.pdf>. and the FOIA responses from the corrupt US Treasury <http://thomascaggiano.com/USTREASURY.pdf>, <http://thomascaggiano.com/CIGIE.pdf> and USPS inspection service <http://thomascaggiano.com/USPS.pdf>.

16. As known by the NJ State's legislature and even known to newspapers coast to coast including the State of Nevada that is also corrupt and protects its establishment as shown by field papers with its NV attorney General, State Bar Association, Judiciary Oversight Committee, Clark County Commissioners, Clark County Sheriff and especially the corrupt FBI in Las Vegas as shown on

<http://thomascaggiano.com/161212COURTLASVEGAS.pdf>

and Trump's nominee to be the US Attorney General Senator Sessions delayed by the Democratic Senate. I suggest the GOP Senate force a vote on Senator Sessions' confirmation as U.S. Attorney and allow him, unlike Obama's U.S. Attorneys Holder and Lynch enforce the laws for if Congress does not want President Trump or US Attorney General Sessions to enforce a law then change the law. we don't need the liar Pelosi calling Trump's staff "white supremacists". and Trump order against Muslims when in fact by the Congress passed law and the Obama Department of Homeland Security **every person visiting or in those countries established by the Obama administration since Mar 1, 2011 MUST be extremely vetted.**

17. Trump is exactly right in his statement:

"The opinion of this so-called judge, which essentially takes law-enforcement away

from our country, is ridiculous and will be overturned!"

18. Under Obama, his corrupt National Security Council, State Department and DOJ OIG were totally corrupt as President Obama who himself sent 18 emails using a phony address to the lair Secretary of State Hillary Clinton who used 13 devices, none secured all violating National Security executive orders and telling lie after lie as shown on the video compilation on <http://thomascaggiano.com/clintonemaillies.mp4>. Obama using the power of the Presidency tried to influence the British do not vote for Brexit, had regime change in countries and spy on all U.S. Citizens and foreign leaders including our so called allies like Germany as many foreign leaders, Republicans hate Donald Trump for he has told the truth which fools all known the Establishment protects itself and seeks more power through thousands of new regulations as Obamacare itself has 11,000 pages of regulations stifling any small business if it dares have more than 50 full time employees which is why so many businesses hire so called "independent contractors" and only part time employees so that do NOT come under the control of the 11,000 pages of Obamacare regulations they would have to hire an attorney to read. What small business can afford a huge team of attorneys to read the federal register with thousands of new pages of regulations every month? the answer is none they could not afford the cost of stifling regulations let alone read them. which does not even include all the regulations issued by States, counties, municipal government and regulators such as the private company that is unaudited and can create 6 Trillion dollars of nothingness like the IOUs in the Social Security System as the debt will soon be 20 Trillion dollars not counting massive unfunded liabilities as Obama added 8 Trillion dollars of debt in 8 years. much to fight foreign wars as the US infrastructure decade and its airport system, bridge, dam and road infrastructure decayed from lack of maintenance and innovative 21st century technology used by poorer nations for without infrastructure businesses costs for transportation and inter modal transportation brings gridlock, stress and unproductive hours sitting in traffic jams and lower quality of family life to educate our future the children for in Chicago families fear to even go out as shots fly into their own houses as Chicago sets new records on violence year after year and democratic control and as California streets are unrepaired do to unlimited uncontrolled immigration and costs upon its school and health care systems and as New Jersey even as stated by its corrupt Gov Jon Corzine is both morally and fiscally bankrupt and does not enforce its laws as shown by Bridgegate for not one person has been charged by any of its corrupt Attorney Generals under Gov Christie nor any County Prosecutor with any State crime or quasi-criminal offense on any State violation of its Title 2C criminal code. In NJ harassment N.J.S.A. 2C:33-4.a harassment did not occur let alone lying about a false traffic study to enforcement agents <http://thomascaggiano.com/PORT-NYNJ.pdf> N.J.S.A. 2C:21-4.b Falsifying records for in New Jersey like the corrupt State of Nevada, both states with corrupt Republican administration controlling the Establishment, the Establishment protects itself at all levels. <http://thomascaggiano.com/POLICE01.pdf> and Docket 16PO1647 Justice Court of Las Vegas Township, County of Clark, State of Nevada before the corrupt Judge Joseph S. Sciscento <http://thomascaggiano.com/nevada/161212COURTLASVEGAS.pdf> as in New Jersey Docket SSX-C-21-15 Township of Wantage v. Thomas Caggiano and in the corrupt U.S. District Court of District of NJ as Docket 2:15-cv-08480.

19. Why did Thomas Caggiano and all his family members who were Democrats vote for Trump as did millions of Sanders supporters as Thomas Caggiano and Kathryn Caggiano were delegates in Clark County, Nevada for Sanders as every Sanders supporter in our Precincts caucus lined up demanding forms to sign to the Democratic national Convention to eliminate the outlandish empowerment of lobbyists that select her as a Presidential Candidate with favors owed if she become President for access to her staff to introduce legislation to benefit the lobbyists and their benefactors as done routinely in Congress which is why there are so many revolving federal employees and members of Congress as lobbyists who become wealthy of as stated by President Trump:

Today's ceremony, however, has very special meaning because today, we are not merely transferring power from one administration to another or from one party to another, but we are transferring power from Washington, D.C. and giving it back to you, the people.

For too long, a small group in our nation's capital has reaped the rewards of government while the people have borne the cost. Washington flourished, but the people did not share in its wealth. Politicians prospered, but the jobs left and the factories closed. The establishment protected itself, but not the citizens of our country. Their victories have not been your victories. Their triumphs have not been your triumphs. And while they celebrated in our nation's capital, there was little to celebrate for struggling families all across our land.

That all changes starting right here and right now because this moment is your moment, it belongs to you.

20. As THE ESTABLISHMENT including U.S. Courts have been fighting the Commander-in-Chief once he announced his candidacy. We the People per the U.S. Constitution and millions of Sanders supporters who disowned Hillary Clinton the persona of the Establishment voted for someone outside Washington for as President Ronald Reagan said the people should vote for him was he was an outsider.

21. Reagan was dismissed as a serious candidate, and so was Trump. "The establishment critics said the exact same things about Reagan," Jeffrey Lord, a former Reagan aide who is close to the Trump campaign, told The Telegraph. "Reagan was ridiculed as 'not serious' and a B-movie actor, and they said over and over he could never win — until he did

22. Trump and Reagan were both attacked by the establishment as being extreme and simplistic. Yet people were so fed up with the state of the country under Jimmy Carter that Reagan beat him in a landslide. As Trump's showing in the polls demonstrates, people are once again fed up with establishment politics.

Trump espouses similar views as Reagan on illegal immigration. Trump created controversy — and won support from many — for his outspoken comments about illegal immigration and the lack of border security. The Congress passed laws to secure the U.S. Border: Reagan

signed the Immigration Reform and Control Act in 1986 which allowed an unauthorized immigrants who had already been living in the United States continuously since 1982 became eligible for temporary legal status, after paying a \$185 fee and demonstrating "good moral character." After 18 months, they could then become eligible for green cards and the law aimed to secure the U.S.- Mexico border against illegal crossings with new surveillance technology and a bigger staff. The law awarded green cards to about 2.7 million immigrants including about 1 million farm workers. It was the largest legalization program in U.S. history.

23. After 8 years under Obama, Secretary of State Clinton and Secretary Kerry is the world a safer place? Is the U.S. free of massive illegal immigration along the U.S. Mexican Board? Has terrorism now used social media as a modern tool to recruit persons to harm the U.S.A. and other countries in Europe and Middle East? The response is obviously yes as many countries have built walls to control their borders. Using advanced artificial intelligent brilliant systems as borders can be made much more secure as President Trump has already done by adding forces to Boarder patrol units and drastically increasing the moral that was destroyed y the Obama administration of ICE and the military by increasing its manpower and showing its officers respect.

24. After 8 years under President Obama, Secretary of State Clinton and Kerry, Was our National Security better and morale of Boarder agents and Police departments and relations with Great Britain, Israel and the Republic of the Philippines improved? The Answer is NO based upon this simple criteria yet direct metrics, the Obama administration and the State Department was a complete failure even forgetting about Fast and furious and Bengazi and the violation of National Security Executive Orders on a massive scale protected by partisan Democrats that have stalled President Trump's building of a team to executive his policy noted in his inauguration speech boycotted by 70 Democrats and having his enforcement of President Obama's selected counties have improved extreme vetting per the law on any person that traveled to or was from those selected counties since Mar 1, 2011 irrespective of religion but the Democrats have now used democratic State attorneys to get an incompetent, without any jurisdiction judge order the Commander-in-Chief NOT to enforce the Visa Waiver Program Improvement and TERRORISM TRAVEL PROTECTION ACT of 2015. in my opinion, both the Judge and State attorneys should be removed from office for violations of codes of Ethics and criminal abuse of court process and Trot Act violations of Outrage and breech of duty and causing emotional distress to the millions of US citizens voting for Trump to protect our boarders from those the Obama administration already identified for NAY Person from or traveling to those seven counties t under go vetting for any per since Mar 1, 2011. If one Trump's executive order it only notes those countries which have severe disruption with massive internal unrest and no control of its inhabitants I hereby proclaim that the immigrant and non immigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and non immigrants, of such persons for 90 days from the date of this order." And it targets Syrians specifically. "I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to ensure that admission of Syrian refugees is consistent with the national interest." These counties are cited in the response by Obama's Department of Homeland Security and obviously pose a great risk plus the President also notes it is a potential terrorist ban until a better vetting systems are made and in fact they be-

come have some stability. for protection is noted in the Obama regulations for any person from any of the 7 counties Obama lists as having special threats to our citizens for thousands of terrorists consider most U.S. citizen infidels and to be killed such as Christians killed by ISSC who in fact the President has sworn to destroy as it is a threat to civilized nations and there peoples. That is the duty of the Commander in Chief not some Judge who does not even have Top Secret Clearance as special federal courts are designed by Congress fro National Security classified areas. nor does the State attorney even have "the right to know" of the NSC information available to the President and the national security Council nor most members of Congress itself as exposure would inform enemies of our nation of methods, techniques and procedures all classified items under federal laws for when I was a Department of Dense employee even the Delta forces in the Command Center of the Special Operations Forces HQ were not allowed to know what I was directed to tell a soldier who represented a 3 Star General as such work was compartmentalized fro security purposes. Such Judges without such special clearances have no authorization in their jurisdiction to even discuss nor record the issues in non-classified environment and such orders are not within their jurisdiction accordingly the Judge acted without Standing also as did the State Attorney general as no U.S. Citizen is impacted by Obama or Trump's executive order. The court, the plaintiff both have no Standing and orders are moot and should never have been even considered by the Department of Homeland Security as valid but taken orders from their Commander-in-Chief Donald Trump. Senate on General Kelly as a soldier he should have known better and his Legal Officer. The Court's orders on their face are void and invalid. Tell VP Mike Pence get a better attorney to advise him before Pence opens his mouth on such a legal issue as President Trump did already with DOJ Legal Office.

25. The Statement that President Trump's executive order is a Muslim ban is totally false as there is NO religious tests and over 95% of Muslims in the world mostly in Indonesia, Bangladesh, Thailand, Turkey and Africa are not even covered by the Executive order unless their citizen traveled to one of the seven countries listed in Obama's Department of Homeland Security web site from Mar 1, 2011. The lies told by he PBS, CNN, MSNBC, NY times, Democratic Senators and members of Congress in newspapers, social media, Democrats speeches are nothing but lies and mass distribution of fake news around the world for purely political purposes.

26. Did Obama ruin relationship with England, Israel and the Republic of Philippines our allies? **Yes.**

26. As a prior Sanders Clark County delegate, Hillary Clinton and those in the Clinton Foundation and her aides, many state Department officials, DOJ OIG should be in jail for violation of President Clinton and President Obama's own cover-up by Democrats and the Establishment of their National Security orders published on <http://thomascaggiano.com/NATIONAL-SECURITY.pdf> and <http://thomascaggiano.com/NSC.pdf> as the Democrat are in my opinion, a party of political bosses called Super delegates and DNC Clinton operatives as stated by Actress Susan Sarandon on Thursday tore into the Democratic National Committee (DNC), calling it "completely corrupt."

pletely-corrupt

The political spoke persons speak with forked tongues as stated by Clinton in the Goldman Sacks speeches published on <http://thomascaggiano.com/CLINTON/GS.pdf> and with access to the wikileaks documents which the Democrats have never stated aren't true. They show the DNC instead of being impartial did every thing it could to prevent Sanders from having a chance of overthrowing Hillary Clinton a protected felon and liar as shown on <http://thomascaggiano.com/clintonemaillies.mp4> like her lies dogging sniper fire several times on a runway which you can watch on <https://sharylattkisson.com/hillary-clintons-dodging-sniper-fire-in-bosnia-tale/>

27. Enclosed for information is my latest FBI on-line tip line report to the corrupt FBI input line as when I telephone any FBI office in the USA, you get switched to the corrupt FBI Public Access line and if I give my name Thomas Caggiano to report addition federal offenses that rise to life or death sentences as noted by my new Senator Masto who I believe is just supporting the Democrats efforts along with some Establishment Republicans to as stated by President Donald Trump:

Because today we are not merely transferring power from one administration to another, or from one party to another -- but **we are transferring power from Washington, D.C. and giving it back to you, the American People.** For too long, a small group in our nation's Capital has reaped the rewards of government while the people have borne the cost. Washington flourished -- but the people did not share in its wealth. Politicians prospered -- but the jobs left, and the factories closed.

The establishment protected itself, but not the citizens of our country ... this moment is your moment: it belongs to you.

It belongs to everyone gathered here today and everyone watching all across America. **This is your day. This is your celebration. And this, the United States of America, is your country.**

28.. The FOIA process is useless unless the FBI becomes more responsive as the U.S. Attorney ignores FOIA requests also as it has a backlog over 650 days as noted by OGIS for replies consider

29. If I can of any assistance to any of your staffs, or if you desire any testimony under oath at my expense, I will provide such public service to restore the Greatness of America for within a week President Donald Trump has restored the restored friendly relationships with our two best allies being Israel and Great Britain as Obama and his Secretary of State's Clinton and Kerry and their incompetent staffs did the exact opposite leaving a world in chaos and even having the Republic of the Philippines government tell the USA under the inept President Ob-

ama he completely destroyed the friendship this important alley off the coast of China and Japan. Such was the work product of hundreds of State department officials many objecting to the President performing his official duty to enforce the U.S. Constitutional and laws of the nation such as the law passed by Congress noted above which apparently the media has forgotten and the Democrats that passed the bill into law and used ineffectively with poor vetting of any person traveling through the counties noted by the Obama's Department of Homeland Security. The lies, the deceit by Democrats and yes Republicans opposing the President especially in foreign affairs MUST stop at the boarder for such obvious incompetence or a purely political motive to disenfranchise the public such as Congressman John Lewis who falsely stated Trump is NOT a legitimate president. What Wikileaks showed was the DNC was a corrupt political organization known by the Sanders people and proven beyond any doubt to get Hillary Clinton as President as the DNC chair resigned and her replacement a CNN contributor gave a heads up to Clinton on the questions she was going to be given in the Presidential debate and removed as a CNN contributor. . I suggest those that voted for Hillary Clinton and her now four top officials officials of Obama's corrupt and ineffective Department of State that retired or resigned the first week of the President Trump's tenure read their abysmal record of accomplishments as Secretary of State and her waffling in the wind on TPP and how corrupt Secretary Kerry was by not enforcing the removal of their clearances his first day in office for violating President Obama and President Clinton's Executive orders on National Security and removing her accomplices in the State Department that committed violations of 18 U.S.C. § 1346 Honest Service Fraud by NOT performing their official duties under Guideline K and by a repeated pattern of official misconduct to give aide to their superiors and n=violating 18 U.S.C. § 4 Misprision of Felony that continues to this date in a continuing conspiracy 18 U.S.C. § 2 obstructing he administration of law allowing the reprehensible liar Congresswoman Pelosi and dozens of Democrats and media to continue to spew false stories repeated by the Press for if said enough by these dishonorable representatives, their partisan political ignorant party members by hatred of the President rather than being unified allow the terror its to use their media footage in their propaganda to undermine the President as the county is suppose o be united in speaking to others of the world as via mostly party line voting, boycotts, the immature representatives by their acts and willful deceit o gain political power simply spew one lie after another to divide the county further as even many Republicans such as Senator Heller hide in press releases without courage to even defend the Commander in Chief for performing his official duty to protect the safety of U.S. Citizens and comply by extreme vetting of all individuals traveling through those counties identified by the President Obama administration's Homeland Security Departments assessment that **all travelers** from Mar 1, 2001 to those countries listed on its Department of Homeland Security web site in response to the law passed by Congress Consolidated Appropriations Act of 2016 that contains the Visa Program Improvement and Terrorist Travel Prevention Act of 2015 are extremely vetted. The President Trump having even stated the criteria noted on the Obama's DHS web site is nave, ordered a review, a temporary suspension to developed a better Standing Operating Procedure (SOP) that I state should NOT be published by For Official use only as the terrorists should NOT know the questions they will be asked the immediate action by President Trump is as stated" Loose lips sink ships so one does NOT give advanced notice to a terrorist that on a given date, additional questions will be ask fro then the terrorists would ravel to the USA before the new guideline is given. Such action are not only reasonable but mandatory to protect USA citizens and the outpouring of lies by the media and Democrats and Republicans that do not support the laws Congresses passed to "improve terrorist travel protection" are not only disingenuous but in my opinion treason. which is why I suggest

every State employee that signed the petition NOT supporting the Commander-in-Chief perform his primarily constitutional duty resign or be placed on administrative leave until they themselves are vetted.

30. The media broadcasts our country to others in such lies and deceit as to give aide to the terrorists social media propaganda for the world see is a divided country, one of hate and disunity with a President Obama that lead from the rear. if he spent as much time developing unity as playing golf the country would be united but instead his and the Democrats campaign rhetoric, actions to the world prove the words of George Washington that the rise of political parties will destroy the Constriction for with Trump as Commander in Chief doing exactly the promises to reduce the treat of terrorism gets Court judges with no security clearance issue court orders preventing the Commander in chief for even doing extreme vetting of countries for which on **ALL travelers from 2011** to these counties must be evaluated and the evaluation delayed until a better vetting scheme then stated on President Obama's Department of Homeland Security is developed. The blind hatred of the partisans to lie in effect calling President Trump taking unconstitutional action is nothing but another lie by the corrupt now minority leader Pelosi who should have retied by the great losses in so many local races as a thousand such races were lost by the Democrats who ignored the Rust belt in favor of the elites on the coasts as as their Hollywood types screen blow up the White House and compare Trump to Hitler. The similarity is Hitler rise was the country was in such poverty he brought jobs to its county; if that is the comparison, it is corrupt, Trump believes and states make the USA great again. Bring back jobs and prosperity to the middle class not a federal government class of elites" that have fostered their decline as their wealth and power only increased. Make the USA for the people was NOT Hitler's approach but is the approach by Trump reduce excessive regulations and allow USA be free to innovate that is directly opposite to the true approach by Hitler. So please stop the rhetoric of such comparisons in isolation. Make the USA great again, get rid of the 11,000 pages of Obamacare. Reduce regulations by over 25 % as I believe 75% is excessive but simplify them and the tax code which is prepared by lobbyists as the transfer of wealth is to the top 0.1 % not 1%. Improve education, fix he maintained infrastructure which is required for greatly improved productivity again and quality of life issues so parents are not stuck in traffic jams getting to work and can not be at home to educate and care for the children the nurture citizens of the USA for without a well educated, respectful to discuss others opinions and compromise, without civilized discourse not slander and our public servants do their assigned during with respectful discourse compromise, the USA is doomed to even more civil strife and criminal conduct

31. Make America great again, improve boarder security, job opportunity and change its abominable tax code of tens of thousands of pages of rules and regulations even CPAs can't understand. In NJ, combine municipalities for having 1,000 fiefdoms, towns, townships, borough is its demise, a basket case of corruption, high taxes, collapsing infrastructure by an Establishment that protects itself and the State of Nevada is the exact opposite but corrupt as well. as we need a "LAW and ORDER" US Attorney General to enforce laws, remove criminals in sanctuary cities using a contractor if the State thinks its a Sanctuary city, as no such entity truly exists as the federal government on such matters per the U.S. Constitution is the sovereign not some Governor, appointed State attorney general or Mayor getting votes from its local community and deport them if warranted.

32. TV media now defines the USA as "white" states and "colored states". The vetting of the 7 counties was ORIGINALLY established by President Obama in responses to the ACT passed by Congress. In fact, under his duty as Commander-in-Chief he can ignore Congress and even put them in jail for by their actions they fervent chaos, having college students act like violate criminals and having their minions attack those that support the President of the United States for doing exactly what he stated in the campaign his duty to enforce the laws not pick and choose like Eric Holder and Loretta Lynch which part of which laws they desired to enforce for then there is no reason to have a President which is why I applaud the immediate firing of acting U.S. Attorney, a President Obama hold-over Sally Q. Yates, Esq. as the Democrats delay the confirmation of Senator Sessions who stated he will enforce the laws which is his job. VP Pence needs an education of Courts able to handle cases involving National Security, that a Judge would have to have a security clearance and practices, methods, and procedures cannot be discussed in OPEN COURTS. I suggest VP Pence and the new Secretary of State read the national Security orders issued by President Obama and Clinton too for he never operated in a classified world before and obviously in my opinion needs better training.

You can tell Democrats Clinton was a pure liar as shown on

<http://thomascaggiano.com/clintonemallies.mp4> and

<http://thomascaggiano.cm/clintonlies.mp4>

33. Hillary Clinton and her aides such as her Chief of staff Cheryl Mills, should have been jailed as soon as the NSA knew she was not using a secured server, one of 13 devices she used, for all her official Secretary of State duties. Read Obama's own Presidential Executive Order on National Security for it seems he, all the members of Obama's National Security Council and all the Republicans and Democrats on the intelligence committees all forget it exists!

34. It so obvious the FBI director is a total criminal. Simply do the following internet search

Google thomas+caggiano+FBI

35. I, a Sanders Clark County delegate, my wife Kathryn an alternate delegate, and other family members completely agree with President Trump's efforts as does our entire family of Democrats as that party lead by the liar Pelosi with even Schumer blasting Trump on the UN vote regarding Israel and Obama last minute attempt to give the Palestine over \$100 million are pathetic liars as stated by Clinton in the Goldman Sacks transcripts published on <http://thomascaggiano.com/CLINTON/GS.pdf>. For per Clinton, politicians must be two faced liars by having one position in private and another position in public. That can not be said by Trump with one exception which in fact he has no authority over which is allow the Congress to continue its investigation of Clinton and her foundation, do not interfere as done by President Obama before an investigation was done by stating Clinton had done nothing wrong before any FBI investigation even stated which ignored his own Executive Orders or that she as

stated by President Trump has suffered enough as she has acquired \$120 Million dollars while at the Secretary of State position with her husband as foreign governments contributed billions to her non-charity the Clinton foundation used primarily to pay for various purposes including their State Department aides in other assignments allowed by Secretary of State Clinton that had a conflict of interest with her official duties and per initial investigations blocked by U.S. Attorney Lynch, received multiple billings for the same hours by Huma Abedin their lavish traveled that of the staff.

36. How could the State Department NOT know Clinton and her staff were NOT using a .gov email address as Guideline K required annual training and annual reviews for IT devices?

we need to clean this up – he has emails from her – they do not say state.gov

The “He” is President Obama and the her ” Secretary of State Hillary Clinton” as Obama sent 18 emails to Hillary Clinton’s non .gov email address using a phony address himself as Clinton used 13 different unsecured devices which per the FBI had Classified materials on them for at least those she lost or had drives destroyed and some were lost let alone the hundreds of thousands of such emails on Huma’s home computer that the corrupt FBI director stated his staff looked at them in all in a few days.

37. As then candidate Trump stated he is the “**law and order**” candidate and should allow the Acting U.S. Attorney U.S. Attorney and a replace FBI director with if needed a special persecutor to conduct a full investigation of not only Clinton but the Department of State, the National Security Council members and President Obama and Secretary Kerry for the DOJ OIG lied to an inquiry by Congresswoman Berkley and the DOJ, IRS, USPS, MOB, State Department in my opinion and the Establishment has known about the violation of Presidential executive orders, the violation of the IT guidelines by the State Department in protecting Clinton, her senior aides then themselves from the crime of Hones already with the Attorney General of U.S.A. who will soon be Senator Sessions and allow him and a replaced FBI director investigate the Clinton Foundation, the use of her aides of non-secured devices, devices and printers, the obvious violations of the Executive orders NOT requiring intent but only carelessness to be a felony and the vast efforts undertaken to prevent apprehension and detection by willfully removing evidence off servers that were subpoenaed in a criminal investigation. Allow Congress and the next Attorney General and a GAO Fraud net unit hat is not corrupt. I suggest President Trump reduce the great duplication in the intelligence community as more than 17 separate departments are just bureaucratic laying, and get ride of layers of

under secretary, deputy assistants as the structure and responsiveness needs not a President that must make a call on every move by a Colonel or SOF soldier in the field doing his assignment but like Project Managers in the DOD cut through the bureaucracy as that SOF soldiers should not have to go through a long chain of command to get the President's approval what would happen in a real war with millions involved, delegate, reduce the structure, transfer the saving to weapon systems, logistical systems, maintain structures needed to respond instantly and in fact pro-actively as done by the President do NOT fail from the impact prevent it by better intelligence, by clear orders that the Commander-in-Chief issues in our now DECLARED War of Terrorism he has stated he will eradicate. this is why he was one of the reasons he was elected President as he does NOT double speak as stated by Clinton in the Goldman Sacks transcripts. He told the public what he would do if elected by the rules of the republic, called the US Constitution, and now that the delay in confirming Senator Sessions as U.S. Attorney allow him to comply with the laws as he is required for if Congress does not like an existing law then change it.

38. Read what the corrupt US Comptroller and GAOFRAUDNET knows of the fraud throughout NJ governments protected by the U.S. Attorney Holder, Lynch and the many attorney generals under the corrupt Gov Jon Corzine (D) and Gov Christie (R) known by the corrupt FBI director and newspapers coast to coast <http://thomascaggiano.com/POLICE.pdf> Christie for more than 15 years on <http://thomascaggiano.com/GAOFRAUDNET.pdf> to do their job and if a jury finds any one guilty of such crimes as destroying records, 18 U.S.C. § 1346, et. al. and the truth comes out and if found guilty then and only then can a President issue a pardon. Follow the U.S. Constitution, allow the U.S. Attorney and staff and if need be a Special Prosecutor (Ref: <http://thomascaggiano.com/corruption/exhibits.pdf>) to do their job as such results will I believe demonstrate the total corruption of The Establishment to protect itself.

39. The attached FBI tip line input is a public record and I note the FBI has more than 14 CDs of such records. As this document is a certified declaration it may be used in courts or administrative hearings as evidence per U.S. Court rules without my attendance.

40: The Establishment continues by all means to protect itself as stated by President Trump. As any citizen will almost universally tell you almost all politicians are corrupt and protect (1) themselves, (2) their political party, (3) their donors and lastly We the People.

Tell these public officials They are Public Servants not the opposite.

41. As a reminder:

a. President Donald Trump:

"Today's ceremony, however, has very special meaning. Because today we are not merely transferring power from one administration to another, or from one party to another – but we are transferring power from Washington, D.C. and giving it back to you, the American People. For too long, a small group in our nation's Capital has reaped the rewards of government while the people have borne the cost. Washington flourished – but the people did not share in

its wealth. Politicians prospered -- but the jobs left, and the factories closed".

The establishment protected itself, but not the citizens of our country.

b. Ben Franklin:

"I am for doing good to the poor, but...I think the best way of doing good to the poor, is not making them easy in poverty, but leading or driving them out of it. I observed...that the more public provisions were made for the poor, the less they provided for themselves, and of course became poorer. And, on the contrary, the less was done for them, the more they did for themselves, and became richer."

42. Per 18 U.S.C. § 1746, I, Thomas Caggiano, declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on Feb 8, 2017

I am banned from speaking at any Open Public meeting held in the corrupt NJ Department of community Affairs Building by any private group, any federal or state organization. Banned from every structure in Sussex county private home, church or contacting its Sheriff, the Sussex County board of Chosen Freeholders, the Sussex County Clerk, its Planning board, any firm renting facilities in the Sussex County Administration Building in Newton, NJ, going into any municipal court, filing a writ of execution for a sheriff sale obtained from the State of NJ, finding out what my taxes are, and the corrupt government Record Council has banned any company from bidding on any contract and banned any USA Citizen that is not a NJ citizen from becoming a NJ citizen or getting a copy of any police report, death certificate of a spouse, getting a copy of its tax code or other state or municipal codes. Needless to say all three branches of government are corrupt pro-

PREPARED BY THE COURT

SUPERIOR COURT OF NEW JERSEY
LAW DIVISION – CRIMINAL PART
COUNTIES OF MORRIS AND SUSSEX

IN THE MATTER OF
MUNICIPAL COURT
COMPLAINTS OF
THOMAS CAGGIANO

FILED

MAR 16 2010

THOMAS V. MANAHAN, J.L.C.
JUDGE'S CHAMBERS
SUSSEX COUNTY COURTHOUSE

ORDER

THIS MATTER being opened by the Court on its own Motion on the numerous Affidavits of Probable Cause filed by complaintant in various Municipal Courts in Morris and Sussex Counties as referenced in the Court's Orders of January 7, 2009, April 29, 2009, April 30, 2009, and May 7, 2009, and the Court being advised that thereafter further Affidavits of Probable Cause having been filed in the Towns of Morristown and Newton which are presently pending review naming numerous government officials, including the Sussex County Prosecutor and Municipal and Superior Court Judges, among others;

See the CAG Reports

STATEMENT OF REASONS

In furtherance of the Court's order of May 19, 2009 (attached), and pursuant to New Jersey Court Rule 3:27, the Court has reviewed the affidavits and the pleadings and has determined that no probable cause exists to issue a warrant or a summons. The Court finds that the affidavits lack a showing a probable cause to believe that the offenses alleged were committed and that the numerous defendants committed any offense. The pleadings, even given a liberal interpretation, do not support a claim of any of the criminal charges -which are sought to be lodged.

The Court notes that the complainant would have no standing to file an appeal of this Court's determination. See State v. McGrane, 2010 N.J. Super. Unpub. LEXIS 512 (March 11, 2010) (holding that a private citizen, who is not authorized or designated to act on behalf of the State, would not have standing to appeal the dismissal of his complaints). A copy of this opinion is attached hereto.

Sir:

For the citizens of New Jersey, Sussex County, and the Borough of Stanhope we need your assistance.

We have provided for over 1 year to the Office of Government Integrity, the Department of Community Affairs Commissioner Levin, Secretary of Agriculture Charles Kuperus hundreds of emails, faxes and telephone calls to enforce State Law.

They have not.

The Town Council, Mayor, Borough Attorney, Construction Code Official, Town Administrator, the Department of Agriculture and others, Professional Engineers and Planners are apparently in a wide ranging criminal conspiracy that impacts the tranquility, safety, health and private property as all adjacent property owners to a Minor Subdivision on Tax Map Block 10902 Lot 10 and 12, known as 2 Oak Drive and 6 Oak Drive have no authority to be constructed, no building permits issued and no certificates of occupancy issued but wanton fraud, cover-up of felonies, non-collection of taxes, paying State and Municipal Workers and its Contractors to prepare fraudulent reports, have its Stanhope Police Department carry threatening letters at night to Mr. Caggiano who is the focal point attempting to protect our citizens with threats of court actions if he asks the Borough Engineer or Municipal Prosecutor to comply with the law is what occurs.

Mr. Caggiano has written of the illegal activities since 1999 and yet they still continue. Ms Ellen Cohill of the Office of Government Integrity, the Criminal Investigators for the Department of Community Affairs, the State Police, Deputy Attorney General Hawley Williams (DEP) who has reopened a closed DEP investigation at the request of Assistant Commissioner for Compliance and Enforcement (DEP) has the fraudulent certified Soil Erosion and Sediment Control plan prepared by the apparent criminal co-conspirators though-out the Department of Agriculture and we have 40 witnesses, 8 feet of evidence, 26 audio tapes and hundreds of photos of the government committing the illegal acts, the design felonies, et al and after seeing Detective Costello on 2/13/03 he stated it was criminal based upon his only looking at 1 inch of data and stated all the other evidence would be gone over line by line and to take it away. Thereafter the apparent corrupt Sussex County Prosecutor without even contacting other adjacent property owners that complained or allowing Mr Caggiano back into the building as he can't even get a phone call into the Prosecutor's office or the Sussex County Soil Conservation

District and the Borough of Stanhope's Land Use Board won't even allow Mr Caggiano, a victim and adjacent property owner to speak!

He is not permitted to even call in a violation to the Sussex County Soil Conservation District, can not make an appointment with anyone in the Department of Agriculture or Department of Community Affairs Codes and Standards as they use tax payers dollars to knowingly approve illegal construction. Afterall they were told in writing!

Our Assemblyman Guy Gregg sent in data to Attorney General Harvey and Criminal Corruption Case Number CJ#2003-4902-IC was assigned by Mr Trapp on July 11, 2003 and we tried fruitlessly to contact a Detective in the Criminal Special Investigation Unit and informed Mr Trapp it was apparent that the Sussex County Prosecutor's Office was also corrupt as they don't even respond correctly to valid OPRA requests, request all items in writing and never respond to repeated letters and ignore the evidence that have.

After Ms Loise Lester apologies to my wife, Mrs Caggiano, that a detective had not been assigned, a detective from her division called up Mr Caggiano and stated the case was closed!

I talked to the detective in vain as we have been victims for 3 years now with sink holes, Flooding, tons of rocks on our properties, silt 20 ft into yards and the site is illegal and has NO authority to do any work by any one and violates the deeds, the approved site plan.

The Department of Consumer Affairs is ready to move out as well as GRC. We wrote the Mayor and Town Council essentially to fire the Borough Attorney, Town Administrator, Borough Engineer, Borough Planner for they ALL knew of the illegal activity that was also directed by the Town Council and Mayor and continues to this very day with more violations that the Sussex County Soil Conservation District and their lawyer refuse to even hear so we had to send them to the apparent equally criminal Secretary of Agriculture and Executive Secretary of the State Soil Conservation Committee as we have filed numerous formal complaints of non-compliance, issuance of false reports with photos of the report and the inspector and District Manager on site.

Fortunately you have so much overwhelming evidence and witnesses that the New Jersey Criminal Justice system is an apparent co-conspirator for they refuse even to allow depositions to be taken, slam down the phone, and do not investigate even though all work is illegal!

We don't have a Justice Department, we have a an apparent Injustice Department protecting criminals at all levels of the enforcement agencies and Municipal Government.

Our Congressman is ready to send letters for us to the IRS, OSHA, EPA and U.S. Attorney General. Criminal Investigator Davis who works for Mr Trapp also advised that avenue as it appears New Jersey is though-out its enforcement agencies and local government embedded with despots. We can help with suggestions in changes in State Rules and Procedures that if implemented would at least make the apparent total criminal conduct at least more difficult.

We need your assistance very desperately and please provide us at least a point of contact that we can have the U.S. Attorney General interface with that is NOT affiliated with those we are

2  /4

already ready to provide testimony. I did at the Land Use Board under oath against the Town Council, the Mayor, the various State agencies, the Professional Engineers and Planners and I was getting more letters of support from the victims as their agent which Stanhope won't even recognize and Mr Dawalt threatened me the morning after I gave the testimony under oath and I prepared a 3 page Police report I gave to the Stanhope Police after my wife and I fled our home for safety and called the Sussex County Prosecutor's Office Detective Costello and OSHA as I am also providing testimony to them about the total illegal activity.

Having the Town Police pound on our doors at night twice, carrying threatening letters that Mr Caggiano would be fined if he entered the Stanhope Municipal building to drop off a letter, to use the email, fax or contact the Borough Engineer (as ordered by the DCA Criminal Investigators), tell the Mayor stop sending Police as my wife had to see two doctors on an emergency basis as her Fibromyalgia flared up and she has been in agony for over 1 year and our neighbors are stressed out, can't use their properties as the victim's letters were also provided to the prosecutor to no avail.

Deputy Attorney General Williams also has one of the audio tapes of our own Stanhope Environmental Commission who are powerless although they did write the Mayor and Town Council and the Land Use Board wrote a year ago to the Department of Agriculture Sussex County Soil Conservation District to evaluate what appear clear violations of sedimentary laws.

Mr Minch the specialist assigned by DOA yelled out in the Aug 4th, 2003 meeting with Ms Jackson, DAG Williams, and other DEP members, you can't show those photos. They were of his investigators standing on walls that don't exist, of the Borough Engineer directing the illegal activity, of the obvious violations as protective sediment fences are buried with dirt flowing over 38 ft onto people's properties and we have NOT one violation nor notice of violation.

The enforcement agencies should proceed to Superior Court and Stop work, clean up the site immediately, and start a wide ranging criminal investigation. They don't because it's themselves in the apparent total criminal conspiracy.

We need your help. Please contact Ellen Cohill for her massive file, contract our Assemblyman Gregg, our Congressman that you will fully cooperate with a U.S. Attorney General and IRS investigation and with the Governor's Support conduct an immediate criminal investigation.

I was a Department of Defense Project Manager Engineer and a Chemical Engineering graduate at CCNY and graduate studies at Stevens, U.S. Army Colleges and Navy Colleges. My experience in investigations vast as I was in charge of projects over \$300 Million each, Chief of the Explosive Branch responsible for designing, building and start-up all the explosives plants in the United States, worked with the Special Operations Forces, CIA, NSA, complex munitions systems, and help defend this great country for 30 years. Unfortunately without success, I have been attempting to defend our own homeland from our own terrorist in the State and Municipal Government that cooperatively engage in apparent criminal conduct to hide criminal conduct, intimidate its own citizens and use their tax payers money to fund their criminal endeavors.

3/4

I will work with any investigator for free. Pay all my expenses. Protect our homeland against ourselves! We have been in agony, required doctors care for trauma and many medications.

All we ask is justice!

All we ask is for a point of contact for the U.S. Attorney General to contact.

All we ask is to defend us from our own STATE and Municipal government!

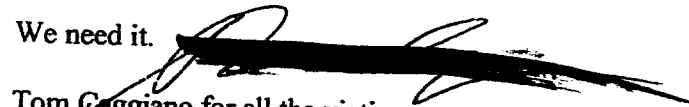

We ask for defense of our New Jersey Constitutional rights and U.S. Constitutional rights to at least come to our common defense which the Town Council denies. The Land Use Board denies grievances even to be spoken. The Department of Agriculture and others are to be purged of those that take our tax dollars and protect criminals and themselves.

Return New Jersey from the Pay 2 Play State to a State we can at least not have its Police pound on our doors at night with threats from its own Town Council that you can't enter the building and the same is said of the Sussex County Prosecutor, the State Department of Agriculture and the State Department of Community Affairs.

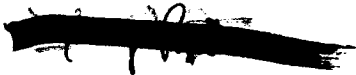

Fortunately every agency knows about the other agency for there are hundreds of emails distributed to all. They know, they are guilty.

We ask you, to perform your mission of Public Safety from our own State and Municipal Government. Enclosed are some letters for our legislators asking your our Attorney General's support.

We need it.

Tyranny in Government

Background and Notice of Law 18 USC 2, 4, 241 and 242, et al

This is a Verified Certified Affidavit based upon my own knowledge and therefore usable in courts and administrative hearings and adopts THE CAG REPORT on <http://thomascaggiano.com/index.pdf> which is filed with the U.S. Attorney, FBI HQ and NJ Supreme Court review committees and Superior Court Appellate Division as OPEN PUBLIC RECORDS under Docket A-001721-10 State of New Jersey vs. Thomas Caggiano and IND 08-09-316-I State of New Jersey vs. Thomas Caggiano that was dismissed with prejudice against the State of New Jersey and municipal appeal in the superior court Mercer County #24-2009 State of NJ vs. Thomas Caggiano wherein Judge Mitchel E. Ostrer, J.S.C. overturned the corrupt petty disorder conviction by the corrupt City of Trenton municipal court in State of New Jersey vs. Thomas Caggiano based on a complaint by the corrupt Department of Community Affairs' Government Record Council Open Public Record Act executive director when I mailed correspondence to the corrupt Government Record Council that is to assure transparency in govt. I was found NOT guilty on my Superior Court Appeal. I have NO civil rights in the infested corrupt State of NJ which is protected by the U.S. Attorney NJ Paul Fishman and the NJ FBI and Gov of NJ Chris Christie (R)

Dear Congressman Paul Ryan,

1. Congrats on your selection to be the nominee for Mitt Romney (R) as your statements concerning control of the US Budget which Senator Reid has failed to even allow reviews as President Obama's tax plan on Obamacare as TAXES can be controlled simply by NOT allowing in the budget the hiring of 16,000 new IRS tax collectors to in my opinion criminally coerce the public to do as the Obama Presidency allows. Since when does the President have the power of forcing tax increases with the approval of the House of Representatives? Stop Obamacare by NOT putting in the budget for 2013 funds for the hiring of these 16,000 agents as the Treasury uses yearly appropriations and prevent the reprogramming of funds by the President from other budget lines and Obamacare will be essentially Nonexistent and support true budgets NOT double accounting as used by Obama and force through the courts by a writ of mandate an investigation against Eric Holder Jr. as the President would be powerless to STOP WE the PEOPLE as he is NOT KING OBAMA.

2. As an informant to the Department of Justice's HQ FBI's Public Corruption Unit, U.S.P.S. criminal inspection service in HQ, Az and Chicago, Il and a witness against IRS Special agents and their superiors in Las Vegas, Nv to TIGTA as I provided their office massive evidence of tax fraud, money laundering and racketeering by hundreds of State, County and Municipal officials in New Jersey as the bribery of law firms, professional engineering and planning firms in my prior home town of Stanhope, N.J. 07874 continues as govt corruption at the federal, state, county and municipal levels is rampant as over 100 witnesses have been identified to the corrupt U.S. Attorney Eric Holder Jr., his Executive Office of U.S. Attorneys, FBI offices in Nevada and New Jersey. Senator Heller (NV) was informed by me of my contacts with Congresswoman Berkley D-Nv and Senator Reid D-NV as they both are protecting the Democratic machine funded by their money bundler ex-Senator, Ex-Gov NJ Jon Corzine whose administration was corrupt but has been followed by an even MORE corrupt administration that being Gov Chris Christie (R) the former corrupt U.S. Attorney for NJ as corruption, fraud and waste with perjury, criminal disbursements for over 20 years continues. Witness retaliation against my wife kathryn, my neighbors who reported the criminal conduct Mary Pawar and Iqbal Pawar 12 East Dr, Stanhope, NJ and others who reported the criminal conduct were retaliated against including the former Town Administrator of Stanhope Richard Stewart and Municipal clerk of Stanhope Ms Robin Kline, RMC as well as Ian Brennan in the Office of Gov who was fired. Others fear government and say

watch your back as I received 4 death threats, was falsely imprisoned for 15 days and then 85 days as I now for 12 years have exposed massive corruption in Government on the web site <http://thomascaggiano.com> and filed many civil court cases against President Obama's U.S. Attorneys in Philadelphia and New Jersey. Attached is a copy of the first page of <http://thomascaggiano.com/index.pdf> which has directories with detailed reports exposing the massive treasonous actions of government.

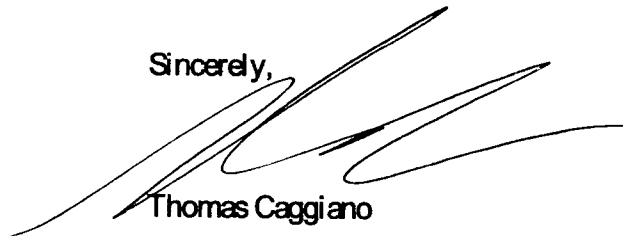

3. My prior thirty year civil service background in the Defense Department career highlights are published on <http://thomascaggiano.com/background.pdf>

4. Previously Senator Frank Lautenberg (D), Congressman Frelinghausen (R-NJ), State Senator Codey (D) and Senator Littel (R), Assemblywoman Alison Littell Mc Hose (R) and Assemblyman Guy Gregg (R) all requested criminal investigations as well as over 2 dozen citizens in petitions as court administrators and criminal court scheduling personnel have also reported the corruption to the FBI and the State police Official corruption bureau which they fear the State police themselves. My POC in the State of NJ State Police is Capt. L. Little's Floyd Acting Chief of Staff to the Superintendent of the State Police Badge 5375 609-882-2000 ext 6506 as that organization has been reported the corruption for over 5 years that continues. The last 5 Attorney Generals of New Jersey are apparently corrupt under the resigned ex-Gov Mc Greevey, the ex-Gov Jon Corzine and the current corrupt Gov Chris Christie (NJSA 2C:2-6, 2C:5-1, 2C:5-2, 2C:30-7 also as well as over 200 government persons as corruption, mail fraud, tax fraud, deed fraud, money laundering, false imprisonment, perjury, criminal use of New Jersey's corrupt Superior and Municipal courts and its Supreme court's review committee just protect themselves, corrupt State and municipal prosecutors and over 80 unethical lawyers mostly government.

5. If I can be of any service, for free of course, on budgets of the Defense Department or its planning, obligations and disbursements and need for drastically improved long range budgeting I did have substantial experience with the GAO and Billions of dollar programs and served in many functional capacities including being an Army Acquisition Corps Business manager for an ACAT II Major program and have significant experience in many mission areas.

6. I certify the foregoing statements made by me are true. I adopt all referenced exhibits and links in <http://thomascaggiano.com> as relevant. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment. It would be nice if the United States had a Budget and a 6 year plan the Defense Department and its contractors could plan and create jobs and / or realign training needs and be flexible in meeting US needs NOT having constant CRA and fights among ourselves.

Sincerely,

A handwritten signature in black ink, appearing to read 'Thomas Caggiano', with a long horizontal flourish extending to the right.

3. Historical facts:

a. President Ronald Reagan stated as the main reason you should to vote for him was he was NOT part of the Establishment

Definition: The people and institutions constituting the existing power structure in society...the dominant or controlling group in a field of endeavor or organization.

b. President Truman stated:

Once a government is committed to the principle of silencing the voice of opposition, it has only one way to go, and that is down the path of increasingly repressive measures, until it becomes a source of terror to all its citizens and creates a country where everyone lives in fear. Per court orders issued under MER-C-102-07 GRC v. Thomas Caggiano, I am not even allowed to speak at its open public meeting, nor telephone, email or fax the corrupt Government Record Council. Per court orders issued on SSX-C-1-13 Consolidated, not only am I not allowed any of the civil rights above regarding the corrupt

Board of Chosen Freeholders of Sussex county or its sheriff, i am not allowed to submit any OPRA or Common Law right of Access request for any government record, communicate with any official or employee of the County nor hire an attorney nor go into any structure in Sussex County even its my own private property nor attend a Veteran's parade in its County park nor communicate to the tax assessor or clerk in any manner nor the corrupt Sheriff M. Strada.

c. On Saturday, June 2, 1787, Ben Franklin took the floor at the Constitutional Convention and feared that greed-driven competition for the presidency would divide the new American government into factions.

There are two passions which have a powerful influence on the affairs of men. These are ambition and avarice; the love of power, and the love of money. ...Place before the eyes of such men a post of honor, that shall be at the same time a place of profit, and they will move heaven and earth to obtain it.

d. On Wednesday, June 6, 1787, James Madison said:

All civilized societies would be divided into different sects, factions, and interests, ...of rich and poor, debtors and creditors, ... the inhabitants of this district or that district, the followers of this political leader or that political leader, the disciples of this religious sect or that religious sect. In all cases where a majority are united by a common interest or passion, the rights of the minority are in danger.

4. TAKE ADDITIONAL JUDICIAL NOTICE:

The corrupt U.S. Department of Justice's Office of Inspector General's Supervisor Eric Johnson (Operator 31 telephone conversation on Feb 8, 2016) was reported to numerous parties that he has been promoted to supervisor and continues to be corrupt after he issued a false response to the inquiry made by Congresswoman Berkley (NV) to protect the U.S. Attorney District for New Jersey Chris Christie and former 1st assistant U.S. Attorney Stuart Rabner now in control of the State of N.J. Judicial Branch Stuart Rabner after being the State of New Jersey's corrupt Attorney General is now its Chief Justice and was followed by Ann Milgram, Paula Dow, Jeff Chiesa and now Acting State of New Jersey John Jay Hoffman, Esq. who has never been even nominated as New Jersey's Attorney General in 10 months by the corrupt Gov Christie who embraced President Obama on Superstorm Sandy while he abolished the office of Public Advocate that protected the beach property owners from being taken over by a failed power play of eminent domain for private use and failed New jersey which has suffered 8 downgrades in a row in its bond ratings while the city of Atlantic city has been a atrophy under Christie and he also abolished unconstitutionally the Affordability Housing Authority as determined by the State of new Jersey's Supreme court. for New Jersey, he has been a disaster and as U.S. Attorney District of New Jersey he used that power to go after his opponents as Sen Menendez who disagree with Obama's refutation of the U.S.

A. long time ally Israel. who is too busy running for President despite getting abysmal voter approval in Iowa and New Hampshire even after he spent many days in New Hampshire trying to get the people's votes. as the State of New Jersey is as described by Gov Jon Corzine in his State of the State speech: New Jersey is both morally corrupt and fiscally bankrupt and does NOT enforce its laws. In the State of Nevada, in my opinion, the second most corrupt State in the United States of America following the State of New Jersey, its attorney general does not even have an organization chart in months and the City of North Las Vegas police refuse to give you a blank complaint form while Congressman Crescent Hardy after you attempt to get a meeting with his staff at their convenience has the U.S. Capital Police attempt to intimidate you as noted on <http://thomascaggiano.com/nevada> and the State of Nevada's Office of Attorney General like the many corrupt State of New Jersey Supreme Court District Ethics Committees do NOT assign a CASE file number nor Docket numbers nor do Sussex County, Morris county and City of Newark municipal court file CDR-1 or CDR-2 when Affidavits of Probable Cause affidavits are attempted to be filed nor even if given the opportunity to be entered into the Court record system and signed under oath nor in more than 60 filed cases with the totally corrupt Government Record Council in over a decade has one hearing with testimony been allowed and it falsely states it can not even have a hearing before its corrupt members who are Cabinet level officials and corrupt attorneys for as stated and ignored by the GRC which is so corrupt it ignores its own hand book Steps 6 - 8 noted below (**emphasis added**):

*Step 6: If the Council is unable to make a determination about whether a record should be provided based solely upon the submissions, **the Council may conduct a hearing on the matter at its discretion. The hearing will be held in conformity with the rules and regulations for hearings by a state agency in contested cases under the Administrative Procedure Act, when they are applicable.***

*Step 7: **Following the hearing, the Council will, by a majority vote of its members, render a decision as to whether the government record in question, or a portion of it, must be made available for public access to the requester.***

*Step 8: If the Council determines by a majority vote that a custodian knowingly and willfully violated OPRA and is found to have unreasonably denied access **under the totality of the circumstances, the Council will impose penalties provided for under OPRA.***

For over 5 years requests for one's own court record have been denied me by numerous municipal courts in the City of Trenton, City of Newark, and through-out Morris and Sussex Counties as known by hundreds of persons for as noted on <http://thomascaggiano.com/acjcglenngrant.pdf> the Judiciary of New Jersey and its other Branches of government as stated by the FBI special agent in Newark, N.J. is the most corrupt State in the United States of America and as shown by dozens of Superior and

Municipal Court orders issued against me in violation of 18 U.S.C. § 241 and § 242 and N.J.S.A. 2C:30-5.c and N.J.S.A. 2C:30-6.a I have more civil rights in every country in the world then in the United States of America for under MER-C-102-07 Government Record Council (GRC) v. Thomas Caggiano I am not even allowed within 1,200 ft. of the Department of Community Affairs building with one exception, I with a State trooper present can attend an Open Public Meeting only of the GRC but during the public discussion period I am not allowed to speak and must leave the Open Public meeting as soon as any complaint submitted by me is on the docket. if one attends the GRC open public meeting, one does not even know what the voting members are voting on except the decision of its series of corrupt executive directors , all attorneys, from Catherine Starghill, Esq. to present. and under SSX-C-21-15 Township of Wantage v. Thomas Caggiano I am not even allowed to hire an attorney nor any representative now enter any structure in Sussex County eve none's own home. and with out any court orders at all, the Borough of Stanhope wrote me a letter you are banned from the Borough of Stanhope municipal facilities and even live at 10 East Drive, Stanhope, N.J. 07874 which is now in bankruptcy as the mortgagee has failed to pay mortgage payments in two years, failed to pay taxes and has its property owner Ms Bailey defaulted on her mortgage to Thomas and Kathryn Caggiano who are not even allowed to file a Writ of Execution for foreclosure with the corrupt Sussex county sheriff nor request any government record by Open Public Record Act nor Common Law Right of Access from the Sussex County Board of Chosen Freeholders, Sussex County Sheriff or Township of Green under Dockets SSX-C-1-13 and Consolidated SSX-C-43-13 by four corrupt County entities..

These are the just a few of the criminal Retaliation acts noted in detailed reports to the corrupt FBI and the State of New Jersey criminal division as well as dozens of others via press releases issued by inside on the Outside to expose corruption throughout government at all levels. that has occurred noted on thomascaggiano.com that the corrupt U.S. District Court District of Nevada magistrate Judge George Foley Jr. who was protected by the U.S. Court of Appeals, <http://thomascaggiano.com/USCOURT.pdf> and the U.S. Attorney Lynch and FBI director as shown on <http://thomascaggiano.com/LYNCH.pdf> and <http://thomascaggiano.com/LYNCHUSPS.pdf> and many others as shown on <http://thomascaggiano.com/CORRUPTFBI.pdf> and <http://thomascaggiano.com/HARDY.pdf> as his false finding is published on <http://thomascaggiano.com/STANDING.pdf> which in my opinion prove Tort Act violations of Breech of Duty, Causing Emotional Distress and Outrage with codes of Etchis, 18 U.S.C. §4 nor N.J.S.A. 2C:2-1 for the State Bar Association and the Sussex County Bar Association were made fully aware of the corruption of its attorneys as well as the corrupt Patrick Hobbs hired by the corrupt unethical Gov Christie, Esq. who like his corrupt Lt. Gov. Kim Guadagno, Esq. did NOT as required by the Rules of Professional Conduct requirements report his is own deputy chief of staff for lying to him about Bridgegate nor has his pawn, John Jay Hoffman, Esq. filed any complaint to the corrupt Mercer County Supreme Court District Ethics Committee which is itself corrupt as shown by the following published documents.

a. <http://thomascaggiano.com/110110ethicscomplaint.pdf>

b. <http://thomascaggiano.com/121202OAEkaryngordoncomplaint.pdf>

I was involuntary committed by the corrupt Hopatcong Borough police and forced to take drugs against my desires which reduced my red blood cells 50%.

I have been assaulted by State of New Jersey Police three times.

I was visited or telephoned by corrupt Borough of Stanhope Police, as State Police even forced me down the long steps of the Department of Community Affairs and banned me from all State property including the sidewalk.

U.S. Marshals and the U.S. Capitol Police were used to threaten me as my wife Kathryn Caggiano and I received four death threats after I testified at a corrupt Borough of Stanhope Land Use Board against State and Borough Officials and the bribed John Cilo Jr who pretended for decades to be a municipal engineer or borough engineer and then some deceptive title Land Use Board Board Engineer as the Borough of Stanhope with its accomplices directed developers and property owners to change Title Blocks calling him by a fictitious title as Omland Engineering Associates who also threatened me acted without any valid contract as municipal engineer but allowed John Cilo Jr. to sign drawings and map in violation of the State's Map Filing Law..

I have been defamed in public and by third parties in the deceitful accomplices of the many municipalities in Sussex county its official newspaper the New Jersey Herald.

I have been defamed in court, in newspapers, town council official minutes, news bulletins, in public meetings as and by the GRC its if false findings and used as its example to deny other persons their OPRA civil rights.

I have been taken in an ambulance from the corrupt Borough of Stanhope Police station and taken in handcuffs from the corrupt Sussex County Jail wherein prescribed drugs were denied me forcing me to have treatments in a hospital

The corrupt Hopatcong police in a set-up by its corrupt former Mayor Clifford Lundin, Esq. who had me convicted in its corrupt Borough of Hopatcong municipal court now the corrupt Shared municipal court of the Borough of Hopatcong and Borough of Stanhope which as refused to provide me copies of my own court records in over 5 years, had me put in a four point restraint in the corrupt Newton Memorial hospital, denied one telephone call despite my objections, drugged unconscious, taken to the corrupt Carrier Mental clinic and forced to take drugs as I demanded to be transferred to a jail for my protection. I also note the Department of Justice's Civil Division Special Litigation Unit has been contacted for years, per the letter to me by the State of Nevada Attorney General published on <http://thomascaggiano.com/NVattorneygeneral.pdf>, as the inmates, like me, in the corrupt Sussex County jail were treated with cruel and unusual punishment as improper medical care and social services were provided and its control agents ripped apart filed written grievances in front of the inmates as I wrote dozens

and wrote useless letters to the FBI and Sussex County Board of Chosen Freeholders during my 85 days of false imprisonment. The jail also charged outrageous fees for cost plus contracted supplies making the contractor wealthy at the abuse of the inmates including the outrageous telephone charges as young people are given outrageous sentences so the County and the Contractor supplying the supplies become wealthy at tax payer expense.

I have been falsely confined / imprisoned in criminal coercion striking fear into other witnesses as others were also fired from government positions, private citizens who filed complaints with the corrupt NJ Attorney General's Department of Law and Public Safety's Department of Consumer Affairs were also threatened with law suits, brought into court, et. al as others suffered bodily harm and retired from their government positions on disability for those that report official corruption, signed petitions citing safety and health violations which are documented and confirmed upon my filing complaints to by the State of New Jersey's Soil Conservation Committee with its current executive secretary the corrupt Frank Minch who replaced the corrupt James Sadley and continued criminal conduct in the Department of Agriculture and Department of Environmental protection and others as well as and the Department of Community Affairs Codes of Standards for violation of the uniform construction codes, as I and others who reported bribery, lack of contracts have been constantly attacked by government to suppress others from fear and loss of their livelihoods as I noted to the corrupt Board of Chosen Freeholders (Sussex County) which can be heard on the audio recording obtained under OPRA on

<http://thomascaggiano.com/081105SussexCountyFreeholdersMtg.mp3>

and in the Sussex County Prosecutor's Grand jury room years earlier published on:

<http://thomascaggiano.com/060614fitzgibbonsscpo.mp3>

I have no civil right to hire any attorney or have any representative per court orders issued under docket SSX-C-1-13 Consolidated as noted by the corrupt GRC on the State's own web site with a long history of giving aide to others to prevent detection and apprehension is self evident upon reviewing the sampling of more than 60 denials of access complaints submitted and the GRC findings without any hearing nor attempt to resolve vast differences of submittals by the parties always siding with the corrupt government agency the GRC protects:

As noted in http://articles.philly.com/2012-06-18/news/32282995_1_christie-grc-council-members

MATT KATZ IS AN INQUIRER TRENTON REPORTER

"Called the Government Records Council, this agency adjudicates appeals from all levels of New Jersey government, from your school board on up to Christie's office. I reviewed its records, excluded obviously frivolous complaints, and found that under Christie, the GRC has ruled on 44 cases involving state departments.

And all 44 times, the GRC sided with the Christie administration.

The GRC is supposed to have five members appointed by the governor, but Christie has left it with three for most of his term. There are now four, including a Christie campaign donor, Christie's education commissioner, and Christie's community affairs commissioner.

And though the 44-0 record compiled by the short-staffed GRC is interesting, if you were to show up at a GRC meeting, you wouldn't be able to keep score yourself.

You might hear cases involving, say, the Department of Environmental Protection or the Camden City school board. And you would hear votes tallied by council members. But in a novel approach to governing that only Kafka could appreciate, you would not know what those votes meant. Who won? Who lost? Who knows?"

To read some of the corrupt GRC decision process since the GRC holds no hearings allowed per the OPRA law so that the public can watch the parties confront one another or even find out what is the record requested that is denied as I have lost over 60 cases:

by the corrupt Superior Court Judge Hansbury, P.J. General Equity and had other civil rights removed by the Assignment Judges in Sussex and Morris Counties and Judges in Mercer County supporting a corrupt Government Record Council with the active aide of the accomplices Laddey, Clark and Ryan LLC and the Department of Law and Public Safety' Division of Law Deputy Attorney Generals. nor write any representative, submit an OPRA or Common Law right of access.

I and my wife Kathryn have court orders issued agaisnt us without a docket number by Judge Thomas Manahan, P.J.S.C. with no notice or hearing that neither of us and he spelled her name wrong as Katherine can even have any Probable Cause hearing before any municipal judge in Morris or Sussex County on any Affidavit of Probable Cause for any quasi-criminal or criminal complaint.

We can not file an OPRA request in the Borough of Stanhope, Sussex County nor live together in any home in Sussex County and if my wife, Kathryn Caggiano, became a Sussex County employee I would not be allowed to communicate with her.

We can not file deeds or communicate to the Tax Board of Sussex County located in the Sussex County administration complex nor Borough of Stanhope

I have more civil rights in every county in the world then I have in the State of New Jersey and the State of Nevada is no bargain either but at least it calls itself Sin City - see <http://thomascaggiano.com/nevada/> as its attorney general does NOT even have an organization chart after being in office for months and his staff does NOT even know who to contact as its NV AG office does NOT assign complaint numbers nor investigate very serious complaints against HOAs, and State of Nevada Departments that protect developers, HOA and Financial Real Estate community service companies.

Under the corrupt Chris Christie the State of New Jersey bonds have under the Christie administration have dropped in its rating nine times, http://http://www.nj.com/politics/index.ssf/2015/04/nj_credit_rating_cut_record_ninth_time_as_moodys_c.html, and NOT one single person has been indicted on any criminal nor even quasi-criminal charged for harassment on Bridgegate by the corrupt Acting New Jersey not nominated in 10 months John Jay Hoffman a pawn of Gov Chris Christie and a prior employee like many in the nihilistic Gov Christie, attorneys from the corrupt U.S. Attorney District of New/ Jersey that went after Democratic Senators as done by the corrupt Paul Fishman, Esq. who replaced the corrupt Christie and protects his minions in a wide known conspiracy as the office of Governor using fraud, lies under oath in the Statements of Information prepared by John Jay Hoffman's Division of Law and ignore Common Law Rights of Access and constantly repeat reference to the same court case for justification denial of access even though the corrupt Government Record Council has stated the OPRA request is valid but the GRC dreams up new untruthful rationale to deny access to the office of Governor's records on Bridgegate and other matters. are not applicable but devise erroneous findings by fraud to report the Office of Governor on any issue regarding Bridgegate or any OPRA request made of the office of Gov of New Jersey that does NOT even provide written signed responses in its denial of access complaints which per OPRA are not even acceptable responses.

The State of New Jersey's Executive Branch is one of fraud, retaliation, deceit, accomplices to give aide to one another in a repeated pattern of criminal conduct in a structured government enterprise with a willful and orchestrated pattern of official misconduct, false audited financial reports, false annual individual financial statements, false statements to third parties and newspapers such as the New Jersey Herald that repeatedly issued deceptive news articles supporting the many corrupt municipalities through-out Sussex County as the law firms are repeatedly retained by the municipalities for decades and the official newspaper is just a conduct for defamation of the character of Thomas Caggiano to assure the municipalities kept the newspaper as their official newspaper getting contracted services on a sole source basis for decades. and criminal coercion, and prevention and detection of its own criminal conspiracy with many collaborators from the City of Trenton to the City of Newark and through Sussex, Mercer and Morris Counties as shown n the 43 exhibits provided the U.S. District Court by the Plaintiff itself under oath as a verified memorandum to remove my U.S. Constitutional

Rights to even obtain copies of my own municipal prosecutor records and the Township as known by dozens have refused like other municipal courts refused to provide me copies of my own court records in over 5 years even on cases that are still ripe for under SSX-C-1-13 consolidated, the corrupt Morris County and Sussex County Superior Court Judge Hansbury, P.J. General Equity as documents on the State of New Jersey's government Record Council's own web site in my filed complaints for denial of access deny me any access to OPRA or Common Law Rights of Access to any government record from the corrupt Sussex County Board of Chosen Freeholders, sheriff and Township of Green; denies me the right to hire an attorney or any representative, go to Open Public meetings, write, email, telephone for fax any representative, officials or any employee, attend religious services held in the Sussex County administration complex, any Federal representative or State representative open public meeting, file any grievances, go into any structure in Sussex County such as my home, a motel, a rest room, a Mc Donald's, its county park or file a request deeds as the retribution even includes retroactively changing court orders denying me my civil rights, fining me thousands of dollars and threatened me with an arrest warrant if such fines are not paid which they were not as the corruption was reported to the FBI, NJ Attorney General, numerous local police, State Senators and members of the Assembly and newspapers from coast to coast by Inside on the Outside on FreedomNewsDigest.com and ThomasCaggiano.com for on fact over a decade of Retaliation Gov Chris Christie, Lt Gov and Secretary of State Kim Guadagno, Acting New Jersey Attorney General John Jay Hoffman who has not been nominated as NJ Attorney General in 10 months and other members of the totally corrupt Christie administration protected by U.S. Attorney District of New Jersey Paul Fishman and superiors noted in thousands of U.S. District Court and State of New Jersey Supreme court ACJC, OAE, OAC, Superior Court and municipal court records including those noted in my letter to the corrupt Department of Justice's corrupt Public Corruption Unit published on

<http://thomascaggiano.com/PCU.pdf>

and that retaliation by the U.S. Government has only increased after Senator Lautenberg requested a review by the corrupt U.S. Attorney District of New Jersey then lead by the corrupt U.S. Attorney Chris Christie with his gang of felons that through Nihilism he had transferred to control the State of New Jersey's Supreme Court being Stuart Rabner, his Lt Gov and Secretary of State Kim Guadagno and his corrupt Chief Counsel, then New Jersey Attorney General and then interim Federal Senator C=Jeffrey Chiesa, Esq. followed by the corrupt John Jay Hoffman, Esq. who has remained his pawn as acting State of new Jersey Attorney General without being nominated in 10 months as known by his replacement the corrupt U.S. Attorney Paul Fishman, Esq. known by U.S. Attorney Loretta Lynch and FBI director Comey, Jr <http://thomascaggiano.com/LYNCHUSPS.pdf>

Mr. Thomas Caggiano
7086 Arcadia Glen Court
North Las Vegas, NV 89084

Dear Mr. Caggiano:

The Nevada Real Estate Division (the "Division"), Office of the Ombudsman for Common-Interest Communities and Condominium Hotels received your lengthy voicemail on Monday October 13, 2017, regarding the prohibition of you interacting with staff in person or by telephone.

I spoke with the Chief Investigator Darik Ferguson and was informed that in July of 2016, Administrator, JD Decker sent out an internal email regarding your behavior/anger with government agencies, which included the Division. At that time, Administrator Decker determined it was appropriate to prohibit you from inundating Division staff, in person or by telephone, with hour long voicemails and complaints. Although you were not formally noticed of this prohibition, as the Ombudsman I have determined that there is still good cause to continue enforcing this requirement.

Please be advised that the Division will only accept correspondence from you in writing. In addition, staff will no longer respond or act upon any written complaints, emails or voicemails that are of the same nature and have previously been adjudicated through this office.

If in the future we can be of assistance to you on another matter apart from the matter stated above, please don't hesitate to contact us.

Sincerely,

Charvez Foger
Ombudsman

Calling into the call center only results in relation and malicious judicial harassment by FSR and the HOA. Its Michael Breault President stated out loud in both HOA he as noted he was honored to be protected by the FBI (like Clinton and the Banks too big and powerful to bring criminal charges against). I have now met over 30 police officers. My complaint to the corrupt NV Real Estate division is published on <http://thomascaggiano.com/FSR.pdf>. this is an Open Published record as an opinion on <http://thomascaggiano.com/nevada/171012FSRsurveyresponse.pdf>

FSR has filed a perjured protective order request 17PO1335 by FSR management team in conjunction with HAO Autumn Ridge Board members. Ami Reynaga file a perjured false report LLV170921001548 with Metro Police falsely stating she provided me copies for all records requested. My letter submitted by FSR's corrupt attorney Steven Scow esq. in his letter to the corrupt Justice Court which protected FSR under prior request telling FSR Joyce Winward a corrupt Regional manager to her face, FSR violated my HOA rights and I should sue them civilly. I met two Las Vegas Police officers M. Martin P38275 and A. Punkett P8275 giving a CD of massive evidence for even 170616-1961 addendum I gave to Ami Reynaga and also to the Aliant Master Ascotons excellent CM Joshua Roser and his excellent assistant CM Janelle Fuhrmann and its corrupt board members. Today, I went to North Las Vegas at the direction of the Las Vegas Police and met D. Krivak P2478 and M. Ollson P2294 and they separately called my wife Kathryn who confirmed everything I said about the corrupt FSR, HOAs and corrupt judges protecting the mall. They also wrote an incident report. I am writing an affidavit to have the corrupt judge Scincinto disqualified and gave NOTICE I will file at a cost of \$400 a motion to remove the case to the US District Court for as noted by the corrupt Justice court it has no authority to ban Thomas Caggiano and Inside on the Outside's publishing company which owns four websites domains two in USA thomascaggiano.com and free-

domnewdigest.com and one in Denmark and one in South Africa as we have visited both of those countries on our extensive foreign travels for stress relieve as ordered by my Doctor as prolonged mental stress is considered worse than waterboarding terrorism. My wife does not allow me to talk of the pandemic corruption in government at all levels. to about 80 countries. they were shown letters from the NV Attorney general directing me to the FBI and were made aware the corruption goes to the highest levels of govt see <http://thomascaggiano.com/WHITEHOUSE.pdf> and <http://thomascaggiano.com/USA.pdf>

1 they did is they lied. The attorney said he didn't
 2 submit the motions that he did. At that point I said
 3 there is no sense continuing this mediation, and I
 4 advised the firm to replace the attorney in writing.
 5 THE COURT: So what's going on now?
 6 What's happening?
 7 I understand -- you know, my concern I had
 8 on this matter is I can't stop him or prevent him
 9 from --
 10 MR. CAGGIANO: I also object to you
 11 hearing this case since I've requested you three
 12 times to disqualify yourself.
 13 THE COURT: We will do this. Your motions
 14 to disqualify have gone in front of the Chief Judge.
 15 He denied those.
 16 MR. CAGGIANO: I submitted another one.
 17 THE COURT: And to remove the Chief Judge
 18 and me from the case. I understand that, sir. I
 19 understand. You may file complaints against me with
 20 the judiciary. I understand that.
 21 MR. CAGGIANO: That's not what I'm --
 22 THE COURT: Go do that with Judge
 23 Bonaventure.
 24 MR. CAGGIANO: I provided the initial
 25 documents --

 5 THE COURT: Firstservice Residential,
 6 Nevada LCC, versus Thomas Caggiano, 16PO1647, and
 7 First Residential of Nevada LLC. Thomas Caggiano,
 8 16PO1647.
 9 Appearances for the record. Counsel.
 10 MR. SCOW: Good morning, Your Honor.
 11 Steven Scow on behalf of Firstservice Residential.
 12 THE COURT: Ma'am.
 13 MS. WINWARD: Joyce Winward, Firstservice
 14 Residential.
 15 THE COURT: And, sir, your name?
 16 MR. CAGGIANO: Thomas Caggiano.
 17 THE COURT: All right. There has been
 18 numerous motions on this which I don't understand
 19 half of them, but, really, to get to the crux of
 20 this, I ordered you guys into mediation.
 21 Did you go to mediation?
 22 MR. SCOW: We did.
 23 THE COURT: And nothing came of it?
 24 MR. SCOW: No.
 25 MR. CAGGIANO: That's incorrect. What

1 THE COURT: Here's what we have got. I am
 2 not going to back down from the case. You are going
 3 to try to get me removed. You are going to try to
 4 get another judge removed. You are going to keep
 5 doing that.
 6 MR. CAGGIANO: That is not true at all,
 7 Your Honor.
 8 THE COURT: The buck will stop here. I am
 9 going to handle this matter and I don't care what
 10 arrows you want to sling at me. I'm okay with that.
 11 We are going to deal with this today. We are going
 12 to take care of this today -- do you understand --
 13 because I want this to work.
 14 So you can say all the bad things about me
 15 that you want. I have read as best I can all of your
 16 motions. Judge Bonaventure has read the motions.
 17 Denied the motions to disqualify me as a judge.
 18 That being said, what's going on since
 19 then?
 20 My concern is the e-mails and the phone
 21 calls. Have there been any continuous e-mails and
 22 phone calls?
 23 MR. SCOW: There have. There have been
 24 numerous, actually.
 25 THE COURT: Phone calls?

Civil CASE IS CLOSED 3/21/17

Page 13

1 doing an improper job, you are supposed to complain
 2 to the HOAs, which I have done obviously.
 3 So what happened is I gave the initial
 4 filing to the Nevada Attorney General, and in the
 5 exhibit I provided you on December 30th, 2016, he
 6 suggested I report the HOAs and the community manager
 7 to the Nevada Real Estate Commission, which I've been
 8 doing for years, and they also recommended I report
 9 the judge to the Commission on Judicial Discipline.
 10 That's not my opinion; that's their opinion.

11 So the way the code works is if there is
 12 any reason that a judge should dismiss himself,
 13 disqualify himself, I believe the Nevada Attorney
 14 General, based upon the material that you have, had
 15 me report you to the Commission on Judicial
 16 Discipline, that's a reason for you to disqualify
 17 yourself. It's not even my opinion. It's the Nevada
 18 Attorney General.

19 So I believe that if the Nevada Attorney
 20 General is telling me to report you based upon the
 21 evidence of the documents I provided to you, which is
 22 actually which I filed with them, by the way, the
 23 first time -- based upon the documents I did file
 24 with the court, they advised me to report you to the
 25 judicial review committee.

Page 14

1 I believe that's enough reason for their
 2 position that you should disqualify yourself since
 3 the way the rule reads, if there's any reason a judge
 4 should possibly be disqualified, you should.

5 THE COURT: Let me stop you there. Let me
 6 stop you there because that's been addressed already
 7 with Judge Bonaventure, the Chief Judge on this
 8 matter. He's denied that motion.

9 MR. CAGGLIANO: But I sent another --

10 THE COURT: I am telling you that, you
 11 know, if I remove myself from this case, the next
 12 judge, you're going to bring up the same thing.

13 MR. CAGGLIANO: So can you give me the
 14 reason why --

15 THE COURT: What's that?

16 MR. CAGGLIANO: He can remove you for a
 17 technicality.

18 THE COURT: Yes.

19 MR. CAGGLIANO: Now, the problem with a
 20 technicality is as follows. There is --

21 THE COURT: Here's the deal. We are done
 22 with this because we're here only on this issue. I
 23 am not here to litigate whether you disqualify me or
 24 not. That's not what we are here for because I don't
 25 have the authority to determine qualification.

Page 15

1 That's up to something for Judge Bonaventure to do.

2 That's the proper procedure.

3 What I am trying to figure out is what we
 4 are doing to do so that you guys get along, so that
 5 you can attend the meetings and not be a bothersome
 6 to them in the sense of contacting them by e-mail or
 7 phone messages --

8 MR. CAGGLIANO: I'm contacting the HOA.

9 THE COURT: But you are able to attend
 10 your HOA meetings and grieve your problems that you
 11 have with them because you have a right to grievance.

12 MR. CAGGLIANO: They don't allow it.

13 THE COURT: You have a right to present
 14 that. I have no problem with that, but you don't
 15 have a right to harass --

16 MR. CAGGLIANO: I'm not harassing them.

17 THE COURT: And so that's what we are
 18 trying to get to.

19 MR. CAGGLIANO: But they're violating their
 20 contract.

21 THE COURT: Well, that's a civil matter.
 22 You need to file civilly.

23 MR. CAGGLIANO: No. Provide false
 24 documents to you.

25 THE COURT: All right. I have read your

Page 16

1 report. And let me tell you, I asked you about your
 2 age one time, not about age discrimination, but to
 3 let you know that there comes a time in life where we
 4 are not going to be here much longer --

5 MR. CAGGLIANO: You are doing the same
 6 thing. I suggest you stop that.

7 THE COURT: You want to leave --

8 MR. CAGGLIANO: I suggest you don't bring
 9 that subject up.

10 THE COURT: Here's the deal --

11 MR. CAGGLIANO: And let me say something
 12 since you asked that question --

13 THE COURT: Let me stop you there because
 14 I want you to understand one thing. This is my
 15 courtroom. Whether I'm right or wrong and whether
 16 I'm violating the laws, I still am in charge of this
 17 courtroom.

18 MR. CAGGLIANO: Yes, Your Honor.

19 THE COURT: I am letting you talk, but I
 20 will remove you from this courtroom and place you in
 21 custody if you have disrespect for this Court or show
 22 contempt for this Court or violate any rules of this
 23 Court. Do you understand?

24 MR. CAGGLIANO: Yes, Your Honor.

25 THE COURT: So while I am asking you

Page 17

Page 19

1 something, I am trying to explain it to you, I will
 2 not be interrupted. Do you understand?
 3 MR. CAGGIANO: Yes, Your Honor.
 4 THE COURT: Now, I have shown you nothing
 5 but respect, and I understand that you've gone to the
 6 District Attorney's Office and was asked to be
 7 removed from there and they were going to bring
 8 marshals down for you. They asked me to bring
 9 additional marshals down here because they were
 10 concerned about my safety.

11 I don't care about that, and I've let you
 12 speak and I'm been very nice to you and I have let
 13 you speak and I've tried to help you in any way that
 14 I can, but I will not be disrespected in this
 15 courtroom. Do you understand?

16 MR. CAGGIANO: You don't have to repeat
 17 yourself. I heard it.

18 May I say something?

19 THE COURT: No.

20 How we going to get him so he can go to
 21 these meetings because he has a right to, he has
 22 every right to grieve any problems that he has. What
 23 are we going to do to make sure he does that?

24 MR. SCOW: We agree, Your Honor, and the
 25 procedure is the one that's been provided to him

Page 18

1 before.

2 THE COURT: Provided to everybody?

3 MS. WINWARD: Yes.

4 MR. SCOW: Provided to everybody.

5 THE COURT: In other words, I don't want
 6 him treated separately and differently. If everybody
 7 has a right to attend, then he has a right to
 8 attend. Do you understand what I am saying? He's
 9 got a right to attend the meetings. I can't stop him
 10 from doing that.

11 So if everybody has a right to attend, he
 12 has a right to attend. Anybody who goes by phone
 13 messages or phone calls, then he can do that. I
 14 can't prevent that.

15 Now, if there is a separate thing that you
 16 guys have said that you don't want him there, that's
 17 something he's going to have to take up separately.
 18 I'm not ordering that. If that's a different thing
 19 you guys do, he's got to sue you civilly on that
 20 matter. All right.

21 What about these e-mails and text
 22 messages?

23 MR. SCOW: So the e-mails, I guess my
 24 biggest concern, Your Honor, is after the hearing we
 25 had about two months ago where --

1 MR. CAGGIANO: I object. Can he present
 2 them as evidence?

3 THE COURT: Hold on a second. We'll
 4 address your opposition.

5 MR. SCOW: -- where he was instructed not
 6 to e-mail my client further, that's happened numerous
 7 times.

8 THE COURT: But how does he e-mail, how
 9 does get a hold of them as a homeowner?

10 MS. WINWARD: A letter, a written letter
 11 which we have passed on --

12 THE COURT: What's the difference of
 13 e-mail or letters?

14 MS. WINWARD: The e-mails are so numerous
 15 and they don't pertain to association matters. They
 16 pertain to everyone's going to sue and everyone that
 17 has a conspiracy against him. It has nothing to do
 18 with HOA matters. So basically we are receiving
 19 numerous e-mails that have nothing to do with the
 20 association or management he's a homeowner in.

21 THE COURT: Mr. Caggiano.

22 MR. CAGGIANO: Yes, Your Honor.

23 THE COURT: Respond

24 MR. CAGGIANO: Thank you. The e-mails are
 25 showing you what's called the totality of

Page 20

1 circumstances. It shows them -- I am trying to
 2 convince the HOA members that they should remove
 3 Firstservice Residential as their -- under their --
 4 as their contractor

5 They are providing improper services.
 6 They are abusing the homeowners and they've abused me
 7 for years. They haven't complied with Nevada state
 8 law which is provide documents. The Nevada Real
 9 Estate Division has written false findings and
 10 protected the HOA and community manager.

11 I have not met -- to show you an example
 12 of the Nevada Real Estate Division. I asked for a
 13 meeting at their convenience. Mrs. Jackson said she
 14 didn't have an opportunity to meet me for three
 15 minutes for five months. So it is impossible to meet
 16 with the Nevada Real Estate Division people.

17 At the direction of the Nevada Attorney
 18 General, I again complained and submitted another
 19 complaint to the Nevada Real Estate Division against
 20 the HOAs. They don't allow executive sessions, even
 21 though if you are on the docket. They demand unlike
 22 the other HOA -- the other HOA allows people to
 23 talk

24 Every topic that comes up, there is an
 25 open public discussion period. There is also an open

14 CHAIRS.

15 MR. CAGGLIANO: So I'll sent out the e-mail
16 and I'll mail a copy to them. That is what I did the
17 last time. The reason why I sent the e-mail was
18 because of the time constraint. I just came back
19 from Mexico.

20 THE COURT: Would you send them mail
21 instead of e-mails?

22 MR. CAGGLIANO: Sure.

23 THE COURT: You agree to that?

24 MR. CAGGLIANO: No problem at all. However
25 I will say that violates the contract that they have.

Page 26

1 THE COURT: And you every right to file a
2 criminal or civil matter against them for violation
3 of their agreements that they have.

4 MR. CAGGLIANO: I have no problem with
5 that. I'll send them e-mail --

6 THE COURT: Here's what we've got. All
7 right. As I stated before, this is -- doesn't rise
8 to the level of a workplace violation. You may not
9 agree with what he's saying and stuff like that, and
10 I understand, you get verbose at times and go off on
11 tangents, but he has a right as a homeowner to be at
12 the homeowners meetings and associations, and I can't
13 prevent that nor can I prevent him from filing
14 anything on the Internet or posting anything.

15 So I was hoping through mediation that you
16 guys would work something out. I do not see that.
17 At this time because the request is for a workplace
18 temporary protective order and it does not rise to a
19 workplace violation -- that does not mean it is not a
20 personal violation, and I will not give any advice on
21 that, but I am going to deny the motion at this
22 time. So for workplace violation, this matter is
23 denied. Case is closed. All right.

24 That being said, if anything else is filed
25 by either side, this Court maintains these cases.

17 July 2017.

15 THE COURT: You can file anything you
16 want, sir. The Court will address it.

17 MR. CAGGLIANO: Thank you.

18 THE COURT: What I said was, this is a
19 matter -- this is not a violation of a home -- or a
20 workplace violation. I don't find that it reaches
21 that level, but I do find conduct that is absurd and
22 bothersome and possibly could be harassment --

23 MR. CAGGLIANO: Which conduct --

24 THE COURT: -- which I would have to
25 address on another date. So that being said, this

Page 28

1 matter is denied. This case is closed. All right.

2 MR. SCOW: Thank you, Your Honor.

1 MR. CAGGIANO: And the reason for that, it
 2 has to be certified, according to the Nevada Real
 3 Estate Division.
 4 THE COURT: There you go. All right. And no
 5 more e-mails to them.
 6 MR. CAGGIANO: No problem.
 7 THE COURT: Other than, you know, if you're
 8 on an e-mail notification. But stop notifying and stop
 9 calling them, except to call in for the meeting.
 10 Counsel.
 11 MR. SCOW: And, Your Honor, what we'll do is
 12 we'll call and schedule the mediation for February, and
 13 then we'll send that out in the mail to Mr. Caggiano.
 14 THE COURT: They will contact you. You both
 15 will contact the mediation place across the street.
 16 They will contact you individually and set up a time to
 17 try to work out. So you do not need to set this. It's
 18 an independent mediator. Okay.
 19 MR. SCOW: I guess I was asking that because
 20 it says on here we're supposed to call them to schedule
 21 it.
 22 THE COURT: Yes. You call and they'll say
 23 when is good. We understand he's not going to be here
 24 during January, so we're going to make it some time in
 25 February.

1 Sir, what I want you to do is have a seat.
 2 I'm going to ask you to stick around for about five
 3 minutes. I'll have you guys leave. You don't have any
 4 reason to stick around the courthouse, do you?
 5 MR. SCOW: No.
 6 THE COURT: That way you don't run into him.
 7 So a 90-day return court date for status

 9 THE CLERK: March 21st at 10:30.
 10 THE COURT: To come back to this court to see
