**Last update Dec 1, 2013 Tyranny in the United States of America is exposed
from Coast to Coast at all levels of Government**

Thomas Jefferson: When the people fear the government, there is tyranny. When the government fears the people, there is liberty.

A Bill of Rights is what the people are entitled to against every government, and what no just government should refuse, or rest on inference.

In the U.S.A. the Bill of Rights is only on paper and does exist in its corrupt courts but instead hubris and tyranny exists.

A print-out of this listing of exhibits is published on <http://thomascaggiano.com/corruption/exhibits.pdf> [available here](#)

Based upon my personal knowledge the following appears to represent the tyranny in the U.S.A. and various States using the notorious State of New Jersey as an the primary example in a work breakdown structure (WBS) analysis of the corrupt federal, state, county and municipal governments and their structures of corruption.

The corruption in government within the United States is exposed by our 12 year long Case Study and continuous retaliation as I and many informants have and continue to be retaliated against as the level of corruption and tyranny, threatens only increases as freedoms of Speech, Freedom of Assembly, Freedom of presenting grievances, attending Open Public Meetings, submitting Common Law rights of Access and all due process are all violated.

The Constitution of U.S.A.A., New Jersey, Nevada, do NOT matter nor court rules as tyranny has spread from coast to coast with more conspraaats joining every month to preven the detection and apprehesnion of now a number great then 200 persons as we have stopepd counting.

and civil rights of due process, attending meetings, hiring an attorney and even walking on the sidewalk or hiring an attorney or even paying taxes in advance are supressed by totally corrupt court orders and total corruption of Government attorneys and judges at all levels of Government.

yet continue with even more threats.

The corrupt US Department of Justice, its U.S. Attorney Eric Holder, U.S. Solicitor General, Public Integrity Section, FBI, USPS inspection service, U.S. Treasury, Office of Inspector General of numerous federal agencies, Congress and Gov of New Jersey under the corrupt Jon Corzine administration and the even more corrupt Chris Christie administration.

The U.S. District Court District of Nevada is corrupt as now three judges are referred to the DOJ Public Integrity Section Judges Gloria M. Navarro and Jennifer A. Dorsey and U.S. Magistrate George Foley, Jr. for on Oct 2, 2013 the corrupt Judge Dorsey agreed with the dismissal of my Writ of Mandamus for a federal Grand Jury as fraud has been constant in U.S. District Courts and the Las Vegas Clark County Court and through-out the infested State of N.J.

NEW JERSEY'S courts are corrupt from its Chief Justice Stuart Rabner, its Administrator of Courts (OAC) the corrupt Glenn Grant, J.A.D., its Office of Attorney Ethics (OAE), Supreme Court District Ethics Committees, its Advisory Committee on Judicial Conduct (ACJC) as NJ's corrupt judges at all levels are protected by its Speaker of the Assembly Shirley Oliver, its N.J. <http://thomascaggiano.com/acjcinnes.pdf> NJ's Supreme Court's ACJC protects judges <http://thomascaggiano.com/121202OAEkaryngordoncomplaint.pdf> NJ's Supreme Court's County District Ethics Committee and Office of Attorney Ethics (OAE)protects government attorneys with lots of corrupt attorneys in an organizaton controlled by the corrupt Gov of N.J. Chris Christie (R) and his Cabel level officials and done before by the corrupt Jon Corzine (D) through-out NJ corruption is ubiquitous.

The Department of Community Affairs' Codes and Standards Division protects corrupt construction code officials and municipalities, Local Government Services Department, Local Finance Board engaged in fraud, give aide to others in preventing detection and apprehension, as its court were criminally used to issue unconstitutional court orders in a wide ranging conspiracy to protect structured organizations engage in a repeated pattern of agreed criminal conduct called racketeering with bribery, perjury, deceptive minutes,

The nomenclature for the link is <http://thomascaggiano.com/filename.pdf>

<http://thomascaggiano.com/131130tyranny.pdf> a **16 Page letter to numerous Federal Senators and members of the House of Representatives**, corrupt U.S. Attorney Eric Holder, the corrupt Gov Chris Christie of the infested State of New Jersey, complaint to the new Acting Attorney General Mythili Raman, Esq. for the DOJ Criminal Division and the corrupt Public Integrity Section that protects corrupt U.S. District Judges and a request for copies of court orders from the corrupt Morris/Sussex County Vicinage as the court orders filed do NOT even agree with those the corrupt Sussex County Prosecutor David Weaver in Newton, NJ 07860 mailed me as he only sent me some of the corrupt court orders. Many references are provided exposing the cover-up since Aug 1, 2002 as published in the New Jersey Herald's own story as the cover-up only increases with more retaliation and more threats from the corrupt Office of Attorney General from the State of N.J.'s corrupt Department of Law and Public Safety's own corrupt Division of Law under Docket MER-C-102-07 GRC v. Thomas Caggiano as now already four Superior Court Judges have violated their code of ethics and allowed unconstitutional court orders to be issued on Docket SSX-C-1-13 corrupt Township of Green v. Thomas Caggiano and Docket SSX-C-43-13 by numerous Sussex County, Newton, NJ 07860 corrupt county officials. The corrupt law firm Mc Connell, Lenard and Campbell LLC for the corrupt Board of Chosen Freeholders won't even identify its attorney anymore representing the corrupt Sussex County Sheriff and other county officials and employees.

<http://thomascaggiano.com/NVattorneygeneral.pdf> Letter from State of NV Attorney General with comments that the crimes against my civil rights rise to life or death sentences and duties of the DOJ Civil Rights Division to file federal civil suites against agencies, jails, etc.

The Department of Justice's Civil Division's Special Litigation Section per Title 42, U.S.C., Section 1997 was provided great details of the corruption of State of NJ Mental Health Services facilities, the Sussex County Jail in Newton, NJ 07860 and other corrupt towns and agencies that fall under the DOJ jurisdiction.

Read my comment posted on Senator Hatch's comment page about the corrupt Gov

Chris Christie for Senator Orin Hatch must think Christie walks on water but in fact with the Democratic machine in the infested Essex County on the Hudson river is where Christie worked as the corrupt U.S. Attorney in Newark, N.J. where as the corrupt Gov Christie, Esq. and LT. Gov Kimberly Ann Guadagno, Esq. as she was a former partner in crime in the U.S. Attorneys's office in Newark and the corrupt Morristown sheriff where the corrupt Assignment Judges hold their corrupt courts.

Watch the corrupt Assignment Judge B. Theodore Bozonelis, A.J.S.C. followed by an even more corrupt Assignment Judge Thomas L. Weisenbeck for their court orders violate the State of New Jersey's Constitution which has MORE rights then the U.S. Constitution's Bill of Rights.

<http://thomascaggiano.com/videobozonelis.asf> Corrupt Judge Bozonelis court video Morristown, N.J. Morris County Superior Court

Watch the corrupt Thomas L. Wesienbeck, A.J.S.C.

<http://thomascaggiano.com/videoweisenbeck.asf> Corrupt Judge Weisenbeck in the same court room

The corrupt Department of Law and Public Safety's Division of Consumer Affairs is located in the hub of corruption in Essex County being the City of Newark. Christie's independent corrupt Office of Administrative Law (OAL) with its Administrative Law Judges and Chief and Director Laura Sanders, Esq. and the prior home of the former corrupt Mayor of Newark Cory Booker now Federal Senator with the corrupt Speaker of New Jersey Assembly Shirley Oliver the Essex County Administrator and with its corrupt NJ FBI offices. As Eric Holder protected ex-Gov Jon Corzine and so has the latest corrupt Gov of New Jersey. New Jersey is proud of its corruption for it includes the totally corrupt Republican dominated Morristown where the corrupt Lt Gov for Christie was sheriff and has the corrupt Vice Superior Courts with the infested judiciary.

<http://thomascaggiano.com/131106congressmanhorsford.pdf> My posting on NV Congressman Horsford web site as he is on the House Oversight Committee that Eric Holder Jr was issued subpoena against but responded he will NOT even bring to the attention of the committee his own knowledge now for the corrupt Eric Holder as of course Senator Harry Reid has known about Eric Holder's corruption for at least 4 years.

You can thank him for NOT bringing up the 40 times the House of Representatives voted to change Obamacare which the President said the cancellation of millions of US Citizens Health plans are only a small number of people.

Over 5,000 doctors were fired in the State of Nevada alone. Some apology Obama, now blames the insurance companies for cancelling plans that do NOT comply with the 10,500 pages of regulations in Obamacare which the corrupt former Speaker of the

House Pelosi said you'll learn what's in Obamacare AFTER WE PASS the LAW and denies she ever used the term Obamacare. She lies like Obama - pants on fire.

Watch the you tube video [Pelosi speech on Obamacare passage](#) .. transparency in Government - still lies. Under Obamacare you must provide your social security number into a system that has no security and the health plan **while the insurance companies can't check for pre-existing conditons they can USE your credit score to deny you health plan coverage. How many poor persons have good credit score ratings?** So deception and half truths fill over 10,500 pages of Obamacare regulations or should it be renamed the Unaffordable Healthcare Act or simply Democrats Snake Oil Act..
