Dana, J.M.C., Vicinage Trial Court Administrator and Hon. Thomas L. Weisenbeck, A.J.S.C. and Vicinage Trial Court Administrator required for due process under the N.J. State Constitution and Rules Governing the courts and prosecution by William Hinkes, Esq. who falsely represented himself as a municipal prosecutor and alleged unethical conduct of that court's Court Administrator Maria Spiegler in violation of NJ Code of Ethics by mail fraud stating State Law prohibited a defendant from obtaining court records per R. 1:38

1. Per Directive #06-10 which I was as a layperson not aware nor did Robert Mattia, Esq. my attorney who refuses to provide me copies of his records as advise me of such a rule which promulgated R 1:38-10(b) and was also my directed attorney which both objected to the corrupt Sussex County Superior Court Judge N. Peter Conforti, J.S.C., Newton, N.J. who conspired with the State's Sussex County Prosecutor's Office in preparing fraudulent entries into the Judicial Record System under IND 08-09-316-I State vs. Thomas Caggiano that itself was dismissed by fraud, trickery and conspiracy by the Sussex County Prosecutor David Weaver, Esq. the former partner of William Hinkes, Esq. Rules of Ethics and Rules governing the courts by Judge Dana, J.M.C., Judge Mulhern (the Borough of Stanhope's municipal judge) and corrupt Laddey, Clark and Ryan LLC's Richard A. Stien, Esq. also engaged in fraud, trickery and judicial fraud with the above mentioned Judges and Lawyers and the apparently corrupt OAE/DRB and ACJC protect them all as complaints filed to the ACJC are published as Open Public Documents by me and Inside on the Outside on <http://freedomnewsdigest.com> and directly on the directory

Peter Conforti, J.S.C. and corrupt State's Sussex County Prosecutor's Office were municipal appeals 13-04-09, 19-05-09 and 31-09-07 and denial of access complaints were initially filed by the corrupt Department of Community Affairs's Government Record Council who conspired with the Chief Laura Sanders, ALJ and Judge James Geraghty, ALJ who were protected by the municipal court in the City of Newark as Affidavits of Probable Cause were filed therein and James Simpson the court person did NOT allow me to enter CDR-2 into the Judicial System nor did the corrupt Newton, Morris County or Morristown's, Morris County Judges as in violation of court rules the court administrators did NOT file the complaints also as required by court rules to the Morris County Prosecutor Office as it also has engaged of allegedly criminal acts violating postal laws, federal criminal statutes and state criminal statutes as the City of Trenton municipal court conspired with the perjurer therein of the GRC Catherine Staghill, Esq. and others in Mercer County as reported in dozens of useless criminal tip line reports to the corrupt Department of Law and Public Safety and other State Senators Richard Codey (D), Senator Littell (R), Assemblywoman Mc Hose, Assemblyman Gregg, Thomas Caggiano, Mary Pawar 12 East Drive, Stanhope, NJ 07874, Kathryn Caggiano, the Sussex County Administrator all requesting investigations and petitions signed by 15 persons and another by 14 persons to the Borough of Stanhope to comply with federal, state and municipal laws published for years on <http://thomascaggiano.com/> have shown how utterly corrupt and incidious the wide spread pandemic corruption includes now the corrupt Judge Dana, JMC in the Joint Municipal Court in Sussex, Wantage and Stillwater as issuing unconstitutional court orders by also other judges to obstruct law and prevent detection and apprehension of bribery, money laundering, tax fraud, mail fraud, perjury by Government Offices is apparent and continues as <http://thomascaggiano.com/index.pdf> , <http://thomascaggiano.com/corruption.pdf> and audio recording in the Grand Jury room of the Sussex County First Assistant Prosecutor William Fitzgibbons and a County Detective demonstrates as the 21 minute recording is published on <http://thomascaggiano.com/060614fitzgibbonsscpo.mp3> as they both recused themselves agreeing with the attorney for the Department of L&PS that I proceed to the Department of Justice which has proven fruitless as NJ's Senior Federal Senator, Congressman and Office of Attorney General's Director of Consumer Affairs notified the U.S. Attorney's Office under Chris Christie, the Director of State Department of Agriculture and Office of the Attorney General's DL&PS and Board of Engineers Executive Director Arthur Russo of the conspiracy that continues. Dear Mr. Caggiano:

I acknowledge receipt of two (2) voicemail messages that you have left at my office. From this point forward, I would most respectfully request that you do not leave voicemail messages.

My letter to you of January 5, 2011 was rather specific. I would ask that you provide me with a list of specific allegations as to both Mr. Stein and Mr. Hinkes, together with documents that support those allegations. Additionally, I would ask that you kindly supply me with the name and address of any individuals who would support the allegations that you have made together with a summary of what that witness may know.

I understand that you are requesting additional time. However, I cannot grant your request for additional time.

4. Efforts were made by the Town Administrator Richard Stewart to gain me access to the Borough of Stanhope municipal court wherein the Borough of Stanhope officials and employees filed dozens of charges against me in criminal abuse of court process with a hive of corrupt Judges and Prosecutors engaged in Judicial Fraud and Official Misconduct and issuing court orders in violation of the U.S. and NJ Constitution, OPMA, OPRA and Rule 1:38 Open Access to Court Records. Thereafter I was threatened with immediate arrest by the Police Chief if I attempted to enter the Borough of Stanhopes municipal court and being jailed immediately. Richard Stewart was fired on Dec 2, 2010 in retribution.
4. Tana Ell now court administrator in Wantage municipal court and the prior excellent deputy court administrator in Newton, N.J. 07860 and Kay Mack in Sussex County Superior Court Criminal Part are both excellent witnesses to the events and I suggest any review include them immediately.
5. I certify the foregoing statements made by me are true including the adopted referenced exhibits. I am aware that if any foregoing statements are willfully false that I am subject to punishment.
6. I will have departed Apr 27, 2012 for a month cruise to Europe, Asia and Africa and then fly New

York's Long Island visiting my father and family members and return May 27, 2012 as this provides you one month to investigate the denial to me of Township of Green court records per your official duty in your own directive # 06-10 and R 1:38-10(b) My email is thomascaggiano@gmail.com which I shall be reviewing periodically should you have any questions.

Sincerely,

Thomas Caggiano 4/26/2012
