, Dockets 16PO1647 and 17PO1335 Firstservice Residential v. Thomas Caggiano and US District Court District of Nevada Docket 2:17-cv-02921-RFB-VCF provides massive evidence known to the Court which violated 18 USC Section 4, Judicial Codes of Ethics protecting HOAR and Firstservice Residential attorneys Steve B. which also protected the large Community Management firm Firstservice Residential a nation wide racketeering firm owned by Firstservice Corporation of Canada protected by the Ministry of Justice.

as I also recently reminded my prior Congresswoman Shelley Berkley (D) who in 2025 became the Mayor of Las Vegas in the corrupt Clark County with its Gov Lombardo (R), the prior corrupt Sheriff an at the same time the Las Vegas Chief of Police protected by the prior Gov Sisolak (D) who was the chair of the Clark County Commission, a cease pool of corruption known by a series of Mayors of Las Vegas, North Las Vegas and Henderson, series of FBI Special Agents in Charge in Nevada, and US Attorneys for Nevada as well as CIGIE, DOJ and FBI Office of Professional Responsibility, OGIS, and House and Senate oversight committees as political parties protect those within their party. President Trump (47) along with his administration starting Jan 20, 2025 will have a new FBI director who the SWAMP fears.

that Berkley (D) previously, like then Sen Dean Heller (R) requested federal investigations of the FBI, DOJ and others in Las Vegas which she apparently forget so to refresh her memory and bring her up to date on the continuing fraud, retaliation, and criminal conduct in the State of Nevada, Clark County, and Las Vegas as they have been protected by CIGIE, DOJ, FBI I mailed her a detailed letter 22 page letter with attachments published on <http://thomascaggiano.com/BERKLEY.pdf>

Massive court records showing the federal, state crimes and violations of codes of ethics by the attorneys which have been protected by Judges who were protected also by the NV Committee on Judicial Discipline and the State Bar are published on this web Justice court of Las Vegas Dockets 16PO1647 and 17PO1335, US District Court District of Nevada Docket 2:17-cv-02921-RFB-VCF , and in the Better Business bureau against Firstservice Residential which referred me to both the State of Nevada Attorney General and the corrupt NV Real Estate Division as its CIC Ombudsman and the State's Division of Business and Industry has protected them as the State of Florida protected FSR Corporate office in Hollywood Florida as Firstservice Residential is owned by Firstservice Corporation protected by the Ministry of Justice of Canada.

Craig Mueller, Esq. my attorney, Mueller and Associates, 808 South 7th St, Las Vegas, NV 89101, 702-382-1200, was a prior Clark County DA deputy attorney general, ran for Nevada's Attorney General and was a Naval Officer. Records from the corrupt NV Attorney General Ford (D) with widely distributed emails and and 700 MEGS of evidence obtained from the Secretary of State of Nevada as election laws have been violated in the 2020, 2022 and 2024 and current 2024 election process is also available on thomascaggiano.com including 2 five minute voice recordings of my telephone calls to the corrupt Council of Inspector Generals on Integrity and Efficiency (CIGIE) that reports to the President and Congress yearly that has protected the DOJ and FBI among others during the Obama, Trump and Biden administrations.

Read my Mar 23, 2023, 27 page letter to the House Oversight and Accountability mailed by priority mail with USPS Tracking number 7022-1620-0002-3408-2750 to its chair Rep Comer (R) and its corrupt Ranking member Raskin (D) which has been distributed by email to dozens of others including Federal Senators, Congressman, news media, the corrupt CIGIE and others and download <http://thomascaggiano.com/index.pdf> for a detailed summary also exposing the corruption in Nevada, Clark County, its current Federal Senators Catherine Cortez-Masto, Esq. (D) and Jacky Rosen (D) and its four members of the House, Attorney General Aaron Ford, Esq. (D), my State Senator Pat Spearman (D), Assemblywoman Daniele Monroe Moreno (D) Clark County Commissioners all Democrats for over a decade, , Clark County District Attorney, Sheriff and Las Vegas Chief of Police.

which is more corrupt than the State of New Jersey protected by U.S Attorney Generals, DOJ, FBI, Office of Special Council (OSC), GAO Fraud net, OGIS, et. al for years. <http://thomascaggiano.com/COMER.pdf> Read my letter to the State Bar of Georgia Thomas Caggiano v. Fulton County District Attorney Fani Willis, Esq. as her accomplice Nathan Ward, Esq. resigned the day after Judge Scott Mc McAfee issued a court order that Fani Willis must fire Nathan Wade, her lover, or resign herself which would remove all Fulton County Attorneys from the Case. To prevent Fani Wade from appearing in Wade's divorce case, Wade settled the divorce case with his wife the next day preventing the court to order Fani Willis as a witness. Wade and Fani admitted they has a love affair and filed the divorce papers the day after Fani Wade hired him. My letter also was sent to the Committee on Special Investigations which is examining the conduct of the Fulton County DA office and the House of Representative is also examining other actions of misuse of government funds as Fani Willis and her office has ignored Congressional letters and a Congressional subpoena for records and should be held in Criminal Contempt of court with US AG Merrick Garland, Esq. who has been protecting the Biden clan, CIGIE, DOJ, FBI, and others in the Deep State for years. My 10 page complaint letter also noted the corruption in Nevada and New Jersey and Washington DC Appellate Division's Executive Attorney, Board of Professional Responsibility, Washington DC Bar that protect FBI director Chris Wray, Esq. his FOIA office and other corrupt government attorneys.

letter also was sent to corrupt FBI which as been corrupt as shown by this web site new media to have been corrupt for decades as also noted by Sen Grassley and Sen Johnson. Read <http://thomascaggiano.com/FANIWILLIS.pdf> to read my complaint and opinion of her and the Fulton County DA's violations of Rules of Professional Conduct and alleged federal crimes. Read a letter with massive files provided on a USB to the former President Trump on Jan 27, 2024 received at his Palm Beach, FL home on Jan 31, 2024 published on <http://thomascaggiano.com/240127TRUMP.pdf> and prior evidence provided on <http://thomascaggiano.com/TRUMPDATA.pdf> that provides added evidence to expose the SWAMP in Washington DC, NV, NJ and U.S. District Court in the District of Columbia, 9th and 3rd Districts, RINOs, Democrats and many corrupt News Media channels that spew lies as they cover-up for the infested Biden Clan as Biden's obvious severe dementia has gotten so bad after he stated he met a long dead French leader Mitterand and could not even remember HAMAS was enemy of Isreal his staff prevented him from even having a 3 minute appearance during the SUPER BOWL as he can't even read a teleprompter any more and bumbles and slurs many sentences so much he gives up trying complete the thought or sentence. How his cabinet protects him is obvious as he should have had a mental examination long ago as his condition has only gotten worse and expect him not to run for President, participate in any Presidential debates and drop out just before the convention thus preventing any in-depth review or challenge during the Democrats "fixed" primary system as they are so corrupt they did not even allow New Hampshire to have any delegates for fear of JFK Jr. winning some delegates. You can't have a more corrupt political party then to ban the votes of an entire state of NH voters who desire to have Dem delegates for RFK Jr.

(D) and Jacky Rosen (D) and Nevada's four t House of Representative members who protect Nevada's Establishment and SWAMP as all which include my corrupt and protected Rep Steve Horsford (D), as NV is even more corrupt then New Jersey. The letter shows that CIGIE, and all U.s. Attorneys were also corrupt under Obama, Trump and Biden administrations and FBI in NV and NJ as the USA has a corrupt two tied system of injustice where the Ruling Class, protect the Establishment.

The following jpg image shows the reference number of the emailed filings to the corrupt NV AG also via email as in future updated the USPS certified return receipts to numerous parties including the House Judiciary Committee under Rep Jim Jordan (R) is now exposing the corrupt Biden administration and Big Tech that has both US Attorney General Merrick Garland, Esq., FBI director Chris Wray, Esq. and the SWAMP in D.C. US courts, NV and NJ as the Las Vegas Review Journal in Nevada and the Star Ledger in New Jersey have protected their corrupt governments for a decade in Nevada in NJ at least 20 years as noted by downloading and printing the file <http://thomascaggiano.com/index.pdf> or simply googling in quotes "thomascaggiano.com as you will get many dozens of other sites urls exposing corruption in government at all levels in Nevada and other states p> protected the Clinton and Biden clans

The Nevada Attorney General Ford after taking many months to respond to a request only provided records that should have been provided in less then 2 weeks but requested extensions for months and did NOT respond with several key records nor information which included my formal complaints executed under penalty of perjury against Gov Sisolak, NV AG Ford and Clark County DA Wolfson as is known also by the Carson City Board of Supervisors, the Carson City DA, FBI, DOJ, NARA, OGIS, GAO Fraud Net which as protected many federal agencies.

TAKE NOTICE: 200 pages of emails were provided by the NV AG in response to my NV Public Act Request and they show they were also widely distributed to many news media, federal, county and municipal government and enforcement agencies which are available via <http://thomascaggiano.com/NVPRA.pdf>

Oct 18, 2022 Update following files added:

U.S. Common Law Right of Access and Right for Information as well as State of Nevada Common Law rights of Access and NV Pubic Record Act requests were made to both the N Attorney General Ford, Esq., the NV Secretary of State and the Nevada Real Estate Division. These organizations have been corrupt under the Gov Sisolak (D) and NV AG Ford, Esq. Administration known by my Federal Senator Cortez-Masto, Esq, Sen Jacky Rosen (D), State Senator Pat Spearman (D) - running for Mayor of North Las Vegas, and my Assemblywoman Several newly emailed letters with the distribution list mailings show the widespread knowledge of the corruption of The Establishment. A short summary showing how and why the Department of justice and FBI have been protected for over a decade under Presidents Obama, Trump and Biden called the DEEP State, the SWAMP as the USA has a two tired system of Injustice as the elites are protected by enforcement agencies, governors who are to assure laws are enforced do not as shown in the States of Nevada and New Jersey are corrupt enterprises no matter which party controls its Governorship. The Council of Inspector Generals (CIGIE) is composed of over 73 IGs. CIGIE reports directly to the President and Congress and CIGIE has a Integrity Committee both are corrupt like the FBI. FBI is lead by attorneys that in the federal Government and the District of Nevada and New Jersey along with the U.S. Attorney for that state are both corrupt. Both the DOJ Public Integrity Section (PIN) which referred Thomas Caggiano to the DOJ Public corruption Unit PCU were corrupt but an employee in PCU had me report the corrupt FBI to the DOJ Office of Professional Responsibility which protects the FBI and if you submit a FOIA or Common Law right of Access to that body they have over 10,00 pages of complaints including thousands of pages of adopted references. I also filed a complaint to the corrupt U.S. District court District of Columbia's Appellate Division Board of Professional Responsibility which did not Docket my complaint against eh corrupt FBI director Chris Wray, Esq. as the BOPR then transferred my complaint for violation of Codes of Ethics rules of Professional Conduct RPC 8.3 Maintain the Integrity of the Profession and 8.4 Misconduct transferred my complaint to the Washington DC. Office of Disciplinary Council but instead of conducting review which would remove Chris Wray law license like done against President Bill Clinton, Esq. as he lied to a grand jury, instead transferred me to the corrupt DOJ Office of Professional Responsibility that simply ignores such complaints. The CIGIE has been corrupt for over a decade its former corrupt chair was DOJ IG William Horowitz, Esq. its vice chair is now the chair Alison Lerner, a corrupt IG protected by CIGIE's Integrity Committee and THE SWAMP in DC.

Inside on the Outside, news media, is the publisher of thomascaggiano.com and freedomnewsdigest.com, with its journalist Thomas Caggiano, and others that reported federal and state crimes have been retaliated against for over 20 years

This is a continuing Case Study of the SWAMP at all levels of government: Federal, States of Nevada and New Jersey, County, Municipal governments, enforcement agencies to Include CIGIE, IGs, FBI, GAO, US Attorney General, DOJ, OPR, PIN, PCU, U.S. District Court of Columbia Appellate Division's Executive Attorney and its Board of Professional Responsibility, FBI, USPS Inspection Service, , U.S. Senate and Congressional Oversight Committees, Federal Senators and Representatives, Ethics Committees, Governors, State Attorney Generals, County District Attorneys, Police Departments, and their Courts including Federal enforcement and State Enforcement Departments responsible for enforcing complaints against Judges regarding Codes of Ethics Judicial Canons violations and Attorneys which essentially universally violate Rules of Professional Conduct, 18 U.S.C. Sections 2,3,4, et. al., HIPPA and other safety and environmental protection laws , National Security Laws, Presidential National Security Executive Orders, SF132, Separation Agreements [DS-0109 previously OF109](#) noting criminal violations of Titles 18, 42 and 50, and the State Department's Office of Diplomatic Security's DSS's [Guideline K](#), other Standing Operating Procedures, Crimes of Omission and Official Misconduct who are by neglect to perform one's official duty, or malfeasance is a criminal act, and violation of Oath of Office defined as perjury, as Fraud, Waste and Abuse, retaliation, violations of civil rights under color and in conspiracy, honest service fraud and State criminal codes is common place.

Many other internet sites and blogs expose THE SWAMP's corruption and refer to thomascaggiano.com. You can access these other sites by using the following designed search url :

On Jan 20, 2021, the United States of America became a communist socialist dysfunctional repressive government wherein Freedom Of Speech, One's property and safety and to be happy are meaningless words as identity politics has been replaced with Cancel Culture similar to Islamic ISIS and ISIL terrorists that destroy statues, history, prevent book publications or opinions of others with difference freedom of expression resulting in a police state as shown by thousands of heavily armed National Guard soldiers in the barricaded Capitol Buildings even as Democrats and their comrades seek to remove other Republican Senators and Congresswoman who have additional protected speech on the House and Senate floors seek to remove them showing the Democrats utter tyranny they themselves engage in.

TAKE NOTICE - Know your rights

USPS Proof of Service certified return receipts of letters signed under penalty of perjury which is evidence anyone can use to file a Writ of Mandamus in a U.S. District Court as a civil suit under 18 USC § 3333 requiring a U.S. District Court your U.S. Constitutional Rights using the Federal Rules of Evidence FRE R902(6) to force a U.S. District Court to impanel a SPECIAL GRAND JURY to conduct an investigation using the evidence contained in thomascaggiano.com and its adopted published referenced exhibits as by passing the corrupt U.S. Attorney Generals, FBI Directors, and State, county and municipal enforcement agencies, IRS, GAO FRAUD NET, Congressional and Senate oversight and ethics committees that protect the Establishment as the Special Grand Jury can hire its own independent attorneys, investigators and submit a report to the U.S. District Court judge that can then issue U.S. District Court ORDERS to REMOVE the Government officials, employees and ORDER termination of contractors at all levels of government, in all three branches of government federal, state, county, municipal and those in corrupt enforcement agencies that protect judges, attorneys and other accomplices and issue Arrest warrants or take any other punitive actions at its discretion.

Every observant, intelligent person in the USA knows the United States has a dysfunctional government and there exists a Two Tier System of Injustice Exists one for the powerfully politically connected and Big Tech firms as Facebook, Google, Amazon and Twitter the protectors of the Democrats with NBC, CNN, NY TIMES, Washington Post they being democratic donors and in essence give in-kind donations by banning and now using not only identity politics by coercion to ban any Trump administration Republican from having books publishers by major book publishing companies, having the banned from future employment, ad harass= them in restaurants, or wherever you see hem. Chat in BLM parades while others are n lock-down "Kill the Pigs". this is he Democratic socialist Communist Part today with Hiel Biden its fascist dictator.

even for obtaining COVID19 vaccines as the rich and powerfully connected get the vaccine which can save the lives of those that are leaders as such young members of congress are the first to get the vaccines they are essentially immune and where the term "Equity" by deceit has replaced "Equal treatment" which does not exist as shown on <http://thomascaggiano.com/INJUSTICESCALE.pdf> as the Democrats seek a quotas system based upon race not talent on merit in private companies Board Rooms using the newly minted buzz word "Equity" for a false synonym of "Equality" as Democrats Race Baiting is now included directly in Biden's Executive Orders as he and Pelosi now CONTROL SPEECH of its army of federal employees, contractors and Republicans.

Race baiting is the Democratic position as Biden called the USA a White Supremacist Republic (any Black is called an Uncle Tom) and where Biden stated: " If you vote for Trump, you ain't BLACK" or as stated by pathetic CNN "journalist" if you voted for Trump " You're a NAZI". I suggest with the statement made by many democrats and their puppets CNN newscasters and Today's show retired Corick saying the 73 million Americans that voted for Trump are Nazi and others saying - the Republican children should be removed from their parents and deprogrammed is the essence of dictators and fascists - a political philosophy, movement, or regime that exalts national unity and race above the individual and that stands for a centralized autocratic government headed by a dictatorial leader, with severe economic and social regimentation, and forcible suppression of opposition.

States maintain a two tiered system of injustice where in elites and Politically connected persons, and their elites, are protected while the Federal government and State prosecutors and Judges are protected by Rules passed by the "independent" Judicial Branch allowing malicious prosecutions by government attorneys in conspiracy with Judges that are protected by Ethics boards that violate 18 U.S.C. Sections 2,3,4,1001,1512, 1513, and other federal crimes to criminal coerce the public from even reporting crimes or Codes of ethics violations by Judges and attorneys which themselves are also protected by Ethics Review boards in a cabal of tyranny. The review boards operate in total secrecy with total immunity, the reason the Establishment is so corrupt with dysfunctional government that surround the wagons to protect the establishment and their political parties and the SWAMP Federal, State, County and Municipal levels.

Corrupt Biden / Harris administration: Whereas by constant violation of National Security Laws, Agreements SF132 on controlling access, protection and control of classified information which is signed by tens of thousands of government officials, employees and assuring compliance with Presidential National Security Executive Orders and other laws which do NOT require intent to be a criminal offense.

as I did during my prior 30 year career as a civilian employee designing highly classified brilliant systems, production techniques, training and deployment methods. I was a member of the U.S. Army Acquisition Corps, Advisor to the Pentagon and Special Operations Forces, Commandant of Engineering School, National Training Center operatives at Ft. Irwin during live fire exercises to Active Army, Reserves, National Guard and other allies, Project Manager's Office Division Chief, Engineering Branch Chief, Chemical Engineer, member of Military Comptroller Society, American Institute of Chemical Engineers and other Scientific Societies, and IT security officer purchasing remote servers using classified network systems and encrypted STU III telephones. published on <http://thomascaggiano.com/background.pdf>

For one to gain access to Classified data is done by understanding and signing Standard Form SF132 which also requires compliance with Presidential Executive Orders on National Security. As VP Biden and Senator Biden served on the U.S. Senate Foreign Affairs Committee and served in Congress and as VP for over 45 years he had decades of knowledge knowing what Presidential Executive Orders are as he has signed dozens of them in his first days in Office. Such national Security Orders signed by President Obama and President Clinton and others still in force he has been aware as has Senator Harris as a member of the Senate Intelligence committees. They both have violated these laws and Executive Orders protecting Hillary Clinton, the State Department , Former Secretary of State Kerry and former National Security advisor Susan Rice who are now in essential administrative positions in the corrupt Biden-Harris administration. Standing Operating Procedures (SOP) require any updates be made during scheduled State Department K annual training; the accomplices include the Obama, Trump and Biden State Departments. the State Department's Undersecretary for Management, its Bureau of Diplomatic Security's United States Diplomatic Security Service (DSS) which is the federal law enforcement and security arm of the U.S. Department of State and its Guideline K.

On Jan 26, 2021, Anonym Blinks, a longtime aide to Joe Biden and former deputy Secretary of State became Biden's Secretary of the State Department which has protected Hillary Clinton, her aides, the FBI directors James Comey, Esq. replaced by Chris Wray, Esq. who continues their corruption under the Trump and Biden administrations. <http://thomascaggiano.com/OIGWRAY.pdf>, <http://thomascaggiano.com/BOPR.pdf> and <http://thomascaggiano.com/BOPRED.pdf> known by the U.S. District Court District of Columbia Appellate Division, Department of Justice's IG, National Science Foundation's IG who is Biden's chair of the Counsel of Inspector Generals on Integrity and Efficiency, IG GAO for Fraud, Waste and Abuse, and the Department of Justice's Office of Professional Responsibility and U.S. Senate and House oversight committees and all 6 of the State of Nevada Senators and Congressional members and news media. and my corrupt State of Nevada Senators Catherine Cortez-Masto, Esq. under Obama and Trump. The Secretaries of State under the Obama and Trump administrations ignored these laws, executive orders and procedures as did Susan Rice and others known by the U.S. Senate and House protectors on the Intelligence Committees, the FBI and the U.S. Attorneys, Holder, Lynch, Sessions, Barr and acting U.S. Attorney Roser as well as FBI Directors Comey and Wray as the Establishment and news media protect the Establishment and the Federal Election Commission, its IG FEC which protected VP Biden and Senator Harris who should have had their security clearances revoked and been investigated by DOJ as noted by the FEC itself <http://thomascaggiano.com/FECRESPONSE.pdf> as well as by Biden's chair of CIGIE Ms Lerner, Esq <http://thomascaggiano.com/IGNSF.pdf> who reports directly to President Biden and provides annual reports to Congress.

Jan 27, 2021: The following message was sent to the corrupt State of NV political parties protected by the Establishment and to Rep Brian Mast.(R-FL) a wounded Veteran defamed by the Democratic news media

In only days Biden has issued so many unconstitutional Executive Orders as he stated previously if a President issues so many rather than through legislation he is a DICTATOR.

Biden immediately changed some of his policies after being blasted by Tribal leaders - The Biden administration said that its freeze on oil-and-gas leasing approvals does not apply to tribal lands after a Utah tribe ripped the department for what it called a direct attack on its economy and sovereignty.

He labels all Whites as White supremacist. I was a Democrat for over 50 years and have changed to Republican to fight Biden's dictatorial Executive Orders being issued daily for as Stated by his accomplice Sen Schumer, the corrupt Democrat leader with his accomplice speaker of the House Nancy Pelosi <http://thomascaggiano.com/WHITEHOUSE.pdf> stated: "If we gain power - we will change America" and with Biden have already destroyed Freedom of Speech, developed a "Cancan Culture" terrifying any business such as Parler which sought to have an open platform for opinions as the Washington Post, and AMAZON CLOUD SERVICE CONTROLLED BY BILLIONAIRE Bezo and its other Big Tech monopoly accomplices Facebook, Twitter and Google band together as Democrats large donors to destroy their possible competitors as the Democrats, Liberal controlled Democratic university=tires retaliate against those with conservative ideas or even U.S. Constitution Rights to be now its obvious CANCEL CULTURE act like Nazi, banning books, removing the names of Thomas Jefferson, George Washington and Lincoln, and cancelling social media accounts of hundreds of thousands for those that expressed their opinion if it did not agree with their position. using false standards that do not apply to democrats or even such foreign entities as Iran, and other countries that seek to destroy the SA for by their very cancel culture movement and the any dictatorial executive or designed by Biden as he even previously stated the overuse of Executive orders is a Dictatorship. Remembering some statements made by Biden when he was running against Trump show his deceit: "Former United States Vice President Joe Biden, who is running against President Donald Trump in the 2020 presidential election, said that he would not use executive orders to implement his policies because **"You can't use executive orders unless you are a dictator."** " The comments came as he was asked about his tax policy and if it would be a priority. Biden said that he would depend on the votes in Congress but stressed that raising taxes would help the US economy grow more than it would under a second Trump term> foster intolerance within the Ivy league and other universities to present any debate other than their own destructive group think.

Having left the now fascist Democratic party, I hope to run against the corrupt Democrats in Nevada. It's a controlled racketeering State protected by Trump's U.S. Attorneys and FBI that protect the Establishment. The most pathetic divisive President by the term EQUITY, which is a quota system, instills Cancel Culture and Quota Systems. . I changed Political party, the State of NV <http://thomascaggiano.com/IGGAOCOMPLAINT.pdf>, <http://thomascaggiano.com/SPECIALPROSECUTOR.pdf>, <http://thomascaggiano.com/MERRICKGARLAND.pdf> is filled with corrupt Democrats as fraud,waste and abuse is rampant in its Control Clark County protected by US Attorney Generals Holder, Lynch, Sessions, Barr and ACTING Trump's AG ROSEN as they DID not drain the SWAMP but protect it. Read <http://thomascaggiano.com/GREENE.pdf> and have Republicans seek impeachment of Biden and Harris and CIGIE new chair Lerner IG NSF <http://thomascaggiano.com/GREENE.pdf> have your staff contact me after reading <http://thomascaggiano.com/BIDEN.pdf>, <http://thomascaggiano.com/KINGBIDEN.pdf>, <http://thomascaggiano.com/BORPED.pdf> and get the FBI director removed as Wray protects the SWAMP as did all other US Attorney Generals. <http://thomascaggiano.com/USATTORNEYGENERAL.pdf>, <http://thomascaggiano.com/IGGAOCOMPLAINT.pdf>

Get the House Ethics Committee to respond to my complaint about my corrupt Congressman Horsford. <http://thomascaggiano.com/HORSFORD5.pdf>, <http://thomascaggiano.com/HORSFORD6.pdf>

DRAIN the SWAMP <http://thomascaggiano.com/WHITEHOUSE.pdf>, <http://thomascaggiano.com/clinton.pdf>

The following published documents shows no matter who is President Obama (D), Trump (R) or Biden (D) with Biden's VP, former Senator Kamala Harris, Esq. a former member of the U.S. Senate's Intelligence Committee corruption by the ESTABLISHMENT which prevented President Trump from "Draining the SWAMP" continues.

I was a registered Democrat for over 50 years and after Biden became President in his initial days in office he issued Executive Orders destroying thousands of high paying union jobs, destroyed the investment of Billions of dollars of private investments that took years of coordination with Environmental Impact Statement and numerous Court decisions unilaterally and managed to get Canada and our indigenous Tribes infuriate as Biden violated their unique rights, as the Biden's administration without any consultation by his unconstitutional Executive Orders denying them due process rights or any collaboration with impacted States, such as New Mexico and Texas, whose economies and tax base were directly adversely impacted by Biden's unilateral illegal actions of "Taking". He also violated the constraints in the The Line Item Veto Act (P. L. 104-130) and violated the Administrative Procedure Act (5 U.S.C. Subchapter II). Â§ 551 Definitions Â§ 552 Public information, as authorized federal, and State permits permits were properly obtained for the XL pipeline and another Billion dollars was allocated in the FY 2021 budget and appropriations to continue construction of the US-Mexican highly effective the Boarder Wall

> Biden unconstitutionally used his illegal Executive Order in place of an illegal line-item-veto for as President he is required to comply with such spending authorizations and appropriations. The Southern Border Walls System is an integrated highly technically advanced system using sensors, other and detectors which as been proven to be a highly effective deterrent thereby reducing the yearly cost of having larger quantities of boarder guards, maintain expensive detention facilities and reduces crime and other adverse social impacts. **The control of one's boarders at this time are urgent as thousands persons began their voyages through Central America with many infected with COVID19 which would further increase the infections in these Central American counties and upon arrival to USA further cause death of US citizens where Hospitals are already under great duress as COVID19 vaccination and States are under great hardships.**

State of Nevada Corruption: The corruption in the State of Nevada continues: Democrats now controlling the infested State of Nevada with tis corrupt Gov Sisolak (D) and as Vegas Valley in Clark County controlled by my corrupt Federal Sen Cortez-Masto, Esq.

<http://thomascaggiano.com/CCCRB.pdf>

Nevada State Attorney General Aaron Ford, Esq. <http://thomascaggiano.com/SPECIALPROSECUTOR.pdf>,
<http://thomascaggiano.com/CLARKCOUNTYNV.pdf>

Gov Steve Sisolak (D) former chair of the corrupt all Democratic Clark County Commission protected by the U.S. Attorney District of Nevada and his Special Prosecutions Branch, FBI in Washington D.C. dictators James Comey(D) then Chris Wray (R) and a series of FBI agents in Las Vegas under the Obama and Trump administrations and their U.S. Attorney Generals Holder (D), Lynch (D), Sessions (R), Barr (R) and acting U.S. Attorney General Rosen (R) as shown by <http://thomascaggiano.com/USATTORNEYGENERAL.pdf>, <http://thomascaggiano.com/OIGWRAY.pdf> and FBI in Las Vegas The Democrats lust for power has changed from "Identity Politics" to a communist style "Cancel Culture" also destroying History by banning books and miles destroying Statues, changing names of high schools to remove the names of George Washington, Thomas Jefferson in manners like Islamic extremists.

The Democrats supporters Big Tech and its New media such Today Show use the "buzz word of the day" as Katie Couric stated their children must be deprogrammed and some even suggest separating the children of those with Republican parents for re-education. "Hiel Hitler"

The Big Tech monopolies coordinate their actions and these monopolies are the greatest threat to the Republic: Facebook, Google, Twitter and Amazon with their major Democrats Donors, deplatform other competitors and Democratic Politicians, in group think, demand such as Senator Ted Cruz and others be impeach for suggesting a 10 day period for review of potential voting fraud as in some states in violation of the States Constitution judges created their election processes, legislators had laws passed controlling its process yet judges without authority "Ignored the Law".

President Biden and Vice President Kamala Harris, Esq. were protected by the Federal Election Commission, the FEC protected by the IG of the FEC and all protected by The Establishment as "never - Trumper Republicans" joined with Democrats as the Democrats leaders have incited violence for years, as billions in property damage, hundreds of police and other victims are injured or killed yet such as the pathetic CNN reporters and leaders such as Harris and other Democrats support BLM parades while in a pandemic, forcing small businesses to go bankrupt while such Governors as Newsome CA, Cuomo NY, Murphy NJ and Sisolak NV issued orders determined by the U.S. Supreme Court and other courts have violated U.S. Constitutional rights for houses of worship and favoring also Big Box stores over small businesses NOT BASED on science but their own agenda of Control

I use to be a registered Democrat for over 50 years but based upon Biden's unilateral issuance of dozens of Executive Orders agrees with his power grabbing NY Senate Schumer (D) who himself threatened U.S. Supreme Court judges on the Steps of the Supreme Court being rebuke by its Chief Justice [Chief Justice Roberts rebukes Sen Schumer threats](#) I want to tell you, Gorsuch, I want to tell you, Kavanaugh, you have released the whirlwind, and you will pay the price", while other Congress woman demanded Trump's impeachment before he was inaugurated spewing profanity as Hillary Clinton as did using the DNC to sabotage her hen opponent Sen Bernie Sanders, used the DNC with the infamous British unregistered lobbyist, the FBI Comey (D) and the DOJ to obtain by fraud and even falsified FISA application repeatedly to destroy those in the Trump campaign such as has selected prior corrupt Obama officials, to be part of his Administration, being the former Secretary of State Kerry (D) and National Security Advisor Susan Rice (D) - all who have been protecting Hillary Clinton (D) who rigged the aide of the DNC the Democratic primary election against Sen. Bernie Sanders as Steele stated the reason he released his phony dossier was to distract from Hillary Clinton's use of unsecured servers containing classified materials as she had it destroyed even upon subpoena. The FBI then used willfully deceive FISA court applications to initiate a spying operation on Cater page; destroyed General Flynn and seeks to destroy, by CANCEL CULTURE as all persons that worked in the Trump administration, all persons that voted from him as President, and deprogram them, separate their children from their families for reprogramming purposes as done by Hitler's Nazi and The DICTATOR'S action undertaken by Biden immediately after his inauguration show who the Fascists are - The DEMOCRATS. As such I have changed my party's registration from Democratic to Republican as all my family relatives have switched parties. The Federal Election Commission and the House and Senate Intelligence Committees, the National Security council, the CIGIE, U.S. Attorneys Holder, Lynch, Sessions and Barr have all protect THE Establishment and the corrupt FBI director Chris Wray, Esq. as has the U.S. District Court District of Columbia's Executive Attorney, its Appellate Division's Board of Professional Responsibility and the DO's Office for Professional Responsibility as shown on <http://thomascaggiano.com/BOPRED.pdf> and <http://thomascaggiano.com/MERRICKGARLAND.pdf> . o" services were derived committing also apparently tax fraud and money laundering. As 50 corrupt former U.S. Attorneys, DOJ, CIA signed a false letter to destruct during the Biden - Trump election the pursue was to deflect from the initial Clinton email saga with the State Department protecting her under Trump and Obama as she hand her Staff using her unsecured server, as known to Obama who lied about his knowledge as he himself sent her many emails to her unsecured server account as she never even had a .gov account which is also not used for Classified materials nor sensitive with many found on her aide Huma Abiden's husband's laptop which is why her Chief of Staff Cheryl Mills, Esq. panic when her email system was discovered as they attempted to delete the emails from Obama who also used a phony email address but could not so they used software to destroy the data and then used a hammer when the data was under subpoena. The Obama gang is now being reassembled by President Biden with the main accomplices Kerry and Rice and with FBI director Wray who is even more corrupt then FBI director Comey with other Establishment loyalists embedded in the SWAMP which Trump stated he would DRAIN. Instead, the SWAMP CIA, DOJ with Pelosi and Schumer and other Democrats and RINO and NEVER TRUMPERS have no impeached Trump twice and seek to Deprogram the children of Republicans or people that voted for Trump in a sick vendetta to make the USA a Democratic Party totalitarian State as their protectors such as the pathetic CNN identifies all those that voted for Trump as Nazi and seek to have publishers not publish any book authorized by Conservatives or have an large company hire an Conservative as Harvard and the now controlled universities remove such members from the boards and seek to have such Senators who requested 10 day period to investigate the election process and have as the corrupt Democrats seek investigations of such protected Speech by Senators totally destroying the U.S. Constitution which has already been ignored, as have States wherein the election laws which are to be controlled by the legislature instead are controlled by Judges. State Department is pat of the corrupt Establishment, as Trump forged numerous peace agreements of Arabian Counties with Israel and brought our troops home from foreign lands as Biden in his first week increased troops in Syria. as dozens of former CIA and US Attorneys employees falsely stated the EVIDENCE on Hunter Biden's laptop was Russia disinformation to aide the election of Biden by Honest Service Fraud and their continuing conspiracy of years of the corrupt spying, invalidated FISA applications to spy on the Trump administration with years of lies by Adam Schiff, Nadler and news media such as MSNBC and CNN to brain drain people while they got Pulitzer prizes never admitting their years of a disgraced false news media as so called Journalists not Opinion mouth propagandists. Whereas Biden served over 45 years in Congress and as VP he surely as a member of the Foreign Relations Committee and National Security Council was aware of President Obama's and President Clinton's National Security Executive Orders and other agreements such as SF132 access to classified data having a Top Secret Clearance. was a member of the National Security Counsel and have all been protected by Obama's U.S. Attorneys Holder (D) and Lynch (D), and Trump's Sessions (R) and Barr (R) and the acting U.S. Attorney General, House and Senate Intel Oversight Committees. Biden's expected nominee, Judge Merrick Garland, is an Appellate Division judge in the corrupt U.S. District Court District of Columbia as Biden has appointed the IG National Science Foundation (NSF) who was the Vice Chair of the corrupt of the Council of the Inspectors General on Integrity and Efficiency (CIGIE), retains the prior CIGIE's chair IG William Horowitz, Esq. as IG DOJ, and the corrupt FBI director Chris Wray, Esq. and other IGs including IG GAO, OGIS and DOJ Office of Professional Responsibility (OPR), as Members of the U.S. Senate and House have been protectors by Washington DC's SWAMP, the ESTABLISHMENT, as Trump was elected to "Drain the SWAMP" not because like Hillary Clinton and many other corrupt Democrats and their propaganda news networks and Bid tech that protected Biden by deplatforming other potential competitors news rivals such as Parler, and essentially calling for Publishers not to sell any book written by a Republican, throwing members off Harvard boards and in an agreed upon conspiracy remove a "cult" all persons that have different views and engage in a true fascist society controlled by Democrats. A totally sick party, after more then 50 years as a registered Democrat I have switched parties for Freedom of Expression and debate not engage like the paranoid, power hungry despotic "cancel culture", identify politics Democrats and their Big Tech comrades: Facebook, Twitter, Google, Amazon, NY Times, Washington Post, CNN, MSNBC, and Self centered Hollywood types that say "I'd like to blow up the White House". Schumer, D-N.Y. on the steps of the US. Supreme Court: "I want to tell you, Gorsuch, I want to tell you, Kavanaugh, you have released the whirlwind, and you will pay the price"; or Kamala Harris stating the

protests shouldn't stop as CNN reporters stated the protests were mostly peaceful as Billions of damages was down by burning down buildings, injuring hundreds of police officers as the BLM marchers chanted "Kill the pigs", Democrats yelled Defund the Police as Biden said the same thing but using different words - reallocate the funds from the police to others. Harris said on late night news continue as shown on the video <https://twitter.com/i/status/1300197070276620288>, as in Portland after Biden was elected President, the liberals again burned government buildings. Roughly 150 people attended a "J20" protest against Biden and law enforcement around 2 p.m., marching from Revolution Hall to the Democratic Party of Oregon's headquarters. The group smashed windows and vandalized the building with graffiti. as noted on or and become a Republican as the tyranny of the Democrats and Biden is exposed in his many issued Executive Orders in my letter to the State of Nevada Election Board with the rationale to enable me to run against the now Fascist Democratic party published on <http://thomascaggiano.com/KINGBIDEN.pdf> politicians especially Democrats and their propaganda news media that state any person, over 73 Million U.S. Citizens, that voted for Trump are Nazi, Deplorables and need "deprogramming" like the pathetic Today show host Katie Couric so-called Elites suffer from Narcissistic Personality Disorder is a mental condition in which people have an inflated sense of their own importance, a deep need for excessive attention and admiration. Their accomplices include dozens of attorneys on numerous oversight committees, the Executive Office of U.S. Attorneys (65 page letter <http://thomascaggiano.com/EOUSA.pdf>, Executive Attorney, Department of Justice Office of Professional Responsibility, NV Federal Senator Catherine Cortez-Masto, Esq., Jack Rosen (D) and my corrupt Congressman Horsford (D) who is also protected by the House Ethics Committee.

both violated President Obama's and President Clinton's, other existing Executive Orders on National Security and were protected by the Federal Election Commission (FEC), and Department of Justice as well as House and Senate Intel Committee and other oversight committees as shown on:

a. <http://thomascaggiano.com/BIDEN.pdf> the corruption is continuous as Biden has now retained the corrupt FBI director Chris Wray, Esq. protected previously by Trump's Republican controlled Judiciary, Finance, Intel and Homeland Security Committees evidence in Civil or Criminal Cases in U.S. State, County and Municipal Courts and Administrative Hearings against government officials at all levels, employees, enforcement agencies, judges, attorneys, other persons, contractors and Home Owner Associations that do not perform their official duties, judiciary responsibility, contractual requirements, violate Ethics Laws or other purposes. The letter 28 page letter <http://thomascaggiano.com/OIP2.pdf> to DOJ Office of Information Policy is NOT only a Freedom of Information Act FOIA request for records but your ignored by attorneys much more powerful U.S. Constitutional Rights for Access and Information.

As your right to have a U.S. District Court impanel a federal grand jury, via Special Grand Jury filed civil suit, 18 U.S.C. § 3333 to conduct an independent investigation, We THE PEOPLE, no political, U.S. and State Attorney Generals that protect the undrainable SWAMP, but ordinary citizens control the investigation as a separate government branch, can hire its own investigators, attorneys and use subpoena, then make a final report which can be made public wherein the U.S. District Court Judge and issue U.S. COURT ORDERS for the Removal of government officials, many corrupt government attorneys and other accomplices being judges, enforcement officials and other employees and issue arrest warrants.

Government will NOT tell of your rights and the FBI FOIA office is so corrupt they deny your U.S. Constitutional Rights even deny in writing by official misconduct to prevent their own detection and apprehension

My corrupt Congressman Steve Horsford NV 4th has been an accomplice during all his terms in office and has been protected by the House of Representative's useless self protective Ethics Committee, all State of Nevada representatives and of course the GAO FRAUD NET office.

that can be used against any Branch of the Federal Government, or States the following letters to Horsford shows how corrupt he, his fellow State of Nevada Democrats are protected by U.S. Attorneys Holder (D), Lynch (D), Sessions (R) and Barr (R), and U.S. Attorney District of Nevada Nicholas A. Trutanich, Esq. (R) with its corrupt Special Prosecution Branch including the accomplices being CIGIE and its IGs, DOJ, FBI, and the State of Nevada's 4 members of Congress Steve Horsford (D) 4th, Dina Titus (D) 1st, Mark Amode (R) 2nd and Susie Lee (D) 3rd, as well as all Clark County Commissioners all Democrats, my NV's District 1 State Senator Pat Spearman (D) and my District 1 Assemblywoman Daniele Monroe-Moreno (D) The State of New Jersey is also totally infested under Gov Mc Greevy (D), Corzine (D), Christie (R) and Murphy (D) and all their State Attorney Generals and the corrupt Chief Justice Stuart Rabner <http://thomascaggiano.com/RABNER.pdf>, its former gov Corzine Attorney General, prior Chief counsel, and former then U.S. Attorney District of NJ, the corrupt Chris Christie, Esq. with a gaggle of his corrupt U.S. Attorneys he brought with him to control NJ for eight years <http://thomascaggiano.com/corruption/exhibits.pdf> as Gov Murphy's corrupt NJ Attorney General protected Christie after a private person filed per R7:2 a complaint against him in Ft Lee, regarding Bridgegate, for which the corrupt Gov Cuomo (D) and then gov Murphy (D) in NJ and their corrupt Port Authority of NY and NJ <http://thomascaggiano.com/PORTNYNJ.pdf> as Christie's protector his Attorney General Paula Dow, Esq. was made chief counsel for the Port authority of NY and NJ then a Judge as Paula Dow, Esq and Christie, Esq were both protect by Senator Kevin = O'Toole, Esq. who protected Christie's administration as the Republican leader in the Select Committee on Investigation, Threatened the Vicinage Assignment Judge Costello if she did not get Sen Codey (D), Sen Rice (D) and Sen Gill, Esq. (D) to remove their combined objections to having Paula Dow, Esq. become a judge resulted in Christie change the District court wherein the corrupt accomplice Paula Dow, Esq. would then be confirmed by the NJ Senate to be a judge. Sen O'Toole, Esq. (R) was then made chairman of the corrupt Port Authority of NY and NJ.

The State of Nevada under Gov Brian Sandoval (R)- NV AG Adam Laxalt, Esq (R) Trump's State of NV Presidential Campaign manager, and now Gov Sisolak (D) and his corrupt former NV State Senator Aaron Ford, Esq. <http://thomascaggiano.com/SPECIALPROSECUTOR.pdf> protected by the corrupt Clark county District Attorney Steve Wolfson, Esq. <http://thomascaggiano.com/MUELLERDA.pdf>, <http://thomascaggiano.com/NVDA2.pdf> and <http://thomascaggiano.com/NVDA.pdf> <http://thomascaggiano.com/HORSFORD3.pdf> corrupt FBI my

[Download http://thomascaggiano.com/FOIANSF.pdf](http://thomascaggiano.com/FOIANSF.pdf) My FOIA and U.S. Common Law Right for Access and right for Information to the National Science Foundation, Vice Chair of the Council of Inspector Generals for Integrity and Efficiency (CIGIE), with its chair the DOJ IG William Horowitz, Esq., who report directly to the President of USA, as CIGIE protects DOJ and other IGs along with the DOJ's Office of Professional Responsibility (OPR), and U.S. District of Columbia's Appellate Division's Executive Attorney, Board of Professional Responsibility and its Office of Disciplinary Counsel as federal and state laws, Codes of Ethics for attorneys Rules of Professional Conduct are not enforced as THE ESTABLISHMENT surrounds the wagons protect itself as shown on the many published documents linked to on <http://thomascaggiano.com/PRESIDENTurfs.doc>.

The corrupt FBI's director Chris Wray, Esq., who is also protected by Republicans and Democrats as they fear the corrupt FBI for as shown by the fraud against Trump and his associates including the corrupt Intelligence Community as warned by Sen Schumer (NY) if you as a unelected official attempt to clean the Swamp over 50 former corrupt CIA and DOJ officials fraudulently wrote that the under Biden Laptop was a Russia conspiracy when in fact the private banking system of the USA warned the Government of many possible improper banking transactions involving millions of dollars from foreign countries as Hunter Biden himself admitted he did NOT register as a foreign lobbyist for he didn't want anyone to know what he was doing and by a conspiracy with Twitter, Facebook and google they blocked stories, banned other news media and have removed accounts in Facebook by blocking them if in essence the even mention Hunter Biden as the cover-up continues. Joe Biden has been in Government for over 47 years and says his son, a drug user, and apparent person guilty of tax fraud, money laundering, being an unregistered foreign lobbyist, using his family name to get millions for access to his father VP BIDEN or other federal agencies, admitted using his father's name to get millions from numerous governments or oligarchs or the Mayor's of Moscow's wife, a hundred thousands dollars for a shipping spree and other contracts to manage a Billion financial investment business days after he landed on a government jet he took with his VP father Joseph Biden, as Joe Biden admitted he used over a Billion dollars in US Government made that he would assure would not be given to a foreign country if the prosecutor investigating a Company then VP Biden's son, Hunter Biden, had a monthly retainer of over \$80,000 a month to be fired in 6 hours if he did NOT FIRE the prosecutor that was investigating the corrupt Oil Company that hid Hunter Biden.

. The emails in his laptop, never denied by the Biden's as being his own, state "We need plausible deniability" The Special Council law was written where a President of his nominated U.S. Attorney General, called by Obama Eric Holder as his wingman, can not be done without a special counsel. If a President's own son who has a laptop, saying the "Big Guy" gets 10% is not a case for a Special Counsel then Joe Biden is engaging in a cover-up himself, The FOIA request to the NSF will show upon response how utterly corrupt IGs are as already known by <http://thomascaggiano.com/BOPRED.pdf> as the corrupt DOJ Office of Professional Responsibility is a cesspool under Obama, Trump and Biden having previously mailed me a encrypted CD with over 5,000 pages of Evidence marked for OFFICIAL USE ONLY".

This letter with adopted exhibits shows how corrupt the Establishment is in the State of Nevada protected by U.S. Attorneys Holder, Lynch, Sessions and Barr which protects their FBI directors James Comey, Esq. (D) and Chris Wray, Esq. (R) under the Obama, Trump and Biden administrations for like NJ, the State of NV is a racketeering criminal enterprise no matter who is President or U.S. Attorney General, State Governor NV: Brian Sandoval, Esq. (R) now Steve Sisolak (D) <http://thomascaggiano.com/SISOLAK6.pdf> and in NJ Mc Greevey (D), Corzine (D), Chris Christie, Esq. (R) or Murphy (D) or their many corrupt State Attorney Generals as the U.S. Attorneys District of NV and NJ, are all accomplices protecting THE SWAMP in Washington D.C., NJ, NV, CA and PA and U.S. District Courts therein.

draft letter distributed to many federal Senators, Congressman, News media shows how Biden and Harris both have violated National Security Laws and Presidential Executive Orders on National Security signed by President Obama and President Clinton and shows the States of NV and NJ are racketeering criminally run syndicates known by Holder, Lynch, Sessions and Barr, Comey and Wray

former Sec of States Clinton and Kelly have been protected by Obama's and Trump's Dept of State and DOJ, the DEEP STATE, CIGIE, DOJ and totally corrupt FBI directors Comey and Wray. The evidence is in published records known to <http://thomascaggiano.com/OIP.pdf> to get records from the DOJ's corrupt Office of Professional Responsibility OPR that protects those in DOJ and the FBI as THE ESTABLISHMENT surrounds the wagons to protect THE ESTABLISHMENT. A copy will also be mailed to the New Special Counsel Durham that shows the fraud in the 2016 and even worse 2020 election by Democrats and news media cover-up for years

This detailed letter also address the corruption in NV and NJ that is systematic in their corrupt Establishments which is like the SWAMP at all levels of Government in all branches of government is also being sent to the corrupt State of Nevada Attorney Generals Aaron Ford, Esq. and State of New Jersey's Attorney Generals Gurbir Grewal, Esq. <http://thomascaggiano.com/GUBIRGREWAL.pdf> (D) <http://thomascaggiano.com/MUELLERDA.pdf> protected by the corrupt FBI Special Agent in Charge in Las Vegas, its corrupt <http://thomascaggiano.com/SISOLAK6.pdf>

The State of Nevada Clark County home to the Casinos on the Las Vegas Strip and Downtown Las Vegas on Fremont St in Clark County, Las Vegas and North Las Vegas is like the State of New Jersey's Mercer, Morris and Sussex Counties are under Gov Mc Greevey (D), Gov Corzine (D), Gov Christie (R) and Gov Murphy (D) and all their State Attorney Generals, with their accomplices after the fact, the Judges in U.S. District Courts in 9th and 3rd Circuits known by thousands of enforcement agencies worldwide that have access to the Federal Trade Commission's Consumer Sentinel Network including the FBI and State Attorney Generals all 50 states and more. These states, like others, are totally corrupt protected by their Federal Senators and Representatives and also have protected by Holder(D), Lynch (D) Sessions (R), Barr (R), and FBI Director Comey (D) and now Chris Wray (R).

Using Work Breakdown Structure (WBS) analysis for Federal, State, County and Municipal governments, their Courts, Federal Representatives and Oversight Committees, enforcement boards, judges and attorneys are shown to be a cabal of self-protection called the Establishment as the Swamp pervades all levels and all branches of government. Today the United States of America has a dysfunctional government as fake

partisan news media and universities suppress freedom of speech and debate, as corrosive political ideology pervades its progressive communist socialist democrats demanding identity politics and redistribution of others wealth for their groups benefit.

My Oct 27, 2020 request for records from the corrupt Las Vegas Police Department published on <http://thomascaggiano.com/LVMPD.pdf> which is a U.S. and State of Nevada Common Law right of access and Information request and also its State Public record Request MUST including STANDING of such rights. have met also contacted more then 40 police, Sgt, Lt and Captains in the Las Vegas, North Las Vegas and Henderson Police Departments where more then a dozen said GO TO THE FBI. When you report criminal conduct of Federal, State, County, Municipal officials, enforcement agencies protecting judges and attorneys and others expect to be retaliated by all levels of Government the SWAMP using criminal coercion, corrupt courts act in a conspiracy to defame you, suppress your rights, and act in a SWAMP of accomplices.

to protect themselves, circle the wagons and use by criminal means its own courts. The justification adopted by reference <http://thomascaggiano.com/J4S.pdf> dozens of published records which may be used by any person per Federal Rules of Evidence R902(6) to allow other persons to force impanelment of a federal grand jury for Federal Crimes and separate State District court grand jury for State crimes by-passing the corrupt U.S. attorneys, FBI, Governors of NV or NJ, and its corrupt Clark County Commissioners, District Attorney, Federal Representatives Sen Cortez-Masto (D), Sen Jacky Rosen (D), Rep Steven Horsford (D), Dina Titus (D) and Susie Lee (D) with its prior chair of the Clark County Commissioner, all corrupt Democrats, now the corrupt Gov Sisolak (D) with NV Attorney General and former NV State Senator Aaron Ford, Esq. (D) protected by Trump's U.S. Attorney District of NV Nicholas Trutanich, Esq. (R) and FBI's Field office SAC Rouse (R) and have each court directly issue arrest warrants.

Read the recent FBI FOIA response published on <http://thomascaggiano.com/FBIRESPONSE.pdf> to understand how corrupt the FBI has been under the Obama and Trump administrations as the corrupt FBI director's James Comey protected by Holder (D) and Lynch (D) as FBI director Chris Wray is protected by Trump's U.S. Attorney Sessions and Barr and also the U.S. District Court of Columbia's Board of Professional Responsibility's Executive Attorney, the CIGIE and DOJ Office of Professional Responsibility (OPR) as shown on <http://thomascaggiano.com/BOPRED.pdf> and the House of Representative's and Senate's Oversight committees and GAO FRAUD NET.

This web site data, thomascaggiano.com, has now been included thanks to the The Federal Reserve and Federal Trade Commission in the **FTC's Consumer Sentinel Network** <http://thomascaggiano.com/FTC.pdf> exposing its records to thousands of enforcement agencies world wide. The focus of this Case Study has been to aide others by detailing the embedded corruption in Whashington D.C., the U.S. Courts in 3rd and 9th Circuits, and the State of New Jersey initially and now Nevada.

Additionally, The CAG report, with its directories, shows the allowed massive violations and hypocrites of Government under the Obama (D) and Trump (R) administrations of National Security Laws and Presidential Executive Orders noted on <http://thomascaggiano.com/clinton.pdf>, <http://thomascaggiano.com/NSC.pdf>, <http://thomascaggiano.com/UN.pdf>, <http://thomascaggiano.com/DEEPSTATE.pdf>, <http://thomascaggiano.com/PIAB.pdf>, <http://thomascaggiano.com/PRESIDENTurIs.doc>, **SF132 Classified Information Non-disclosure Agreement** concerning sensitive and classified materials and **DS-0109 Separation agreement**.

The hypocrites in the U.S. Congress which always complain about Transparency in the Executive Branch, exempted itself from FOIA for over 50 years.

NOTE: Congress is NOT exempt from your U.S. Constitutional Rights under Common Law nor is any State like the infested States of New Jersey and Nevada which ignore your rights. which is really more powerful then FOIA which can take years to get a response unless like Judicial Watch you then file a civil suit against the corrupt FBI FOIA office which lost over 30 civil suit but you may get mostly blanked out pages like Judicial Watch obtains by ONLY citing their FOIA right but the U.S. Attorney, the Counsel of Inspector Generals that has 73 OIGs that report directly to the President, chaired by eh corrupt DOJ OIG William Horowitz, Esq. is protected by the CIGIE's Integrity Committee and the FBI director is protected by them as well as Congress, the DOJ Office for Professional Responsibility and the U.S. District Court District of Columbia's Executive Attorney, its Board of Professional Responsibility and Office of Disciplinary Counsel as shown by <http://thomascaggiano.com/PRESIDENTurIs.doc> President, <http://thomascaggiano.com/BOPRED.pdf> and <http://thomascaggiano.com/OIGWRAY> but do not expect a response but you can file a civil suite costing an initial \$400 including your attorney costs if not acting Pro Se which I advise against in your own Local U.S. District Court using Rule of Diversity if needed or with the U.S. District Court District of Columbia and by motion or petition have the U.S. District Court issue Court Orders for SHOW CAUSE, PRODUCTION OF RECORDS, and Subpoena your Senator or Congressman to court for testimony.

The news media is part of the Establishment as they protect one except when there is an election as Party loyalty and Retention of Office is a politicians' primary goal for greed, power and avarice NOT as they say, Protect We the People but protect themselves, The Honorable's and the elite be they Hollywood Stars, MTV musicians or sports figures who are made exempt from Quarantines and even Nevada Casinos have more rights then Church's and small business owners that comply with safe separation distancing and require masks In the corrupt State of New Jersey controlled by Gov Murphy (D), NY Controlled by Gov Cuomo=o and Nevada Gov Steve Sisolak (D) controlled by Democrats wit his accomplices in Congress Sen Cortez-Masto, Esq. (D), Sen Horsford (D), Rep Titus (D), Rep Susie Lee (D) and Clark County Commissioners all Democrats with its chair <http://thomascaggiano.com/CEMK.pdf> Marilyn Kirkpatrick and all felons as noted on Thomas Caggiano in the criminal syndicate known as the State of Nevada protected by the Trump administration and previously Obama administration protected the Gov Sandoval, Esq. and his Attorney General Adam Laxalt, Esq. who now is in charge of the Trump 2020 election committee as well as by, U.S. Attorneys Holder (D), Lynch (D), Sessions (R) and Barr (R), and FBI director Comey (RD) and Chris Wray (R) and Las Vegas Newspapers.

or the worst Academia or inept teachers with tenure, but yet laws they pass or worse the Judicial Branch passes its own rules, and even Local Rules so you must know also how to read Government willfully contrived paragraph, sub-paragraph and sub-sub-paragraph and detailed court rules which most attorneys who do not experience in U.S. District courts do not know themselves to have a small clan which protect themselves, ignore 18 U.S.C. Section 4, Codes of Ethics Rules of Professional Conduct to Maintain the Integrity of the Profession, which as none, for the Judiciary Branch with accomplices being the infamous cabal of Attorneys is an enterprise for self protection called The Establishment or The SWAMP.

The following charts shows the U.S. Government is a SWAMP of official corruption and provides evidence that may be referenced as source material used by any person per FRE R902(6) of the corrupt President Obama (D) administration protecting the infested State of New Jersey under the Gov Chris Christie (R) with a series of corrupt NJ Attorney Generals administration and State of Nevada under the corrupt Gov Brian Sandoval (R) and Adam Laxalt administration (*note Laxalt is now in control of Trump's campaign in Nevada*) with the U.S. Attorneys Eric Holder (D) and Loretta Lynch (D) and corrupt FBI director James Comey (D). This has been followed by the corrupt Trump (R) administration with U.S. Attorneys Sessions (R) and William Barr (R) with the corrupt fired FBI director James Comey(D) and the corrupt FBI director Chris Wray (R) <http://thomascaggiano.com/BOPRED.pdf> who protects the New Jersey's corrupt Gov Murphy (D) and NJ AG Gurbir Grewal administration <http://thomascaggiano.com/GUBIRGREWAL.pdf> and State of Nevada under the Gov Steve Sisolak <http://thomascaggiano.com/SISOLAK5.pdf> and NV AG Aaron Ford administration and infested Clark County now lead by my corrupt District B Commissioner and chair <http://thomascaggiano.com/MARYLYNKIRKPATRICK.pdf>, Sheriff Joseph Lombardo and dozens of accomplices in Las Vegas, North Las Vegas and Henderson, <http://thomascaggiano.com/SPECIALPROSECUTOR.pdf>

Massive amounts of evidence which may also be used by others per Federal Rules of Evidence R 902 (6) as the evidence published herein is self-authenticating, provides U.S. criminal codes, [State of Nevada NRS 199 criminal codes](#), [State of NJ Title 2C Criminal code](#), or look-up State's Criminal Code on https://www.law.cornell.edu/wex/table_criminal_code.

violations of Codes of Ethics are also essentially always ignored by Government at all levels Federal, State, County and Municipal governments and by its contractors including such entities in the State of Nevada called Home Owner Associations (HOA) that make up their own Rules to protect themselves with Laws made by the State that take away Unit Holder rights and allow them to put liens on your property based upon fraud in a conspiracy with the State itself as a accomplice protected by the U.S. Attorney District of Nevada, Governor Sandoval (R) / Laxalt (R) followed by the corrupt Gov Steve Sisolak (D) NV AG Aaron Ford (D) administration known by its Federal Senators Catherine Cortez-Masto (D), Sen Jacky Rosen (D), and Rep Steve Horsford (D) <http://thomascaggiano.com/HORSFORD3.pdf> , Dina Titus (D), Susie Lee (D) and Amodie (R) as known by NV State District 1 Co-Majority Whip Sen Patricia Spearman (D), Pat Spearman@sen.state.nv.us, and Assistant Majority Floor Leader Assemblywoman Daniele Monroe-Moreno, Daniele.MonroeMoreno@asm.state.nv.us, and others as shown on <http://thomascaggiano.com/SPECIALPROSECUTOR.pdf> and all Clark County Commissioners who are all Democrats yet NOT one Democratic Federal Senator even voted as they voted PRESENT in non-support the Green New Deal included in the House 3.3 Trillion bill passed by the House to force changes in laws it cannot pass otherwise without U.S. Senate not even voting on the House, Pelosi pass bill on party line votes. . As said by Speaker Nancy Pelosi "Never allow a good crisis to waste"

The System in Nevada, called the Establishment, protects Firstservice Residential and its controlled HOAs by its Governor, State Attorney General, <http://business.nv.gov/ Department of Business and Industry, Nevada Real Estate Division, Division and Office of the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels> as the HOAs law firm is shown by this CASE Study of the protection of the very large multi-state Firstservice Residential (FSR) in Nevada, Florida and other States using the examples of which I am a unit holder Aliante Master Association (AMA) and Autumn Ridge at Aliante Community Association. The State of New Jersey is equally corrupt under gov Mc Greevey (D) Gov Corzine (D), Gov Christie (R) and Gov Murphy (D) along with all the many corrupt State Attorney Generals, its Department of Law and Public Safety, Division of Law, Division of Consumer Affairs with its corrupt Board of Professional Engineers <http://thomascaggiano.com/transcripts> , Board of Professional Planners, Board of Medical Examiners and Board of Psychological Examiners which protect those they are to instead investigate and determine if violations of their relevant codes are violated. Like the Federal Government's District of Columbia's Office of Disciplinary Counsel complaints to prevent the public's awareness a complaint was filed against the FBI director Chris ray, Esq. does NOT Docket the Referral but sends your the DOJ Office of Professional Responsibility where complaints are buried and ignored and in fact is NOT the government body that is task to consider Codes of Ethics violations. are Undocketed and in US District Courts and State Courts you are not allowed to even put the Judge's name on the mailing envelop and complaints are if you are fortunate given a case number but their dismissal letters never cite the Judges name so no person could even know the Judge's name the case was filed against. Per their rules all such records are confidential as they operate wit immunity and total secrecy - so much for transparency in Government, of course Congress that also demanding transparency from the Executive department has exempted itself from Freedom of Information Requests for 50 years and the Judiciary Branch Review Board operate in Total Secrecy which is why the U.S. is so totally corrupt as two of its branches pass laws and Judicial rules protecting themselves and give the Executive Branch the ability not to conduct any indictment even if recommend by a Grand Jury.

so you can not determine the basis of the complaints but I have published several on <http://thomascaggiano.com/corruptjudges/> for the State of Nevada corrupt Justice court of Las Vegas, Department 2 Judges Bonaventure and has protected accomplice Judge Joseph Sciscento on 16PO1647 and 17PO1335 Firstservice Residential v. Thomas Caggiano protected by the Committee on Judicial Discipline, the State of Nevada Administrator of Courts <http://thomascaggiano.com/NVAOC.pdf>, the Judicial <http://thomascaggiano.com/NVJC.pdf>, and its Supreme Court Justices like in NJ with its corrupt NJ Chief Justice Start Rabner and its acting for decades Administrator of Courts Glenn Grant, J.A.C. on <http://thomascaggiano.com/RABNER.pdf> and <http://thomascaggiano.com/cjglenngrant.pdf> in Sussex County municipalities that higher law firms such as Laddey, Clark and Ryan, Sparta, NJ and Dolan and Dolan PA, Dover New Jersey for many large law firms retained even have as owners State Senators or Assemblyman that themselves are attorneys as the corruption is embedded in a corrupt U.S. system of self-protection called THE ESTABLISHMENT lead by its Judiciary Branch's which writes its own rules of self protection giving immunity to itself and corrupt prosecutors and their staff.

Judges routinely violate Codes of Ethics "Maintain the Integrity of the Profession" part of the Judicial Canons as examples the corrupt Obama's FBI's director Comey, deputy director Mc Cabe, and Trump's FBI director Wray are protected by the President Obama called his first corrupt U.S. Attorney Eric Holder his "wingman" who was replaced by the corrupt Loretta Lynch who admitted in testimony even a .gov account is NOT a secured system as the pathetic liar Hillary Clinton and the State Department under Obama and Trump have protected a series of corrupt Under Secretary of Management known by the National Security Counsel (NSC) members, the IGs for the State Department under Obama and Trump with impunity protected by the Democrats and the Republicans and news media as Executive Orders on National Security signed and are still suppose to be enforced by U.S. Attorneys are not, nor SF132 forms requirements nor even Separation Agreements that list the federal crimes being committed as shown on <http://thomascaggiano.com/WHtheOUSE.pdf>, <http://thomascaggiano.com/NSC.pdf> and <http://thomascaggiano.com/clinton.pdf>, Lynch (D), then Sessions (R) and Barr (R) are protected by the U.S District Court District of Columbia's Appellate Division's Executive Attorney, its Board of Professional Responsibility (BOPR), and its and by the CIGIE IGs, U.S Attorney, and DOJ Office of Professional Responsibility OPR, Office of Special Counsel (OSC) and Congress <http://thomascaggiano.com/BOPRED.pdf> called Canons which may be used to disqualify judges and by attorneys called Rules of Professional Conduct , and seek penalties from such enforcement agencies which however all act in a cabal of self protection these include: a. U.S. District Court District of Columbia Board of Professional Responsibility which protects federal attorneys in the Justice Department such as the FBI director Chris Wray, Esq. see as DOJ and FBI agents are protected by CIGIE, IG DOJ Horowitz, Esq., IG OSC, DOJ Office of Professional Responsibility(OPR) , U.S. Attorneys Holder (D), Lynch (D), Sessions (R) and Barr (R) known to Democrats and Republicans called THE UNDRAINABLE SWAMP by former Rep David Stockman as he was also the former OMB director providing Proof of Service to Government U.S. District Court and State Courts in NV and NJ, Court transcripts, complaint records filed with the U.S. Attorney Generals Holder, Lynch, Sessions and Barr, FBI and enforcement agencies that DO NOT perform their official duty committing Official Misconduct or in a Conspiracy 18 U.S. Code § 371 , N.J.S.A. 2C:5-2 and NRS 199.480 Penalties. NRS 199.490 of cover-up they sent you to another agency and back and forth for years. Government officials directly ignore their own mission and duty per 18 U.S.C. § 4 Misprision of Felony, 18 U.S.C. § 3 Accomplice after the Fact which does not require an overt act to be a crime, 18 USC § 1001 Compounding Crimes, 18 USC § 1621 Perjury including violation of oath of office and 18 U.S.C. § 1622 Subordination of perjury for violating Oath of Office, they violate in NJ NJSA 2C:2-1 Crime of Omission, and as in Nevada NRS 193.120 Omission to perform one's duties - Classification of crimes. 1. A crime is an act or omission forbidden by law as the omissions were done with specific scienter intent in conspiracy not to perform one's duties NRS 194.010 wherein the court shall consider the following information:

- (a) The facts and circumstances of the crime;
- (c) The impact of the crime on any victim;
- and (e) Any other relevant information - Crime of Omission, NRS 199.305

Preventing or dissuading victim or witness from reporting crime such as Honest Service Fraud, Mail Fraud, Obstruction of Justice, Filing false instruments, criminal coercion, and retaliation are constant including 18 U.S.C. § 241 Violation of Civil Rights under color, 18 U.S.C. § 242 Violation of Civil Rights by Public Officials, NJ NJSA 2C:30-6. Crime of official deprivation of civil rights and in NV NRS ..

including NRS 199.130 False affidavit or complaint to effect arrest and NRS 207.280 False reporting of crimes unlawful, NRS 199.320 Inducing lawsuit. and write lies to protect as stated by the now deceased Sussex County NJ Superior Court Judge Gannon, J.S.C. stated: *They surround the wagon to protect the power structure.* These affidavits and other evidence may be cited and used by others in their attempts to remove the corruption that is pandemic in government at all levels and provide extensive basis of Probable Cause and Totally of Circumstances for anyone to file court papers to force the use of a Federal and State Grand Jury and provide by a Grand Jury the basis of criminal indictments using Federal Rules of Evidence (FRE) Rule R 902 (6).

As shown by votes in the U.S. Supreme Court, U.S. Senate and House of Representatives their committees votes are along party lines as POLITICAL PARTIES, Democratic or Republican seek power but they are a cabal lead by hypocrites. Demonstrations of large numbers of people that support one parties goal are acceptable by Democratically controlled States while at the same time their Governors issue orders curtaining your U.S. Constitutional Rights. The news media of today is mostly political propaganda and the major corporations and politicians bend to intimidation.

This approximately 20 year long Case Study started in the infested State of New Jersey after a petition by 14 Property owners in the Borough of Stanhope, Sussex County, New Jersey 07874 started with four death threats against Kathryn and Thomas Caggiano reported to eh Police and then FBI for leading numerous petitions to the Borough of Stanhope <http://thomascaggiano.com/newspaper.jpg> reported in The New Jersey Herald on Aug 1, 2002. Thereafter, the cover-up of wetland permit violations, Deeds, Certificate of Occupancy, safety and health laws, increased to prove racketeering, honest service fraud, constant violation of Codes of Ethics, bribery, mail fraud, tax fraud, sub-ordination of perjury, obstruction of justice, violation of civil rights under color, tampered with drawings, false court filings were common place not only in New Jersey which continues for 20 years but upon fleeing to Nevada has shown the State of Nevada is infested with corruption under the Gov Sandoval (R) and NV AG Laxalt (R) and followed by the Gov Sisolak (D) and NV AG Ford (D) administrations protected by U.S. attorneys Holder, (D), Lynch (D), Sessions (R) and Barr (R) as well as the infested FBI lead by Obama's James Comey (D) and Trump's Chris Wray (R).

Shown by the following summary chart.

State of NJ infested Department of Agriculture's Sussex County Soil Conservation District, complaints filed with the corrupt Commissioner of Consumer Affairs' Codes and Standards Division as based upon hundreds of filings as the State attempted to bury such complaints finally in its decision admitted the Borough of Stanhope violated State Laws, the Department of Community Affairs after a complaint filed by Thomas Caggiano admitted the developer violated the Uniform Construction Code as all enforcement agencies and courts involved have conducted their efforts with Honest Service Fraud, Official misconduct and a continuing criminal enterprise under NJ Gov Mc Greevey (D), Corzine (D), Christie (R) and Murphy (D) and all their State Attorney Generals known by the Department of Justice, its Executive Office for U.S. Attorneys, Office of Professional Responsibility, Public Integrity Section and Public Corruption Unit, federal senators and representatives. FBI and U.S. Courts. was signed and retaliation only increased with three assaults by State Police, False imprisonment as tax fraud, bribery, criminal coercion, filing false perjury filings, corrupt judges, tampered with drawings were certified by the State and others even denied to exist. Upon fleeing for one's safety after Federal Senator, Congressman, Two State senators, 2 members of Assembly, reports to the FBI and State Police by Town Administrators, Superior and Municipal court clerks, Stanhope Land Use board, Environmental Commission, Code Enforcement Official, Municipal Town Administrator and Municipal clerk were all ignored as well as over by fraud over 100 denials of access submitted to the corrupt Government Record Council GRC under the Mc Greevey, Corzine and Christie administrations as the corruption continues under the Gov

Murphy administration, similar corruption in the State of Nevada under the Gov Sandoval followed by Gov Sisolak Administration known to NV series of federal Senators, Representatives, and State representative like NJ is even worse. Using a unique designed url by Thomas Caggiano being <https://tinyurl.com/v753vis> one gets a current search listing of urls that are on or refer to thomascaggiano.com by others in other languages exposing corruption in government, photos of even fired were its Town administrator Richard Stewart who reported the corruption to the FBI and State Police, and four death threats

All these attorneys violate 28 U.S.C. & Hillary Clinton, Esq., U.S. Attorneys Holder (D), Lynch (D), Sessions (R) and Barr (R), Rosenstein, Comey, Mc Cabe, and of course the liar Rep. Adam Schiff, Esq. and the cabal of attorneys the filed false Foreign Intelligence Surveillance Court (FISC) verified applications to spy on the Trump campaign and the all the federal representatives that are attorneys in the U.S. Senate and House for even when Mc Cabe, Esq. was known to have lied, called lack of candor, 28 U.S. Code § 530B Ethical standards for attorneys for the Government to FBI agents, the corrupt Trump Justice Department never indicted for lying to the FBI nor any of those person that lied to Congress under oath on the Supreme court Senate confirmation hearings wherein the Democrats for political purposes slandered now Associate Justice of the Supreme Court of the United States Brett Michael Kavanaugh. Published on thomascaggiano.com and freedomnewsdigest.com and referenced url are volumes of evidence, actual court videos and court transcripts in NJ and NV of these State's corrupt judges and attorneys are protected by the enforcement agencies to include in NJ the Office of attorney Ethics (OAE) and Nevada Bar Counsel for attorneys, and for judges in NJ the Advisory Committee on Judiciary Discipline (ACJC) and in NV the Committee on Judiciary Discipline (CJD). U.S. and States Constitutions are violated, Laws are violated, Codes of Ethics are violated as retaliation against witness that report federal crimes, State crimes and Codes of Ethics violations are retaliated against by Government at all levels by both Democratic and Republican Administrations as THE SWAMP. The establishment protects itself in conspiracy to deprive me of my civil rights under color and in conspiracy violations of federal laws 18 U.S.C. § 241 and § 242 and State of Nevada and New jersey criminal codes.

AS OVER 100 ATTORNEYS NOTED IN THE RECORDS PROVIDED HEREIN HAVE VIOLATED FEDERAL, STATE LAWS, AND CODES OF ETHICS FOR DECADES AS HAVE MANY JUDGES AT ALL LEVELS OF GOVT FROM COAST TO COAST AS judicial canons ARE NOT ENFORCED.

(BOPR) and the corrupt U.S. Department of Justice's Office of Professional Responsibility OPR as the attachments prove OPR sent me on Aug 3, 2017 in response to my FOIA request F17-00023 a CD marked which was encrypted **Unauthorized duplication of this media is strictly prohibited** and is also marked **Limited Official Use Only on that had 5,030 pages of complaints and evidence ignored by OPR and other Government enforcement agencies. How can the OPR send me a disc marked in response to my FOIA that I can not duplicate it and also mark it Official Use Only?**

The government enforcement agencies at the Federal, State, County and municipal levels DO NOT perform their official duties but mostly a cabal of self protection, or in Congress act for political motives, as the enforcement agencies either ignore your complaint or send you from one enforcement agency to another, Courts do not docket filings or make thymol so the public never is aware of the complaint, violate codes of Ethics Rules of Professional Responsibility or Judicial Canons, commit acts of Official Misconduct and fail to maintain the Integrity of the which has essentially none as apparently LAW SCHOOLS do NOT teach ethics but how to deceive and lie with a straight face, deflect the question and to protect other attorneys, judges and prosecutors as they surround the wagon to protect the power structure like politicians protect their own party, vote along party with retaliation against those in their party that do not toe the party line, called THE ESTABLISHMENT of THE SWAMP at all levels of government knowing they will be protected by the Courts or U.s. Attorneys as Congress has exempted itself from FOIA for over 50 years but is NOT exempt from U.S. Common Law rights of access which the corrupt FBI FOIA office lies and states this U.S. Constitutional Right which is also a constitutional right in Nevada and New Jersey by officials as it removes the FOIA exemptions and if you have STANDING is much more powerful to obtain government records then using FOIA or in NV the Open Records Act or in NJ the Open Public Records Act (OPRA) where I suggest use both Common Law and the State's Law - does not exist read m letter to my corrupt Rep. Steve Horsford (D) NV 4th on <http://thomascaggiano.com/HORSFORD4.pdf> and are violators of 18 U.S.C. & 3 Accomplice after the fact or 18 U.S.C. & 4 Misprision of felony themselves violating their oaths of office. The letter is entitled: Emergency reconsideration of Wray / Caggiano Undocketed No. 2020-U330 Complaint Violation of Codes of Ethics Rules of Professional Conduct Thomas Caggiano v. Chris Wray, Esq. and review of misconduct of Angela Walker, Esq. Staff Attorney regarding her response dated Jun 3, 2020. exhibits attached show the corruption of DOJ OPR itself.

My Jun 3, 2020, 11 page letter, <http://thomascaggiano.com/HORSFORD3.pdf>, a notarized affidavit under penalty of perjury with adopted referenced exhibits and EVIDENCE per Federal rules of Evidence Rule 902 (6) with attached email to conspirators in federal Government, newspapers, USPS certified return rectifies as PROOF OF SERVICE and other adopted court transcripts, letters, false tampered with tampered with false drawings proving fraud, bribery, mail fraud, conspiracy, criminal coercion, criminal contempt of court, honest service fraud, filing false instruments, violation of health and safety laws, uniform construction codes, deeds is massive and Standing Operating Procedures for decades in New Jersey and at least a decade similar corruption in Nevada which include U.S. District Court filings by reference in San Francisco, CA, Las Vegas, Nevada, Newark, NJ, Philadelphia, Pennsylvania, and District of Columbia Appellate Division
<http://thomascaggiano.com/BOPRWRAY>. <http://thomascaggiano.com/BOPRWRAY.pdf> shows how utterly corrupt the U.S. District Courts, a series of U.S. attorneys under Obama and Trump and prior have been including all the corrupt Governors in NJ for 2 decades and in Nevada for a decade known by the Republican, Democratic, Libertarian, and Green Parties and the so called "Freedom Caucus" lead by the former Rep Meadows now President Trump's Chief of Staff as my NV federal Senators Harry Reid (D), Dean Heller (R), Cortez-Masto and Jacky Rosen (D), as well as Rep Horsford (D), Rep Hardy (R), Rep Kihuen (D) and again the corrupt Rep Horsford (D) have been as expect corrupt partisans protecting not themselves but the Establishment which is the corrupt Department of Justice and the corrupt FBI under Obama and Trump, namely James Comey and Chris Wray as they protect themselves and their corrupt racketeering enterprises Whashington D.C., New Nevada no matter who is the U.S. Attorney General nor the DOJ Dir of the Criminal Division <http://thomascaggiano.com/AAG.pdf>

<http://thomascaggiano.com/PIN.pdf>

The letter provides links to hundreds of web address to others that use thomascaggiano.com, which covers a 20 year Case Study by Thomas Caggiano of his with retaliation by ACJC Government, unconstitutional court orders, false imprisonment with bodily harm, perjury, tampered with court records and plans by government itself to protect protect developers, in NJ, and Firstservice Residential (FSR) a major huge corrupt Home Owner Association HOA community management firm using FSR-NV and FSR-FL, Red Rock Financial RFRS many states and its corrupt law firm s for in over 150 Judges and attorneys through these 20 years NOT one Judge complied with their Codes of Ethics Canons, Attorneys did not comply with Codes of Ethics Rules of Professional Conduct, none complied with federal nor state laws such as 18 U.S.C. & 4 - Misprision of Felony or 18 U.S.C. & 3 - Accomplice After the Fact as they protected the system of corrupt cabal of Judges, and Prosecutors. thomascaggiano.com and freedomnewsdigest.com, of Inside on the Outside, exposes corruption in government to every level federal, state, county and municipal. Hundreds of referenced published records by adoption, mailed to the U.S. District Court District of Nevada Chief District Judge Gloria Navarro, corrupt FBI, Republican and Democratic party organizations, newspapers, and my corrupt Congressman Steven Horsford in the infested 4th Congressional District, in the corrupt Las Vegas Valley with corrupt municipalities of Las Vegas, North Las Vegas and Henderson, protected by prior NV Gov Sandoval (R) and his NV Attorney General Adam Laxalt, Esq.(R) who now leads Trump's Presidential political campaign, used the non-political funds as an outside attorney from Americans For Public Trust <https://americansforpublictrust.org/> with its Executive director Catalan Sutherland, a former National Republican Congressional Committee employee, and the corrupt Sandoval / Laxalt administration (R) was replaced by then corrupt former Clark County Commissioner chair <http://thomascaggiano.com/CLARKCOUNTYNV.pdf>, now Gov Steve Sisolak (D) and his corrupt Attorney General Aaron Ford

(D), as the Clark County Commission is as corrupt Today when the mob controlled Las Vegas and Clark County, as the infested State of NJ continues to be corrupt under Governors Mc Greevey(D), Corzine (D), Christie (R) and now Murphy(D) for no matter who is the State's Attorney General, U.S.A. President, and their Attorney Generals Holder, Lynch, Sessions and Barr, the Establishment protects itself.

As We the People could not assemble in a Church had to wear masks, could not isolate oneself on a boat but could by these same corrupt mostly Democratic politicians allow mass protests where tracing of infected thousands could never occur and most were immune from COVID19 becoming asymptomatic carriers. This action will prove either masking and separation distancing were critical safety facts destroying millions of lives as 40 Million people were unemployed or a vast pandemic will spread. Either outcome, the Democrats will be shown to have caused death especially NY Cuomo (D) and NJ Gov Murphy (D) in NJ for the CDC warning stated YOU could ONLY put people with COVID19 back into a nursing home IF, I repeat IF, the nursing home allowed for separation, had PPE, and control which they did not which the nursing homes themselves objected resulting in over 10,000 deaths in Nursing and Caring facilities in New York and New Jersey that should be relabel death traps. All the

demanding social distancing that were essential during a pandemic like NY stores that were looted, dozens of police officers injured, and police cars destroyed the dozens, and small businesses owners businesses ruined, buildings destroyed, as the demanding social separation and wearing a mask orders went up in smoke is the same demands b Government that you could not even walk on an isolated hiking trail went up in smoke as long as you were a protestor. Total hypocrites calling people killers for not wearing a mask but as long as you protected all such health and safety s went up in obvious false conflicting views of rights of assembly somehow allows protects but not freedom of religion and assembly. . You could not congregate for a funeral or a mass but as long as you protected thousands could flood streets without any possibility of trace studies exposes their fraud and duplicity.

as rioting was uncontrolled. How could be NOT be allowed into a church with separation distancing, go on your own small boat with your family onto Lake Mead, go swimming in the ocean, and having masks while at the same time huge gatherings are allowed for protests. Apparently the first amendment NOT apply to freedom of religion nor protecting one's safety on their own boat. The hypocrisy of these power hungry dictators such as Democratic Governors Sisolak (NV), IGE (HI), Newsome (CA), Murphy (D) and Gretchen Whitmer (MI) is obvious and of the corrupt U.S. em court. More people have been killed by COVID19 then those killed by Police in decades, yet people are not allowed to go to their place of religion nor any business the Governor states is non-essential while big box stores are opened and ave less social distancing then a small business that can easily control access preventing spreading.

In fact, both parties are totally corrupt and mostly vote on party lines in that the current corrupt Speaker of the House Nancy Pelosi (D) <http://thomascaggiano.com/USA.pdf> who replaced the corrupt Rep. Paul Ryan (R) <http://thomascaggiano.com/Ryan.pdf> now on [Fox News Board of Directors](#) as the former DNC acting chair Donna Brazile (D) who admitted she gave Hillary Clinton the questions she was going to ask as a CNN moderator on a debate and admitted along with Sen Sanders (D) and Sen Warren (D) the DNC and Hillary Clinton had rigged the DNC election process using funds paid by DNC and HFACC, LLC. Fortunately Acting DNI Richard Allen Grenell <http://thomascaggiano.com/RICHARDGRENELL.pdf> removed over 400 Government employees from the bloated Office which as oversight of 17 different and highly redundant Intel agencies.

Bongino is a coward as he let Trump ignore his question about the corrupt FBI director Chris Wary while blasting Wray the day before.

Dan Bongino <https://bongino.com> is a Wimp as a reporter afraid to challenge Trump retaining the corrupt FBI director Chris Wray.

Gregory Walter Jarrett, Esq. magna cum laude from Claremont Men's College and then Hastings College of the Law. Prior to joining Fox as its NEWS ANCHOR, Jarrett worked at MSNBC. In his May 2, 2020 [web posting](#) based upon as hidden FBI records for years recently released in the infamous case U.S.A. v. Trump's General Flynn stated:

All of this exculpatory evidence would have remained buried were it not for the intrepid work of Flynn's new attorney, Sidney Powell, Esq. (former Assistant United States Attorney and Appellate Section Chief in the Western and Northern Districts of Texas, a past president of the American Academy of Appellate Lawyers and a member of the American Law Institute, author of [LICENSED TO LIE](#) Exposing Corruption in the Department of Justice as well as the decision by Attorney General William Barr to appoint U.S. Attorney Jeffrey B. Jensen, Eastern District of Missouri Thomas Eagleton U.S. Courthouse, 111 S. 10th Street, 20th Floor, St. Louis, MO 63102, Telephone: 314.539.2200, Fax: 314.539.2309, to review the case. Only then did the material surface. Under the law, prosecutors were required to provide it to the defense.

The DOJ should now consider whether crimes were committed by those who obscured the truth. Anyone who corruptly impedes the due administration of law and justice could face potential obstruction of justice charges. Obstruction is a crime against justice itself.

Current FBI Director Christopher Wray must also face scrutiny. Most likely knew about the exculpatory evidence for the last two and a half years yet appears to have done nothing. This is consistent with his other actions dedicated to protecting, at all costs, the FBI's reputation, which was sullied beyond repair by his predecessor, Comey

Wray should have been fired long ago

President Obama (D) appointed former corrupt FBI director James Comey, Esq. (D)

President Trump (R) fired Comey and then appointed the corrupt FBI director Chris Wray, Esq. (D)

On Friday, Trump said in a call to the Fox News morning show. Well, a lot of things are going to be told in the next couple of weeks and let's see what happens ... He was appointed by (former Deputy Attorney General) Rod Rosenstein ... Let's see what happens with him. Look, the jury's still out with regard to that, but it would have been a lot easier if he came out rather than skirting and going through 19 different ways except through the FBI

On May 22, 2020 The Whashington Times news reporter Jeff Mordock, jmordock@whasingtontimes.com, reported the FBI Director Christopher Wray on Friday ordered an internal probe into the Bureau's handling of the case against Michael Flynn, who briefly served as President Trump's first national security adviser.

Chris Wray, Esq. was corrupt as a NJ attorney getting \$3.2 Million from the corrupt State of New Jersey to defend the most corrupt NJ administration, Governor Chris Christie, Esq. filled with a series of corrupt NJ Attorney Generals who were his prior accomplices in the corrupt U.. Attorney District of New Jersey which has been corrupt under Obama and Trump as well as FBI in Newark, Woodland park and Hamilton, NJ for decades. Under Gov Mc Greevey (D), Gov Corzine (D) gov Christie (R) and Gov Murphy (D) their Commissioner of Community Affairs, Commissioner of Education and other attorneys as voting members, Executive directors, Case managers, the NJ Attorney general's Department of Law and Public Safety's Division of Law Deputy Attorney Generals supporting the Department of Community Affairs with its corrupt Government Record Council (GRC) as constant protected the State, corrupt Counties, municipalities, prosecutors and other State enterprises by Honest Service Fraud, filing false decisions, having deceptive minutes, engaging in racketeering, conspiracy, mail fraud, retaliation to prevent the defection and apprehension of hundreds of corrupt government officials, record custodians as the GRC is corrupt as well laws its accomplice the executive judges on the Office of Administrative Law (OAL) as its rules are not followed, and is a n accomplice after th fact. under all administrations in NJ since its inception. in NJ History on Bridgegate Chris Christie and his corrupt administration filled with corrupt NJ Attorney Generals and Acting NJ Attorney Generals mostly coming from his days as the corrupt U.S. Attorney for District of NJ bringing the many corrupt corrupt Commissioner of Community Affairs, and Jeffrey S. Chiesa, Esq. replacing as interim U.S. Federal Senator the outstanding and deceased Senator Frank Lautenberg (D) who requested an investigation of a conspiracy in Sussex County, N.J. as did Congressman Rodney Frelinghausen (R), State Senators Codey (D), and Sen Littell (R) as well as Assemblyman Gregg (R), Assembly woman Alison Littell Mc Hose (R), over a dozen property owners as the corrupt NJ Attorney Generals have continue for 2 decades under Mc Greevey (D), Corzine (D), Christie (D) and Murphy (D) as in Nevada under Gov Sandoval / NV AG Laxalt (R) followed by Gov Sisolak / NV AG Ford (D) are also just as corrupt. In NJ, the FBI and State Police and others engage in fraud, waste an abuse and retaliation via its corrupt Courts in Mercer, Sussex and Morris Counties. as dozen by the Sussex County Superior Court criminal part staff member Kay Mack and the Town of Newton's deputy municipal court clerk Tania El., as the Borough of Stanhope's town administrator Richard Stewart reported the Borough of Stanhope's corruption to the FBI and State Police and was fired. The Office of gov Ian Brennan also requested an investigation and was fired as retaliation is Standing Operating Procedure for those reporting criminal conduct to the corrupt FBI and the corrupt State of Nevada similar in the corrupt State of nevada. by then U.S. Attorney District of New Jersey Christie and his ten corrupt first assistant U.S. Attorney for District of NJ Stuart Rabner <http://thomascaggiano.com/RABNER.pdf>, <http://thomascaggiano.com/SWEENEY.pdf> his corrupt Special Prosecutions Branch of the Conspiracy and corruption Sussex County, NJ that has continued for over 2 decades.

Now protected by the corrupt Gov Murphy (D) and his Lt Gov Oliver (D) who is also the corrupt Commissioner of Community Affairs and former Speaker of the Assembly as she is one of the corrupt voting members on the corrupt Government Record Council (GRC) that like the FBI FOIA office is corrupt on protecting protecting the State, County and many Municipal Government and other organization that MUST comply with its Open Public Record Act (OPRA) but do not.

=s in a similar method as the corrupt FBI FOIA that was violated in a conspiracy the civil rights of Judicial Watch constantly as Judicial Watch has to file civil suits to U.S. Court on a constant basis as the FBI continues to violate its FOIA rights as the FBI has lost dozens of cases in U.S. District Court District of Columbia along with the corrupt State Department that has protected Hillary Clinton under the Obama and Trump administrations.

Murphy and the corrupt series of Sussex County Prosecutors and Vicinage X, Morris and Sussex County with corrupt superior and municipal court judges and the corrupt former Congressman Scott Garrett <http://thomascaggiano.com/GARRETT.pdf> voted out of office, rejected by the U.S. Senate as Trump's nominee then notice during a hiring freeze as stated by the position as an attorney created for him at the SEC's Office of the General Counsel earlier this year, according to the report. Hal Wirths without an announced position in his then Department of Labor. Similarly the corrupt Congressional District 5, Congressman Scott Garrett (R) voted out of office and as the U.S. Senate refused his confirmation as a Trump appointee then without any announcement became the attorney for the SEC and the corrupt Sen O'Toole (R) who protected the Christie administration on the Select Committee on Investigation on Bridgegate as no State Title 2C crime nor Code of Ethics violation regarding violations of Christie's own deputy chief of staff and attorney who lied t his face about a false traffic study which cause grid lock at the George Whashington Bridge as two entrance lanes were blocked in retaliation against the Ft Lee Mayor (D) for not supporting Christie (R) as Gov like many corrupt Democrats did against their own party candidate was charged against anyone was made the chairman of the corrupt Port authority of NY and NJ as Christie's corrupt Attorney General Paula Dow, Esq. was previously made the Port Authority of NY and NJ General Counsel and then a Superior Court judge over the objections of Sen Codey(D), Sen Rice (D) and Sen Gill (D) as Sen Gill was a member of the corrupt law firm of then Sen Lesniak who was a lead partner in the corrupt law firm of Lesniak [left the law firm](#) which had Sen Gill (D) as one of its attorneys as one of its attorneys represented the corrupt Township of Wantage with tis corrupt Judge Craig U. Dana, J.N=M..C. who was also the corrupt Joint municipal court judge for the Township of Green, Township of Hampton, Township of Fredon and Borough of Andover with tis corrupt attorney William Hinkes as both conspired with Judge Mulhern, J.M.C. who was the municipal court judge in the Borough of Stanhope court, the corrupt Joint municipal court of the Township of Stillwater and the corrupt municipal court Judge in the town of Newton for in Sussex county roving judges and the municipal attorneys are cease pools of corruption in the corrupt Vicinage X [Government Record Council with corrupt Cabinet officials, attorneys and Case managers](#) comprised mostly of Sussex, and Morris Counties and two corrupt Congressional Districts 5th and 11th and with thee corrupt Morris County Board of Chosen Freeholders <http://thomascaggiano.com/PARSIPPANYPOLICE.pdf> and Sussex County Board of Chosen Freeholders and the Sussex County and Morris County Prosecutors no matter which political party is Governor or President of th USA with the corrupt U.S. Attorney District for NJ and FBI as accomplices. That law firm was renamed Weiner Working Group as his firm represented the corrupt Township of Wantage with its corrupt Dolan and Dolan Municipal prosecutor as Dolan and Dolan PA is also eh attorney for the corrupt Sussex County Soil Conservation District and Borough of Stanhope Land Use Board as with the corrupt law firm of Laddey, Clark and Ryan LLC <http://thomascaggiano.com/MCMEEN.pdf>, as they control many of Sussex Counties infested municipalities that continue under every administration and every corrupt Gov of NJ and their Attorney Generals and corrupt courts.

All State of New Jersey Senators and Members of General Assembly protect the Establishment protects itself only partly exposed by [PROPUBICA](#) and the former executive director of the State Commission on Investigation (SCI) [Lee Seglem as documented in my 57 page letter published on http://thomascaggiano.com/160627WANTAGE.pdf](#) filed in CIGIE, FBI, U.S. Executive Office of U.S. Attorneys, U.S. Senate Oversight Committee on Homeland Security, NJ Attorney General, corrupt Sussex County Superior Court Judge Hansbury, J.S.C. Civil Part under Docket SSX-C-21-15 and the corrupt Township of Wantage corrupt law firm Weiner Lesniak which ad as it major partner Sen Lesniak (D) and another attorney Sen Gill (D) as Lesniak a powerful corrupt official ran for NJ Governor and lost. The corrupt law firm changed its name once Lesniak retired to Weiner Law group [with the corrupt law partner Steven Tombalakian, Esq. the attorney for the infested Township of Wantage](#) as the corrupt Courts Vicinage X of Sussex and Morris Counties have all been protected more then a decade as shown by eh court records on docket SSX-C-21-15 Township of Wantage v. Thomas Caggiano as the Township own municipal clerk Tania Ell reported the corruption to the FBI and N.J. State Police Official Corruption Bureau as did the Sussex County Criminal Part Kay Mack and others tat were retaliated against by the State and the Borough of Stanhope just one of the many racketeering

enterprises called municipalities in the pandemically corrupt State of NJ no matter which party is governor, or which party controls the Presidency of the USA and their corrupt Attorney Generals under Obama and Trump and prior for decades.

Similarly, the corrupt Port Authority of NY and NJ <http://thomascaggiano.com/PORTNYNJ.pdf> is where corrupt officials are placed by the corrupt Gov they serve and protect being Gov Chris Christie loved by Fox's Laura Ingraham and Christie's protectors Gov Murphy (D) and his corrupt Attorney General Gurbir Grewal, Esq.

<http://thomascaggiano.com/GURBIRGREWAL.pdf> and the corrupt newly formed NJ Attorney General Office of Integrity and Accountability <https://nj.gov/oag/opia/> lead by a former corrupt FBI agent Thomas Eicher, Esq. wherein I would act Pro Se and before the public as done in the corrupt courts shown the corruption of the State, the Vicinage X, Morris and Sussex County judges, and dozens of accomplices which continues protected by Obama's and Trump's U.S. Attorneys for District of NJ , FBI and all NJ attorney generals Mc Greevey (D), Corzine (D), Christie (R) and Murphy (D) for as stated by Judge Gannon, J.S.C. as to why he did not file a complaint against the Vicinage X Assignment Judge to the corrupt ACJC for violation of Codes of Ethics by a Judge his response published in the newspapers was they surrounded the wagons to protect the establishment and threw the Superior court judges under the bus <http://thomascaggiano.com/SWEENEY.pdf> as the current corrupt NJ Senate President is SWEENEY

The Judicial branch in NJ is protected by the corrupt ACJC and District Ethics Committees. As Honest Service fraud is constant in the US government, NJ and NV. The fraud, criminal retaliation continued under the Superior Court Judge N. Peter Conforti, J.S.c. and the Sussex County Prosecutor under more then a dozen criminal charges in IND 08-09-316-I even dismissed by prejudice against the State, and numerous superior court municipal appeals of more then a dozen false convictions based upon

complaints filed in the Borough of Stanhope transferred to the corrupt Joint municipal court in the Township of Green without an attorney and even partly into the corrupt Netcong municipal court in another count for no other Sussex County municipal judge would take the case transfer from these infested municipalities where in the Judge admitted in his Court orders the corrupt Joint municipal Court for the Township of Green, Township of Fredon, Township of Hampton and Borough of Andover along with its corrupt alleged municipal prosecutor constantly violated court rules and in fact falsely imprisoned me for 85 days in the corrupt Sussex county jail wherein I suffered greyest bodily harm being taken to the accomplice of Judge Craig U. Dana.

The DNC then funded via another firm [Perkins Coie used DNC funds to hire the unregistered foreign lobbyist Steele the infamous Steele dossier provided by Sen Mc Cain \(R\) who strongly disliked Trump to the FBI apparently - as did her assonant Huma Abedin on her then husbands laptop as they have been protected by the Obama administration, Trump Administration and U.s. Attorneys, DOJ and FBI directors, who have been protected by CIGIE and DOJ OIG known to The SWAMP.](#)

[Even though all members on the Sussex County Board of Chosen Freeholders have been replaced, the corruption within Sussex County continues unabated noted on court videos, GRC data and other records noted on <http://thomascaggiano.com/HARDY.pdf>, <http://thomascaggiano.com/GRC.pdf>, <http://thomascaggiano.com/MCMEEN.pdf> Sussex County Soil Conservation District, Newton, N.J. with its corrupt chair Clifford Lundin, Esq. and then corrupt manager Winifred Straub who was promoted to its corrupt Board of Supervisors in two other corrupt municipal courts being the Joint municipal court for the Townships of Green, Township of Hampton, Township of Fredon and Borough of Andover with its corrupt municipal judge Craig U. Fox News Laura Ingraham, 1211 Ave of the Americas, NY, NY 10036, is a political Republican party hack like MSDNC Rachel Maddow, One Microsoft Way, Redmond, WA 98052, is a Democratic party hack as both are part Propagandists. The corrupt President Trump suffers from Narcissistic Personality Disorder (NPD) as he now states he is THE PERFECT PRESIDENT -- ONLY GOD IS PERFECT, as millions of U.S. Citizens in all political parties despise him as they also despise the egomaniac Hillary Clinton called tens of millions of not only deplorable but irredeemables acting as a GOD as both suffer NPD and lie constantly and deem those that have their own opinions based upon their own observations of their mental dysfunctionality NPD in which people have an inflated sense of their own importance, a deep need for excessive attention and admiration, troubled relationships, and a lack of empathy for others. Many Republicans love the most corrupt Gov in NJ history Chris Christie protected by the SWAMP Holder, Lynch, Sessions and Barr, FBI director Comey and FBI director Wray as the NJ Establishment filled with corrupt Democrats and Republicans including his replacement NJ Gov Murphy (D) with his corrupt NJ AG Grewal protect the prior infested Christie administration that followed the corrupt NJ Gov Mc Greevey (D) and corrupt NJ GOV Corzine(D) administrations .

Ex-Gov Chris Christie, Esq.

Ingraham was pathetic [Laura Ingraham](#) as many of Christie with his an corrupt series of Attorney Generals as accomplices as his Deputy Chief of Staff Bridget Anne Kelly, Esq. https://en.wikipedia.org/wiki/Bridget_Anne_Kelly, even lied to Christie's face that there was a traffic study which closed the Access lanes to the George Washington Bridge causing havoc , expenditure of State, Port Authority of NY and NJ funds <http://thomascaggiano.com/PORTNYNJ.pdf>

Pathetic deceitful

[Gov Christie's and NY Gov Cuomo's controlled corrupt Port Authority and NY and NJ harassed hundreds of thousands if intrastate and interstate travelers by grid lock in Bergen County roads p to emergencies, caused by willful grid lock of local streets and other interstate travel by hundreds of thousands of people using I95, NJ turnpike in retribution to the Democratic Ft Lee mayor not supporting his candidacy for Gov to be used in his future Presidential ambitions for political and financially benefit purposes and thereafter Christie's protected Gov Murphy \(D\) and NJ's corrupt Attorney General and has Lt Gov Sheila Y. Oliver who also serves as Commissioner of Community Affairs and voting member along with Murphy's corrupt Commissioner of Education and other attorneys on NJ infested Government Record Council \(GRC\) which continues to be corrupt under every NJ administrations none were charged with any 2C State crimes nor has the corrupt GRC held a hearing on more than 100 denials of access. I have submitted falsely denying detailed reconsideration requests since its existence by Honest Service Fraud and Conspiracy to prevent detection and apprehension, and issue massive fines and cause the removal of officials](#)

I filed complaints to both the IG DOJ and the U.S. District Court District of Columbia's Appellate Division's Board of Professional Responsibility (BOPR) and the corrupt DOJ Office of Professional Responsibility (OPR) for years all ignored.

In the infested State of NJ with its corrupt Port Authority of New York and New Jersey, Gov Christie's protectors are rewarded as his corrupt NJ Attorney General Paula Dow, Esq. was made the Chief Counsel on the Port Authority of New York and New Jersey had then nominated by Christie to become a Superior Court Judge thanks to Christie's protector on the NJ Select Committee on Investigations of Abuse of Power and the infamous Christie's Bridgegate scandal as not one person was never charged with any State crime in either the corrupt State of NJ nor State of NY per the corrupt Gov of NY and NJ, their Attorney Generals there was never a state crime even as numerous officials and employees of the Port Authority and State of NJ were convicted ONLY on federal crimes. Both states protect their accomplices on the corrupt Port Authority of NY and NJ closing down several George Whashington Bridge access lanes to retaliate against the Ft Lee Mayor Mark Sokolich (D) for not supporting his renomination as Gov as Christie (R) planned his run for President and it would good on his resume. However, Sen Ken O'Toole, Esq. (R) who helped make the corrupt Christie's corrupt Attorney General Paula Dow, Esq.

<http://thomascaggiano.com/corruption.pdf> after Christie appointed Paula Dow the corrupt Chief Counsel of the infested Port Authority of NY and NJ, wherein the former corrupt NJ former corrupt Gov Jon Corzine (D) made his corrupt former campaign manager Susan Bass Levin, Esq. and then Commissioner of Community Affairs (CA), voting member on the corrupt OPRA Government Record Council (GRC) as now NJ Gov Murphy's (D) corrupt Lt Gov Oliver is a voting member of the corrupt GRC. Also corrupt is CA's Codes and Standards Department and corrupt Local Government Services Department. The corrupt Gov Corzine gave CS's Susan Bass Levin, Esq. a high level job in the Port Authority while also getting a dual a part time job on the DC's corrupt Local Finance Board so she could become eligible for medical benefits and a large increase in her retirement pay. As the Sen O'Toole threatened Judge Costello to support Christie efforts to get Paula Dow confirmed by NJ Senate as a

Superior Court Judge as Sen Rice (D), Sen Gill (D) and Sen Codey (D) all objected to her nomination as Sen O' Toole was then protected by NJ's corrupt Office of Attorney Ethics (OAE) as the three State Senators all filled an ethics complaint against Sen O'Toole for telephoning the Vicinage Assignment Judge Costello, A.J.S.C. threatening that two Judges favored by Democrats would have their judicial careers essentially terminated by Gov Chris Christie, Esq. in retribution. To reward Sen O' Kevin Toole (R) Christie appointed him as the Chairman of the corrupt Port Authority of NY and NJ Board of Commissioners as the corrupt O'Toole has now objected to the corrupt Gov Murphy (D) of a power grab as these two corrupt Politicians fight for control of the corrupt Port Authority <http://thomascaggiano.com/PORTNYNY.pdf> The person who protected the Christie's administration was [Acting Bergen County Prosecutor Gurbir Grewal, Esq.](#) who was a former attorney in the corrupt U.S. Attorney for District of New Jersey office which is corrupt for decades as well as the FBI, Christie a former corrupt U.S. Attorney for District of NJ then appointed the corrupt as County Prosecutor for the Senate did NOT confirm Christie's nomination as his corrupt administration on Bridgegate as a private citizen filed per R 7.2 a Voluntary affidavit which was found to have Probable Cause and referred to the corrupt Bergen County Prosecutor Grewal for investigation and indictment. That prosecutor is now the corrupt NJ Attorney General Gurbir Grewal. Thereafter, Gov Murphy (D) made Gurbir Grewal (D) his corrupt New Jersey Attorney General even as the Ft Lee Municipal Court Judge twice found there was probable cause to conduct an investigation against Christie and his accomplices on Bridgegate stop by Gurbir Grewal as Bergen county prosecutor. <https://nj.gov/oag/opia/> lead by its corrupt director Thomas J. Inside on the Outside's Author and Publisher of thomascaggiano.com, freedomnewsdigest.com and other domains in other countries exposing corruption in US Attorney, DOJ, FBI, U.S. District Courts, and States of Nevada and New Jersey as more than a dozen Federal Senators and Representatives and their staffs, their federal oversight committees, GAO FRAUD NET and many news papers as well as Democratic, Republican, Libertarian, Green, Tea and other party organizations have been aware of the corruption of the ESTABLISHMENT as shown by using this short url <https://tinyurl.com/v753vls>. You get a listing of over 500 URLs on numerous other domain sites using thomascaggiano.com as a global search criteria, social media, blogs, court transcripts from corrupt courts in 3rd and 9th U.S. District Circuits, Nevada and New Jersey, U.S.P.S. certified return receipts as proof of service, certified affidavits signed under oath under penalty, court videos, audio recordings, witness listings, emails and addresses of corrupt officials at all levels of government including images of envelopes, diagrams, photos and USPS certified return receipts as PROOF OF SERVICE. In addition essentially all Judges violated Codes of Ethics Canons and essentially many dozens of attorneys violated Codes of Ethics Rules of Professional Conduct and were protected by in NJ by the NJ Supreme Court's Office of Attorney Ethics (OAE) and various county District Ethics Committees as Judges are protected by the NJ Supreme Court's Advisory Committee on Judicial Discipline (ACJC) lead by the corrupt NJ Administrator of Courts and executive director of the corrupt ACJC Glenn Grant J.A.D. <http://thomascaggiano.com/acjcglenngrant.pdf> who has been the corrupt NJ Chief Justice Stuart Rabner and former corrupt NJ Attorney General <http://thomascaggiano.com/corruption.pdf> and former corrupt U.S. Attorney District of New Jersey first assistant prosecutor for the then corrupt U.S. Attorney District of NJ Chris Christie, Esq. as Rabner like Christie who was voted out of office as a corrupt State of New Jersey Board of Freeholder for the infested Morris County has been corrupt for about 20 years and shows the more corrupt you are in government, the bigger liar you are, such as many attorneys now federal Senators or Representatives, learn how to lie with a straight face, and are dishonorable, the higher position in government as a Judge or Representative or Senator your prefix HONORABLE when instead title should be DISHONORABLE and if your suffix is Esq. that means Avarice at you get the likes of the corrupt NJ's Chief Justice - Honorable Stuart Rabner confirmed by both corrupt Political Parties in the infested State of New Jersey as Nevada is just as corrupt - <http://thomascaggiano.com/RABNER.pdf>. In Nevada, Judges who violate Codes of Ethics Canons 1 and 2 are protected by the Committee on Judicial Discipline (CJD) and NV Attorneys who violate the Codes of Ethics Rules of Professional Conduct are protected by Nevada Bar Counsel as its former corrupt NV Attorney General Catherine-Masto, Esq. is now Nevada's corrupt federal Senator being touted by my former NV corrupt Federal Senator Harry Reid. Reid is touting as Democratic running mate as Cortez-Masto, a Latino Woman for apparently mend have been discounted by the Democrats as diversity is its mantra of identity politics for I as a Democrat for over 50 years can not in good faith vote for the greatly mentally diminished by age Joe Biden and as the Democrat have pushed him to be a far leftist communist in my opinion in the current defined liberals as the socialist democratic party as I am a capitalist. I also note in my opinion State of Nevada Sen Harry Reid (D), Sen Dean Heller (R), Sen Catherine Cortez-Masto (D) and Sen Jacky Rosen (D) are totally partisans controlled by party without honor have been corrupt for 10 years no matter the party for Gov Sandoval, Esq. (R) and his NV AG Adam Laxalt, Esq. (R) were replaced by the corrupt Gov Sisolak (D) and his NV AG Aaron Ford, Esq. (D) and all its 4 members of Congress have been corrupt no matter the political party except Rep Shelley Berkley (D-NV4) who wrote the corrupt DOJ OIG lead by corrupt William Horowitz, Esq. to conduct an investigation.

As shown on <http://thomascaggiano.com/INJUSTICE2.pdf> no matter which party controls the Executive Branch of the USA as President and Attorney General (Obama's Holder-D, Lynch-D, or Trump's Sessions-R or Barr-R) the pandemic corruption in Nevada and New Jersey increases as they protect the other political party which is why in the U.S. the Government is defined as THE UNDRAINABLE SWAMP.

Noted in President Trump's tweets:

FoxNews just doesn't get what's happening! They are being fed Democrat talking points, and they play them without hesitation or research. They forgot that Fake News CNN and MSDNC would't let FoxNews participate, even a little bit, in the poor ratings Democrat Debates. Even the Radical Left Do Nothing Democrats laughed at the Fox suggestion. No respect for the people running FoxNews. But Fox keeps on plugging to try and become politically correct. They put RINO Paul Ryan (R) <http://thomascaggiano.com/Ryan.pdf> on their Board. They hired Donna Brazile (corrupt CNN reporter and then acting DNC chair) who provided the debate questions to Crooked Hillary' fraud donnabrazile [Brazile \(D\) leak questions](#) (and others who are even worse). Chris Wallace is nastier to Republicans than even Deface the Nation or Sleepy Eyes. The people who are watching FoxNews, in record numbers (thank you President Trump), are angry. They want an alternative now. So do I.

Watching FoxNews on weekend afternoons is a total waste of time. We now have some great alternatives, like OANN My own opinion is President Trump like the former corrupt Hillary Clinton both are primary examples of egomaniacs and both suffer from Narcissistic Personality Disorder - one of several types of personality disorders is a mental condition in which people have an inflated sense of their own importance, a deep need for excessive attention and admiration, troubled relationships, and a lack of empathy for others. I have been a registered Democrat for over 50 years and voted for Trump as she lied and violated National Security constantly and rigged the DNC against Sen Sanders as admitted by Sen Sanders and Sen Warren (D) and per Clinton, I and my family members are not only deplorables but irredeemables like tens of millions of citizens that voted for Trump. I tire of libel democrats and news media insulting tens of millions of U.S. citizens. <http://thomascaggiano.com/clinton.pdf> My democratic family members will NOT vote for former VP Joseph Biden (D) but Donald Trump (R) who suffers from Narcissistic personality disorder (NPD) - one of several types of personality disorders is a mental condition in which people have an inflated sense of their own importance, a deep need for excessive attention and admiration, troubled relationships, and a lack of empathy for others as he now has called himself THE PERFECT PRESIDENT which he is obviously not since millions of U.S. Citizens of all political parties know he is rude, boastful ego maniac and it seems impossible for him to admit his many errors and false statements. My opinion of VP Joseph Biden, he has been taken over by the communist progressive socialist party as have the democratic party and his ramblings, lack of short term memory, incoherent thought processes suffers from a faster mental aging process which Trump does not show in his televised meetings with high level officials and other County leaders. Biden in my opinion shows advanced aging in his significant memory loss.

I believe if former VP Joseph Biden were elected President in the next 4 years his memory loss would result in substantial cognitive impairment nor do I agree with his now far left ideas that he now exposes as I believe the Democratic party should split with a moderate party and a communist democratic progressive party. I am a capitalist.

The Trump administration is also embedded with DEEP STATE Obama hold overs now finally being removed after 3 years by Trump as in fact the SWAMP, the Establishment, protects itself with a corrupt CIGIE, DOJ, FBI, INTEL and State Department known by his own Chiefs of Staff as shown on my certified affidavit under penalty of perjury signed April 22, 2020 published on <http://thomascaggiano.com/RICHARDGRENELL.pdf> to the excellent Acting Director of Intelligence Richard Grenell (R) who declassified parts of the prior classified reports. The FBI FOIA office has been corrupt under Obama and Trump administrations. Judicial Watch had to file dozens of law suits in the U.S. District Court District of Columbia against the corrupt FBI and State Department as they by Honest Service Fraud, Official Misconduct and being Accomplices after the fact willfully with specific scienter intent violated its official duty to provide such records in violation of Judicial Watch's civil rights by public officials to prevent detection and apprehension of a corrupt DOJ, State Department and Intel community under President Obama's and Trump's administrations with FBI director James Comey, Esq. followed the new corrupt FBI director Chris Wray, Esq. <http://thomascaggiano.com/BOPRWray.pdf> known by the U.S. District Court District of Columbia Appellate Division and corrupt CIGIE chair who is the DOJ OIG William Horowitz, Esq., federal Senators and Representatives of both political parties which include Sen Bernie Sanders (D), Sen Elizabeth Warren (D), Sen Kamala Harris (D), Sen Lindsey Graham (R), Sen Chuck Grassley (R), Sen Richard Burr (R), Sen Mark Warner (D), Rep Adam Schiff (D), former Rep Mark Meadows (D) now Trump's Chief of Staff and others including all State of NV Senators and Reps Catherine Cortez-Masto (D), Sen Jacky Rosen (D), Rep Steven Horsford (D), Rep Dina Titus (D), Rep Susie Lee (D) and Rep Mark Amodei (R) and of course the pathetic Nancy Pelosi (D), Sen Chuck Schumer (D) <http://thomascaggiano.com/WHtheOUSE.pdf> and RINO and former Speaker of the House, Rep Paul Ryan (R) <http://thomascaggiano.com/Ryan.pdf> and also under Special Assignment from U.S. Attorney William Barr to the U.S. Attorney District of Connecticut John Durham <http://thomascaggiano.com/JOHNDURHAM.pdf>

The DOJ protects FBI James Comey and Chris Wray and its FBI FOIA office that has for years constantly violated Judicial Watch's FOIA civil rights Title 18, U.S.C., Section 242 - Deprivation of Rights Under Color of Law to prevent the detection and apprehension of dozens of corrupt federal officials and employees who have been protected by the DOJ, FBI, Intel Committees in House and Senate and others for years showing what the corrupt Rep Adam Schiff (D) and his fellow Democrats hide from the public in its years of investigations and fake news reported by the Press [Judicial Watch](#) Video April 24, 2020 - Need for Special Counsel as William Barr and DOJ will NOT investigate itself as shown in earlier letter to Barr <http://thomascaggiano.com/WILLIAMBARR.pdf> and DOJ Criminal Division AAG <http://thomascaggiano.com/AAG.pdf>

THE SWAMP in Whashington D.C., CONGRESS, WHITEHOUSE, U.S. Courts, U.S. Attorneys, CIGIE, NSC, OIGs, GAO FRAUD NET, FBI and the ELITE ESTABLISHMENT: Democratic, Republican, Green and Libertarian Political Parties and NEWS MEDIA

THE SWAMP exposed under President Obama (D) and President Trump (R) administrations as National Security Orders issued by President Clinton and President Obama which have the force of law and do NOT REQUIRE intent are constantly violated by "the elite" and ignored by the US Senate and House Intelligence Committees, US Attorneys Holder, Lynch, Sessions and Barr, FBI's Comey and Wray, and U.S. State Department's Undersecretary for Management and its Diplomatic Security Bureau Diplomatic Security Service <https://2009-2017.state.gov/m/ds/clearances/60321.htm#k> Guideline K known by NSC members <http://thomascaggiano.com/NSC.pdf>, <http://thomascaggiano.com/clinton.pdf>, <http://thomascaggiano.com/INJUSTICE.pdf> as Dishonest Fraud Services are constant and as the USA political parties are dysfunctional seeking power with narcissistic leaders as Hillary Clinton (D) and Donald Trump (R) seeking constant admiration, grandiose sense of self-importance, preoccupation with fantasies of unlimited success, power, and brilliance and requiring loyalty to them by their staff rather than oaths of office with both demeaning U.S. citizens that have different opinions and view points, compounded by lies and fake news by political partisans.

April 11, 2020, filed evidence in my 17 page letter <http://thomascaggiano.com/JOHNDURHAM.pdf> to Connecticut's Office of Attorney General John Durham, Esq. who is under special assignment by U.S. Attorney William Barr which will expose in a later criminal indictment the corruption of the President Obama's Department of Justice and FBI and other accomplices who engaged in Dishonest Service Fraud, Conspiracy, Official Misconduct, been Accomplices after the fact violated President Obama's and President Clinton's Executive orders on National Security which have the force of law and DO NOT require intent to be a criminal offense and include, SF132 Non-disclosure agreement for access to classified materials, and Separation Agreement as the DOJ, Intel and State Department, many Democrats and Republicans in control of House and Senate Oversight committees continue a cover-up under both the Obama, Trump administrations, and the Establishment itself known to GAO FRAUD NET, news media coast to coast and U.S. District Courts District of Columbia in **Thomas Caggiano v. FBI director Chris Wray** <http://thomascaggiano.com/BOPRWRY.pdf> and continue to be Accomplices after the Fact as U.S. District Court Judge Royce Lambert on May 2, 2020 issued his COURT ORDER Case 1:14-cv-01242-RCL Document 161 directing Judicial Watch can dispose the Hillary Clinton, her Chief of Staff Cheryl Mills, who have been protected by the National Security Council (NSC) under Obama and Trump <http://thomascaggiano.com/NSC.pdf>, <http://thomascaggiano.com/clinton.pdf> U.S. Senate Judiciary Committee chair Lindsey Graham (R), U.S. Senate Chairman of the U.S. Senate Select Committee on Intelligence <http://thomascaggiano.com/OIGSTATE.pdf> State Department, <http://thomascaggiano.com/COMPLAINTINTEL.pdf>.

The corrupt Sen Richard Burr (R) who protects the corrupt Intel community, FBI and DOJ falsely stated: I want to thank Michael Atkinson for his service as the Intelligence Community Inspector General who protected the (corrupt) Whistle blower who filed a perjured report which started the Democratic fiasco to impeach President Trump with constant lies and dishonest fraudulent services <http://thomascaggiano.com/DEEPSTATE.pdf>, <http://thomascaggiano.com/CUMMINGS.jpg>, lead by the corrupt Speaker Pelosi's, corrupt House Intel Committee chair by Rep Adam Bennett Schiff, Esq. (D-CA28), MSNBC, and the partisan mouth pieces in news media on the NY Times, Whashington Post, Pubic Broad Casting Network and other networks including expected Democratic Presidential Candidate and former Obama VP Joseph Biden who called Trump a xenophobic for imposing a travel restriction on person from China at the same time many other countries had done the same action to prevent their citizens from being infected with COVID-19 the outbreak source of COVID-19 which has killed thousands across the globe and cost Trillions of dollars in medical costs, and had via its pandemic adverse impacts world wide with its expanding causes of suicides, vast unemployment, PTSD and disrupting societies world wide.

The official corruption is wide spread in the Las Vegas Valley and State Gov in Carson City. Its many congressional representatives continue to be corrupt under Sandoval (R) and Sisolak (D) administrations during Obama and Trump administrations. <http://thomascaggiano.com/SPECIALPROSECUTOR.pdf>, <http://thomascaggiano.com/AAG.pdf>, and <http://thomascaggiano.com/corruption/exhibits.pdf>, exposed on thomascaggiano.com in U.S. courts, NJ <http://thomascaggiano.com/corruption.pdf>, <http://thomascaggiano.com/corruption/pdf/>, and NV <http://thomascaggiano.com/NVAOC.pdf>, has been known my corrupt federal Senators and Congressman for years Sen Harry Reid (D), Sen Catherine Cortez-Masto (D), Sen

Dean Heller (R), Rep. Steve Horsford (D-NV4, Rep. Ruben Kihuen (D-NV4), Rep. Crescent Hardy (R-NV4), Rep Dina Titus (D-NV1), Rep Mark Amodei (R-NV2) and Rep Susie Lee (D-NV3). The former Rep. Shelley Berkley (D-NV4) wrote the corrupt DOJ OIG Horowitz, Esq. to conduct a review of DOJ and FBI based upon my documented complaints with dozen of witnesses cited but was lied to by the DOJ OIG which continues with CIGIE to be corrupt under President Obama's U.S. Attorneys Holder and Lynch and Trump's U.S. Attorney's Sessions and Barr and corrupt FBI director Comey replaced by the corrupt FBI director Chris Wray, Esq. who previously got \$3.2 Million from the State of NJ to protect the then corrupt Gov Christie (R) the former with corrupt U.S. Attorneys for Districts of Nevada and New Jersey. As I have met 37 different Police Officers in Las Vegas, North Las Vegas and Henderson and their reports they prepare of State crimes are buried in records holding in all municipalities. In NJ over 50 Probable Cause affidavits were filed in numerous New Jersey courts by myself and my wife. Kathryn Caggiano, my wife, got 3 death threats and I one. I was then assaulted by NJ State Police 3 times. I was falsely imprisoned suffering body harm. Others State and municipal employees that requested investigations were also retaliated against. Superior and Municipal court staff reported their corrupt judges and prosecutors to the FBI and State police and were ignored. Petitions signed by 15 and 14 people requesting compliance with laws, site plans, Environmental laws, wetland permits, deed covenants and restrictions were ignored as bribery, tax fraud, mail fraud, retaliation, conspiracy, racketeering is Standing Operating Procedure. False court documents were filed by the State and numerous municipalities, court records were tampered with and I have NOT been able to get copies of my own court records in more than a decade even as the NJ Supreme Court's Administrator of Courts Municipal Division directed the corrupt Mercer, Sussex and Morris County Superior Court municipal division managers to provide Thomas Caggiano copies of his own court records and in Nevada its Justice Court of Las Vegas under 17PO1335 Firstservice Residential (FSR) v. Thomas Caggiano to protect the very large multi-state community Management firm with its President Steve Parker and VP Corbin Seti and corrupt law firms Koch and Scow and , Home Owner associations (HOAs) Aliante Master Association (AMA) and Autumn Ridge at Aliante Community Association (AURI) as the President Michael Breault of both in the HOA meetings stated; HE WAS HONORED TO BE PROTECTED BY THE FBI and the State destroy court videos, refuse to produce transcripts as shown in the following documents known to the corrupt GAO FRAUD NET for years:

In Las Vegas, when you speak to police officers that tell you to your face when you tell them the FBI in Las Vegas is corrupt say the same thing: Tell me something I don't know. When you speak to people and talk of corruption in government they all agree in disgust and as stated by the liar Trump who loved his corrupt friend and money bundler for the corrupt Chris Christie : NJ with his corrupt first assistant prosecutor Stuart Rabner, Esq. who became Gov Jon Corzine (D) corrupt Attorney General and then with the aide of the corrupt U.S. Attorney for NJ Chris Christie, Esq. (R) the corrupt NJ Supreme Court Chief Justice <http://thomascaggiano.com/RABNER.pdf> and his accomplice the Acting Administrator of Courts under numerous administrations Glenn Grant, J.A.D. <http://thomascaggiano.com/acjcglenngant.pdf> protected by the corrupt NJ Senate President Sweeney (D) <http://thomascaggiano.com/SWEENEY.pdf> who in a coup had Senate President Codey (D) removed by a Hudson River Democratic Coupe as Sen Codey (R), Sen Littell (R), Assemblyman Gregg (R) and Assemblywoman Alison Littell McHose (R), Federal Senator Frank Lautenberg (D) who was replaced by the corrupt former Mayor of Newark Cory Booker (D) and Congressman Frelinghausen (D) who was replaced by the corrupt as Vicinage X, Sussex and Morris counties are hives of corruption with corrupt Board of Freeholders, Mayor's, and Police departments, Superior and municipal courts. All these former federal representatives have been replaced by corrupt politicians no matter the party. requested investigations. NONE have been conducted in 20 years of continuous fraud that now continues under Gov Murphy (D) and his corrupt NJ AG Gurbir Singh Grewal, Esq. (D) <http://thomascaggiano.com/GUBIRGREWAL.pdf> who protected Christie as Bergen County Prosecutor and as NJ Attorney General as well as by the newly formed yet corrupt NV AG Office of Accountability and Public Integrity (OPIA) with the former corrupt FBI agent being its corrupt Director Eicher, Esq. of the Office of Public Integrity & Accountability, under the leadership of longtime federal prosecutor Thomas J. Eicher, handles all public integrity matters within the Attorney General's Office and includes a team of experienced prosecutors and detectives from the Division of Criminal Justice and the New Jersey State Police. OPIA reports directly to the Attorney General to ensure the independence of sensitive investigations.

Over the last two years, he turned the Office of the ICIG around, restoring an important organization. I've appreciated his professionalism and responsiveness when working with the Senate Intelligence Committee on a wide range of issues and I wish him the best. fired OIG and Democrats, DOJ and State Department under both the Obama and Trump administrations <http://thomascaggiano.com/clinton.pdf> under U.S. District Court Docket under not only the Obama administration but the Trump administration and includes a copy of my letter to Trump's new Press secretary Kayleigh McEnany which note my prior letter <http://thomascaggiano.com/WHITHEOUSE.pdf> to Trump's Chief of Staff General Kelley, Pelosi, Schumer, U.S. Attorney Sessions and others which expose the corruption of the SWAMP which continues under William Barr, CIGIE chair and DOJ OIG William Horowitz, DOJ OSC, CIGIE's vice chair and OIG NSF Allison C. Opinion A Certified mailed letter to the corrupt very large multi-state Community Management firm Firstservice Residential (FSR)- Nevada with its CONNECT system operated by its accomplice Firstservice Residential Florida operation in Hollywood, Florida as shown in my annotations with the Jan 2, 2020 letter I received from the State of Florida's Department of Business and Professional Regulations as its staff was extremely helpful when I thereafter telephoned them so I can file complaints the FSR Florida enterprise and its Connect System Superior Larry Souter as his accomplice in the FSR Las Vegas HQ is Corbin Seti, VP who is also the Aliante Master Associations (AMA) Regional manager as he conspired with others as shown in the court orders own exhibits

<http://thomascaggiano.com/courtorder.pdf> exhibits filed by FSR's corrupt law firm Koch and Scow's Steve B. Scow, Esq and the main coordinator the then corrupt Regional Manager of AURI and now also its corrupt Community manager Joyce Winward t During a Feb 15, 2017 Las Vegas Justice Court (Department 2 16PO1647 FSR v. Thomas Caggiano) mediation session ordered by the corrupt Judge Joseph Sciscento among Patricia Battie, Mediation Specialist II, and the corrupt FSR attorney for FSR Nevada and its subsidiary the corrupt Reck Rock Financial Services RRFS Joyce Winward and Steve B. Scow, Esq. engaged in Dishonest Services Fraud 18 U.S.C. Â§ 1346 , Conspiracy, Retaliation against a Federal and State witness and admitted in testimony before the corrupt judge they violated my Home Owner Association (HOA) as the Judge suggested I file criminal charges against FSR and its accomplices and also file a civil suit. I did met 37 different Police officers in teams some of them many times and in Las Vegas North Las Vegas and Henderson the Police DID file Case criminal event numbers but in each municipality all their complaints were buried by superiors as well as my complaints filed wit the Clark County sheriff Lombardo, his assistant Sheriff Charles Hank and others as well as my many detailed extensive complaints filed with the State of NV Attorney General Laxalt (R) followed by the equally corrupt Gov Sisolak (D) Attorney General Ford <http://thomascaggiano.com/SPECIALPROSECUTOR.pdf> for in the State of NV enforcement agencies protect those they

are to discipline in fraternities of self-protection all the complaints were buried without any a investigator was ever assigned similarly in NJ wherein over 50 Voluntary Case Affidavits were signed under oath per Rule 7:2 but no municipal court judge ever conducted any hearing and corrupt Superior Court Judges in Mercer, Sussex and Morris county dismissed everyone even though the corrupt Superior Court judge, like Judge Manahan, JSC i the corrupt Vicinage X of Morris and Sussex County are infested with corrupt municipal and county governments where racketeering fraud, official misconduct, dishonest fraud, mail fraud, tax fraud as been rampant for decades were NOT seen by the corrupt Assignment or other Superior Court Judge who dismissed them as the Mercer County Prosecutor emailed several CDS of evidence to the corrupt FBI Trenton Field office.

A Sussex County Superior Court criminal section staff member Kay Mack and the Town of Netcong's deputy municipal clerk Tania El both reported their corrupt Superior and Municipal court judges, prosecutors, and others to the corrupt FBI and also the corrupt State Police Official Corruption Unit as did others. The result was I got banned from going back to the State Police HQ in West Trenton, NJ as I and my Wife Kathryn who herself got three death threats which she and I reported to the corrupt Borough of Stanhope Police which I then got banned from telephoning or writing the Police or attending Open Public meetings herein I exposed the Borough's corruption to rooms full of people month after month.

as the borough then banned me from all Borough of Stanhope properties including its library and its municipal court for in NJ one files signed under oath before the court administrator complaints under penalty of perjury but they are all blocked without investigations by Police in Mercer, Sussex, and Morris counties and the City of Newark municipal court refused even to pride a black form for submittal for any Title 2c Crime or non-indictable office.

I got eventually banned by unconstitutional permanent court orders from every Structurein Sussex County, as I ave more rights in Cuba and Russia then USA as known by the UN and hundreds of others inciting my corrupt federal U.S. Attorneys Holder, Lynch, Sessions and Barr, the US Senate Judiciary and Finance Committees and CIGIE, the DOJ OIG, Public Integrity Section and Public Corruption Unit known by the corrupt DOJ Office of Professional Responsibility, NJ corrupt for decades now Chief Justice, former corrupt NJ attorney general, former corrupt U.S. Attorney District of NJ first assistant prosecutor Stuart Rabner <http://thomascaggiano.com/RABNER.pdf>", my former corrupt Sen Harry Reid (D), Sen Heller (R), Rep Hardy (R) <http://thomascaggiano.com/HARDY.pdf> and others as the State of Nevada is as corrupt as the State of NJ for no matter who is Governor and Attorney General both States are criminally run syndicates protected by President Obama (D) and President Trump (R) and all their U.S. Attorney Generals and US District Courts in NJ, PA, NV and the Appellate Div for the 9th Circuit in San Francisco, CA <http://thomascaggiano.com/WHItheOUSE.pdf>, NV Sen Masto (D), Sen Rosen D and Congressman Horsford (D) in NV and of course the corrupt FBI.

by the corrupt Sussex county Board of chosen Freeholders, the corrupt Sussex County Counsel, the corrupt Sussex County Sheriff and the corrupt Assignment judge even from all pubic businesses, the County Park, Mc Donalds, the courts, my own house nor have any representative as we moved to the corrupt City of North Las Vegas as then the Attorney General Masto noted the federal crimes against me included 18 USC Setions 241 and Section 242 <http://thomascaggiano.com/MASTO.pdf> and as I was also assaulted by State Police three times, was falsely jailed for 85 days by the corrupt Joint Municipal court for the Township of Green, Township of Hampton, Township of Fredon and Borough of Andover by its corrupt municipal judge Craig U. Dana, J.M.C. a total felon also in the Joint municipal court of the Township of Stillwater, Borough of Sussex and T Township as were the Borough of Stanhope, Borough of Hopatcong, Town of Newton, Town of Morristown. Read how corrupt the Judicial System of the State of Nevada, as corrupt at the state of New Jersey, is as destroys court videos, not produce requested issued unconstitutional court orders NOT agreed to form or substance, and ignores that its own court orders that are willfully violated every month dismissing a Court Order issued by [Justice of the Peace Pro Tem](https://www.duanemorris.com/attorneys/hollystoberski.html) <https://www.duanemorris.com/attorneys/hollystoberski.html> AGAINST FSR for a 17PO1335 FSR Service Contempt of Court hearing as three of five court videos was destroyed and no transcript made often last two court sessions even though ordered many times as Judge Sciscento dismissed FSR's TOP against me closing the case only verbally without any records of my many objections he ignored time after time and ignoring all Judicial Notices in written motions and supporting affidavits without even requesting what the objection was about violating court rules and all due process.

verbally dismissed his own unconstitutional court order Temporary Protective Order against Thomas Caggiano not allowing him to attend even executive Sessions if he had any violation which by Nevada State Law allowed Thomas Caggiano to have due process, confront FSR and its i by calling witnesses to appear and have witnesses nor even speak at any HOA meeting or attend any meeting as a false police report was entered into the record and repeatedly made to attempt by criminal coercion and its retaliation prevent Thomas Caggiano a publisher from publishing even opinions on social media, a modern way of communicating to others effectively.

with Dishonest Fraud Services in a continuing conspiracy to protect itself, Hillary Clinton, her Staff and the corrupt FBI under Comey, Esq. followed by the corrupt Chris Wray, Esq. known by the Council of Inspector Generals on Efficiency and Integrity (CIGIE) lead by the corrupt DOJ OIG William Horowitz, Esq. under the Obama and Trump administrations known to U.S. Attorney Holder, Lynch, Sessions and Barr <http://thomascaggiano.com/WILLIAMBARR.pdf> and Office of Management and Budget as its director is Trump's Acting Chief of Staff Mick Mulvaney.

The National Security Council and Intelligence agents are corrupt as reported to Sen Grassley published on <http://thomascaggiano.com/USFINANCECOMMITTEE.pdf> as <http://thomascaggiano.com/clinton.pdf> includes signed SF132 forms to get access to classified data that states classified documents do NOT have to be marked and the person MUST comply with Presidential National Security Orders as both President William Clinton, Esq. who was disbarred for committing perjury but never charged with a crime by the corrupt Attorney General and is "loved by" by millions in the Democrat establishment along with his corrupt wife Hillary Clinton as they set up the Bill, Hillary & Chelsea Clinton Foundation, now called the alleged scam foundation <https://www.investors.com/politics/editorials/clinton-foundation-donations/> as a pay-to-play operation while she was Secretary of State getting millions so she could control the corrupt DNC and as admitted by Senator Sanders, Senator Warren both running for President with outrageous programs requiring tens of Trillions of debt and Democratic National Committee DNC chair Donna Brazile fired from CNN as she gave Hillary Clinton Questions in advance as the CNN moderator and has been hired by FOX NEWS as contributor as FOX NEWS also put the former corrupt Speaker of the House of Representatives <http://thomascaggiano.com/RYAN.pdf> Congressman Ryan (R) on its Board of Directors <http://thomascaggiano.com/RYAN.pdf> for that is why retired government officials are hired by lobbyist firms and news media as contributors and for access the same reason Hunter Biden was paid millions to be on a Ukraine company and got over a Billions for his control finance expertise by the Chinese. It's the way of doing business - like the Clinton Foundation's Pay to Play operations.

Donna Brazile, the former corrupt DNC chair is <https://money.cnn.com/2016/10/31/media/donna-brazile-cnn-resignation/index.html> now a FOX NEWS Contributor admitted Clinton rigged the DNC election process.

At least the admitted Socialist Bernie Sanders who with AOC and his socialist party now wants to spend \$ 2.5 Trillion on affordable housing, Trillions on the new Green Deal, give free college, Medicare for all, debt forgiveness of \$ 1.3 Trillion in student loans, free medical insurance of illegal aliens and more. At least Senator Sanders unlike the corrupt liar Sen Warren who also complained about Hillary Clinton rigging the DNC admits to pay these Trillions in give aways will increase taxes on the middle class and millions of high paying jobs will be destroyed in the oil, natural gas and insurance businesses that would collapse under his communist society of Government control.

Bernie Sanders (D) also states the USA must pay for massive increases in abortions of poor people all around the world to prevent Population growth because of climate change. Hillary Clinton stated that one half of U.S. Citizens that voted for Trump about 63 million, half or 31.5 million U.S. Citizens are deplorables and irredeemables.

Representative Gabbard (D) voted present on the malicious Pelosi lead partisan vote on impeaching Trump as Gabbard told it like it is: "Hillary Clinton is the personification of the rot that has sickened the Democratic Party for so long"

President Obama and President Trump control the corrupt executive branch as shown below:

<http://thomascaggiano.com/tyrannychart.pfd>

You can read how the corruption in the infested State of Nevada grows and thrives based upon the extensive published records and urls in <http://thomascaggiano.com/SUMMARYEVIDENCE.pdf> and <http://thomascaggiano.com/GOVSISOLAK.pdf> Then review an extensive listing of data links, more detailed summary of U.S. District Courts, the corrupt Gov Sisolak (D) the former corrupt Chair of Clark County Commissioners (think Casinos) now chaired by my corrupt District B Commissioner Marilyn Kaye Kirkpatrick <https://marilynkirkpatrick.com/> with his corrupt NV Attorney General Aaron Ford, Esq. and before that the corrupt Gov Brian Edward Sandoval (R) who is now MGM's Resorts first president of its global Gaming Division as MGM seeks licensing in Japan which will award lucrative Gaming licenses to 3 corporations next year as his corrupt NV Attorney General (AG) Adam Laxalt, Esq. (R) who now leads President Trump's State of Nevada's re-election team.

In the infested State of New Jersey (NJ) its current corrupt Gov Phil Murphy (D) with his corrupt NJ AG Gurbir Grewal, Esq. (D) <http://thomascaggiano.com/GURBIRGREWAL.pdf> who was the former corrupt Bergen County Prosecutor who protected the corrupt Port Authority of NY and NJ administrators also protected b Gov Cuomo (D) NY and gov Murphy (D) of the corrupt Gov Chris Christie (R) administration for neither State Attorney General filed any State criminal charge against anyone on Bridgegate as Christie's administration and his Port authority appointees and Christie's deputy Chief of Staff shut down lanes on the George Washington Bridge <http://thomascaggiano.com/PORTNYNJ.pdf> in retaliation against the Democratic Ft Lee Mayor Mark Sokolich for not supporting Christie's (R) Gov re-election bid as the democrats abandoned their own scarified Gov Nominee to rally around Chris Christie (R) so Christie could then have a better run for President of the Untied States of America for after it was obvious the corrupt Christie could not win and Republican nomination he teamed with Trump to go after Trump's presidential competitor Marco Rubio FL-R (Senator of Florida) as Christie sought a high level position in the Trump administration such as Attorney General or Chief of Staff. Instead Trump selected the

corrupt Senator Sessions as his first corrupt U.S. AG replacing the corrupt President Obama's corrupt Attorney Generals older (D) followed by Loretta Lynch (D) as the protected the corrupt yet protected Secretary of State Hillary Clinton, Esq. who lost to Obama in her first Presidential bid. She and her infamous husband Bill - Blue Dress Monica Lewinsky https://en.wikipedia.org/wiki/Clinton%E2%80%93Lewinsky_scandal - Clinton, Esq. who was never even indicted on felonies that the Special prosecutor noted in his report is honored even as his law license was evoked while as stated by Representative Tulsi Gabbard (D) who the pathetic liar and egomaniac Hillary Clinton, Esq. who still thinks she won the Presidential election over Trump as he won 30 States and the Republic of the United States of America's Presidential election for the U.S.A., which is NOT a democracy on purpose, is not elected by popular vote as the fore fathers were aware the rise of political parties would as stated by Ben Franklin destroy the constitution of the U.S.A. in 200 years and as stated in George Washington's Farewell address, a solemn warning about the extreme partisanship brought by the rise of political parties would foster such as partisan efforts as done by the Democrats under Pelosi who by fraud launch and impeachment inquiry with absurd rules giving the corrupt Intelligence Committee, not the Judiciary committee, Adam Schiff, unilateral powers as the vote to enable the impeachment inquiry was not supported by one Republican including two democrats and a censure motion against the lying Adam Schiff was signed by all republicans for his partisanship obvious hatred of Donald Trump along with Pelosi who stated she wanted to see Donald Trump in Jail

p>The censure resolution is published on <http://thomascaggiano.com/SchiffCensureMotion.pdf>

Adam Schiff, who states he never met the alleged whistle blower whose name is listed in the transcript in a question posed by but his staff admitted his staff met the whistle blower, identified as man parties as a Biden and democratic assess as Kentucky Republican Sen. Rand Paul named the alleged whistle blower Eric Ciaramella and called for him to testify as part of the impeachment hearings. Ciaramella's attorney Mark Zaik, Esq. tweeted:

a "coup has started" and that "impeachment will follow ultimately."

I predict CNN will play a key role in real Donald Trump not finishing out his full term as president

We will get rid of him, and this country is strong enough to survive even him and his supporters

called a Russian Assets as Clinton also called Trump a Russian Asset and Jill Stein of the Green Party. Seems anyone that dislike Hillary Clinton is a Russian asset no matter which party or worse of the 62 million taht voted for the the narcissist Donald Trump to DRAIN THE SWAMP noted Clinton in reply taht Hillary Clinton was: You, the queen of warmongers, embodiment of corruption, and personification of the rot that has sickened the Democratic Party for so long, have finally come out from behind the curtain.

both corrupt attorneys were totally corrupt as the Clinton's set up the infamously corrupt Pay-to-Play Bill, Hillary and Chelsea Clinton Foundation, their private Foundation getting millions from foreign governments. VP Biden who was assigned the key Obama point man in th Ukraine and China of course for lobbyist sake his done without any experience got a \$50,000 job in a known corrupt gas comny in Ukraine called Burisma after traveling on Air Force 2 with his father Hunter Biden got a Billion dollar investment from China. As they say: it's not what you know - it's who you know -- it's called access or in U.S. revolving door as Senators and members of Congress and White house executive join major lobbyist and large law firms.

Gov Christie (R), Gov Corzine and gov Mc Greevy (D) all corrupt Democrats with a series of corrupt Attorney Generals.

To understand how such massive corruption exists one needs to look at the U.S. Attorney Generals:

a. corrupt Government officials, history of retaliation in Nevada and before taht the infested State of Nevada on **Corruption in Nevada Courts** An example: Justice Court of Las Vegas, Nevada- Dockets 16PO1647 followed by and even more corrupt example on 17PO1335 Firstservice Residential FSR v. Thomas Caggiano with the corrupt Justice Court of Las Vegas Dept 2, Judge Joseph Sciscento and its Chief Judge Joseph Bonventure protected by the Committee on Judicial Discipline (CJD) in a similar manner that he State of NJ's Supreme Court's Advisory Committee on Judicial Discipline (ACJC) protect NJ judges from Codes of Ethics Judicial Canons 1 and 2 violations, Federal and State criminal code violations in a continuing conspiracy no matter the political party in office as the corrupt Gov Sandoval (R) and NV AG Laxalt administration was replaced by the corrupt Gov Sisolak (D) administration with NV AG Aaron Ford, Esq., known by Las Vegas news papers, the US Government's Office of Management and Budget as its is acting President Trump's Chief of Staff Mick Mulvaney. The SWAMP is protected by the highest levels of not only the State Government being its Governor and Attorney General but federal and state legislative representatives, enforcement agencies and courts. and their law clerks, with a corrupt court transcriber Shaun Ott who refuses to make transcripts as the Justice Court of Las Vegas Department 2 protected by the Carson City Administrator of Courts <http://thomascaggiano.com/NVAOC.pdf> destroyed its last two court videos and the court filing itself contained a fraudulent Las Vegas Police report affidavit and email showing who within the corrupt very large Community Management firm the conspiracy and racketeering, mail fraud, tax fraud, perjury, bribery, retaliation, unconstitutional court orders, violations of Res Judicata requesting prior restraints against Thomas Caggiano violating his U.S. and NV Constitution rights to published opinions, matters of fact, matters of law and describe the corruption under Freedom of Speech has been requested by the corrupt FSR via its attorney Steve B. Scow, Esq. repeatedly and the Court has repeatedly denied such requests which in fact was address by the U.S. Supreme court as massive violations of such freedoms. But the repeated actions also violated on 17PO1335 and 16PO1647 subordination of perjury, retaliation against a Federal and State witness continues. In addition to a series of AURI community manager since 2010, the corruption only continues for even in both HOA meetings the corrupt President of both HOAs Michael Breault Sr. Stated: **He is honored to be protected by FBI** as they have been protected by the Gov Sandoval (R) administration and the Gov Sisolak (D) administration as both Sisolak and Aaron Ford, Esq. his attorney general have been aware of the corruption in Nevada for years as well laws others as shown on <http://thomascaggiano.com/SPECIALPROSECUTOR.pdf> which is so very corrupt the FBI in Las Vegas has permanently banned me from going to the corrupt FBI in Las Vegas ,NV headed by FBI SAC Aaron C. Rouse, Esq. with its assistant SACs Frank Cucinotta, Michael Hickok and Ray E. Johnson, 1787 West Lake Mead Boulevard Las Vegas, NV 89106-2135 (702) 385-1281. Per federal code 18 U.S.C. Â§4 Misprision of Felony - one must report apparent felonies to the FBI. this can also be done by using the FBI tip line reporting system on <https://www.fbi.gov/tips> or telephoning the FBI in your area but this transfers you to the corrupt FBI public Access line, make sue you ask for their operator number for in may case when I attempt to report a federal crime most of eh operators simply hang up on

your as you are attempting to report the federal crime. The FBI is protected by the Department of Justice's office of Inspector General William Horowitz, Esq. who is also the chair of the corrupt Council of Inspector Generals on Integrity and Efficiency (CIGIE) composed of 73 OIGs that report directly to the President of the United States. Under President Obama and President Trump CIGIE and DOJ OIG being William Horowitz has been corrupt which explains why U.S. Attorney General Eric Holder, Loretta Lynch and Jeff Sessions, FBI director Comey, Deputy FBI director Mc Cabe and the current corrupt FBI director are protected being Chris Wray Esq.. who se firm got \$3.2 Million dollars to protect the most corrupt governor in NJ history Chris Christie, Esq. and his cabal of corrupt former US. Attorneys from District of New Jersey taht then after Jon Corzine (D) spent \$100 million to be re-elected lost because he gave his girl fired, the union president a \$1 Million dollar apartment and conspired directly with her against the Union. U.S. Attorney District of NJ Christie's corrupt first assistant prosecutor was Stuart Rabner who became Jon Corzine's chief counsel then NJ corrupt Attorney General then because of Christie and Corzine the corrupt NJ Chief Judge of its Supreme Court and as the Port Authority of New York and New Jersey is a political payback machine for Gov Cuomo and Governors of NJ for the corrupt gov Corzine gave his corrupt Commissioner of Community Affairs Susan Bass Levin, Esq. who directed both the corrupt Codes and Standards Department and the corrupt Government Record Council GRC that has protected not only the Borough of Stanhope and other municipalities but eh corrupt Sussex County Prosecutor initially David Weaver, Esq. replaced by other corrupt prosecutors as the Congressional District and State Legislative district 24 has been corrupt for decades with its corrupt board of chosen Freeholders, Sheriff, Counsel and former corrupt members now members of NJ Assembly as shown on <http://thomascaggiano.com/DISTRICT24.pdf> as the Vicinage X is a racketeering enterprise for Morris and Sussex Counties protected by the FBI in Woodland Park, NJ, the corrupt NJ Supreme Court's Office of Attorney Ethics (OAE) and corrupt Assignment judges in Sussex, Morris and Mercer Counties. The corrupt Susan Bass Levin, Esq. was made a member of her departments Local Government Services' Local Finance board to get retirement benefits and a high paying job on the corrupt port authority if NY and NJ. the corrupt Paula Dow, Esq. was made Christie's corrupt Attorney General then given a job as Chief Counsel on the Port Authority of NY and NJ then Gov Christie nominee his first corrupt NJ Attorney General to be made a Superior Court judge but when Sen Codey, Sen Gill and Sen Rice all objected, as Sen O'Toole via the Assignment Judge Costello, A.J.S.C. tried to influence two other judges up for tenure taht if hey did not support Paula Dow, Esq. Christie's first corrupt NJ Attorney General followed by all his acting and State confirmed NJ AGs to be a Superior Court judge their careers would be ruined simply by Gov Christie not nominating them for tenure. After Sen O'Toole (R) efforts failed, then Gov Christie simply had Paula Dow, Esq. appointed as a judge in a different district. Sen O'Toole, Esq. also lead Christie's defense on the Select Committee Investigation on Abuse by Christie as Republicans block its investigation efforts and Sen O'Toole, Esq. was rewarded with the high level position on the corrupt Port Authority of NY and NJ as neither any government official filed any Title 2C criminal charge against anyone in NJ nor did any official on the corrupt Port Authority of NY and N, nor anyone from NY file any State criminal charge affidavit as the corrupt U.S. Attorney Loretta Lynch, Esq. was the made the corrupt US Attorney Ref: <http://thoamscaggiano.com/LYNCH.pdf> and reporting federal crimes and seeing any Special Agent while its FBI public Access line which received telephone calls from an person has in effect banned me from complying with U.S laws 18 U.S.C. Section 4 Misprision of Felony as every person in the USA that become aware of a federal crime by law MUST report it t other FBI otherwise they themselves are committing a federal crime. Las, codes of Ethics for judges and Attorneys do not matter to U.S. District Court Judges, State Supreme Court, Superior and municipal court judges in Nevada nor New Jersey nor California nor Eastern District PA. See <http://thomascaggiano.com/USA.pdf>, <http://thomascaggiano.com/STANDING.pdf>, <http://thomascaggiano.com/USCOURTS.pdf>, <http://thoamscaggiano.com/WETTRE.pdf> and <http://thomascaggiano.com/WETTRE.pdf> as examples.

The corrupt President of both HOAs is Michael Breault Sr. with his accomplice Stanley Wright. The HOAs corrupt law firm is the corrupt FSR law firm's Koch and scows' Steven B. Scow, Esq. as he is the corrupt attorney for FSR and its corrupt collection agency Red Rock Financial services RRFS for the corrupt Home Owner Associations (HOA) Aliante Master Association (AMA) and its corrupt sub-association Autumn Ridge at Aliante Community Association AURI as the corrupt HOAs law firm is Leach Kern Gruchow Anderson Song as you will get U.S. District Court filings, court videos, Certified Affidavits, and urls to numerous corrupt federal, state, county and municipal criminal organizations including corrupt law firms for the corrupt State of Nevada a Major multi-state Community management firm Firstservice Residential (FSR) is protected by the FBI, NV AG, Police Departments in Las Vegas, North Las Vegas and Henderson, Clark County Commissioners, Sheriff, NV Bar Association, Nevada Real Estate Division as the corrupt Judges Bonaventure and Sciscento in the Justice Court Dept 2 are protected by the Commission on Judicial Discipline for in NJ the Advisory Committee on Judicial Discipline with its corrupt executive director Glen Grant, J.A.D. who is also the corrupt Administrator of Courts protects judges and court staff as the NJ Supreme Court's Office of Attorney Ethics and its District Ethics Committees protect corrupt attorneys as the series of NJ attorney Generals under Corzine (D), Christie (R) and Murphy (D) administrations protect everyone from Title 2C State criminal indictments as shown by Bridgegate not one person was indicted on any State criminal charge per the corrupt NJ enforcement agencies Bridgegate the closing down lanes on the George Whashington Bridge in retribution against the Mayor of Ft Lee a democrat who did not support most corrupt gov in NJ's history Chris Christie, Esq. (R) by the corrupt Hudson Review democrat machine and corrupt Port Authority of NY and NJ <http://thomascaggiano.com/PORTNYNJ.pdf>

Watch the corrupt Justice Court of Las Vegas in action on 17PO1335 FSR v. Thomas Caggiano via the corrupt Judge Joseph Sciscento and the corrupt attorney for FSR Koch and Scow LLC of Henderson, NV Steven B. Scow, Esq. on the Court video <http://thomascaggiano.com/courtvideo.mp4>

The Justice Court of Las Vegas court records on 17PO1335 and last two sessions were destroyed by the court, the corrupt court transcriber Shawn Ott refuses to make transcripts, my attorney John Taylor Obald Esq. was fired, embezzled funds and refused mediation to return my records while in the corrupt State of NJ the NJ Supreme Court's Administrator of Courts municipal division directed the corrupt Sussex, Morris and Mercer Count Superior Court municipal division managers to get my court records from numerous corrupt municipal courts as all ignored the directive as I have not been able to get my own court records which included over 50 Probable Cause affidavits signed under penalty of perjury with extensive witness lists filed in many corrupt municipal courts per R 7:2 none which had any hearing before any corrupt municipal judge and all were dismissed by their County corrupt Superior court judges. Similarly the corrupt Government Record Council GRC which s been corrupt for over 12 years under Corzine, Christie and Murphy administrations in NJ denied by Dishonest Fraudulent Services and Conspiracy to give aide to other State, County and municipal governments and to prevent

their apprehension and detection over 100 denials of access without conducting any hearing and without any in-camera reviews as it protected the Office of gov, Sussex County Prosecutor, Stat Police and numerous municipalities by Fraud.

Red my request for reconsideration to the corrupt GRC as it took over 2. 5 years to put my complaints on its agenda for Thomas Caggiano v. Office of Gov of NJ and wrote 3 fraudulent findings in Nov 2018 for Complaints 2015-276, 2016-68 and 2016-83 to protect the Establishment. <http://thomascaggiano.com/GRC.pdf> U.S. Attorneys Eric Holder, Lynch, Sessions, the Council of Inspector Generals on Integrity and Efficiency CIGIE

FBI director Comey, and his corrupt replacement Chris Wray, Esq. known by U.S. Attorney Nominee William Barr, Esq.

Government Political Parties are excessive partisan as President Trump correctly stated: The Establishment protects itself. I had voted Democratic for over 50 years and was a Sanders delegate but as shown by the Wikileaks as the emails were never denied to be accurate by any Democrat as the corrupt Democratic

National Committee (DNC) was totally corrupt and with its Super Delegates, paid lobbyists and members of The Establishment under took to destroy Bernie Sanders who in fact won 20 States and in the State of Nevada, trounced Clinton in all Counties but one Clark County winning those other counties by 80 to 20 as the Rust belt turned against the Democrats turning from Blue to Red as most of her Electoral votes came from California, New York and New Jersey as the GOP picked up about a thousands State, County and municipal elections as it was a total debacle fro the Democrats.

President Trump, an outsider like President Reagan, correctly said: Clean out the swamp...

He had the largest change allowing undocumented immigrants to become Green Card holders and if they did not have any criminal issues in the past or after registering in 18 months became citizens of the USA. How corrupt is the Establishment now that moderates have left in disgust for compromise on anything is treated as treason by the extremely partisan politics that George Whashington warned the County about in his farewell address as did Ben Franklin. including the Judiciary Branch and Congress that can't agree on anything and almost all votes are party line votes? Totally.

Like all Government organizations, the party or judiciary branch circles the wagons to protect the power structure and throws the lower level subordinates under the bus.

To read how corrupt the courts are in Nevada, NJ and US Courts are read my filing in the corrupt Justice Court of Las Vegas Township, County of Clark, State of Nevada, before Judge Joseph S.Sciscento on Docket Docket 16PO1647 Firstservice Residential, Nevada,LLC v. Thomas Caggiano on

Take a look at the closing of the George Whashington Bridge by the Port Authority of New York and New Jersey. NO person in New York nor New Jersey was charged with any State crime by any official or police officer in NY, NJ nor did the corrupt Port Authority file any State charges.. To the corrupt Gov of NY Cuomo(D) and corrupt Gov of NJ Christie (R) Bridgegate never happened. False traffic studies, lies, tens of thousands impacted, criminal disbursement of funds, and not one person has been charged with any State crime. No one. Bridgegate never happened as far as the attorney generals of NY and NJ are concerned.

Some examples are the corrupt New Jersey Gov Chris Christie, <http://thomascaggiano.com/Christie.pdf> now thrown out of President Elect Trump's transition team and Bridgegate for NOT one person in NJ or the corrupt Port Authority of NY and NJ has been charged with any State crime.

On Clinton violations in the Clinton Foundation, her aides having three conflicting jobs at once and multiple billings them for same hours, for having 13 devices that were unsecured having classified and sensitive information violating President Obama's and President Clinton's Executive orders on National Security and having Secretary Kerry not enforce nor his corrupt under secretary of management Patrick Kennedy nor its Diplomatic Security Branch <http://thomascaggiano.com/NATIONALSECURITY.pdf> and Obama's corrupt National Security Council along with the Democratic party and liberal news media <http://thomascaggiano.com/NSC.pdf> enforce its own Guideline K concerning yearly mandatory reviews on Information Technology security compliance as President Obama knew Clinton did NOT have a government secured email address as he used a phony email address himself 18 times to communicate with Hillary Clinton on her non-government email accounts and U.S. Attorney Lynch met former President Clinton on our jet as Lynch blocked an investigation of the Clinton Foundation that made that family rich with over \$120 million dollars in speaking fees and billions of dollars put by foreign governments into their own personal piggy bank which is not a charity but used by the Clinton's and her staff to travel the world in private jets, stay in Presidential suites and live like royalty on their international travels getting millions in Speaking fees.

Thomas Caggiano to Judge Brennan, PJ.Ch. who replaced the corrupt Superior Court Judge S. Hansbury, PJ. Ch. who retired but issued a court order without jurisdiction violating my U.S. Constitutional Civil Rights by fraud as Thomas Caggiano was NOT even notified of the corrupt Judge Hansbury's revised Trial date until AFTER his conspiracy with Senator Lesniak's corrupt law firm Weiner Lesniak LLP gave criminal aide to the infested Township of Wantage, Sussex County and submitted false filings to the U.S. District Court, Sussex County Superior Court, Morris County Superior Court and Government Record Council. The corrupt State of NJ Supreme Court's Office of Attorney Ethics and tis corrupt District XB have not assigned a Docket number in over four months and the corrupt GRC has not placed two denial of access complaints on its agenda in four months; as they protect the attorneys and the municipality in a continuing conspiracy of fraud, official misconduct. The corrupt Supreme Court's Advisory Committee on Judicial Conduct ACJC was provided an Ethics Complaint against the Assignment Judge, General Equity Judge Hansbury, PJ CH, the presiding municipal court judge and the corrupt Judges for the Township of Wantage Craig U. Dana, J.M.C. who retired and as replaced by the corrupt Glenn Gavan, JMC who was never appointed by the Gov nor confirmed by the Senate in direct violation of the NJ Constitution and State Statutes as he refused to provide copies of my own court records and has like Judge Dana, JMC ignored all motions for years. The corrupt municipal prosecutor Dolan and Dolan PA, Newton, NJ William Haggerty, Esq. was also referred to the corrupt District XB and they sent the complaints without docket numbers to their accomplice the State of NJ Supreme Court's Office of Attorney Ethics (OAE) which as not assigned an investigator nor even a docket number in 4 month as the cover-up continues. The Supreme Court's Administrator of Courts municipal division directed the Morris, Sussex and Mercer County municipal division managers (MDM) to get me copies of my own court records denied Thomas Caggiano, the defendant, for over 5 years and report the criminal conduct to the County State prosecutor and Local Police but they are corrupt.

like the Gov of NJ Christie, his Lt gov and Secretary of State Kim Guadagno, Esq., the Government Record Council GRC) and every assistant attorney for the corrupt NJ Attorney Generals under Jon Corzine and Chris Christie as they are protected b the corrupt U.S. Attorney Lynch, DOJ, FBI and lots more in a corrupt ESTABLISHMENT that circles the wagons and retaliate against witnesses or those requesting investigations.

The corrupt GRC is known by the NJ Attorney General

Whereas the U.S. Attorney Lynch, FBI director Comey, last 7 Attorney Generals of NJ under Gov Jon Corzine and Chris Christie are corrupt as well as the State of NJ Supreme Court's ACJC, OAC, OAE and DRB, and as the FBI will NOT released under FOIA its response to my FOIA request which I agreed to pay as stated in the FBI letter of Feb 23, 2016 which the FBI sent ONLY after the OGIS telephoned the FBI was made March 26, 2015. The current estimated delivery date is since it is "in the agency's complex queue per the OGIS email of Jul 1, 2016 is NOT expected to be available until noted in my useless appeal to the U.S. Department of Justice Office of Information Policy, Suite 1030, 1423 New York Avenue, NW, Whashington DC 20-530-0001 June 11, 2-16 letter from OIP Appeal No. DOJ-AP-2016-003363 as while the FBI stated my FOIA request is in process, the National Archives Office of Government Information Services contacted the FBI on my behalf based upon my voice mail and provided the following information:

My FOIA request which I agreed to pay the cost and provided a check which was returned has 132 large queue requests ahead of mine and I should expect the response on April 21, 2018 which is 1,123 days after I agreed to pay or 3 years and 27 days. This delay is expected to increase much further as Congress passed and the President signed a FOIA reform Act which required the FBI to prepare a portal wit the Government, added ability of thousands of more FOIA requests to be submitted and in the law specifically DID NOT added

any funding which will only case more delay: In effect, the only true change to FOIA was The only change is to FOIA's Exemption 5, which exempts from disclosure of inter agency or intra-agency memorandums which would not be available by law to a party other than an agency in litigation with the agency. and requires a new federal government wide portal and retains Congress long standing practice of exempting itself from FOIA.

TAKE NOTICE for your benefit those that exempt themselves from FOIA are NOT exempt from Common Law rights of Access but expect to go to a U.S. District Court and submit a Show Cause motion against the member of Congress or other State legislative representative that exempt themselves from a State Open Public Record act. Also note while emails must be retained if prepared by a federal official or employee that is NOT true in States which have their own laws for in the State of NJ it does require retention for emails but that law is NOT enforced and in the State of Nevada the State officials are NOT required to retain emails. So it depends on your State.

So much for improvements in transparency hailed by the politicians for in effect the only output is political rhetoric some historic change was made. The only thing done is to continue Congress' exemption and not provide any additional funds to make a portal nor process the thousands of new FOIA requests expected. Expect the FOIA new portal system that allows easy access to generate tens for thousands of FOIA requests and time lines to only increase. Perhaps I might get my response in 3 years ahead of schedule

Congress, on a bipartisan basis, has provided the legislation to codify some of the reforms we've already made and to expand more of these reforms so that government is more responsive," Obama said. "And I am very proud of all the work we've done to try to make government more open and responsive, but I know that people haven't always been satisfied with the speed with which they're getting responses and requests.

Example: When Thomas Caggiano submitted a FOIA request to the corrupt FBI, initially I was told in writing the FBI had no records responsive to my request. I then in formed its corrupt FOIA office read ThomasCaggiano.com for then you will see FBI USPS certified mailings and some of the many ignored <https://tips.fbi.gov/> FBI tip line input portal. Then David M. Hardy, Section Chief, Recording / Information Dissemination Section, Records Management Division FBI, Whashington DC. wrote me the FBI had located 1,336 pages responsive to my FOIA request and I could purchase copies or they could be provided on 3 CDs for \$35 which I agreed to pay on May 26, 2015 and in fact mailed in a check which was returned. The FBI portal as required by U.S. District Court case law MUST provide an estimated completion date but does NOT. After a year of complaining to the DOJ OIG, OPRA, AAG, PIN and PCU, I turned to the National Archives Office of Government Information Services (OGIS) and after complaining endlessly to the OGIS they telephoned the FBI and two days later the FBI mailed me a letter admitting the above dates of Mar 20, 2015 of notification, May 26, 2015 of my acceptance and of the 1,336 pages on 3 CDs but they never came. On Feb, 23, 2016 under FOIPA Request No. 1281753-001, CAGGIANO, THOMAS, the FBI stated it found approximately " 8 CDS consisting of audio and video files that are potentially responsive to the subject of my requests and I would owe \$120 at \$15 for each CD bringing the total owed to \$160 for CDs or \$181 of paper releases and I responded immediately that I would pay up to \$200.00. After getting no response or expected date as required by Case law, I made an appeal to the DOJ Office of Information Policy as I had sent it dozens of emails of complaint and made useless telephone calls. On Jun 11, 2016 Christina D. Troiani, Assistant Chief, for Sean O'Neill, Chief, Administrative Appeals Staff sent me a letter subject: Appeal No. DOJ-AP_2016-003363, Request No.: 1281753-001 which is a form letter which then you can't even make an appeal to DOJ OIP ONLY after the FBI determines no adverse determination was made by the corrupt FBI under 28 CPR & 16.8(a).

& 16.8 Business information.

(a) In general. Business information obtained by the Department from a submitter will be disclosed under the FOIA only under this section.

(d) Notice to submitters. The notice shall either describe the business information requested or include copies of the requested records or record portions containing the information. When notification of a voluminous number of submitters is required, notification may be made by posting or publishing the notice in a place reasonably likely to accomplish it. (i) Notice of FOIA lawsuit. Whenever a requester files a lawsuit seeking to compel the disclosure of business information, the component shall promptly notify the submitter.

After NOT getting any expected date. I again contacted the National Archives OGIS and on Jul 1, 2016 I was informed by email

Dear Mr Caggiano, This email responds to your recent voice mail message regarding your Federal Bureau of Investigation (FBI) FOIA request and subsequent appeal. Thank you for contacting the Office of Government Information Services (OGIS).

In response to your voice mail, OGIS staff contacted the FBI to inquire about the status of the request (No. 1281753-001) that was the subject of your appeal.

FBI FOIA staff explained that your request, which comprises over 1,300 pages of material, is in the agency's complex case queue (for requests of 951-8000 pages) to be processed on a first-in, first-out basis.

According to the FBI, there are 132 large queue requests ahead of yours; the agency estimates that it will complete your request in 659 days.

The FBI further informed OGIS that if you wish to narrow your request to fewer than 951 pages, it would be assigned to the agency's medium processing queue. Requests in this queue are processed more quickly. If you wish to negotiate the scope of your request, you may do so by contacting the FBI's negotiation staff at (540) 868-1695, Monday Friday from 7:00 am until 3:30 pm, Eastern.

We hope that this information about your request is useful to you. We will take no further action on your submission.

Sincerely,
The OGIS staff

To put this in context, The FBI after stating it had NO records responsive to my request, when informed that statements was absurd as I told the corrupt FBI headed b the corrupt FBI director see <http://thomascaggiano.com/LYNCHUSPS.pdf> and <http://thomascaggiano.com/LYNCH.pdf> review in thomascaggiano.com one can see certified return receipt letters and many FBI tip line reports, go redo your search if you enter as a url

Use google.com and enter the search parameter as: FBI+"thomas caggiano" and your search will give you dozens of matches.

As my request and approval were made on Mar 26, 2015 to the notice of availability made in the Mar 20, 2015 letter from the FBI as to the availability of 3 CDs, based upon the response from OGIS it will take another 659 days to get these CD or a total estimated time of 1,123 days or 3 years and 27 days AFTER the number of record wee determined by the FBI and that is before the unfunded mandate signed by Congress and President Obama to only in truth make it easy to file FOIA requests as the new law ONLY demands a PORTAL to be developed and exempts Congress as usual from transparency laws which will ONLY cause yeas more of delays making FOIA useless and ONLY functional if you file a civil suit in a U.S. District Court like Judicial Watch vs. the corrupt Department of State did. Take judicial notice: under Common Law Rights of Access the FOIA restrictions are moot and YOU can also get the records of your federal Senators and Congressman and State Senators and Assembly and the corrupt U.S. Capitol Police as they are NOT exempt from your excising this U.S. Constitutional civil right but expect it to be ignored hen file a show cause

order in a U.S. District Court. you have access to more records than under the now underfunded FBI which is just corrupt as the FBI director showed the world as he changed the Presidential executive orders and laws for negligence to his own term willful intent to protect the Clinton as Loretta Lynch visited President Bill Clinton on his jet as his Clinton foundation is under investigation but Lynch of course forgot to mention that as the corrupt FBI director like Obama never read Obama's executive orders but they are published on <http://thomascaggiano.com/COURT/160627ADJOURNMENT.pdf> A 57 page letter filed in the corrupt Morris County Superior Court Docket SSX-C-21-15 Township of Wantage v. Thomas Caggiano that responded to the false memorandum Motion for Summary Judgment to remove Thomas Caggiano Open Public Record Act and Common Law Right of Access civil rights to obtain any government record from the Township of Wantage because Thomas Caggiano was NOT a State of New Jersey citizen. that would mean all permanent residents, all travelers through NJ, all State officials and permanent residents, all visitors, owners of rental property or homes in New Jersey, business owners that were NOT NJ citizens would NOT be able to get a copy of any State, County, Municipal government form, codes, regulation, application form, deed, death or birth certificate or any other government record.

The Motion for Summary Judgment to unconstitutionally remove Open Public Record Act and Common Law Rights of Access which is a U.S. Constitutional Civil Right was made by New Jersey powerful Senator Lesniak's, a member of New Jersey's corrupt Senate Judiciary Committee which is filled with State senators who are attorneys as Codes of Ethics Rules of Professional Conduct nor 18 U.S. Code 4 Misprision of Felony are enforced against them by the corrupt State of New Jersey's Supreme Court Office of Attorney Ethics from this committee confirms corrupt attorneys to New Jersey's corrupt Judiciary branch now led by the corrupt Chief Justice Stuart Rabner with his Acting for many years the unconfirmed executive director of the corrupt Advisory Committee on Judicial Conduct (ACJC) who is also the corrupt Administrator of Courts (AOC) Glenn Grant, J.A.D. <http://thomascaggiano.com/acjcglenngant.pdf> known coast to coast as the corrupt U.S. Department of Justice's Public Integrity Section assigned Case folder DA 30037340 who protects corrupt Trial court administrators and numerous court administrators that willfully refused to comply with his own directive 3-11 to provide me access to my own court records even non ripe cases in the corrupt Township of Wantage as they violate the U.S. Constitution, N.J. Constitution by refusing to give a defendant Thomas Caggiano in a ripe case in the infested Joint Municipal Court of the Township of Wantage, Borough of Sussex and Township of Stillwater not only access to his own court records but seeks to deny him access to even the Office of Municipal Prosecutor records or any government record because as stated by Steven R. Tombalakian, Esq. a member and partner in the firm of Wiener Lesniak who the Supreme Court of New Jersey's Caroline Record, Esq. being the Secretary did not enter a Docket number nor even list on her June 6, 2016 letter to Isabel McGinty, Esq. the OAE's State wide Ethics Coordinator, 840 Bear Tavern Road, P.O. The corrupt law firm of Laddey, Clark and Ryan LLC, 60 Blue Heron Road, Sparta, NJ infests corrupt municipalities throughout Sussex County Joint and its Shared municipal courts as municipal attorney, municipal prosecutor, or land use board attorney or in multiple positions in the same town for many decades for the law firms simply divide of the municipalities among themselves and the municipalities use the exception in the Local Government Contracts Law to retain the services of the same professional engineer, professional planner or attorney for more than 30 years such as the corrupt Richard A. Stein, Esq. the corporate attorney for Laddey, Clark and Ryan LLC as the attorney for Stanhope as Richard Stein is now the municipal attorney for both the corrupt Township of Green and Borough of Stanhope and the municipal attorney and prosecutor for the corrupt Town of Newton NJ the county seat a seat of total corruption.

In accordance with Executive Order 13526, this message is UNCLASSIFIED

Read what President Obama's and President Clinton's Executive Orders are regarding Protection of Sensitive and Classified materials and the yearly training the persons having security classification in categories TOP Secret, SECRET and CONFIDENTIAL are required to be given and also NOT these are Categories they are NOT the actual classifications as dozens of classifications within these three General Categories are classified in many cases.

One also must have a NEED to know and a compilation of unclassified or sensitive documents can become highly classified as noted in President Obama's Executive Order 13526, Section 1.8(e)(1) and (2) Classification Prohibitions and limitations Also note even if materials

is just sensitive foreign policy issued and not even classified at any Category the compilation itself can become classified. President Obama and his National Security council should read his OWN Executive order for he is using his power to adversely interfere for purely Political purposes in a Presidential Election to directly influence his corrupt pawn U.S. Attorney Loretta Lynch and the corrupt FBI director Comey.

Obama should fire his corrupt Secretary for the State Department John Kerry, his Press Office's director Elizabeth Kennedy Trudeau and its Under Secretary of Management Patrick F. Kennedy and its Diplomatic Security Office as it is required to conduct a Suitability Review.

Obama should replace those on his National Security Council <https://www.whitehouse.gov/administration/eop/nsc/> for it is obvious without even having a secured .gov email account Hillary Clinton constantly violated the U.S.A. National Security laws and its President's Executive Orders

Read Executive Order 12958 Provisions and my letter to the State Department's Office of Legal Affairs published on <http://thomascaggiano.com/NATIONALSECURITY.pdf>

Read my letter on Presidential Executive Orders that Clinton has violated and her staff that as NON-government officials retain TOP Secret category clearances who violated laws during her entire tenure as Secretary of State and used an unapproved unsecured server for all her foreign policy emails and her staff for solely her convenience as the NSA informed her in writing her Blackberry cell phone was NOT a secured device and NEVER certified her home server to store any Sensitive nor Classified information.

Thousands of court records, court video recordings, photographs, tampered with drawings certified by the State of New Jersey, petitions, FBI tip line reports, certified mail receipts, photos, fraudulent responses to Open Public Record Act(OPRA) requests, willful violations of Common Law Rights of Access and Freedom of Information Act (FOIA) requests by the U.S. Attorney Eric Holder followed by the corrupt U.S. Attorney Lynch, corrupt U.S. Attorney's State District offices, the corrupt accomplice FBI director Comey are known from coast to coast in the highest levels of Government as illustrated by the 16 page letter published on <http://thomascaggiano.com/USA.pdf> filed in U.S Courts, NJ Courts and corrupt Government agencies. Also published are false government news bulletins ,transcripts, official minutes as unconstitutional court orders violating 18 U.S.C. Sections 241 and 242 are common place that have life or death sentences for violating my civil rights by public officials and the corrupt judges, perjured Statements of Information prepared by government, proof of decades of tax fraud and mail fraud, assault by State Police, threats from U.S. Marshall's office and U.S. Capitol Police, false imprisonment with wide spread criminal disbursement of federal, state, county and municipal funds are routine. Codes of Ethics for Judges, Attorneys and judicial staff is the norm. Safety and health laws in the State of NJ nor the State of Nevada are enforced as developers are protected.

With over 20,000 pages of Court records, over 100 witnesses the corruption only increases.

Supporting this exposure of government retaliation and corruption are published records in the following directories and their adopted references:

<http://thomascaggiano.com/nevada/> Corruption in Nevada exposed

The Beginning: The now 15 year review of government corruption by Inside on the Outside's partner and author of FreedomNewsDigest.com and ThomasCaggiano.com, Thomas Caggiano was originally a State of New Jersey registered publisher but to the retaliation, death threats left the infested State of New Jersey now lead by the totally corrupt Chris Christie administration as known by its Republican and Democratic Senators and Members of its General Assembly as NJ Attorney Generals under Gov Jon Corzine (D) and Chris Christie (R) have been totally corrupt protecting corruption widespread in its infamous State

Inside on the Outside is now a registered publishing enterprise in the State of Nevada. The retaliation against its author Thomas Caggiano and other government officials that requested investigations continues as shown now in the U.S. District Court District of New Jersey as its Court has not even address a motion to transfer the Case Township of Wantage Sussex County NJ v. Thomas Caggiano to the District of Nevada as the corrupt FBI Special Agents in Las Vegas, NV, five IRS Special agents and members of Senator Harry Reid, Senator Dean Heller and the corrupt Congressman Hardy's staff would be called as witnesses.

When a meeting was attempted to be arranged with Congressman (R Nevada 4th) Crescent Hardy's staff once he replaced my former corrupt Nevada Congressman Horsford (D Nevada 4th) the request resulted in a threatening telephone call to the corrupt U.S. Capitol Police. After many additional complaints filed with the Congressman's offices in Las Vegas, NV and Whashington D.C. a useless 40 minutes meeting was held in North Las Vegas between Congressman Hardy's Chief for Staff Alan Tennille and Thomas Caggiano part of the devastating evidence hand-out given Tennille who has never returned a telephone call in months to the Congressman's office by any of his staff. The hand-out is published on <http://thomascaggiano.com/HARDY.pdf>

As noted in the prior State of Nevada Attorney General letter of Oct 10, 2013 published on <http://thomascaggiano.com/NVattorneygeneral.pdf> the federal crimes 18 U.S.C. Sections 241 and 242 rise to life or death sentences with violations of her noted violations of the Police Enforcement Act ignored at all levels of Government executive branches and Judicial Branches which operate in a repeated pattern of planned agreed upon CRIMINAL CONDUCT in a structure governmental enterprise of government with hundreds of accomplices called RACKETEERING that violate 18 U.S.C. Section 4 Misprision of Felony, oaths of office and give aide to others to prevent their own detection and apprehension by repeated acts of official misconduct.

The immediate retaliation by local government began immediately in the infested Borough of Stanhope with its accomplices being the corrupt law firms of Laddey, Clark and Ryan LLC and its corrupt corporate attorney Richard A. Stein, Esq., 60 Blue Heron Rd., Sparta, NJ and Dolan and Dolan PA its Land Use Board Attorneys and its bribed not under contract for decades incompetent and corrupt John Cilo Jr. Associates falsely writing inspection reports and signing drawings and maps in violation of the MAP FILING LAW began after 14 property owners in the Borough of Stanhope, 7 Main St, Stanhope, N.J. 07874 filed a petition published on <http://thomascaggiano.com/14PEOPLEPETITON.pdf> which was noted in the official newspaper the New Jersey Herald published on <http://thomascaggiano.com/newspaper.pdf> <http://thomascaggiano.com/15Pepple.pdf> by 15 property owners showing the vast knowledge of corrupt government officials was only met by more unending retaliation continues under Docket SSX-C-21-15 by the corrupt Township of Wantage, NJ which like more then a dozen court orders issued by corrupt Superior Court and municipal judges known to the U.S. Court of Appeals for the ninth Circuit in a 350 page filing against corrupt U.S. District judges published on <http://thomascaggiano.com/USCOURTS.pdf> as Thomas Caggiano filed motions to the U.S. District Court District of New Jersey to remove the civil case from the corrupt Sussex County and Morris County Superior Court Judge S. Hansbury, P.J. General Equity now under Docket 2-cv-0484-SDW-LDW noted in the new directory <http://thomascaggiano.com/COURT>. The U.S. District Court judge Susan Wigenton, U.S.D.J. did not address the motions to TRANSFER then now federal Case from the infested State of New Jersey as shown in the filed and widely distributed letter published on <http://thomascaggiano.com/USA.pdf>

TRANSPARENCY IN GOVERNMENT: Does not exist as deceptive official minutes are prepared and the State of New Jersey's Open Public Record Act (OPRA) is useless for in over 100 denials of access complaints submitted by Thomas Caggiano, the corrupt Government Record Council (GRC) did NOT hold a single hearing and wrote deceptive finding after deceptive findings over 100 times.

. The GRC used the corrupt Office of Administrative Law to bury denial of access complaints and with the Jersey Superior Courts and municipal courts in ever increasing supersession for evidence under Docket SSX-C-1-13 Consolidated malicious filings by the corrupt Township of Green, the Sussex County Board of Chosen Freeholders, the Sussex County Counsel Dennis Mc Connell, Esq., the Sussex County Board of Chosen Freeholders now deceased Clerk Elaine Morgan and the corrupt Sussex County Sheriff Strada to not only remove my OPRA rights but all Common Law Rights of Access and even the ability to hire any attorney, any representative or write the County officials or representatives or Sheriff for any reason. The corrupt Judge Hansbury, P.J. General Equity even retroactively changed his court order, fined me thousands of dollars and issued his final threat if I did NOT pa the fines by May 2015, i would have an arrest warrant issued against me. Rather then pay I as usual reported the corrupt Court to all levels of government uselessly as published on <http://thomascaggiano.com/USCOURTS.pdf>, <http://thomascaggiano.com/COURT.pdf>, <http://thomascaggiano.com/CORRUPTFBI.pdf> as know by the corrupt U.S. Attorney Lynch and FBI Director Comey <http://thomascaggiano.com/LYNCHUSPS.pdf>

to the corrupt Sussex County Borough of Stanhope Town Council to comply with an approved site plan for 2 and 6 Oak Drive, Stanhope, N.J., State of NJ Department of Agriculture minor sub-division Block 10902 Lots 10 and 12 identified by the corrupt Sussex County Soil Conservation District, Newton, N.J. AFTER Thomas Caggiano notified the corrupt State organization and the corrupt State Sussex County Prosecutor, Newton, N.J. 07860 of the illegally developed subdivision which has massive health and safety violations, fraudulent inspection reports prepared by the Borough's corrupt bribed and uncontracted professional engineering firm with its corrupt Borough Engineer John Cilo Jr. and corrupt Town Planner Scarlett Doyle in conspiracy with the State's professional engineer James Seidiv, District manager Winifred Straub, District manager Clifford Lundin, Esq. who was the former corrupt Mayor of the Borough of Hopatcong and then all levels of federal and state agencies as the corruption has been reported though federal senators, members of Congress to the corrupt then U.S. Attorney Chris Christie, Esq. and his corrupt Assistant U.S. Attorneys now controlling the State of New Jersey, being Stuart Rabner Chief Justice of N.J. Supreme Court, Kim Guadagno Lt Governor and Secretary of Stanhope and his former corrupt Chief Council Jeffrey Chiesa who the corrupt Chris Christie made NJ Attorney General then interim federal senator who replaced the former Sen Lautenberg who died while representing WE the PEOPLE in office as shown in Senator Lautenberg's letter of Nov 15, 2005 to the corrupt U.S. Attorney District of New Jersey that remains corrupt under the President Obama administration being Paul Fishman, Esq. <http://thomascaggiano.com/lautenberg.jpg>

The retaliation has continued since a Petition was filed with the corrupt Borough of Stanhope and has included the use of Stanhope Police, State Police of NJ, and thereafter after 4 death threats made against Thomas Caggiano, his assault and false imprisonment, defamation, after Thomas Caggiano and Kathryn Caggiano fled New Jersey for their own safety, the corruption continues from the U.S. Marshall's and U.S. Capitol Police as known by the highest levels of the corrupt 3 Branches in the Federal Govt as shown by publicly available filings in corrupt U.S. Courts from coast to coast the most recent one being published on <http://thomascaggiano.com/USA.pdf>

The corrupt NJ Attorney General ACTING and never nominated to be the NJ Attorney General in 12 months John Jay Hoffman, Esq. resigned effective Mar 1, 2016 is now employed by Rutgers and his corrupt replacement as Acting NJ attorney general is Robert Lougy, Esq.

President Obama's puppet U.S. Attorney Eric Holder replaced by the corrupt Loretta Lynch, Esq. as her accomplices include FBI director Comey, Esq. and Department of Justice's office of Inspector General supervisor Eric Johnson including the other Federal agencies that continue to cover-up through the Counsel of Inspector General's Inspector General's Security and Exchange Commission SEC OIG a chair of the CIGIE investigation Committee not on tax fraud, criminal disbursement of federal, state and municipal funds, conspiracy but violation of civil rights laws which have life or death sentences as noted by the State of Nevada Attorney General and other crimes noted on <http://thomascaggiano.com/NVattorneygeneral.pdf>

with its corrupt politicized controlled Courts retaliation that continues as despite 3 federal Senators, 2 members of Congress, two State Senators, 2 members of the Assembly and 25 others requested investigations and petitions signed by 15, 14 and 9 property owners.

As stated by Judge Edward Gannon, J.S.C., Sussex County, NJ 07860 it would be a waste of his time to file a complaint against his corrupt Sussex and Morris Counties Superior Court Assignment judge as the State of New Jersey's Supreme Court's Advisory Committee on Judicial Conduct (ACJC) as the the judiciary branch circles the wagons to protect the power structure as can also be send for over 1 year as the Democrats protect Hillary Clinton and her aides on having over 1,800 classified emails on her personal server as the Government knew she never has any government account email address as its Secretary of State for years and her aides maintain top secret clearances for if they were not of the power elite, they would be in jail but People vote their own pocket book and Party as massive National Security violations by the Secretary of State officials who were all aware Hillary Clinton as Secretary of State never had a secured server get special favorable treatment in your face as President Obama and Vermont Bernie Sander's infamous remark during a Presidential debate said: Enough of the emails to a Democratic audience that erupted in joy.

Senator Rubio blasting away at Trump as a CON Man when asked if he would support Trump as President if he won the Republican nomination said YES in the very same Presidential Republican debate tells you how corrupt the entire process is. As Trump constantly calls Senator Cruz a liar and as the Republican establishment label rump a fraud. The nominee selection process is completely corrupted for 40 % of the delegates called super delegates are party so called elite and most were committed to a candidate before the public ever voted or the first debate. As an example, in New Hampshire the press published deceptive stories many cartoons and made the slogan FEEL THE BERN as Clinton's opponent Bernie Sanders implied Sanders won the vote in the in a landslide 62% v. 38% but was essentially tied in delegates for the super delegates, the party's ESTABLISHMENT were already committed to the liar Hillary Clinton the worst of the ESTABLISHMENT.

A NJ FBI Special agent stated the State of New Jersey is the most corrupt State in the United States of America, but Trump parades his new hit man against Senator Rubio to support his nomination as even Trump complained of the enormous corruption in Atlantic City where his casinos went bankrupt and Christie after denying the State would take over Atlantic City financing did exactly who he promised NOT to do.

The arrogant, bully Christie even had the State's major newspaper, the Star Ledger, stated he was a liar, but now stands behind Trump at news conferences.

In USA, be corrupt and bold faced liars like Chris Christie and Hillary Clinton who promises like politicians I will keep all my promises and the political parties and extreme loyalists give you their highest honors while in the same breath they disdain you if you are their opponent or have a fellow Senator, Congressman or political newspaper or TV network like Fox or MSNBC do the dirty work for you.

That's the USA today, a land where outrageous behavior is not only tolerated but rewarded

The Department of Justice, U.S. Attorney Lynch and the FBI director Comey <http://thomascaggiano.com/LYNCHUSPS.pdf> are corrupt as the Department of Justice to prevent its own exposure violates the Freedom of Information Act;

Filing complaints with the Department of Justice Public Integrity Section, the Public Corruption Unit, the DOJ Office of Professional Responsibility, the DOJ Office of Inspector General as well as the CIGIE chair for the CIGIE investigation chair being the SEC OIG were useless as the SEC denies that mission.

Only after filing with the U.S. Courts, the corrupt U.S. Attorney, the corrupt State of New Jersey Attorney General, the acting John Jay Hoffman, Esq. who served as a criminal protecting the corrupt Chris Christie administration as does the Democratically controlled NJ Senate and General Assembly as well as the corrupt Government Record Council under in fact both the Democratic Gov Jon Corzine and the Republican Chris Christie as shown by my more then 100 denials of access that were submitted to the corrupt GRC which never had a hearing on any complaint and if you read its minutes in 2015 and 2016 you do NOT even know who voted nor what records I submitted to the corrupt GRC.

for 11 months was some press made but that took the filing of a civil suit against Thomas Caggiano to the corrupt State of New Jersey Superior Court under Docket SSX-C-21-15 [Township of Wantage v. Thomas Caggiano](#) that was one of OUTRAGE as the corrupt Township by fraud, corruption has refused to address court motions in over 5 years, refused to deny access to Thomas Caggiano for his own court records and even after its Office of Municipal Prosecutor, the corrupt law firm of Dolan and Dolan PA, Newton, N.J. 07860 twice wrote the corrupt municipality that controls the corrupt Joint municipal court for the Township of Wantage, the Borough of Sussex and the Township of Stillwater that had requested a change of venue twice, the corrupt Judge Craig U. Dana, J.M.c. never addressing motions in years returned and was replaced by the corrupt Glenn Gavan, Esq. as the municipal judge but in violation of NJ laws continues to be its corrupt municipal judge never having been nominated by the corrupt Gov Christie nor confirmed by the Senate for over 11 months and served on the Sussex County College trustee but resigned with another trustee after a \$50,000 Saiber investigation report made findings Glenn Gavan, Esq. violated ethics laws and use the State's facility for his own private law practice.

As shown by Thomas Caggiano's letter on <http://thomascaggiano.com/USA.pdf> an 18 page summary letter with thousands of pages of adopted exhibits, the corruption has continued at the highest levels for the U.S. Government.

- Tyranny in the United States of America and THE ESTABLISHMENT that via speaking fees, nihilism, Super PACS, political donations gain access via lobbyists to put into laws, with a totally immune and secretive judicial complaint process as the Judicial branches of US Courts, State Courts and municipal courts are infested with corrupt unethical judges and attorneys for out of 150 judges and attorneys NONE complied with codes for ethics nor 18 U.S.C. Section 4 Misprision of felony nor NJSA 2C:2-1 and their fraternity of black robbed judges conspire and continue to conspire with the other branches for government they protect as shown in more than 30 cases filed against Thomas Caggiano in retribution and to intimidate other witnesses as retaliation is the method for control and supersession through fear of the Government and its police is the way of government in USA.

corrupt judges and prosecutors that use its court systems to issue unconstitutional court orders but are protected by a corrupt US and State attorneys selected by the ESTABLISHMENT, allows THE ESTABLISHMENT in its ever search for more power and greed as the Government grows with more strangling regulations every week to appease the special interest that foster its existence

To understand the pandemic level of official corruption in the United States of America read thomascaggiano.com and published materials in the directories: [COURT](#) , [corruption](#) , [corrupt judges](#) , [pdf](#) , [transcripts](#) and [Nevada](#)

A Public Record published by the State of NV registered publisher Inside on the Outside to expose government corruption at all levels by its author Thomas Caggiano on

CIGIE OIG SEC protects as its role of chair of the CIGIE investigation committee the corrupt DOJ OIG and is corrupt supervisor Eric Jackson. As known to OGIS, the OIP, FBI, EOUSA and US Attorney ALL violate FOIA. The US Courts are corrupt and protect Eric Holder and now Loretta Lynch. The State of NV Attorney General doesn't even have an organization chart in 4 months and the State's Business and Industry Department and Nevada Real Estate Division protect corrupt HOAs and the FirstService Residential contractor as fraudulent minutes are prepared and the corrupt Autumn Ridge at Aliante Community Association canceled my approved executive discussion period request and ignores other letters but fines you and is itself protected from fines the corrupt State of Nevada should be giving to the HOA president and third corrupt contractor who prepares false minutes.

is corrupt <http://thomascaggiano.com/nevada/> The courts from coast to coast, the corrupt now departing corrupt acting NJ Attorney General John Jay Hoffman is becoming the general counsel of Rutgers college and he has been totally corrupt protecting Christie's administration and its corrupt Government Record Council (GRC).

The OIG Security Exchange Commission (SEC) denies its role as chair of CIGIE investigation committee. Contact CIGIE administrator Brent Wilson. The National Archives' Office of Government Services (OGIS) after many months wrote me a letter they mediated with the corrupt FBI and I will be getting over 1,500 pages of FBI tip line reports and letters I sent to the corrupt FBI which will be published on this web site as the corrupt FBI even returned my check of \$35 to obtain 3 CDs full of its records as the corrupt Department of Justice's Office of Information Policy (OIP) not only doesn't perform its mission to assure the DOJ agencies comply with FOIA but itself violates FOIA.

Two years ago the NV Attorney General <http://thomascaggiano.com/NVattorneygeneral.pdf> wrote the crime rise to life or death sentences. the Civil Div Special Litigation unit is corrupt. See <http://thomascaggiano.com/USA.pdf>, <http://thomascaggiano.com/HARDY.pdf>, <http://thomascaggiano.com/MILGRAM.pdf> <http://thomascaggiano.com/CORRUPTFBI.pdf>, <http://thomascaggiano.com/CHRISTIE.pdf> and <http://thomascaggiano.com/USCOURTS.pdf> and <http://thomascaggiano.com/COURT.pdf> and <http://thomascaggiano.com/acjcglenngrant.pdf>

HOW DOES THE ESTABLISHMENT RIG ELECTIONS

The ESTABLISHMENT rigged the game with super delegates

Sanders won 62% v. Clinton won 38% in New Hampshire but the ESTABLISHMENT rigged the delegate count by having Super Delegates controlled by the ESTABLISHMENT committed to Clinton before we the People even cast our first vote.

WE the PEOPLE must vote OUT the Establishment. Vote and take control our Government NOT a Government controlled by lobbyists, companies that give huge speaking fees or directed Super PACS and the nation with its newspapers controlled by billionaires.

The ESTABLISHMENT candidates are Rubio and Clinton while the Anti-ESTABLISHMENT are Sanders(D), Trump (R), CARSON (R) and Cruz(R)- vote for any of the ANTI_ESTABLISHMENT candidates otherwise WE the PEOPLE will continue to be ignored and the top 0.1% will continue to control the corrupt USA Government.

Disclosure: Thomas Caggiano is a State of NV Clark County Democratic Delegate for Senator Sanders but if Hillary Clinton and senior staff are NOT indicted for transmitting over 1,800 classified emails on unsecured internet lines and having her attorney have 3 thumb drives which he had NO need to know, yet her aides retain top secret clearances by the corrupt U.S. Attorney Lynch and the corrupt Secretary of Defense for which I worked for 30 years in highly classified programs <http://thomascaggiano.com/background.pdf>, with the super delegates committed to her before voting even stated by WE the People she will be the Democratic candidate. So pick anyone but the liar Hillary Clinton who said she was broke after she left the White House and has made with Bill Clinton and her daughter who gets \$65,000 speaking fees got over \$100 Million in speaking fees and with her aides act criminally and above laws. If Clinton is President, the Supreme Court will simply become her tool to have its activist court reinterpret the U.S. Constitution the original framers would NOT recognize.

Don't believe the smoke screen by the press that Clinton feels the Bern as she already locked up 50 % of the super delegates before her P Foundation s give through the lobbyists the money to these other thousand establishment bureaucrats to be elected To them its a WIN - WE are the evil of elections paid for by speaking fees, lobbyists and more

As Sanders said to Clinton paraphrasing: Do you believe we the people are idiots these hundreds of millions of dollars are not being spent with no expected financial return. Its called access and their lobbyist give the bills to the bureaucrats for even the Congressional and Senat fees and treated like royalty to put into their "suggested words" directly into legislation. Who read Obamacare and its regulations as the state feet tall.

But we know what isn't in it. You can keep your doctor.

The insurance and other companies that pay millions of dollars in SUPER PACS contributions and paying hundreds of thousands in so call

Why? Its called ROI.. short for Return on Investment. As they say proof is in the pudding they keep putting the money in only more and more President so obviously these firms want to make profit. They do not donate money to loose money. It's a cost of doing business buried in or more likely officially sanctioned bribery as I call it. The insurance firms with the bureaucrats and lobbyist is the States do NOT allow people competition across state lines as noted by Trump. Vote of a person without a PAC which they say they do NOT want Tell those running for support the way the ESTABLISHMENT functions and do NOT promise to return OUR GOVERNMENT of WE the PEOPLE not WE the EST revolution as noted by Bernie Sanders will be coming only greater in the next elections.

Tell Trump never allow the corrupt former U.S. Attorney District of NJ Chris Christie who got that job AFTER he was voted out of Office on the Board of Chosen Freeholders and lost a civil case as he defamed a prior member to get the job, the only reason without any experience he Christie was a President Bush campaign fund raiser backed by a Billionaire and then Christie emplaced his many former corrupt U.S. Assistants take control of New Jersey criminal run State government protecting NJ's dozens of corrupt municipalities where corruption is engrained. He retaliate against Democrats who did NOT support him for power, arrogance, bullying and fear is how Christie controls the infested State of Christie on the same stage as with Trump then vote against Trump as Christie is just sucking up to get a position of power in any Trump administration

Both parties including the U.S. Courts that design their own rules to reduce transparency to a minimum despite words stated by President Obama *administration will be the most transparent administration in US history* aka Clinton's emails using a private unclassified server to hold over emails widely known by U.S. Government officials or Clinton's Wall Street speech transcripts for getting over \$625,000 in speaking fees. While the Clinton's have gotten over \$100 Million in speaking fees and if a college can not afford her \$265,000 fee her daughter will give a speech

procedures or court rules and they always to give themselves and prosecutor absolute immunity even if he use their posts maliciously like I was a corrupt U.S. Attorney and before that when he ran for a corrupt Morris County Board of Chosen Freeholder (NEW JERSEY) position and existing member, lost the follow-on civil suite and as voted out of office which is when President Bush's people made me=him the corrupt District of NJ bringing with him all his loyal corrupt attorneys Stuart Rabner, Kim Guadagno, Jeff Chiesa, Richard Constable III, John Jay H control the State of NJ which continues protected by the U.S. Attorney Lynch and the corrupt FBI director Comey and U.S. District Court District Docket 2:15-cv-08480-SDW-LDW Township of Wantage v. Thomas Caggiano as I removed SSX-C-21-15 from the corrupt Morris County a Chancery Division's corrupt Superior Court Judge S. Hansbury, P.J. General Equity for a federal question and counter-claim of millions.

as Judge Susan D. Wigenton, U.S.D.J. has refused to address my motion to transfer the case from the infested State of NJ to the State of New York coast to coast by reading <http://thomascaggiano.com/USA.pdf> as noted below as all three branches of Government are corrupt protected by Eric Holder, this corrupt replacement Loretta Lynch as they protect Clinton and her many corrupt officials in the Sec of State department from

handling classified government records. Every confidential email is a separate federal felony that's over a 1,200 as even admitted by the cc Government as Clinton and her aides should already be in jail.

Do NOT have a trial until AFTER Obama leaves for he already said she is NOT GUILTY as that is the ESTABLISHMENT and with Harry Reid DEMOCRATIC ESTABLISHMENT soon to be headed by Shumer who said he would NOT confirm ANY judge for the Supreme court that P nominated with-out any person being nominated he objected to every one in advance just like the corrupt now majority leader Mitch Mc Conery
<http://thomascaggiano.com/ussenate.pdf>

Under President Obama the Banks that are to obliged to fail or bring criminal charges against have ONLY GOTTEN BIGGER. Do NOT list Hillary Clinton's I will fulfill ALL MY PROMISES. Liar, liar she tells so many lies she probably believe them in he warped mind.

The price you pay for their goods such as high drug costs includes these bribery costs for legislation they suggest to Congress for as we see best Congress money can buy. So vote for Sanders or Trump or anyone that doesn't have a PAC paid by huge companies seeking access to profit. As Sanders said these huge speaking fees are not given out of the hearts of the companies or countries given millions to the Clinton family directly influence and retain the laws as written like the hedge fund managers paying lower tax rate then their maids in their multi-million dollar homes.

It was nice of Clinton's daughter to get a \$10,000,000 Manhattan apartment the day she got out of college. Didn't every graduate afford that?

If you want government for the People and by the People DO NOT VOTE FOR the establishment candidate or else the corrupt system of government is the same = Corrupt. Vote for term limits in your State. Do NOT vote for Clinton the nation's biggest liar who will tell you anything to get your vote. She said she was broke when she left the White House but forgot to mention the Clinton's received over \$ 100 million last 10 years. If college students who have massive loans can't afford her \$275,000 speaking fee then all they have to do to assure access is pay \$65,000 as a speaking fee. Or if your Goldman Sachs who run the U.S. Government in closed door meetings as hedge fund managers usually put in by their lobbyist pay a lower tax rate on income then the middle class or their workers. paid a \$ 5 Billion fine without any of its Wall Street jail even for a day or even having a civil trial as the Security exchange Commission to assure the Public does NOT have a clue of the depth of corruption on Wall Street never has a civil trial even after a bank admits it violated criminal laws, NO criminal charges are brought by the Obama administration Attorney Holder or his latest corrupt U.S. Attorney Lynch.

READ <http://thomascaggiano.com/LYNCHUSPS.pdf> and <http://thomascaggiano.com/LYNCH.pdf> and read how corrupt DOJ and the FBI are

She IS THE ESTABLISHMENT like politicians say: She will keep ALL her promises. That lie a whopper for her promise of Utopia

Below is a summary of Thomas Caggiano's Case study and his retaliation by government at all levels for the last 15 years as I now have a case against me I can not even hire an attorney, can't go into any Structure in Sussex County, NJ, and when you request a meeting with Congressional Staff (NV 4th Congressional District) they have the U.S. Capitol police threatened you after they had the U.S. Marshall's come to your house assaulted in NJ by State police three times and out in jail for requesting a Government record in writing.

Corruption is exposed in U.S. District Courts Coast to Coast, legislators, newspapers, corrupt U.S. Attorney Lynch and former U.S. Attorney Eric Holder, FBI Director Comey, corrupt State of NJ Supreme Court Administrative Office of Courts (AOC) Glenn Grant, J.A.D. a series of State of New Jersey Generals under Gov Jon Corzine totally corrupt Chris Christie administration, Government Record Council (GRC), its totally immune Supreme Advisory Committee on Judicial Conduct (ACJC) and its corrupt staff for if the ACJC or District Ethics Committee NOT assign a docket number as done in more then a dozen of my complaints NO ONE can get any ACJC Record via its self designed rule to completely avoid transparency: All records of and investigations concerning ACJC's staff are confidential in accordance with Court Rule 2:15-20 and the ACJC even fought the State corrupt Mr. Tonnelli from appearing under a subpoena in a criminal trial against an attorney., its corrupt District Ethics (OAE) with its District Ethics Committees as both protect judges and the attorneys. They are all part of the ESTABLISHMENT which protects itself and allows it to operate in total secrecy via its self made U.S.C. Art. III Sec. 2, Â§4 Misprision of Felony crimes, Codes of Ethics R: 1-14 Canons for Judicial Professional Conduct for Attorneys as the Judicial staff give their loyalty not to the U.S. and N.J. Constitution Mayors and Governing bodies and judges that hire them.

Laws are not only NOT enforced instead criminal abuse of court processes, assault, false imprisonment treatments were made after 14 property owners signed a petition to the infested Borough of Stanhope, Sussex County 07874 were made to comply with the approved site plan noted in the deeds for Block 10902 Lots 10 and 11 Drive, Stanhope as shown in their deeds <http://thomascaggiano.com/deeds.pdf>

as an illustration of the corruption of the State of New Jersey NOT to enforce its laws the world known case of George Whasing Bridge in retribution to those that did NOT support the corrupt Christie to further his no Presidential ambition, his pawn, the Acting State of NJ Attorney General John Jay Hoffman, Esq. who has

for 10 months and never been nominated for rejection by the Senate has not indicated anyone on any T
NJ crime not even the petty disorder charge for harassment N.J.S.A. 2C:33-4.a

[Enjoy some of Late Night Show's Jimmy Fallon's impressionistic songs](#)

Furthermore another example, in the total racketeering Sussex County, N.J.. The State laws require Joir Court judge to be approved by the Governor and then confirmed by the Senate but for example in the Tc Wantage which is suing me under Docket SSX-C-21-15 Township of Wantage v. Thomas Caggiano to ta civil rights to even get copies of any Government Record under the State's Open Public Record Act (OP own municipal prosecutor records on a case that has been ripe before its corrupt Judge Craig U. Dana, corrupt Office of Municipal prosecutor Dolan and Dolan PA, Newton, N.J. 07860 for years continues und Glenn Gavan, J.M.C. who was never appointed by the Governor nor obviously never confirmed by the S required by N.J.S. 2B:12-4 instead, Glenn Gavan, Esq. resigned from the Sussex County College Truste the taxpayers spent over 4 50,00 on a Saiber investigation which determined two trustees violated the C and both resigned and it was determined Glenn Gavan, Esq. even used the State facilities for his own la Without ever being appointed in over 10 months, the corrupt Assignment judges simply appoint corrupt j own choosing in Vicinage 10, Morris and Sussex County where laws simply do NOT apply but bribery cc added reports, retaliation is th way of business for the ESTABLISHMENT that protects itself in all three k government protected by the U.S. Attorney Eric Holder, then Loretta Lynch, the FBI director Comey and department in the corrupt Department of Justice as known to the Government Accountability Office, the : Exchange Commission' OIG which is the organization that leads the corrupt independent U.S. Council o Integrity and Effectiveness (CIGIE) as shown in the following email

Sussex County joint municipal courts judges are NOT appointed by the Governor nor confirmed by the S appointed by a corrupt series of Sussex County and Morris County Assignment judges appoint corrupt a municipal court judges through-out Sussex and Morris County.

Title 18 U.S.C. Section 4

Misprision of Felony occurred over one thousand times by Hillary Clinton as Sec of State for every classified email confidential or other that was obvic email MUST be reported to the FBI by the recipient if sent from or to an unclassified server with the proper security protocols and for NOT doing so H he aides and others was a felony criminal act on every email. Secretary Clinton and her talented aides excuse is NONE of these highly intelligent paid materials within the email was classified at any level. They insult our intelligence with such lies. Ripley believe it or not would put her thousand lies in Books ... just like under Obamacare you can keep your own doctor. The insurance companies are losing millions but in passing Obamacare a all their covered until AFTER the presidential election.

Just wait for the premiums to increase for under Obamacare the insurance companies are being bailed making profits just like the Banks that get ess from the FED. Remember, UNDER Obamacare you can keep your own doctor.

Hillary Clinton said her family was broke when they left the White House, well thanks to speaking fees they received in excess of \$100 Million dollars and if college students can't afford her \$275,000 speaking fee then have her daughter give a speech for only \$65,000

*Every government degenerates when
trusted to the rulers of the people alone. The
people themselves, therefore, are its only
safe depositories. --Thomas Jefferson,
Notes on the State of Virginia, 1787*

A government of hubristic hypocrites
controlled by Wall Street tycoons, Hollywood
billionaires and Special interests

The U.S.A. is the world's biggest arms seller and
spy, infested with corrupt attorneys and black
robed diseased judges that do the bidding of its
corrupt political system of despots for greed,
power and self glory.

In the U.S.A., *We the People* is just a propaganda
slogan for its a corrupt country with a totally
dysfunctional government where free speech and
liberty are suppressed by a criminally, politically
controlled run Judiciary System with nihilism
rampant and its newspapers and cable TV are
controlled by money mongrels salivating at their
abuse of power.

he warned the country of the rise of political parties
and their coming tyranny upon the people.

Speaking at Peking University, Mrs Obama's propaganda that
does NOT exist in the U.S.A. was: "When it comes to
expressing yourself freely, worshipping as you choose, and
having open access to information - we believe those are
universal rights that are the birthright of every person on this
planet"

By Josh Silver: Most of us will dutifully pay our taxes to a
government that no longer represents us. Policy decisions on
nearly every issue, regardless of public opinion, are decided in
favor of a select few who can afford to write massive checks,
host campaign fund raisers, and hire armies of lawyers and
lobbyists. That might read as an exaggeration to some, but it's
a verifiable fact of the American political system.

A new analysis of 1,779 recent policy outcomes by researchers
at Princeton and Northwestern found that "economic elites and
organized groups representing business interests have
substantial independent impacts on U.S. government policy,"
while average citizens -- the people in "We, the People" --
"have little or no independent influence."

Why?

Because if you want representation in today's Whashington, you
must buy your way in.

Once a government is committed to the principle of silencing the voice of opposition, it has only one way to go,
and that is down the path of increasingly repressive measures, until it becomes a source of terror to all its
citizens and creates a country where everyone lives in fear.

Harry S Truman, August 8, 1950 33rd president of US (1884 - 1972)

People don't remember the Truman scandals as his popularity dropped to 22% so here's how corrupt the IRS
was: The government indicted or dismissed 166 IRS officials for taking bribes in return for fixing tax issues.
Under Obama, the IRS targeted opposition groups

coast to coast. **Tyranny defined**

Gov Christie made his Office of Legislative and Inter governmental Affairs with his corrupt Deputy Chief of Staff a political arm so the corrupt Gov Christie through his loyalists under the bus.

The disbanding of the governor's Office of Legislative and Inter governmental Affairs was recommended by Gibson, Dunn & Crutcher LLP, a law firm hired by the Christie administration to represent it in Bridgegate scandal.. The office was once led by Bridget Kelly, the former Christie aide who sent an email that is symbolic of the scandal: "Time for some traffic problems in Fort Lee."

The Office of Legislative and Inter governmental Affairs role became an instrument of Christie's political agenda for he desired with his Wall Street backers to be President of the United States and is a major fund raiser for the Republican Party and still Chair of the Republican Governor's Association and even leads in some polls as the Republican Nominee for President in 2016 supported by the Major news paper of New Jersey the Star Ledger's Editor Tom Moran and per its chief reporter Mulshine nothing other than dirty tricks is how he describes and justifies the criminal abuse of power and use of tax payers money to foster Christie's agenda to be President.. Hogwhas, don't bother reading the drivel from the Star Ledger.

Per the Gibson Dunn investigation, Staffers received directives to not return the calls of mayors who were out of favor, and the Commissioner of the State Department of Community Affairs the corrupt Richard Constable III, Esq. and corrupt voting member on the infested Government Record Council (GRC) said he was told to clear local meetings with the office and not respond to the Mayor of Hoboken who declined to endorse Mr. Christie. To understand how corrupt Constable's Department of Local Government Services LGS and Local Finance Board are read a ninety seven page OPRA response from that corrupt LGS office on <http://thomascaggiano.com/LGSOPRAresponseW80910.pdf> proving the Department of Community Affairs under Gov Jon Corzine (D) and his campaign manager the corrupt Department of Community Affairs' Commissioner Susan Bass Levin, Esq. (D) who Corzine appointed to a deputy job on the infested patronage machine called Port Authority of NY and NJ for \$260,000 per year while also giving her a dual part time position on the corrupt Department of Community Affairs' Local Government Services's corrupt Local Finance Board that is responsible for Ethics complaints and doesn't even log the complaints Thomas Caggiano mailed them into the system so that any member of the public or press would NOT know a complaint was even filed. Nor did the corrupt State of NJ Supreme Court's District Ethics Committees in Essex County, Mercer County, Morris County nor Sussex County as the Office of Attorney Ethics Statewide coordinator William Ziff, Esq. buried them with Harry Norton Jr., Norton, Sheehy & Higgins, P.C. One Garret Mountain Plaza Interstate 80 at Squirrelwood Road, Woodland Park, NJ 07424-3396 on the same floor and building as the FBI field office at 3 Garret Mountain Plaza, Woodland Park, N.J.

The corruption extends to the City of Trenton, City of Newark, corrupt Morris and Sussex County Prosecutor Offices and the corrupt Sussex County Board of Chosen Freeholders, its corrupt Sheriff Strada, County Counsels Campbell, Mc Connell and Lenard and the corrupt Townships and Boroughs like Stanhope, Wantage, Green, Stillwater, Netcong, Mt. Olive, Morristown, Newton, Fredon, Hampton, Frankfort Township, Borough of Sussex, Borough of Andover and More and More and their ubiquitous corrupt municipal courts ,... and the Republican Gov Christie, his LT Gov and Secretary of State Kim Guadagno, a former employee as just another of the many corrupt former U.S. Attorneys from District of New Jersey's infested Newark Office a City where corruption triumphs in its many federal, and State agencies such as the corrupt Independent Office of Administrative Law under the felon in charge Laura Sanders as its Chief and Director and conspirator with the corrupt Department of Community Affairs Government Record Council with the Governor's Commissioner of Community Affairs and the Secretary of Education all corrupt under the Jon Corzine administration and total tyranny in the Chris Christie and Kim Guadagno and Richard Constable III, Esq. all involved in abuse of power using Sandy Funds as a tool of coercion to get Projects approved or get a Democrat to support Christie for Gov of NJ so he could become the Republican Governor's Association chair and darling to be President in 2016 support by NJ's corrupt Newspaper the Star Ledger's editor Tom Moran and his accomplice Paul Mulshine who write Bridgegate is only a dirty trick there is no crime committed as Christie's corrupt Appointed New Jersey Attorney General's are simply controlled by Christie Paul Dow the former corrupt Essex County prosecutor, Jeff Chiesa, Esq his comer chief counsel made NJ Attorney General then NJ federal interim Senator, replaced by the corrupt John Jay Hoffman with Christie Chief of Staff Kevin O'Dowd to replace him as the NJ AG is a potion of Nilsson as Stuart Rabner plays the game the best being counselor to U.S. Attorney Christie, then counsel to the corrupt Gov Corzine, made NJ Attorney General and then by both the efforts of Christie and Corzine the Chief Justice of NJ corrupt Judiciary Branch of Government. Christie's other corrupt Cabinet officials include the Secretary of Treasury Andrew P. Sidamon-Eristoff, Commissioner of Labor Hal Wirths the former corrupt chair of the Sussex County Board of Chosen Freeholders. Listen to Sussex County Board of Chosen Freeholders meeting of Thomas Caggiano's 10 minute presentation on rampant corruption of Nov 5, 2008

Commissioner of Mental Health Services Jenn Velez, Esq., Secretary of Education, Commissioner of Department Environmental, Secretary of Agriculture, State of NJ Attorney General, Superintendent of State Police Col Fuentes, Chief Justice of N.J.s Supreme Court and former corrupt NJ Attorney General Stuart Rabner and hundreds more were both fully knowledgeable to the absolute total corruption in the Republican dominated racketeering structures known as Sussex and Morris Counties that are totally corrupt with many apparent corrupt law firms per RPC 5.1 such as Laddey, Clark and Ryan LLC, Dolan and Dolan PA, Hollander, Strelzik, Pasculli, Pasculli, Hinkes, Wojcik, Gacquin, Vandenberg & Hontz, L.L.C., Morris, Downing & Sherred LLP, Kelly and War LLC, Newton's Robert Mattia, Esq. and its corrupt Sussex County Counsels Mc Connell, Lenard and Campbell with a totally corrupt Judiciary Branch headed by Stuart Rabner and Glenn Grant, J.A.D. known to the Senators on the State of NJ Judiciary Committee and leadership positions in the Senate and Assembly. Just the facts:

Born in USA, Thomas Caggiano was jailed for submitting grievances of government corruption at Open Public Meetings and requesting court records and can't even get copies of his own court records on convictions overturned on Superior Court appeals and criminal charges: prejudice against the State IND 08-09-316-I.

On a civil case based on false verified certified affidavits submitted by NJ's corrupt Sussex County Board of Chosen Freeholders and its Caggiano is NOT even allowed to hire an attorney nor remove the unconstitutional court orders issued Apr 4, 2013 by the corrupt Morris Judge Weisenbeck, A.J.S.C. and upheld by Hansbury, P.J.Ch under Docket SSX-C-43-13 held in Morristown, N.J. repeatedly by conspiracy 2 and N.J.S.A. 2C:5-2.b with attorneys Richard Campbell, Dennis Mc Connell, Dennis Lenard and Kevin Kelly. Thomas Caggiano has no speech and civil rights in Russia then U.S.A. where none exist. In USA, State sponsored terrorism is how Government suppresses free mailing grievances.

Society says: **Don't trust Christie** even though the New Jersey's major newspaper the Star Ledger supports Christie for President in 20 there is NO chance of his being the Republican Presidential candidate as the Republicans now turn on the third Bush - Jebb Bush as a liar and USA will again witness the Bush clan v. Clinton clan as the USA has become a two family system of government instead of the Hatfield over \$ 4 Billion dollars will be spent on campaign propaganda filling the cable propaganda networks like Fox and MSNBC, the airwaves deceptive ads.

In USA, FREEDOM OF SPEECH and DUE PROCESS are meaningless exist only on appear in its US and State Constitutions, Case Codes of Ethics. as corruption is deeply embedded in NJ's won constitution with appointed judges thereby owing their loyalty NOT to Constitution but to those that appoint them. In New York and Nevada Judges are NOT appointed by Government officials to protect t elected by We the People. In NJ, court rules are made giving themselves total immunity and allow themselves to operate in TOTAL S pandemic fraud and corruption. In NJ, in my opinion the Government is far worse then the impeached President Nixon.

The hubristic despots Governor is Chris Christie funded by mega donors of Wall Street and his conspirators the corrupt Lt Gov Kim (Secretary of State, the corrupt Chief Justice of NJ Supreme Court Stuart Rabner and his accomplice the executive director of the co Court's Advisory Committee on Judicial Conduct ACJC and Administrator of the Courts AOC Glenn Grant, J.A.D. and his own Chief (Office of the Governor. Read how corrupt the State of New Jersey's Supreme Court is at all levels being its corrupt Chief Justice Stewart Rabner, the Admin Courts Glenn Grant, J.A.D. who is corrupt as the executive director of the corrupt Supreme Court's Advisory Committee on Judicial (ACJC) and also as the Administrator of Courts AOC who has two additional duties he is corrupt therein. One is to review Codes of E complaints against corrupt and unethical judicial staff such as the Joint Municipal Court Administrator for the Township of Green, Ham and Borough of Andover Noted is another case involving corrupt Sheriffs office protected by the corrupt Assignment Judge Thomas A.J.S.C.

"A judge in Sussex County, upset over his removal from a case against a former sheriff's officer, recently aired his grievances with them in a strongly worded letter, according to a report on NJHerald.com.

In July, Superior Court Judge Edward Gannon was taken off the case of Jason Campbell, a former officer for the Morris County Sheriff been suspended for enlisting the help of Boy Scouts to set fires, and later showing off an old badge during a traffic stop to avoid drug Gannon rejected a plea deal offered by Morris County prosecutors, a rare move for a judge, after he called the agreement an affront to integrity. In the deal, Campbell would have been allowed to seek entry into the state Drug Court program instead of serving jail time. sent to the Passaic County judge to whom the case was transferred, Gannon wrote that Morris County Assignment Judge Thomas V political influences persuade him into moving the case. Gannon said Weisenbeck removed him from the case because of statements press during that trial. The Star-Ledger reported in July that Gannon was both stern and sarcastic in his rejection of the plea deal. **"I have possession of the transcript and relied upon the newspapers. I told him how ridiculous this was and that it appeared I court rules as well as being retaliatory," Gannon wrote in the letter. Gannon said he decided not to formally protest his removal**

"Besides, filing a complaint will accomplish nothing in a Judiciary which time and again has circled the wagons to protect its structure and thrown the trial Judge under the bus"

To understand how corrupt NJ Court Rule R1:20 is as the ACJC operates in TOTAL secrecy with total immunity and does NOT assign nor docket numbers read my uselessly filed complaints to the corrupt ACJC on the directory <http://thomascaggiano.com/corruptjudge> the corrupt series of NJ Attorney Generals have known of the corruption for 675 pages of criminal tip line reports were filed in the corridor and hundreds more filed with the corrupt U.S. Attorney Eric Holder, Department of Justice, FBI, New Jersey State Police Office Bureau and Department of Justice's corrupt Public Corruption Unit as can be read on <http://thomascaggiano.com/foley.pdf> as the corruption extends to the Gov of Nevada, the Attorney General for the State of Nevada, the North Las Vegas police and the Clark County District State of Nevada and State of New Jersey legislature including the Office of Inspector General for DOJ, HHS and U.S. Treasury and Attorney General for the U.S. Criminal Division and the Council of the Inspectors General on Integrity and Efficiency (CIGIE) and U.S. Appeals for 9th Circuit in California. Read what the FEC, FBI and federal representative and State representatives know about the corruption nihilism and official corruption on <http://thomascaggiano.com/FEC.pdf>, and <http://thomascaggiano.com/ryan.pdf> as the FBI is corrupt corrupt as now known by the State of New Jersey Select Committee on Investigation <http://thomascaggiano.com/140119faxfbi.NJSpecialcommissinosofinvestigation.pdf> and the Gov of New Jersey's nominee being his Kevin O'Dowd, Esq. to become New Jersey next corrupt NJ Attorney General as all three Attorney Generals under Chris Christie and Guadagno's administration are corrupt: Paula Dow, Esq. former corrupt Essex County Prosecutor, Jeff Chiesa former counsel to the Christie made NJ Attorney General then interim federal Senator replacing the felon and imprisoned former State Senator Sharpe Jarrett corrupt Mayor of the City of Newark as NO State criminal charges were filed against the corrupt Mayor of Newark by the Essex County and the corrupt mayor for the City of Trenton was convicted on Federal charges and it took Judge Mary Jacobson's court order to have Trenton Mayor Tony Mack removed from office but the corrupt Mercer County Prosecutor never filed any State Title 2C criminal charges against the corrupt Mayor of Trenton nor did any corrupt State of NJ Attorney General ever file any State Title 2C criminal charges against the imprisoned former N. J. State Senators Lynch and Byrant or those dozens convicted in many corrupt Hudson River controlled political bosses for corrupt officials are apparently given total immunity for having any State prosecutor even file for a State Grand Jury or could have a municipal court determine if Probable Cause exists with the issuance of a warrant or any state prosecutor filing criminal charges any of them.

Below are comments made by others on the internet blogs aware of the corruption of the NJ Judiciary known by the State of NJ Senate Committee members who are all attorneys.

The situation in Morris County involving the conduct of Judge Thomas Weisenbeck, the Assignment Judge for Morris and Sussex was so egregious the Complainant, a Superior Court Judge, Edward V. Gannon in Sussex County elected to bypass the Advisory Committee Judicial Conduct ACJC and refer the matter directly to the Attorney General. We need more Judge Gannon's with the courage to uphold integrity...

WHAT A WASTE OF ENERGY AS THE STATE OF NEW JERSEY ATTORNEY GENERALS ARE AS CORRUPT as the State of New Jersey Supreme Court's ACJC that operates in total secrecy per its own self made court rules R 1:20 WHICH YOU CAN DETERMINE BY FILING COMPLAINTS Thomas Caggiano FIELD AGAINST A SERIES OF NJ Corrupt JUDGES ON the directory <http://thomascaggiano.com> as the U.S. District Court for the ninth circuit is also corrupt as shown by <http://thomascaggiano.com/foley.pdf> which protects the corrupt Attorney Eric Holder, the Department of Justice and its Office of Inspector General and FBI. The federal and state politicians protect judges and the US Attorney General and State of NJ and NV Attorney Generals do also. The conspiracy is Standard Operating Procedure branches of government is from coast to coast.

Others state the obvious: It's about time that the people of New Jersey realized that the New Jersey judicial system from the court level all the way up to the New Jersey Supreme Court and the New Jersey law enforcement establishment is nothing but a racketeering enterprise, but you won't read about it in the mainstream media because they are afraid of retaliation from the cult.

After Judge McGovern III, J.S.C. stated the court records were in error and reclused himself as did Judge Edward Gannon, J.S.C., as Assignment Judge Weisenbeck, AJSC combined SSX-C-1-13 and SSX-L-164-13 and issued court orders I could NOT even hire an attorney the Sheriff deliver court records, or contact the Sheriff for any reason in any manner or request any record by OPRA or Common Law Access all violating U.S. Federal Civil and NJ court rules and the US and NJ Constitutions and court rules do NOT matter with the collusion from Kelly and Ward LLC Kevin Kelly, Esq. for the infested Township of Green and its corrupt Joint Municipal Court with Judge Craig J.M.C. and William E. that protects corrupt Professional Engineers for the State, Municipalities and developers. Note the Board of Professional Planners, Board of Medical Examiners and Board of Psychological Examiners are also corrupt in addition to the Department of Community Affairs' Codes and Standards Department that protects Construction Code Officials, its Local Government Services Division and Local Finance Board protect municipalities and the Government Record Council protects State, County and Municipal Governments, as well as other corrupt Departments DEP, Dept of Agriculture, Department of Mental Health Services, Comptroller, State Police, Dept of Education, State Treasurer, Secretary of State as misconduct and official corruption are ubiquitous in New Jersey as the wagons including its corrupt Judiciary Branch lead by the former corrupt State of New Jersey Stuart Rabner was made Chief Justice of NJ's corrupt Supreme Court being appointed by the corrupt former Gov Jon Corzine President Obama's multi-millionaire money bundler and the then corrupt U.S. Attorney Chris Christie for District of New Jersey as Stuart Rabner worked as an counsel for both these corrupt officials. The corruption in the hubristic, nihilistic Christie and LT Gov Guadagno is engrained in NJ political corruption culture as stated by a former US Attorney NJ official New Jersey is one of the most corrupt States in the United States of America if NOT THE MOST CORRUPT

Even NJ laws and court rules are designed for protection of the power structure and tis courts that operate in TOTAL SECRECY by the corrupt State of New Jersey's Supreme Court's Advisory Committee on Judicial Conduct (ACJC) that is totally corrupt. Read the useless filings to the corrupt State of New Jersey ACJC on <http://thomascaggiano.com/corruptjudges> and useless letter to the corrupt Administrator of New Jersey courts who is also the corrupt executive director of the SECRET ACJC on <http://thomascaggiano.com/acjcglenngrant.pdf> for Glenn Grant is also the person that over seas the ethical conduct of corrupt Judicial Employees who violate the Codes of Ethics and Rules of General Application is suppose to get you copies of your own municipal court records when the corrupt Vicinage Trial Court administrator and the corrupt municipal clerk both refuse to give one access to their own court records as AOC he is also responsible for reviewing the unethical conduct per R 1:14 Codes of Ethics for the municipal court and staff but since he protects himself from complaints as the executive director of the ACJC he protects himself with the support of the corrupt Gov Chris Christie who is protected by Stuart Rabner as Chief Justice and its all done in SECRET by the court rules R:1-20 the Judiciary passes to protect themselves and they give themselves total immunity. The power structure through-out the federal, state, county and municipal governments surround the wagons and use the State Police, its corrupt Department of Mental Health Services with Glenn Ferguson, Ph.D. replacing the former corrupt CEO Mr. Main and again its court rules to involuntary imprison those that complain, have conflicting false mental evaluation and conflicting reports made by [Ann Klein Forensic Center's](http://thomascaggiano.com/annkleinforensiccenter) corrupt State Psychologists Catherine Joseph and Peter Paul used as a weapon by the corrupt Superior Court Judge N. Peter Conforti, J.S.C., 43-47 High St, Newton, NJ and the corrupt Sussex County Prosecutor David Weaver, Esq. indicts you on 13 Separate criminal charges [State of New Jersey v. Thomas Caggiano](http://thomascaggiano.com/stateofnewjerseyvthomascaggiano) IND 08-09-316-I filed in the Borough of Stanhope that transfers cases in violation of court rules to the corrupt Township of Green,Sussex and have David Weaver's former law partner William Hinkes, Esq. who is not even a properly hired municipal prosecutor convict you and with Judge Craig U. Dana, J.M.C. issue court orders with is corrupt court administrator Maria Speigler stating NO defendant can get access to their own court records per State Law and then the Township of Green sues you and with the corrupt Assignment Judge Thomas Weisenbeck, A.J.S.C. have temporary court orders issued on Apr 4, 2013 Docket SSX-C-1-13 that you can NOT submit any request to the Township of Green and upholds the court orders issued by the Township of Green that you can not get any government record or court record nor write the Township of Green, the Borough of Stanhope nor the infested Board of Chosen Freeholders for Sussex County for any reason as shown in my filings to the corrupt Morris County Superior Court published on <http://thomascaggiano.com/140208ssxc4313courtfilling.pdf> and <http://thomascaggiano.com/140131hansburywencil.pdf>.

The Power Structure of Tyranny developed has made its own NJ Court rules and Case Law providing total secrecy, nihilism, depostism and immunity for themselves and even prevent the Writ of Mandamus for the formation of an independent federal

Grand Jury to determine if Probable Cause even exists. At all levels government of the United States of America now spies on everyone in the world via the NSA.

They sent municipal police, State police to our home in NJ after we received four death threats reported to the corrupt Stanhope Police Department. and in Las Vegas, NV the US Government sends U.S. Marshals to your home to criminal coerce and retaliate against you when you file a complaint against the corrupt U.S. District Court Judge and U.S. Magistrate George Foley and the Office of Circuit Executive for the 9th Circuit issued false findings dismissing my complaint against the corrupt U.S. District Judge even in your complaints to the corrupt U.S. District Court of Appeals and ignores the complaint filed against the U.S. Magistrate available for the world to read on <http://thomascaggiano.com/thomascaggiano.com/foley.pdf> as known by the corrupt State of Nevada and U.S. Senate Majority Leader and pawn of President Obama being Federal Senator Harry Reid- NV and my new corrupt Congressman Horsford who protect the corrupt U.S. attorney Eric Holder and former U.S. Attorney for NJ Chris Christie now Governor of NJ and his corrupt replacement Paul Fishman, District of New Jersey with a corrupt Department of Justice Public Integrity Section, Public Corruption Unit, and Assistant Attorney General Criminal Division and corrupt Office of Inspector General for the Department of Justice that mislead and deceived my former Congresswoman Berkley (D) Nevada when she requested a review by the Office of Attorney General Inspector General for the corrupt U.S. Department of Justice with a corrupt FBI inspection Service in Washington D.C. and corrupt FBI in New Jersey and Nevada.

In USA, I can't even write grievances to the corrupt officials in the State of NJ nor even hire an attorney or any person to represent me, my home telephone number was cut-off from calling the court or its court staff for any reason and my email is blocked and I am not allowed to enter Open Public Meetings nor even walk on the side walk in front of the corrupt Department of Community Affairs by court orders issued by three corrupt superior court judges under MER-C-102-07 GRC v. Thomas Caggiano as you can read the threat from the Office of NJ Attorney General's Department of Law and Public Safety's infested Division of Law's GRC Deputy Attorney General's Debra Allen, Esq. who got three corrupt Mercer County Civil Division Judges to confirm these corrupt court orders under MER-C-102-07 GRC v. Thomas Caggiano as noted on her letter published on <http://thomascaggiano.com/131022divoflawrestrainingorder.pdf> nor am I allowed even to submit complaints to the corrupt GRC for OPRA denial of access that occurred by the corrupt Morris County Superior Court temporary issued restraining orders issued against me by the corrupt Judge Thomas Weisenback, A.J.S.C. on April 4, 2013

The State of New Jersey, County and municipal Govt and U.S. magistrate use U.S. Marshals, State troopers and Chiefs of Police and Patrolman to all attack the informant, courts that jail him and take away all his civil rights as freedom of speech, assembly and due process are all removed as noted in my letter to Assembly woman Handlin (R) a member of the State of New Jersey's Legislative Select Committee on Investigation as she is an obstructionist on the party line vote like her other Republican members being Senator O'Toole, Assemblyman Michael Carroll and Holly Schepisi who protect the corrupt Christie Administration as does the corrupt Acting State of New Jersey Acting Attorney General John Jay Hoffman, Esq. appointed like the prior corrupt NJ Attorney Generals by Christie Jeff Chiesa, Esq. his former Counsel appointed Federal Interim Federal Senator for NJ and the corrupt Paula Dow, Esq. Essex County's former State prosecutor in the infested City of Newark home of the Democratic political machine that supported the RINO Chris Christie over their own Democratic Senator nominee to as shown if you were a Democrat in Essex and Bergen county and did NOT support Chris Christie for Gov so he could improve his opportunity to become President in 2016 which is supported by Wall Street made billionaires which is still supported by the dubious Star Ledger's Editor in Chief Tom Moran of course.

 Assembly woman Amy Handlin (R) in my opinion is a doubled tongued, two faced hypocrite

as noted in my letter to her <http://thomascaggiano.com/handlin.pdf> from those that defend such rights and those that dare file grievances so they with corrupt U.S. Courts, NJ corrupt Supreme Court, Superior Courts and Municipal Courts ban me from hiring an attorney or any representative, writing government for any reason, walking on the side walk, emailing, faxing, block his home phone number 702-586-6768, his email address thomascaggiano@gmail.com so he can't even call the courts nor file a criminal charge and have any Docket number assigned, and preventing him from attending Open Public meetings of other organizations in the Department of Community Affairs, Filing Affidavits of Probable Cause or giving the Netcong, Stanhope or Township of Green's (Sussex) Police voluntary Police reports or filing complaints to the many corrupt State of NJ Supreme Court District Ethics Committees in Mercer, Essex, Morris or Sussex Counties nor get copies of his own court records from Newark, Trenton, Morristown and courts through-out Sussex County... s short summary of tyranny

 As reported by the New York Times on Feb 9, 2014 by hasLEY SOUTHALL:

Read the paradox, the New Jersey's Star Ledger's Christie propaganda sheet prepared by Editor-in-Chief Tom Moran on its Opinion page

The Star Ledger's editor regrets his newspaper supporting Christie for governor but supports Christie for President in 2016.

New Jersey's largest newspaper continues to spew its support for the corrupt Governor Christie to be President of the United States as it pooh pooh's the closing of traffic lanes in retaliation impacting thousands of inter-state commuters, ambulances, police, emergency services and the children of former Senator Buono for Governor of New Jersey supporters yet calls Chris Christie a bully.

Nearly four months after his Star ledger Statewide major newspaper endorsed Chris Christie for a second term as Governor of New Jersey, the editorial page editor of the Star-Ledger on Sunday called the paper's decision to back him "*regrettable*" and blasts his corrupt Lt. Gov Kim Guadagno. Despite his regrets, Tom Moran bringing illogic to new heights, wrote that he would endorse Chris Christie for the Republican presidential nomination in 2016. In addition adding to Moran's absurdity , Moran

elaborates on Christie's character: "**Christie has boycotted the editorial board for years, an attempt to bully us into more loving coverage. So we've had a front-row view of what a creep he can be**". Yet, the Star Ledger Editor-in-Chief Tom Moron continues supporting Christie for President?"

As you can read my filing with the court on <http://thomascaggiano.com/140208ssxc4313courtfiling.pdf> Apparently these two corrupt attorneys never read the State of New Jersey Constitution as I have no civil rights. I can't do discovery, hire an attorney or any person to represent me on any matter, , write the Township of Green or the Sussex County Board of Chosen Freeholders for anything. So to aide them I mailed them a notes on the State of New Jersey's Constitution

NEW JERSEY STATE CONSTITUTION 1947

(UPDATED THROUGH AMENDMENTS ADOPTED IN NOVEMBER, 2013) A Constitution agreed upon by the delegates of the people of New Jersey, in Convention, begun at Rutgers University, the State University of New Jersey, in New Brunswick, on the twelfth day of June, and continued to the tenth day of September, in the year of our Lord one thousand nine hundred and forty-seven.

We, the people of the State of New Jersey, grateful to Almighty God for the civil and religious liberty which He hath so long permitted us to enjoy, and looking to Him for a blessing upon our endeavors to secure and transmit the same unimpaired to succeeding generations, do ordain and establish this Constitution.

ARTICLE I

RIGHTS AND PRIVILEGES

1. All persons are by nature free and independent, and have certain natural and unalienable rights, among which are those of enjoying and defending life and liberty, of acquiring, possessing, and protecting property, and of pursuing and obtaining safety and happiness.

6. Every person may freely speak, write and publish his sentiments on all subjects, being responsible for the abuse of that right. No law shall be passed to restrain or abridge the liberty of speech or of the press. In all prosecutions or indictments for libel, the truth may be given in evidence to the jury; and if it shall appear to the jury that the matter charged as libelous is true, and was published with good motives and for justifiable ends, the party shall be acquitted; and the jury shall have the right to determine the law and the fact.

18. The people have the right freely to assemble together, to consult for the common good, to make known their opinions to their representatives, and to petition for redress of grievances.

The court order simply requests these rights denied me. Read the motion of the court order for the motion would simply confirm my constitutional rights.

The corrupt court orders of the Township of Green's corrupt municipal court with its corrupt Magistrate Craig U. Dana, J.M.C.. and its with corrupt alleged municipal prosecutor William Hinkes, Esq. the former law partner of the corrupt Sussex County Prosecutor David Weaver, Esq. The court orders issued by Craig U. Dana, J.M.C. were in the municipal court in Green which did NOT even have jurisdiction to have any municipal trial as the jurisdiction was the corrupt Borough of Stanhope. In the kangaroo courts as they are both corrupt I was convicted based upon more than a dozen malicious quasi-criminal or NON-criminal charges filed by more than a dozen corrupt Borough of Stanhope officials including its then corrupt Mayor Diana Kuncken who committed perjury as proven by court records and she was supported by other , corrupt Borough of Stanhope's Governing Body members and the corrupt perjurer Richard A. Stein, Esq. the Stanhope's municipal prosecutor and also its Borough Attorney for over 30 years. Richard Stein is the corporate attorney for eh corrupt law firm Laddey, Clark and Ryan LLC, 60 Blue Heron Rd, Sparta Township, NJ 07871 (973) 729-1880 also with the corrupt Andrew Fraser, Esq who also did NOT keep his corrupt Joint municipal court records in the corrupt then Joint Hampton and Stillwater municipal courts which is now the corrupt Joint municipal court of Township of Wantage, Stillwater and Borough of Sussex With the corrupt magistrate Craig U. I can't even get my own court records. These many corrupt courts, municipal prosecutors and municipal judges are all protected by the corrupt NJ Attorney Generals under Chris Christie's corrupt administration. The Judges are protected by the ACJC. The attorneys are protected by State of NJ Supreme Court's Office of Attorney Ethics, its corrupt N.J. Supreme Court OAE Statewide County coordinator William Ziff, Esq. and his corrupt investigator Harry Norton, Jr, Esq. whose office is on the same floor and same building as the corrupt FBI field office in Woodland Park's Garret Mountain Plaza. Now George Graham was rewarded for his corruption by being made a corrupt Sussex County Board of Chosen Freeholders member who with the corrupt Freeholders are suing me under Docket SSX-C-4313 using tax payer funds to also prevent me from even writing them, attending Open Public meetings, or even hiring an attorney are like more than 200 government officials and employees and bribed law firms protected by U.S. Attorney Eric Holder, his accomplice the District of New Jersey U.S. Attorney Paul Fishman, the FBI, the Gov of NJ, his Chief of Staff Kevin O'Dowd and spokesman Colin Reed. The current corrupt Acting NJ Attorney General is John Jay Hoffman, Esq. All fines imposed by Craig U. Dana, J.M.C. in the infested Township of Green's municipal court were returned years ago as well as all Dana's and Hinkes probation were vacated when I filed a Superior Court municipal appeal before the corrupt Sussex County Superior Court Judge N. Peter Conforti, J.S.C. and a series of corrupt State prosecutors who indicted me under IND 08-09-316-I [State v. Thomas Caggiano](#) and even these criminal charges were all dismissed with prejudice against the State and even that was done by fraud to prevent me from having a criminal trial wherein the corruption noted in 20,000 pages of court records would be exposed and not hidden by the corrupt official newspaper the New Jersey Herald writes deceptive reports in its News paper for years to protect the dozens of corrupt municipalities and State officials infesting Sussex County a Republican controlled despots racketeering structure of government where bribery, cronyism and nihilism is constant. The Sussex County Prosecutor's Office with its totally corrupt under David Weaver, Esq. the corrupt State prosecutor its corrupt first assistant prosecutor Gregg Mueller, Esq. and other corrupt assistant prosecutors wit the knowledge of dozen Detectives paid by Sussex County taxpayers via the corrupt Sussex County Board of Chosen Freeholders. The Township of Green's court orders state my only rights in the Borough of Stanhope are:

Pay your taxes, water bill, sewer bill and you can make 911 calls.

I was even threatened with jail after the Borough of Stanhope's Town Administrator Richard Stewart and former Mayor for the Township of Andover, its town administrator and Chief of the Fire Department himself reported the corruption in the Borough of Stanhope to the FBI and the corrupt State of New Jersey's corrupt State Police's Official Corruption Bureau. Richard Stewart was fired in retaliation by the corrupt Stanhope municipal government and paid severance pay. He was fired Dec 2, 2010. And many have been retaliated against after they reported the corruption to the corrupt FBI and the corrupt State Police and to the Criminal Division as noted in the 675 pages of criminal tip line reports tip line reports mailed me.

The corrupt Kevin Kelly, Esq objected to my request, lied in his letter to the court to have these unconstitutional court orders continued. The court filing is published on [include http://thomascaggiano.com/140131hansburywencil.pdf](http://thomascaggiano.com/140131hansburywencil.pdf)

Christie's nominee to replace the corrupt Acting appointed New Jersey Attorney General John Jay Hoffman, Esq. with a copy to the State of New Jersey Legislative Committee on Investigation with tens of thousands of referenced pages of evidence and names of many retaliated informants and other witnesses reporting the corruption to the FBI and NJ State Police. The State Police's Official Corruption Bureau is corrupt itself and lead by the Superintendent of State Police [Col Rick Fuentes](#) as its Intelligence Section is lead by [Major Raymond Guidetti](#)

The Department of Law and Public Safety's Criminal Division provided me 675 pages of my own criminal tip line reports as noted in [its response to my OPRA request W81084](http://thomascaggiano.com/140210dcjreportsW81084.pdf) <http://thomascaggiano.com/140210dcjreportsW81084.pdf>

Also noted for years on thomascaggiano.com are over 20,000 of pages of court records, the corrupt U.S. Attorney for New Jersey Paul Fishman, U.S. Attorney Eric Holder and Department of Justice were even sued by me as noted in the U.S. District Court Records under District of Nevada Docket 2:12-cv-01484-GMN-GWF, [Thomas Caggiano v. Eric Holder](#) and others. I filed suite against the corrupt U.S. Attorney Eric Holder three times in U.S. District Courts yet the corruption exposed on thomascaggiano.com for over a decade continues not only unabated but increases.

The corruption of the U.S. Government's Courts, Eric Holder's Department of Justice and other Federal agencies, such as U.S. Treasury, U.S.P.S. Inspection Service Criminal Unit in Chicago. It and through-out the State of New Jersey State, County and Municipal governments in all three branches of Government executive, legislative and judiciary and in parts of Nevada are now exposed coast to coast.

Loretta Weinberg and State of New Jersey General Assemblyman Hon. John Wisniewski to determine if State of New Jersey Title 2C crimes were committed which are NOT within the corrupt FBI jurisdiction which rise to 1st degree N.J.S.A. 2C:30-6 with bodily harm, terrorism and false imprisonment with cruel and unusual punishment with permanent injury by hundreds of persons in a more than decade of conspiracy, bribery, perjury, tax fraud, criminal abuse of court processes, obstruction of law, tampering with govt court records and other Safety and Health drawings, violating violation of safety and health laws, wetland permits by a conspiracy among Cabinet level officials, agreed upon pattern of deceit, fraud, perjury, accomplices, tampered with government records, criminal disbursements of Federal, State, County and Municipal funds, false municipal audited financial reports reported to the corrupt U.S. Attorney, IRS Special Agents in Las Vegas (NOTE TIGTA complaint 55-1401-0072-C dated Jan 29, 2014) and series of many corrupt N.J. NJ Legislative Select Committee on Investigation subpoena issued

The first persons to have subpoena issued against them for their records regarding the total corruption of the Chris Christie Administration is Eric Holder and demand production of the records in the box of evidence he has against hundreds of corrupt government officials including 35 Judges and over 100 government attorneys shown below.

What do other say about Christie>/b>: Christie is the caricature of a Third World despot. He has a vicious temper, a propensity to bully and belittle those weaker than himself, an insatiable thirst for revenge against real or perceived enemies, and little respect for the law and, as recent events have made clear, for the truth. He is gripped by a bottomless hedonism that includes a demand for private jets, huge entourage, exclusive hotels and lavish meals. Wall Street and the security and surveillance apparatus want a real son of a bitch in power, someone with the moral compass of Al Capone, in order to ruthlessly silence and crush those of us who are working to overthrow the corporate state. They have had enough of what they perceive to be Barrack Obama's softness. Christie fits the profile and he is drooling for the opportunity.

The corrupt U.S. Attorney Paul Fishman should investigate himself, the corrupt Newark FBI office and the corrupt Department of Justice's Public Integrity Section (PIN) Chief which assigned DA Case file DA30037340 and denied her own mission Statement having sole responsibility to investigate corrupt U.S. District Judges noted in my filings to the Office of Circuit Executive, the [Chief Justice of the United States of America Roberts](#) and the corrupt FBI and the corrupt [Chief Justice of NJ's Supreme Court Stuart Rabner](#), the former corrupt NJ Attorney General and former counsel to the corrupt ex-Gov Jon Corzine and U.S. Attorney Chris Christie using the Office of Gov of NJ's own data base against them.

Those many records have been published on http://thomascaggiano.com/pdf_directory for years but you can access them directly via <http://thomascaggiano.com/071029GovCorzineOPRAdana.pdf> that was filed in numerous U.S. District Court's against the corrupt U.S. Attorney Eric Holder, Paul Fishman and Dept of Justice, Dept of Justice office of Inspector General, and even the Chief Justice of the United States Roberts and the Judicial Conference and its Chief

So much for Gov Christie's official duty to insure that NJ constitution is enforced and by the corrupt Chief Justice of New Jersey's Supreme Court Stuart Rabner and the Administrator of NJ's corrupt Judiciary Branch Glenn Grant, J.A.D. and the people are protected. Instead his Cabinet Officials are corrupt in many departments so his official duty to oversee the conduct of his cabinet officials is violated. RELATED COVERAGE Paul J. Fishman, the United States attorney for New Jersey since 2009. In Inquiry, Christie Against Prosecutor FEB. 9, 2014 Gov. Chris Christie at a news conference addressing the bridge scandal, a story advanced by The Record in New Jersey.

The Media Equation: Local Papers Shine Light in Society Dark Corners FEB. 9, 2014 "Yes, we knew Christie was a bully," Mr. Moran wrote. "But we did not his crew was crazy enough to put people lives at risk in Fort Lee as a means to pressure the mayor. We didn't know he would use Hurricane Sandy aid as a political slush fund. And we certainly didn't know that Hoboken Mayor Dawn Zimmer was sitting on a credible charge of extortion by Lt. Gov. Kim Guadagno." Mr. Moran wrote that the decision to endorse Mr. Christie over Ms. Buono had been a close call and a split vote of the editorial board. The paper could have skipped the endorsement altogether, but felt that The Star-Ledger should offer its advice to voters. Despite his regrets, Mr. Moran wrote that he would endorse Mr. Christie for the Republican presidential nomination in 2016 over more conservative alternatives like former Gov. Mike Huckabee of Arkansas, Senator Rand Paul of Kentucky or Senator Ted Cruz of Texas.

TRENTON via Associated Press - A member of New Jersey Gov. Chris Christie's administration who has been subpoenaed in an alleged political payback investigation has resigned. Christina Genovese Renna left the governor's office Friday, Jan 31, 2014 - the same day former Christie loyalist David Wildstein claimed to have evidence contradicting the governor's account of a lane closing operation, apparently to create traffic chaos as a political vendetta. Renna reported to Deputy Chief of Staff Bridget Kelly, who apparently set the lane closings in motion with an email to Gov Christie's high school friend Wildstein now portrayed by the Christie administration Wildstein was a bad boy in school. Didn't Christie know that when Christie appointed Wildstein as his tacky on the Port Authority of NY and NJ

Of course the Christie administration did but now uses it to say his appointee should never had the job that Christie appointed him .. his lackey on the patronage filled Port Authority of NY and NJ agency the Port authority of NY and NJ used to place hacks voted out of office by the voters

Christie appointed Wildstein to the Port Authority of NY / NJ without his having any experience in transportation as done of course by the corrupt Ex-Gov Jon Corzine who appointed his former campaign manager and the corrupt Department of Community Affairs' former Susan Bass Levin, Esq. also giving her a dual do nothing part time job on the corrupt Local Government Services Department's Local Finance Board so she could get two years service credit and get free medical insurance at tax payers cost while getting a salary over \$250,00/yr as a deputy on the Port Authority of NY/NJ for like the world knows it's not what do you know but who do you know our who was your Daddy or Mom in the elite of corruption. Just another corrupt State of NJ agency filled with corrupt officials as they protect one another regardless of party unless its for their own political advantage. Renna confirmed her resignation to The Associated Press through a statement Sunday Feb 2, 2014 from her lawyer, Henry Klingeman.

Christie's series of Commissioners of Community Affairs and those under Ex-Gov Jon Corzine Obama's protected money bundler were corrupt as the latest under Christie is Richard Constable III, Esq for with the corrupt Lt Gov Kim Guadagno as reported by the [New York Times Article](#) the Mayor of Jersey City was told to approve a Multi-billion dollar Rockefeller Group project for her town to get Sandy funds.

The Mayor of New Jersey a Democrat was also requested to support his Christie's Republican candidacy like many other Hudson River Mayors in the infested Democratic County machine of Essex County and other Mayors that were democratic have come forward and ALSO stated they were retaliated against for NOT supporting Gov Christie who lusts to be President of the United States of America with his his power brokers.

I suggest NO politician from NJ be given any Federal job with-out complete vetting by simply using a google search with their name and see what bloggers have posted on the new social networks with the understanding that some postings may be completely false or deceitful.

I note that data may be false entries.

The corrupt and infested State of NJ's Department of Community Affairs' Commissioner Richard Constable III, Esq. controls and is a voting member on the corrupt Government Record Council (GRC) with other corrupt Christie cabinet level officials and attorneys from the corrupt Department of Law and Public Safety's Division of Law as GRC Deputy Attorney Generals such as the corrupt Debra Allen, Esq. as known to a series of Director's of the Division of Law under Chris Christie.

Read how corrupt the GRC is on <http://thomascaggiano.com/GRCfraud.pdf> as Christie's former Commissioners of Community Affairs were all corrupt Lori Grifa, et. al. as well as ex-Gov Jon Corzine's.

as the corrupt Gov Jon Corzine rewarded his corrupt campaign manager and Commissioner of the infested Department of Community Affairs a voting member on the corrupt Government Record Council where Cabinet officials of both Jon Corzine and Chris Christie being the Commissioner of Community Affairs Constable and Commissioner of Education have been corrupt since the inspection for the corrupt Government Record Council protected by the corrupt Department of Law and Public Safety's Division of Law and used by that corrupt Department with three corrupt Superior Court judges under MER-C-102-07 [GRC v. The complaint about the corrupt attorneys for the State government in Trenton and its corrupt GRC executive directors are published on <http://thomascaggiano.com/121202OAEkaryngordoncomplaint.pdf> to prevent me from attending Open Public meeting of any organization in its State building other then the infested GRC where I am NOT allowed to speak even wit the demanded State Trooper and the State of NJ State Police are so corrupt they put my name on its Restricted access list so I could NOT even gave a CAG report or talk with former State Senate President Richard Codey who requested a criminal investigation as did Senator Littell and both were ignored by the corrupt NJ Attorney Generals ever since. The apparent corrupt Senate President Sweeney and his power brokers had removed from being Senate President and as Senate President Sweeney initially directed the so called impartial Senate Select Committee NOT to look at actions between the Port Authority and the corrupt Gov Jon Corzine administration even though requested by a Republican State Senator as reported in the newspapers I suggest the history of both the State of NY and the State of NJ Governor's use of the Port Authority be reviewed as it appears both use the Port authority as a patronage machine.

Per the State of Nevada Attorney General review IOTO agrees with her assessment published on <http://thomascaggiano.com/NVattorneygeneral.pdf> which is known to every Governor in the United States of America as you can read the correspondence to the Republican Governor's Association <http://thomascaggiano.com/RGA.pdf>, Democratic Governor's Association <http://thomascaggiano.com/RGA.pdf>, and [US District Courts](#) that the federal crimes committed in a wide ranging conspiracy 18 U.S.C. Section 2 and N.J.S.A. 2C:5-2 which are separate felonies for

separate and independent sovereigns in a decade cover-up of fraud, bribery, perjury, criminal disbursement of federal, state, county and municipal funds as continuing criminal conduct to obstruct the administration of federal, state, court rules, municipal codes continued under the Jon Corzine and far worse corrupt Chris Christie and Lt Gov / Secretary of State Kim Guadagno administration has been and continues to be protected by the U.S. Government Attorney General Eric Holder, the Department of Justice and the a series of State of New Jersey Attorney Generals including the State of Nevada Attorney General, U.S. District Courts and the U.S. Judicial Review Committee and DOJ's CIGIE as hundreds of politicians at the federal and state levels, governors, judges at all levels and over 100 government attorneys and others including news papers that are to a major degree partisan as the US Congress has divided the county as well as news papers into Red and Blue States with straight party line votes a way of doing business for the parties NOT We the People as stated by George Washington in his farewell address, Thomas Jefferson and Ben Franklin who stated the rise of political parties would destroy the Constitution of U.S. in 200 years and whereas Thomas Jefferson stated based upon his review of all government empires they all collapse by getting bigger, making the people dependant on the government and taking away their rights .. and as Perot stated during his failed rd party campaign having increasing debt which now is 17 Trillion dollars. Obamacare, unlimited unemployment benefits, unearned income credits, and a National Security Administration obtaining tens of millions of text messages and emails every day all around the world show NO privacy exists as the U.S. govt approves security standards with doors so the NSA can open the methods of encryption by software firms and use equipment directly attached to internet fiber lines to intercept every internet communication. Privacy does NOT exist. Constitutions exist only on paper in U.S.A. a county of terrorism with its ally Canada a county I can not even pass on a cruise ship Eurodam without being forced into Canada unescorted by Canada's incompetent immigration officials who took my passport forcing me unescorted into Canada.

About 20 subpoenas were issued in the case on Thursday, according to Democratic state Assembly member chair of the newly formed Investigative Committee chair John Wisniewski. I notified the Governor's PR law firm of the corruption of his administration. As well as Gov Christie's Office of Constituent Relations (OCR) and his Chief of Staff Kevin O'Dowd assistant as O'Dowd is Christie's latest appointee to be the State of NJ Attorney General as his former appointees all approved by the State of New Jersey Judiciary Committee members who are aware of the corruption in the Christie administration had his former U.S. Assistant attorney and corrupt Essex County Prosecutor Paula Dow, then his corrupt Counsel Jeff Chiesa, Esq. and his latest Acting Attorney General John Jay Hoffman in his series of corrupt State of NJ Attorney Generals while the corrupt Gov Jon Corzine gave his corrupt Campaign manager Susan Bass Levin, Esq who he made Commissioner of the corrupt Department of Community Affairs as all Commissioners from her to the present Commissioners under the corrupt Jon Corzine and Gov Christie have been totally corrupt protecting dozens of corrupt municipalities along with the Boards of Freeholders therein and their Vicinage Assignment Judges in Essex County, Mercer County, Morris County and Sussex County.

In NJ and the State of Nevada I have found out in our 13 year Case Study of Government corruption its engrained right in court rules and laws that protect themselves and developers and of course the appointed Judiciary branch in NJ's own corrupt Constitution and the Case law the Judges pass to protect themselves and their court rules such as R 1:20 giving absolute immunity and secrecy as one can't under a Freedom for Information Act request t other corrupt Department of Justice's Executive Office of U.s. Attorney any redacted record concerning themselves nor even court records from its many corrupt municipal courts in the City of Newark, /city of Trenton, Stanhope, Hopatcong, Green, Wantage, Stillwater, Hampton, Fredon, Hampton, and more

They are: DOCKET SSX-C-43-13 Corrupt Sussex County Board of Chosen Freeholders, et al and corrupt Township of Green, Sussex County, New Jersey under Docket SSX-C-1-13 gets four Superior Court Judge - Morris County, Morristown to take away all of Thomas Caggiano civil rights including common law rights of access, Open Public Record Access rights, First amendment rights under Publisher Inside on the outside constitutional rights confirm by Press v. Enterprise II U.S. Supreme Case law and more.

Read my filing to the Morris County Superior Court published on

thomascaggiano.com/140108hansbury.pdf The corrupt State of New Jersey Sussex County Board of Chosen Freeholders, Sussex County Sheriff M. Strada, and its corrupt Sussex County Council's law firm McConnell, Lenard and Campbell, Stanhope, N.J. 07874 filed a malicious civil suite against me in the Sussex County Superior Court before Judge Edward Gannon, J.S.C. who rejected the findings by the corrupt attorneys Richard Campbell, Esq. and Kevin Kelly, Esq of Kelly and Ward LLC of Netcong, New Jersey representing the corrupt Township of Green used by the infested racketeering structure identified as the Borough of Stanhope which transferred quasi-criminal charges to the corrupt Judge Craig U. Dana, JMC and his bribed attorney William Hinkes, Esq. in the corrupt Joint municipal court of Green, Fredon, Hampton and Borough of Andover. protected by the State of New Jersey Supreme Court and tis corrupt Office of Attorney Ethics (OAE), its Sussex County and Morris County District Ethics Committee and the OAE Statewide coordinator William Ziff, Esq. and DRB and Glenn Grant, J.A.D. as the FBI at Garret Mountain Plaza, Woodland Park, NJ know the situation and are located on the same floor and same building as the corrupt Harry Norton Jr. where William Ziff, Esq. buried all my many Complaints against attorneys to the various Supreme Court District Ethics Committee from Mercer to Essex County complaints without any docket numbers except those two on William Hinkes, Esq. and Richard Stein, Esq. the corrupt Borough of Stanhope attorney AND municipal prosecutor who lies constantly.

You can watch Richard Stein lie to the former corrupt Vicinage X assignment Judge B. Theodore Bozonelis. A.J.S.C. on another court video published on <http://thomascaggiano.com/videobozonelis.asf>

who falsely represented himself as an authorized municipal prosecutor defrauding all defendants.

The filed a civil suite with requested restrictions under Docket SSX-L-847-13 based upon fraud, deceit, criminal coercion, obstruction to prevent the detection and apprehension or obtain any government record via OPRA or Common Law Right of Access request. The threats by the corrupt Dennis Mc Connell, Esq. and what was returned from the infested Sussex County Board of Chosen Freeholders is published on

<http://thomascaggiano.com/131205mcconnell.pdf> His law partner Richard Campbell, Esq. was not even the designated attorney on the CIS filed by Richard Campbell, Esq. it was his law partner Dennis Lenard, Esq. who denied he had anything to do with the case. Interesting that the designated attorney by four separate plaintiffs tells you I have nothing to do with the case? Perjured verified Certified Affidavits which I noted on Apr 4, 2013 before the corrupt Assignment judge as you can watch the Morris County's Superior Court video on

<http://thomascaggiano.com/videoweisenbeck.asf> and listen to me describe the corruption of many attorneys and municipalities protected by the corrupt U.S. Attorney Eric Holder, a series of N.J . Attorney Generals under the corrupt Gov of New Jersey Chris Christie being Paul Dow, Jeffrey Chiesa whom Christie appointed interim New Jersey federal senator and now has John Jay Hoffman, Esq as his current corrupt Acting New Jersey Attorney General (Note I called the Office of Gov of NJ on Jan 15, 2014 for the Chief of Staff for the corrupt Gov Christie Kevin O'Dowd, Esq. who Christie has nominated to be NJ Attorney General and gave her this web site and the fact that the Department of Law and Public Safety OPRA custodian while informing me they had 675 pages of my Criminal Tip line reports which I submitted have not apparently to mail them to me even though I paid for the records.

The State of New Jersey has a corrupt Department of Law and Public Safety, its Division of Law, the State Ethics Commission, State Police and its Official Corruption Bureau and the corrupt Division of Consumer Affairs with its corrupt Board of Engineers, Board of Professional Planners, Board of Medical Examiners and Board of Psychological Examiners and too many corrupt Cabinet level officials to mention but let's start the corrupt Commissioner of Labor H. Wirths the former chair of the corrupt Sussex County Board of Chosen Freeholders as you can hear his voice on the recorded Open Public Meeting of Nov 5, 2008 when I exposed the corruption in hundreds of pages of evidence and a ten minute presentation you can listen to their recording on <http://thomascaggiano.com/081105SussexCountyFreeholdersMtg.mp3>. Judge Gannon, J.S.C. did NOT issue any temporary restraints on Docket No. SSX-L-164-13. The corrupt Sussex County and Morris County Vicinage X Assignment Judge Thomas Weisenbeck, A.J.S.C. then combined that multiple civil suits with the one filed by the corrupt Sussex County's Township of Green and were consolidated as Docket SSX-C-1-13, then Judge McGovern, III, J.S.C. filed a court order noting the Chancery Division's court records were not correct and reclused himself. Thereafter, Judge Edward Gannon, J.S.C. reclused himself apparently and Judge Stephan Hansbury, P.J.Cv took of the case and assigned another Docket number SSX-C-43-13 Consolidated. My reply, a verified certified affidavit with adopted exhibits based upon my own knowledge is evidence per Rules of Evidence in courts and in administrative hearings. Upon my return from a 34 day trip to Australia, New Zealand, New Caledonia and Fiji, I found out a fourth Judge was assigned the case. My reply was provided the Court in one day and corrupt N.J. Attorney General John Jay Hoffman, FBI and others were given the link for review as so much evidence is contained therein.

NOTE Please access <http://thomascaggiano.com/140108hansley.pdf> was filed and is published as a public record available from the Morris County Superior Court in Morristown, NJ with hundreds of pages of exhibits proving beyond any reasonable doubt the tyranny from Coast to Coast.

What is the procedure the corrupt State of New Jersey Supreme Court Office of Attorney Ethics Committee uses to bury ethics complaints? Send'em to Harry Norton for burial!

Harry Norton Jr. Esq., Norton, Sheehy & Higgins, P.C. One Garret Mountain Plaza Interstate 80 at Squirrelwood Road, Woodland Park, NJ 07424-3396

The OAE Countywide Coordinator William Ziff, Esq. does NOT note in his email he requested the corrupt attorneys William Hinkes, Esq. and Richard A. Stein, Esq. to be further evaluated by Harry Norton, Esq. based upon additional evidence William Ziff, Esq. buried with Harry Norton as Mr. Ziff's statements infers whomever reads his mail that Harry Norton and the OAE actually did a valid investigation. They did NOT. Harry Norton Jr. after 2 years wrote a bogus analysis and never even contacted threatened informants who themselves requested criminal investigations. Many witnesses were identified to Harry Norton, as known by William Ziff, Esq. and Norton refused to contact them nor does he answered my telephone calls and letters. You can't even tell whom the complaint is against as neither the Mercer County District Ethics Committee NOR did the OAE Statewide County Coordinator William Ziff. Esq. assigned any docket number nor docket caption. My Mercer County complaint is against the corrupt new executive director Karyn Gordon, Esq. of the infested Department of Community Affairs Government Record Counsel (GRC) and the former In-House GRC attorney Karyn Gordon, Esq. now elevated to the Acting executive director position.

Sending directly as required by Rules governing the State of NJ complaint process to Sussex County, Essex County and Mercer County District Ethics Committee complaints now all are forwarded by them without any communication from the District Ethics Committees and then William Ziff sends them without any document number or caption to Harry Norton as that is sequence used in the AOE's burial operations. SEND'EM to HARRY

The Supreme Court Advisory Committee on Judicial Conduct (ACJC) and the Office of Administrator of the Courts Glenn Grant, J.A.D. are even worse as the ACJC does NOT assign any investigator and just buries them in the ACJC and the OAC does not answer complaints nor acknowledge the OAC even received one against Judicial Employees. These three corrupt State of New Jersey Judicial review organizations are of course headed by the corrupt Chief Justice Stuart Rabner who was corrupt as Gov Jon Corzine's NJ Attorney General with his Department of Law and Public Safety as one can [read the data](http://thomascaggiano.com/071029GovCorzineOPRAdata.pdf) <http://thomascaggiano.com/071029GovCorzineOPRAdata.pdf> that was placed into the Office of Gov data base during 2007 and sent to the Department of Law and Public Safety by Ian Brennan before he was fired for requesting an investigation himself.

The Jan 13, 2013 letter is a;so provided the State of New Jersey's Supreme Court's Office of Attorney Ethics with more evidence of the corruption of Catherine Starghill, Esq. the GRC panel and my [Sussex County Counsel Dennis Mc Connell, Esq. CORRUPTION

<http://thomascaggiano.com/pdf/071029GovCorzineOPRAdata.pdf>

The CORRUPTION STATE = New Jersey as Racketeering is its operational method with informant retaliation, criminal coercion, false imprisonment, defamation, slander libel, perjury, tampered with or destroyed government records, false audited reports, rampant fraud, criminal abuse of court processes in its treasonous court system of appointed judges in a continuing display of corruption of the U.S. Department of Justice under President Obama and US Attorney Eric Holder that protects these despots for cronyism and nihilism is supreme not WE the PEOPLE are just serfs as the spin doctors on TV and reporting media go on and on as Senate and House of Representatives Kabuki Dance and lie to get your vote to stay in power for their false self-respectability, satisfy their own ego and greed...

Karyn Gordan, Esq. is a protected conspirator among hundreds of corrupt officials, law firms and more. Conspiracy is a federal felony 18 U.S.C. Section 2 and a separate State felony N.J.S.A. 2C:5-2 let alone a totally unethical attorney violating the Rules of Professional Conduct for the last 6 years or more.

The Department of Community Affairs has had a series of corrupt Commissioners from Susan Bass Levin Esq. who was Gov. Jon Corzine's campaign manager who was given dual jobs so she could rip off the retirement system in the part time job for two years on the Department of Community Affairs corrupt Local Government Services Local Finance Board and given a \$250,000 job as Deputy Executive Director of the Port Authority of New York and New Jersey as she retired from State government as soon as she became eligible with a drastic the increase in retirement pay. Charles A. Richman who the Department keep recycling as Commissioner and Deputy Commissioner until an other crony is appointed. Following raids by federal investigators of his home then Commissioner of the Department of Community Affairs Doria resigned as Doria was a former State Senator and Mayor and after awhile the next corrupt Commissioner was Lori Grifa, Esq. who eventually returned to private practice at Wolff & Samson, a law firm with close ties to the corrupt Gov Chris Christie administration followed by the former member in U.S. Attorney Chris Christie corrupt U.S. Attorney's Office in Newark, NJ the current corrupt Commissioner another attorney Richard E. Constable III, Esq. The Commissioners of Community Affairs continue to be corrupt and just one of the State's Centers of Official Misconduct. The State also has a corrupt series of Attorney

General's that never prosecute the likes of political bosses Senator Lynch, Senator Byrant nor Senator Sharpe James the former corrupt Mayor of Newark as all were put in Federal Prison but NOT ONE of them had a single State Title 2C criminal charge was filed against any of them. Contrary to these felons the infested State of NJ charged with dozens of petty disorderly charges and 13 criminal charges under the eventually dismissed IND 08-09-316-I State v. Thomas Caggiano and even that was done by fraud as part of the on-going informant retaliation that never stops. I like dozens of others was repeatedly said: Comply with laws as I am just one example of informant retaliation in the protect corrupt State of NJ by US attorneys.

The corruption in NJ is now lead by Gov Chris Christie, Esq. and his corrupt Lt Gov Kim Guadagno, Esq. who also served as the corrupt Morristown, NJ Sheriff and member of the infamous U.S. Attorney Office in Newark, NJ where the corrupt Paul Fishman, Esq. is the latest corrupt U.S. Attorney(NJ). Karyn Gordon, Esq. was corrupt as the GRC's In-house attorney under the continuing reign of corrupt GRC chair Ms. Robin Berg Tabakin, Esq. as the prior corrupt executive director Catherine Starghill, Esq. was Karyn Gordon's Esq. mentor in corruption. Catherine Starghill, Esq. was transferred to the Department of Labor to be the corrupt Commissioner of Labor Hal Wirths Director as Wirths was the former corrupt Chair of the Republican dominated Sussex County Board of Chosen Freeholders in the infested county seat in Newton, N.J. 07860. The perjurer Catherine Starghill, Esq. as now known to the investigators in the State's Department of Labor and the U.S. Dept of Labor staff is now the Director in the State's Department of Labor in charge of Workforce Development Field Services.

Note: William Ziff does NOT actually request an investigation nor does he or the District Ethic Committees assign any Docket numbers and they keep all their records confidential so NO one can even know any complaint was received and if you are fortunate enough to learn one was received you can't get any of the OAE records either - A nice corrupt designed system to protect the State's cease pool of attorneys..

The State's State Wide Coordinator William Ziff, Esq. get Attorney Ethics complaints sent to him somehow by the Essex County District Ethics Committee without any Docket number ever being assigned and the Mercer County District Ethics Committee ALSO without any Docket number assigned and the Morris County and Sussex County Ethics Committee without any Docket number being assigned as its called a repeated pattern of Official Misconduct, a criminal violation of Conspiracy N.J.S.A. 2C:5-2.b and Pattern of Official Misconduct N.J.S.A. 2C:30-7.a, Conduct designed to aid another in commission of a crime N.J.S.A. 2C:5-1, Hindering Apprehension or Prosecution N.J.S.A. 2C:29-3 and Obstructing the Administration of Law or other Government Function N.J.S.A. 2C:29-1 and other state and federal criminal acts.

None of these Districts sends the complainant a letter that the case is assigned to some other District's investigator being the corrupt Harry Norton Jr, Esq. of Norton, Sheehy & Higgins, P.C., One Garret Mountain Plaza Interstate 80 at Squirrelwood Road, Woodland Park, NJ 07424-3396 U.S.A. is the same building where the corrupt FBI Supervisor Doug Veivia worked and Veivia was protected by the corrupt FBI In-take Office in Whashington D.C. after the Department of Justice's Office of Inspector General Assistant Special Agent (ASAC) Cella at 1 Battery Plaza, New York filed a complaint from the OIG TO THE FBI HQ. whom the OAE would transfer any complaint I filed even against the corrupt OAE investigator Harry Norton Jr. Esq. himself!

The OAE by rules of its own ethics can NOT investigate its own investigator which should be done by the corrupt Disciplinary Review Board (DRB) which then tells you they have no investigation authority. A nice Catch 22 system of lies. In reality William Ziff, Esq. doesn't task Harry Norton, Esq. to investigate anything on the last 13 complaints just answer a question YES or NO and he doesn't in months.

Harry Norton, Jr. has refused to contact witnesses or me in over two years and does NOT answer letters nor telephone calls nor does William Ziff, Esq. in actually. **The OAE's method on receiving a Rules of Professional Conduct Ethics Complaint filed in different District Ethics Committees is burial in the law office of Harry Norton, Esq.** who would not have the time to even investigation the most recently one buried into his corrupt office. That's the way the State of New Jersey's Supreme Court OAE handles ethics complaints bury them with Harry Norton, Jr. Esq. his corrupt Supreme Court's investigator.

For you can read the 21 page complaint filed with the Mercer County Ethics Committee which assigned NO Docket number, in some manner without notice to me the

complainant sent the complainant to the AOE's Statewide Coordinator the leader of the BURIAL SQUAD William Ziff, Esq. who did NOT assign any complaint number nor requested any investigation but buried the complaint per his usual methods with the corrupt AOE investigator Harry Norton, Jr. Esq. on

 <http://thomascaggiano.com/121202OAEkaryngordoncomplaint.pdf> and understand why the assigning by William Ziff, Esq. is noting but his own breach of duty and unethical conduct expected of the Office of Attorney Ethics. Karyn Gordon, Esq. the corrupt State attorney in the infested State of New Jersey's Department of Community Affairs Government Record Council GRC whose name William Ziff doesn't even mention in his email is whom the complaint is filed against **Thomas Caggiano v. Karyn Gordon** which should have been given a District VII Case file number and title caption Thomas Caggiano v. Karyn Gordon, Esq. and then when transferred to the corrupt OAE should have given an OAE District number room the OAE for tracking purposes and I should have been notified of these numbers but was NOT, of course, so NO person reading the email government record from Ziff to me would have any real knowledge a Docket number was NOT assigned by either the Mercer County District Ethics Committee nor the OAE and Karyn Gordon's name is NOT even mentioned. She conspired with a dozen other corrupt State attorneys and municipal attorneys. That's how the corrupt Supreme Court of New Jersey Operates in non-transparency, in secret, with immunity and non-disclosure a perfect recipe for it tort violations of outrage, breach of duty and causing emotional distress and repeated pattern of criminal conduct and corruption.

READ my Dec 10, 2012 letter published on <http://thomascaggiano.com/jointcourtcommitteegreentwp.pdf> to the corrupt Joint Municipal Court Committee and Mayors of the Joint Municipal Court of Green, Fredon, Hampton and Borough of Andover with my letter to the corrupt State's Sussex County Prosecutor David Weaver, Esq., 19-21 High Street, Newton NJ 07806 requesting approval of an abbreviated court transcript to the State of New Jersey Appellate Division Superior Court which was erroneously dismissed by the of the Appellate Division Deputy Presiding Judge who based upon the data submitted should have notified the FBI, the Supreme Court's ACJC of unethical judges per his own Code of Ethics and the government attorneys or issued his own court order to remove the unconstitutional court orders but didn't of course. Under Docket A-001721-10 **State v. Thomas Caggiano** regarding numerous municipal quasi-criminal convictions which are non-criminal convictions as NO JURY was involved just the corrupt municipal magistrate Craig U. Dana, J.M.C. and his accomplice the bribed William Hinkes, Esq. who by deceit and fraud posed as the municipal prosecutor without legal authority was then followed in more corruption by the State of NJ in my many municipal appeals to the Superior Court 13-04-08, 19-05-19 and 31-09-07 and the bogus malicious criminal Indictment IND 08-09-316-I **State v. Thomas Caggiano** on 13 separate criminal charges by their conspirators in the Borough of Stanhope, NJ 07874 as the corrupt Judge Dana, J.M.C., and the corrupt Morris County / Sussex County Vicinage Trial Court administrators and Judge Glenn Grant, J.A.D. have violated their of office, engaged in Official Misconduct by NOT performing their official duty to obtain my own municipal court records as the Judiciary Branch is lead by the corrupt former NJ Attorney General, former counselor to the corrupt Gov Jon Corzine and former counsel to the then corrupt US Attorney Chris Christie, Esq. now NJ's corrupt Governor with his corrupt Lt Gov Kim Guadagno, Esq. the former corrupt sheriff in Morristown, NJ and a prior attorney in the infested U.S. Attorney's Office in Newark, NJ as Gov Chris Christie has taken his unethical and corrupt band of US Attorneys in Newark, NJ into high level State of NJ Cabinet or Sub-cabinet positions to become a government of threats and tyranny.

The corrupt Sussex County Superior Court Judge N. Peter Conforti, J.S.C. who is protected like the other corrupt judges in NJ by the Speaker of the Assembly Oliver who does not perform her official Constitutional Duty to impeach dozens of corrupt State of NJ judges thereby Oliver fosters the wide spread corruption in the most corrupt State in the United States of America that being New Jersey with its 1,000 towns and fiefdoms with their corrupt attorneys as over 80 attorneys were reviewed and NOT one complied with their Code of Ethics called Rules of Professional Conduct nor does the NJ State Bar Association as they protect one another in a fraternity of evil. The corrupt Sussex County Prosecutor David Weaver, Esq. was corrupt from his first day in office and has had a swarm of corrupt State prosecutors in the infested Sussex County Prosecutors Office which included its First Assistant Prosecutor Gregg Mueller, Esq. and gang of assistant prosecutors as known by the Sussex County Detectives assigned to work in the corrupt Sussex County Prosecutor's Office 19-21 High St., Newton, N.J. 07860. In these corrupt courts, court rules do NOT exist nor ethics but tyranny. Due process does NOT exist as the Appellate Division Superior Court appeal Docket A-001721-10 **State v. Thomas Caggiano** was to remove dozens of unconstitutional court orders issued in

violation of the U.S. Constitution, the State of NJ Constitution, the right-to-know common law, the Senator Byron M. Baer Open Public Meeting Act (OPMA) and the Martin O'Shea Open Public Record Act (OPRA) nor am I permitted to even examine the municipal court records nor obtain copies of its records nor copy of the audio recording on a CD permitted by R. 1:38 and directives issued by the State of NJ Supreme Administrator of the Courts Glenn Grant, J.A. D.

who violated his own official duty by his official misconduct and failure to perform his duty to order the corrupt Judge Craig U. Dana, J.M.C. and his Joint Municipal Court Administrator and Trial Court Administrator to provide me the defendant copies of my own court records needed to prepare my Appellate Division Appeal which the Appellate Division did also NOT order the release of such public records needed in the preparation of my appeal to its own court.

. In addition useless record retention regulations and record keeping for destruction of records are ignored by many municipal courts from the City of Trenton, to Mt. Olive Township in Morris County and through-out Sussex County. The State of New Jersey has issued other Policy statements and regulations such as record retention schedules required to be complied with by the municipal prosecutor and municipal clerk policy number M170000-001 which requires under the responsibility of the municipal prosecutor to retain his records for 15 years or longer as the cases are still under appeal. the letter includes receipts of mailings to the U.S. Attorney General Eric Holder, the NJ Attorney General, the FBI, the Whashington D.C. In my case 12 years have passed as Official Misconduct is condoned and supported actively and planned with criminal coercion, informant retaliation and criminal abuse of court processes to issue clear court orders that violate the Constitutions and one's civil rights.

Thomas Caggiano](#) which was nothing but a judicial fraud and retaliation as for two years the corruption continued in the Judge N. Peter Conforti, J.S.C superior Court as court orders filed in the court records do NOT even agree with the court orders provided the court;s directed attorney Robert Mattia, Esq. who did NOT even read court transcripts nor court orders and aided the corrupt Judge and Prosecutor and did NOT lied complaints to the corrupt ACJC and OAE nor contact the FBI as required by the federal crime of Misprision of Felony nor State Crime of Omission but did their bidding as he did not i interrogate any witness and the corrupt Superior Court with the aide if the corrupt Commissioner Jennifer Velez, Esq. of the State's controlled corrupt Department of Mental Services lead by the corrupt Commissioner Jennifer Velez, Esq. Anne Klein Forensic Center's State psychologists both referred to the corrupt State of New Jersey's Office of Attorney General's Department of Consumer Affairs in formal complaints against Christine Joseph and Peter Paul who issued different contradictory opinions allowed NO defense witnesses nor any confrontation of the State's own corrupt employees and the corrupt Judge Conforti, J.S.C. and his accomplice the corrupt Sussex County Prosecutor's Gregg Mueller, Esq. dismissed the criminal charges by stating I was so mentally incompetent even with an attorney I could NOT represent myself so the malicious charges were dismissed without prejudice as I was not even allowed to object. Thereafter I filed Pro Se motions in that Robert Mattia, Esq. was no longer my court directed attorney as I nor the State paid him and without any mental examination the purpose of which using slander, deceit, and libel is to have you characterized as insane and not even able to defend yourself even by an attorney. **The**

court orders now in the Sussex County Superior Court files DO NOT agree with the court orders given my attorney Thereafter the corrupt Judge Conforti, J.S.C. declared me sane without any demanded re-examination that I demanded a requested evaluation session be video recorded and with a polygraph at my expense so that per court rules the recording could be used by me as evidence for I became sane for only the municipal appeals NOT the indictable criminal offenses even though I was before Judge Conforti on both court issues at the same time! I then filed Pro Se motions to dismiss the 13 criminal charges with prejudice and without any hearing or any motion or notice of motion prepared by the corrupt Sussex County Prosecutor's new first assistant prosecutor Gregg Mueller, Esq. as William Fitzgibbons the former Sussex County First Assistant Prosecutor could no longer take the stress and unbridled corruption after reclusing hi,self as did another detective, William Fitzgibbons suffered a stroke and retired.

How do NJ courts operate: By judicial fraud, tort violations of outrage, deception, trickery, coercion, breach of duty causing not only emotional distress to the informant but the family and others as persons have drivers licenses taken away, are put in jail for a year for trivial reasons so the county jail can get funds in its house of horrors and medical care is NOT provided as cruel and unusual punishment is given to persons shackled for NO reason but intimidation.

The corrupt Superior Court Judge N. Peter Conforti, J.S.C. with the aide of William Fitzgibbons Superior the corrupt Sussex County Prosecutor David Weaver, Esq. and other assistant prosecutors continue there corruption 6 years later. William and another Detective reclused themselves and told me go to the FBI. Note: The FBI does NOT prosecute State crimes of officials as the protection is by the corrupt Gov Chris Christie, Esq. and Lt. Gov Kimberly Guadagno, Esq. prior corrupt U.S. Attorneys in Newark, N.J. Essex County where laws do NOT apply and prior corrupt Gov Jon Corzine administrations and the last five State of NJ Attorney Generals instead the Attorney General with the aide of the corrupt Chancery Division and the corrupt Superior Court's Appellate Division allow unconstitutional court orders in criminal abuse of court process in a pattern of repeated unethical and criminal conduct N.J.S.A. 2C:30-7 with conspiracy N.J.S.A. 2C:5-2.b, and accomplices and complicity N.J.S.A. 2C:5-2.g and dozens of other criminal codes violated hundreds of times. violating Title 18 U.S.C 241 and 242 and M.J.S.A. 2C: 2C:30-6 Crime of official deprivation of civil rights, with false imprisonment, issue court orders that retaliate against informants, criminally coercive other informants in their coordinated terrorism to have repeated pattern of conduct designed to aide another in commission of State and separate Federal Crimes which continues as the U.S. Attorney Eric Holder and his Department of Justice and FBI so called investigators and those of the Supreme Court Advisory Committee on Judicial Conduct ACJC protects Judges, the Office of Attorney Ethics protects attorneys, the Administrator of the Courts Glenn Grant, J.A.D. protects corrupt judicial employees, the corrupt Chief Justice Stuart Rabner a former corrupt State of NJ Attorney General emplaced there by the corrupt Gov Jon Corzine's administration and even more corrupt U.S. Attorney now Gov Chris Christie protects them all as known by federal Senators and members of Congress by reading: <http://thomascaggiano.com/ryan.pdf>

The Governor's Office of Administrative Law in Newark, NJ is a hive of corrupt State attorneys called ALJs as they support the corrupt Governor as they are his employees and not true judges but should be called what they are administrators which do NOT comply with their own administrative regulations.

New Jersey Star Ledger Report: Former Stanhope man free to appeal

By TOM HOWELL JR.

thowell@njherald.com

A former Stanhope man, known for his frequent e-mail dispatches and "feet of evidence" on alleged corruption in all levels of government, was free to appeal his 2009 municipal court convictions on his own.

Thomas Caggiano, 65, who last year announced he was moving to Nevada, waived his appearance Thursday at the Superior Court in Stanhope, allowing attorneys and the judge to discuss whether his psychiatric competency had any relevance to his pending appeal. Ultimately, the judge decided it did not.

Caggiano is contesting convictions in the Green Municipal Court for harassment and criminal trespass, both petty disorderly persons offenses, and resisting arrest, a disorderly persons offense.

The case, transferred from Stanhope to Green, stemmed from Caggiano allegedly contacting borough officials by telephone and through e-mails, postcards, letters, face-to-face threats and hand-delivered memos.

On Thursday, Judge N. Peter Conforti said a doctor at the Anne Klein Forensic Center in West Trenton last year found Caggiano incompetent to proceed on counts of contempt for allegedly flouting a court order that prohibited him from contacting or entering Stanhope Borough Hall. {Note: These malicious criminal charges were dismissed with prejudice under IND 08-09-316-I after I submitted a Pro Se Summary Motion and I have filed complaints against the corrupt two State psychologists who themselves are filing conflicting reports. These complaints were filed to the Office of Attorney General's corrupt Department of Consumer Affairs, corrupt Board of Engineers and Board of Professional Planners protect incompetent corrupt PEs and Pps. The transcript of the corrupt Board of Engineers against four PEs are on <http://thomascaggiano.com/transcripts> along with a letter from its Director Kim Ricketts to the corrupt U.S. Attorney, corrupt NJ Attorney General's Department of Law and Public Safety and corrupt Department of Agriculture that continue to conspire 10 years later. The corrupt Commissioner of Mental Health Services Jennifer Velez, Esq., the corrupt CEO of Ann Klein Forensic is Mr. Main and the who corrupt state psychologists are Christine Joseph, Ph.D. and the corrupt state psychologist Christine Joseph, Ph.D. CASE file complaint 88784 Thomas Caggiano v. Christine Joseph, Ph. D. and against the even more corrupt Peter Paul Caggiano, Ph.D. stated I was insane and even with a stand by attorney or attorney representing me I could NOT defend myself Thomas Caggiano v. Peter Paul, Ph. D. file 88722 with the Office of Attorney General Jeffrey S. Chiesa, Esq. Board of Psychologist Examiners

But the finding had no bearing on the municipal court matters, and prosecutors asked Conforti to dismiss the contempt charges in Municipal Court in September 2009. The request was prompted by Caggiano's plans to move to North Las Vegas, Nevada. {To flee for our safety and health from the infested corrupt despotic government and courts in New Jersey that continues its threats, unconstitutional court orders and corruption continues and informant retaliation continues only to be confronted by even more corruption in Las Vegas and from the on-sight of a corrupt federal, state government has continued for 12 years)

The judge that day also threw out various aspects of Caggiano's municipal sentence from Green regarding jail time, court supervision and fines.

Now, Caggiano is free to pursue his appeal based on the legal issues with or without attorney Robert Mattia, who was assigned to represent him in light of last year's finding of incompetence (another doctor found Caggiano competent, Mattia said).

Mattia said he doesn't know if he will be retained to assist Caggiano in his appeal, scheduled for argument on Oct. 19.

"I think he'll be proceeding pro se on that," Mattia told the court.

Notice: I am not an attorney but a victim of Government corruption, one of many informants retaliated against in our continuing exposure of conspiracy, complicity, frauds, perjury, violations of rules governing courts, safety and health laws, deceptive official misconduct, racketeering, bribery, tax fraud, tampered with government records, false records entered into judiciary data base, defamation, slander, libel, and criminal abuse of court processes and cover-up of Government corruption.

I suggest you always add a common law request to any OPRA request and NEVER even to a restructured GRC take any Denial of Access to the GRC and go directly to the Superior Court otherwise you lose this right to proceed to a Superior Court under the proposed OPRA law and must go to the much more costly Appellate Division. **The new OPRA takes away your rights.** The courts are NOT to be considered attorney advice as laws and court rules vary in States and Courts and U.S. Districts have local rules. Information on this web site is at your sole responsibility or seek your own attorney to represent you or be your standby attorney. I give you the right to be Pro Se that will be restructured. The proposed N.J. Senate Committee Substitute bill [S-1452](#) <http://thomascaggiano.com/S1452.pdf> **takes away your rights you now have.** I suggest you Do not file a denial of access to the

restructured GRC if the Senate Committee substitute to S-1452 becomes law. An example of the extreme corruption in New Jersey courts is illustrated by the corrupt municipal judge Craig U. Dana, J.M.C., who is typical of corruption in the despotic State of New Jersey. Being the corrupt Morris County Superior Court Judge David Rand, P.J.Cv and corrupt Trenton's Mercer County's Superior Court Chancery Division's Judges Shuster, M. Sypek and Paul Innes, P.J.Cv under Docket MER-C-102-07 State v. Thomas Caggiano already taken away your rights INSTEAD have a show cause order issued, file a complaint with the FBI 18 U.S.C. Sections 2, 2242 and file an affidavit of probable cause using the State of NJ's Criminal Code Title 2C: 30-5.c and 2C:5-2.b criminal codes against the prosecutor for violations of Rules of Professional Conduct and also proceed directly to a Superior Court for denial of access under OPRA and under COMMON LAW and save yourself money. I suggest you ignore the GRC if you already have dozens of unconstitutional court orders issued against you such as Thomas Caggiano by the corrupt Superior Court Judge Thomas Manalunga, P.J.S.C. as he issued his own unconstitutional court order without any Docket number, no hearing, no due process and even falsely stated you had no standing as he simply violated all court rules as known to every municipal court in the Sussex County and Morris County vicinages! NJ is a hopelessly corrupt Government of tyranny. Ignore the corrupt GRC unless you desire to see more corruption. I suggest take your denial of access via common law which gives you MORE access to government records than OPRA directly to the Superior Court and do NOT waste your time and money.

If you have any wonder how corrupt the State of New Jersey and its infested corrupt judiciary branch is and is protected by its Supreme Court's Advisory Committee on Judicial Conduct, (ACJC), its General Assembly which by the NJ Constitution has the exclusive jurisdiction to remove NJ's corrupt Judges and the corrupt Gov Chris Christie and his executive branch read my filing in the corrupt Municipal Court in the Joint Municipal Court of Wantage, Stillwater and Borough of Sussex with the corrupt Craig U. Complaint filed via U.S. District Court of State of Nevada for <http://thomascaggiano.com/121023navarrocomplaint.pdf> Judicial Misconduct by U.S. District Court of the State of Nevada Judge Gloria M. I also filed the complaint as a public record in the State of Nevada District Court under Docket 2:12-cv-01484-GMN-GWF Docket Caption Caggiano v. Holder and mailed by certified mail return receipt per the State of Nevada rules instead of by U.S. Marshall per U.S. District Court Magistrate Judge George Foley discretion and his court order as he determined my request for delivery by U.S. Marshall was not necessary to keep the peace so I saved money in the delivery service allowed by the U.S. Court Magistrate.

George Whashington's Farewell Address 1796 and warning to We the People about our freedoms obtained in our revolution against tyranny.

Let me now take a more comprehensive view, and warn you in the most solemn manner against the baneful effects of the spirit of party generally. This spirit, unfortunately, is inseparable from our nature, having its root in the strongest passions of the human mind. It exists under different shapes in all governments, more or less stifled, controlled, or repressed; but, in those of the popular form, it is seen in its greatest rankness, and is truly their worst enemy. The alternate domination of one faction over another, sharpened by the spirit of revenge, natural to party dissension, which in different ages and countries has perpetrated the most horrid enormities, is itself a frightful despotism. But this leads at length to a more formal and permanent despotism. The disorders and miseries which result gradually incline the minds of men to seek security and repose in the absolute power of an individual; and sooner or later the chief of some prevailing faction, more able or more fortunate than his competitors, turns this disposition to the purposes of his own elevation, on the ruins of public liberty.

It is important, likewise, that the habits of thinking in a free country should inspire caution in those entrusted with its administration, to confine themselves within their respective constitutional spheres, avoiding in the exercise of the powers of one department to encroach upon another. The spirit of encroachment tends to consolidate the powers of all the departments in one, and thus to create, whatever the form of government, a real despotism

What do many Federal and State Representatives know about the corruption and the Congress, Senate, State of N.J. Speaker of the General Assembly Oliver and N.J. Senate's Law and Public Safety and Judiciary Committee do NO oversight then read what was mailed to many of these leaders who will put the flag on their lapel and talk our freedom that does NOT exist in America instead its a the land of despots, deceit, tyranny and corruption as suggest every read George Whashington's and Five Star General and President Eisenhower's farewell addresses. Why do

they tell the truth after they leave political office and NOT before?

Dana, J.M.C. and municipal prosecutor Dolan and Dolan PA's William Haggerty, Esq. based upon my ignored motions to remove unconstitutional court orders that violate also the Open Public Meetings Act (OPMA) and the Open Public Records Act (OPRA) issued in the former corrupt Joint municipal court of Stillwater / Hampton by the corrupt magistrate John Mulhern, J.M.C. who was also corrupt in the corrupt Township of Newton and the Borough of Stanhope corrupt municipal courts with the corrupt Law firm of Laddey, Clark and Ryan LLC's corrupt municipal prosecutors Andrew Fraser, Esq. and Richard Stein, Esq. all protected by the corrupt former Vicinage Assignment Judge B. Theodore Bozonelis, A.J.S.C. and current corrupt Vicinage Judge Thomas L. Weisenbeck, A.J.C. leading the pack of corrupt Superior Court and Municipal Judges through the infested Morris County and Sussex County Republican controlled towns as the Gov Chris Christie, Esq. and Lt. Gov / Secretary of State Kim Guadagno, Esq. is even more corrupt than the Jon Corzine administration but at least the corrupt Stuart Rabner is constant as he has been corrupt as Counsel to both of these felons and after being one of five corrupt New Jersey Attorney Generals in a row, the corrupt former Attorney General of N.J. is now NJ corrupt Chief Justice of a State with a constitution unlike New York or the State of Nevada where WE THE PEOPLE can vote out of office not only corrupt Judges but on efficient ones but in the State of NJ they are given essentially absolute immunity and the Speaker Oliver supports the corruption by her own Official Misconduct by NOT having impeachment hearings to remove these corrupt fraternity of black robed diseased dishonorable Judges. Warning: If the person shows their ego like the so called Honorable Judges or the Board of Chosen Freeholders they are most likely to be corrupt.

To the FBI, N.J. Supreme Court's Advisory Committee on Judicial Conduct ACJC and the Office of Attorney Ethics (OAE) for 12 years NOT one complied with the Rules of Ethics called Judicial Cannons for judges and Rules of Professional Conduct for attorneys nor the Rules governing the courts NOT one out of over 100. nor are the U.S. District Court Judges ethical as they protect others who protect them such as the corrupt Department of Justice's Criminal Division's Public Integrity Section's Supervisor who refused to identify herself in any many, refused to tell me whom she reported to organizationally and refused to admit her own exclusive jurisdiction and when she asked me "Where am I getting that information?" I told her from her own web site show below.

All you need to read is the official newspaper the [New Jersey Herald Article](http://thomascaggiano.com/newspaper.jpg) <http://thomascaggiano.com/newspaper.jpg> of Aug 1, 2002 and read the [False Deeds](http://thomascaggiano.com/deeds.pdf) <http://thomascaggiano.com/deeds.pdf> submitted by the protected corrupt developer ENF Development Co LLC for 2 and 6 Oak Drive, Stanhope NJ 07874 entered into the Sussex County Clerk's Office in Newton, New Jersey as the annotated deeds were given to the Sussex County Administrator John Eskilson and I briefed the corrupt Sussex County Board of Chosen Freeholders years ago with its then corrupt chairman Hal Wirths on Nov 5, 2008 now the [State of New Jersey Commissioner of Labor](http://thomascaggiano.com/deeds.pdf). You can obtain copies of the twenty pounds of evidence with the false tampered with Soil Erosion and Sediment Control Plan submitted by the developer ENF Development Co, LLC to the corrupt State of New Jersey's Department of Agriculture's criminally run organization in Newton's Sussex County Soil Conservation District and another 2,700 pages of evidence by reviewing its file folder SH#44 for the minor subdivision Block 10902 Lots 10 and 12, 2 and 6 Oak Drive, Stanhope, N.J. 07874 as NO State Soil Erosion and Sediment Control Plan was ever approved by the Borough of Stanhope and certified by the State as required by State Law and also the Borough of Stanhope's municipal code as fraud, conspiracy has continued for over 10 years with manipulated erased and tampered with plans submitted to the corrupt State's Sussex County Soil Conservation District by ENF Development Co. Borough of Stanhope but for more than 10 years with the Borough deceived thousands of taxpayers, the State and filed false tax returns the were officials of the borough of Stanhope. See transcript records of the corrupt Office of Attorney General of New Jersey Department of Consumer Affairs Board of Engineers in the directory published on <http://thomascaggiano.com/transcripts>. Or read the letter the corrupt Joint Municipal Court of Green, Hampton, Fredon and Borough of Andover's Maria Speigler wrote me that NO defendant per State laws can get a copy of their own court records or statement made therein by the corrupt Laddey, Clark and Ryan LLC Attorney for Stanhope when asked by the corrupt Judge Craig U. Judge Craig U. Dana, JMC: Can any person pay their taxes in advance: [Richard A. Stein, Esq.](http://www.lcrlaw.com/richard-a-stein)
<http://www.lcrlaw.com/richard-a-stein> For Stanhope : Yes, except Mr. Caggiano.

My wife Kathryn was threatened by mail when she attempted to pay our Sussex County taxes in advance to reduce our federal income taxes. And what happens when you tell and give Cds of evidence of tax fraud, perjury, false reports to authorities during investigations by government officials, money laundering to the corrupt U.S. Treasury IRS Special Agents in Las Vegas? Their IRS Special Agent John Kirk threatens you (reported to TIGTA investigators as case files 54-1206-0001-C and 54-1103-00005-C) with a tax audit and when that fails threatens you with criminal charges by stating you are going to the U.S. District Court in the State of Nevada and report him and his corrupt Superiors t other corrupt U.S. Treasury TIGTA via complaints 54-1103-0005-C and 54-1206-0001-C nothing but these corrupt persons stay in their jobs and the corrupt U.S. District Court Judge Gloria Navarro ignores all motions in violation of Federal District Court rules Caggiano v. Holder Docket 2:12-cv-01484-GMN-GWP as the corrupt Department of Justice's Criminal Division Public Integrity Section supervisor refuses to even admit the office has sole jurisdiction of investigating Federal judges. Based upon DA 30033777340 the advice of the Department of Justice's Criminal Division's [Public Integrity Section http://thomascaggiano.com/PIN.pdf](http://thomascaggiano.com/PIN.pdf) after notifying the [DOJ's Public Corruption Unit http://thomascaggiano.com/PCU.pdf](http://thomascaggiano.com/PCU.pdf) we notified the DOJ's Office of Professional Responsibility and the General Council of Executive Office of U.S. Attorneys were both advised of the corruption of U.S. Attorneys, FBI agents, USPS inspection service agents and US Treasury agents and others. certified plan for the PROJECT with approval of the municipality has never existed as the way of government is informant retaliation, violation of health, safety and environmental laws, criminal coercion, criminal abuse of court process and violation for the Constitutions of the US and NJ, court rules, OPRA and OPMA. perjury, false statements to investigators and by State investigators in an cover-up now through the U.S. District Court in the State of Nevada and U.S.P.S. Inspection Service in Chicago, and U.S. Treasury/IRS in Arizona and of course the corrupt Whashington D.C. Department of Justice and NJ's Governors, has focused the corruption machine to the corrupt Lt Gov Kim Guadagno, Esq. as she is also the corrupt Secretary of State and now her Chief of Staff Matthew McDermott is responsible for finding and vetting judicial and other administration nominees. Just do what Christie has done bring over to the corrupt Cabinet and other positions former attorneys that worked for the corrupt Chris Christie in his role as the corrupt U.S. Attorney (NJ) as that's where the hive of corrupt Cabinet level or high level officials the corrupt Christie gets them from or the totally infested republican controlled Morris Court where the corrupt Sheriff Kim Guadagno, Esq. was informed of the massive corruption in the Morristown's municipal court, the Superior Court and Municipal Judges centered in the corrupt Morris County seat with its corrupt Morris County Prosecutor and the Sussex County Prosecutor protecting corrupt officialdom. Who are the corrupt Governor of NJ's key staff as the Office of Constituent Relations has volumes of complaints? They are: Kevin O'Dowd, Chief of Staff, Louis C. Goetting, Deputy Chief of Staff, Maria Comella, Deputy Chief of Staff for Communications and Planning, Deborah Gramiccioni, Deputy Chief of Staff for Policy and Cabinet Liaison, Bill Stepien, Deputy Chief of Staff for Legislative and Intergovernmental Affairs, Charles B. The corrupt Morristown municipal court administrator and court staff apparently never read their mission statement on its [municipal court's web site](#) We are an independent branch of government constitutionally entrusted with the fair and just resolution of disputes in order to preserve the rule of law and to protect the rights and liberties guaranteed by the Constitution and laws of the United States and this State.

The corrupt Morristown municipal court with Judge Noonon, J.M.C. would NOT even allow me to have court docket numbers assigned on any one of dozens of Affidavits of Probable Cause filed and agreed with the criminal conduct of his corrupt Presiding Superior Court Judge Thomas Manahan, J.S.C. who without any hearing dismissed them all and wrote me a false finding I had NO standing to appeal his corrupt criminal actions and reported them uselessly as corruption of the court to protect their fellow corrupt government officials and the bribed law firms is the law they follow which is written in tyranny.

This Case Study exposes fraud in the Federal Government's Department of Justice (DOJ) headed by AG Eric Holder Jr. (Ref: Public Integrity Section file DA300337340) and New Jersey's widespread Government Corruption including its <http://thomascaggiano.com/corruptjudges> Supreme, Superior and Municipal Courts and corrupt Governor's executive Administrative Judges on the corrupt Office of Administrative Law lead by the Acting Chief Laura Sanders, ALJ for under the latest corrupt N.J. Governor Chris Christie's (R) administration is even MORE CORRUPT than prior corrupt ex-Gov Jon Corzine (D) administrative both parties are corrupt to their core as power or greed or ego are their driving common force.

Per Jon Corzine who lead the collapse of MG Global just say: *I had NO Intent* in every sentence and the DOJ will protect its own corrupt government officials as the higher you go the more corrupt or unethical you probably become is also universal practice

As stated by **Thomas Jefferson**: Keep your muskets. My review of history has shown (1) Governments grow bigger, (2) Government makes you dependent upon it and (3) Government takes away your rights.

Four Trillion yearly budget, Sixteen Trillion Dollar Debt, Medicare and Obamacare and the Patriot Act, Enemy combatants, Obama remotely controlled drone kill list and Homeland Security

Some of the spying agencies are: United States Intelligence Community, Director of National Intelligence, National Intelligence National Counter terrorism Center, National Counter intelligence Executive, Central Intelligence Agency, National Security Agency, National Reconnaissance Office, National Geospatial-Intelligence Agency, Defense Intelligence Agency, Federal Bureau of Investigation, Department of Homeland Security Office of Intelligence and Analysis, Under Secretary of Defense for Intelligence, Assistant Secretary of Defense for Networks and Information Integration, Defense Information Systems Agency, National Drug Intelligence Center, Drug Enforcement Administration, U.S. Treasury Financial Crimes Enforcement and hundreds more

As stated by **Benjamin Franklin**: There is no way to stop the rise of political parties and they will destroy the Constitution in 20 e.g. Obama's health tax and hiring 16,000 new IRS agents to collect it with an ever growing welfare nanny state and Bush's Patriot Act and the new internet surveillance organizations as we are now an ORWELLIAN SOCIETY for FEAR is the tool of the Government as well as deficit spending to buy your votes with debt now at \$ 16 Trillion and a Federal Reserve Private Bank that buys the US Treasury with nothing as it just prints money as its called Quantitative Easing - print a Trillion dollars of new bonds called debt every year

The U.S.P.S. Inspection Service, CRIMINAL INVESTIGATIONS SERVICE CENTER, ATTN: MAIL FRAUD. 222 S RIVERSIDE STE 1250, CHICAGO IL 60606-6100 protects corrupt government officials and those bribed attorneys, professional; engineers; professional planners for mail fraud, criminal conspiracy and harassment by the Government agencies and its courts.

The IRS special agents and their superiors in Las Vegas, NV protects its Special Agents and their supervisors who protect Governments where tax fraud, racketeering, perjured reports and court orders with threats of imprisonment and bribery are common

And the corrupt U.S. Attorney Eric Holder Jr (D) of course is protected by the President of the U.S. of America Obama (D) using executive privilege and by most democrats (D) except those terrorized by the National Rifle Association withholding campaign contributions or worse horrors supporting a competitor.

The Supreme Court's latest decision is the federal government can TAX you if you do NOT perform as it directs so much for your freedoms just went down the drain thanks to the 5-4 decision on Obama Case as the Government is authorized now to coercive behavior by taxing to prevent your freedoms of your own body.

The Democratic propaganda channels are MSNBC and New York Times while the Republican propaganda channel is Fox.

The U.S.A. a country of tyranny run by not the top 1% but the 0.01 %, its corrupt Las Vegas IRS federal special agents threaten with a tax audit and when that fails federal criminal prosecution when you bring the IRS massive evidence of tax fraud and money laundering and criminal disbursement of government funds as noted in my complaint to the U.S. Treasury via TIGTA complaint 6-0001-C as the IRS itself prevents the detection and apprehension of fraud and official corruption by over 200 corrupt government officials, employees and their bribed law firms, bribed professional engineers and bribed professional planners. The tools of Government are its own protected willful acts of deceit and of perjury, false reports, complicity, conspiracy, mail fraud, tax fraud, retaliation, criminal disbursements, violation of civil rights under color of law, violation of due process as the President can imprison

anyone by calling them and enemy combatant and take away all their rights, violation of HIPPA, health and safety laws, OPMA and Open Court Records R 1:38-1 are pandemic.

Gov Chris Christie's Administration is even MORE corrupt than Ex-Gov Jon Corzine's administration. Even worse is N.J.'s corrupt courts as NO Judge nor any attorney complied with the Rules of Ethics R: 1:14 but any law as a constant cover-up continues to grow. The so-called Supreme Court review committee are just infested with self-protection of their own as oaths mean NOTHING to protect one another. The corrupt Rules of Ethics review committees are ACJC - Judges, OAE and DRB - lawyers and AOC - Judicial Employees. <> N.J.'s Superior and Municipal Courts which are led by the corrupt Stuart Rabner as Chief Justice and former New Jersey Attorney General and counselor to Gov Corzine and U.S. Attorney (NJ) the big mouth Chris Christie, Esq also an attorney as its Supreme Court Review committees protect unethical judges, attorneys, state and municipal prosecutors and judicial employees that thrive in New Jersey from the City of Trenton in Mercer County, to the City of Newark in Essex County and throughout Morris and Sussex County.

The Tyranny of United States of America's Department of Justice and Las Vegas's corrupt IRS Office and the infested the State and the corrupt State of New Jersey's former ex-Gov Jon Corzine was thrown out of Goldman Sachs, spent \$100 Million to get second term as Gov of NJ and was thrown out of Office not being re-elected and then thrown out as CEO of the bankrupt MF (Morgan Stanley) he authorized using legally segregated client's funds in risky bets on foreign bonds which collapsed while getting no criminal charges filed against him as once again the WALL STREET scoundrels get a pat on the wrist from the Security Exchange Commission Attorney.

Jon Corzine's (D) administration was followed by an even MORE corrupt administration that being Chris Christie's (R) for as the U.S. Attorney (NJ) and now as New Jersey's corrupt Governor. The corrupt ex-Governor Corzine has returned as WALL STREET money man and as a money bundler of millions in funds for the Obama.

Read the warning from *President George Washington's* in his farewell address to WE the PEOPLE about the rise of Political Factions: *One of the expedients of party to acquire influence, within particular districts, is to misrepresent the opinions and aims of other districts. You cannot shield yourselves too much against the jealousies and heart-burnings, which spring from these misrepresentations; they tend to render alien to each other those, who ought to be bound together by fraternal affection.*

*They are likely, in the course of time and things, to become potent engines, by which **cunning, ambitious, and unprincipled men will be enabled to subvert the power of the people**, and to usurp for themselves the reins of government; destroying afterwards the very engines, which have lifted them to unjust dominion*

*"New Jersey's corruption problem is one of the worst, **if not the worst, in the nation,**" said Ed Kahrer, assistant special agent in charge of the FBI's white collar crime and public corruption program in New Jersey. The investigation has led to charges against prominent politicians including Assemblymen L. Hughes Justice Complex's Superior Court's Appellate Division appeal made by Thomas Caggiano against these dozens of non-criminal convictions which include malicious trespassing charges as I attended Open Public Meetings guaranteeing the Constitution of the United States of America, the constitution of New Jersey and the [Senator Byron M. Baer Open Public Meeting](#) OPMA by the corrupt Municipal Judge Craig U. Dana, J.M.C. as the corrupt Sussex County's Superior Court Judge N. Peter Conforti vacated the fines on Sep 10, 2009 under my municipal appeals but conspired to support the corrupt Judge Mulhern, J.M.C. in Newton Stanhope and Stillwater municipal courts, Judge Dana, J.M.C. and his corrupt Vicinage Assignment Judge for Morris and Sussex Judge B. Theodore Bozonelis, A.J.S.C. Also I am still defending myself against the corrupt Trenton municipal judge and corrupt Trenton municipal prosecutor's office on non-indictable petty disorder charge by the corrupt Department of Community Affairs' Government Council's executive director Catherine Starghill, Esq. as the Mercer County Prosecutor's Assistant Prosecutor recommended in writing for Dismissal with Prejudice against the State of New Jersey that the charge be dismissed to Mercer County Superior Court Judge J.S.C.

Thomas Caggiano was a falsely imprisoned, threatened inmate even while in Jail, denied his prescribed medication for asthma causing emergency room hospitalization in Newton Memorial Hospital, forced to take malicious mental examinations by the corrupt Judge Conforti, J.S.C. and the corrupt Judge Dana, J.M.C. who has NO such legal authority to be released from Jail and for 85 days in the State of New Jersey's Sussex County Jail from Jan 7, 2009 to Apr 1, 2009. The illegal sentences and dozens of re-sentencing were on Sep 10, 2009 by the corrupt Sussex County Newton's Superior Court Judge N. - On Sep 30, 2010 the corrupt Judge Superior Court N. Peter Conforti, J.S.C. then dismissed his own demand for a mental examination which was used as a ruse to NOT even have a municipal appeal proceeding and dropped the requirement he imposed by stating Judge J.M.C. has no authority AFTER sentencing to require any voluntary mental examination as the Department of Human Services under corrupt Commissioner Jenn Velez, Esq. is nothing short of a terroristic organization with conflicting reports issued by two corrupt : psychiatrist being Dr. Christine Joseph, Phd and Dr. Peter Paul, Phd. Judge Conforti, J.S.C. was aided by the corrupt Sussex County Prosecutor's Office in this constant conspiracy for years as it is a haven of corrupt Assistant Prosecutors.

All guilty of federal and state conspiracy charges, criminal abuse of court processes, deprivation of civil rights under the color of law conspiracy against civil rights with kidnapping and bodily harm, criminal coercion, giving aid to others to obstruct a government function, dozens of other crimes admitted on Sep 30, 2010 that the corrupt Sussex County Joint Municipal Court of Green, Fredon, Hampton Borough of Andover Judge Craig U. Borough of Stanhope
- The corrupt Vicinage X Assignment Judge B. Theodore Bozonelis, AJSC under the malicious filed civil complaint Docket SSX-100511 Richard A. Stein, Esq. against Thomas Caggiano and the State of New Jersey's GRC for a stay of the GRC interim order finding a violation of the former Town Administrator Teri Massood who admitted in writing and under oath she willfully destroyed government records prior to OPRA custodian Antoinette Battaglia admitted in writing and under oath she refused to provide any Government record on the developed minor sub-division, Block 10902 Blocks 10 and 12 that has been a cover-up of false perjured statements by Richard A. Stein to enforcement agencies, and willfully false statements to Judge Geraghty, ALJ, Judge Dana, JMC and Judge Bozonelis, AJSC and corrupt Judge. The rampage of criminal conduct continues.

I have appealed the unconstitutional orders issued by the conspirators in the Vicinage X of Sussex County/Morris County Assignment Judge Bozonelis, AJSC, Sussex County's Superior Court Judge Conforti, JSC and their fellow corrupt municipal Judge Craig U Dana, J.M.C. Hughes Justice Complex's Superior Court Appellate Division and these corrupt judges and the corrupt Vicinage Trial court administrator Arnold refuse to provide its court records of my trials before Judge Dana, J.M.C. on a CD ROM needed for the Appellate Division of the State of New Jersey's court rules as the refusal of Thomas Caggiano's court document requests as also provided to the corrupt Justice of Supreme Court the corrupt STUART RABNER the State of New Jersey former corrupt Attorney General and Office of the Administrator of the Courts OAC have been advised for months of the corruption and inability to obtain court records.

- On Oct 18, 2010 when I appeared outside the Borough of Stanhope's municipal court. 77 Main St, Stanhope, New Jersey 07874 corrupt municipal court Judge John Mulhern, J.M.C. and met the Town Administrator Richard Stewart, who like Thomas Caggiano a witness to the FBI and the State Police West Trenton HQ's official corruption bureau was falsely told by Richard Stein, Esq. a henchman before the corrupt Sussex County Judge N. Peter Conforti, J.S.C. was canceled and I was threatened with arrest and imprisonment attempted to examine my court records. The Borough of Stanhope then illegally fired Richard Stewart on Dec 2, 2010 in retribution reporting their criminal conduct to the FBI in Newark, N.J. and State of New Jersey Police's Official Corruption Bureau in West Trenton

The corrupt [JENNIFER VELEZ, ESQ.](#) Commissioner New Jersey Department of Human Services criminally conspired and was in complicity with her CORRUPT Division of Mental Health Services (DMHS) is led by Acting Assistant Commissioner Valerie Larosa, the corrupt CEO Mr. Main of Anne Klien Forensic Facility, Sullivan Way - P.O. Box 7717 West Trenton, New Jersey 08628 (609) 661-1111 with her corrupt Dr. Christine Joseph, PhD and Dr. Peter Paul, PhD WHO conspired for years with these corrupt Judges and State municipal prosecutors to declare me so mentally incompetent by Dr. Peter Paul that I could NOT even have any municipal appeal trial conducted even as Dr. Joseph and Dr. Paul disagreed with one another.

In addition, the malicious 13 Criminal Charges filed against me by the corrupt Sussex County Prosecutor David Weaver, acting for the Office of Attorney General for the State of New Jersey were Dismissed with prejudice against the State of New Jersey 2009 ORDER, EDC-09-0109-09-31 GRI State of New Jersey like the victim Thomas Caggiano and Dismissed with prejudice against the New Jersey Attorney General and Sussex County Prosecutor's Office on day the 20th of the corrupt Sussex County First Assistant Prosecutor Gregg M. J. J. on Sept 02 2009. I am up away your rights appeals in the court records on a CD-ROM as I have appealed the corrupt unconstitutional court orders to the State of New Jersey's infested Hughes Justice Complex, Mercer County, Trenton, New Jersey. I have appealed the State's law to the court records on a CD-ROM and requested an appellate division appeal moving with my system in English and Spanish on this web site and use their own court exposure of the malicious agreement and use of the money to send on a false and biased report of law violations under color of law violations U.S. Section 241 and 242 in private and public by the police and the U.S. DOJ. With the money and kidnapping and ass false imprisonment with this simple New Jersey can be passed that does not apply to those who legislate the law.

Fortunately, WE the PEOPLE can vote out the incumbents. So citizens, VOTE out all those incumbents that increase the National Debt, take away our rights and pass laws that don't apply to themselves.

Politicians were suppose to be temporary jobs NOT life time jobs of incumbency where they leave a multi-millionaires nor was the Senate to be composed of Millionaires.

Many if not most politicians are forked tongue liars, won't answer a direct question and use the phone Congressional Budget Office that uses their phone books and false assumptions they preparing the false report are ordered to use by law. Department of the Treasury controlled by Wall Street former CEOs has set-up a Federal Reserve Bank, a private bank, issuing Trillions of Reserve notes without any backing other then debt and off-budget items as the Congress did NOT even pass a Budget for 2011.

The United States of America Senators and members of Congress are on a treadmill for campaign dollars raising millions from any special interest group or have billionaires spending over a \$100 million on their own campaigns to be a [Meg Ryan spends \\$160,000,000](#) and [ex-Governor Jon Corzine](#) spent over \$100,000,000 on his re-election campaign and both lost as they both feed their ego rather than give the money to the poor to feed them. New York City's Mayor Bloomberg had the term limits law changed and became Mayor of New York City a third term after spending \$108,000,000.

The United States' Security Exchange Commission SEC is a front for the New York Stock Exchange that gave its government Chairman Grasso who won his appeal millions of dollars stating: On July 1, 2008 the New York State Court of Appeals dismissed all claims against Grasso. The majority opinion stated that since the NYSE was now a subsidiary of a for-profit multinational corporation the State of New York had no oversight over the affairs of the company in this matter and that prosecution was "not in the public interest." Current Attorney General Andrew Cuomo stated that he had no intention to appeal this decision any further and that the case was effectively over. The court ruled that Grasso was entitled to the entirety of his compensation. The court also dismissed Grasso's actions against the NYSE and other parties as related to this matter. According to the Washington Post, during a SEC investigation Grasso invoked his fifth amendment rights against self-incrimination in refusing to answer questions regarding his conduct during an NYSE investigation into possibly improper activities by Exchange specialist firms. The specialist firms paid \$242 million in settlements with the SEC, and the NYSE itself was censured for failing to properly supervise the specialist firms.

The corrupt Security Exchange Commission (SEC) gives civil fines in the hundreds of millions to the company's shareholders and criminal charges are NOT filed by the corrupt U.S Attorney as conspiracy is the method of operations while the Wall Street and Banker CEOs get billions in bonuses.

The United States of America is NOT what the Declaration of Independence, nor Bill of Rights or politicians say but the United States of America installs many dictators in other countries, and is a County with depostism, deceit, constant lies, fraud, hypocrites and tyranny

The Corrupt State of New Jersey - Exposed in its corrupt courts

- This 10 year Case Study in Government Corruption originally focused on the corrupt State of New Jersey's government, its 1,000 fiefdoms and municipalities seem historically corrupt and infested in the Pay-to-Play State with thousands of corrupt State, County, Municipal government employees and contractors with hundreds of independent patronage job government agencies filled with local government political hacks, and family members of in your face nepotism seeping from every sewer such as the sample being the [corrupt Passaic Valley Sewer Commission](#) and as a sample listing of outrageous in your face [public rip-off of taxpayers dollars](#) in a State of Tyranny and a listing of corrupt [Passaic officials in a prior sting operation](#)

Continuous stories on [money laundering and bribes by New Jersey officials](#) and investigation report on its corrupt [Waterfront Commission](#) but now includes the corruption of the Federal Government's Executive Branch as the exposure of massive corruption continues.

A suggestion that the Legislature pass a law that the Salary of these independent commissioners and staff **SHALL NOT EXCEED** the Governor of New Jersey's salary

- Another example is follow the former career of the Campaign Manager Susan Bass Levin, Esq. for the corrupt former Gov Jon Corzine of New Jersey who the New Jersey voters voted out of office. Commissioner of Community Affairs' [Susan Bass Levin](#) during her tenure was a lead felon of the corrupt Department of Community Affairs' and was then appointed to dual jobs by the corrupt Governor Jon Corzine to totally rip-off the tax payers.
- The State of New Jersey's corrupt Department of Community Affairs Local Government Services Department's [/100826DCALFB.pdf](#) Local Finance Board in charge of Ethics of County and Municipal Governments. The corrupt Commissioner Susan Bass Levin was also in control of its corrupt [/101216DCAGRCfraud.pdf](#) Government Record Council, GRC, which is infested with other corrupt State lawyers being its Chair Ms. Robin Tabakin, Esq., its corrupt Office of Attorney General's Division of Law Deputy Attorney Generals such as Debra Allen, Esq. under the corrupt Governor Chris Christie, Esq. being the Division of Law's Gov Christie's Director [Robert M. Hanna, Esq.](#) and prior corrupt Directors of the Division of Law under Gov Jon Corzine. The Government Record Council's (GRC) lead felon being the New Jersey's Office of Attorney General Paula Dow's, the former Essex State's County Prosecutor, Deputy Attorney Generals coordinated the criminal conspiracy and criminal abuse of court processes directed against Thomas Caggiano as witness intimidation, criminal coercion, fraud, trickery and complicity of New Jersey Superior Court Judges in Mercer County's corrupt Superior Court Judges Shuster, J.S.C. and Maria Marinari Sypek, P.J.S.C. in State of New Jersey V. Thomas Caggiano on a malicious civil complaint filed by the corrupt executive director for the GRC Catherine Starghill, Esq. and the former corrupt GRC Operations Manager Gloria Luzzato who both prepared false analysis for the GRC as the Borough of Stanhope corrupt Borough Attorney Richard A. Stein, Esq. committed willful perjury in signing 18 FALSE Statement of Information known to be false by the corrupt Catherine Starghill and Gloria Luzzato but they protected the racketeering enterprise called the Borough of Stanhope now for years and continue their corruption in ever increasing futility as they write false responses to Thomas Caggiano's "reconsideration requests" for fraud, exceptional circumstances as the GRC states "NO Analysis" for the denial of access and do not request Statements of Information from those that deny access NOR have any hearings with confrontation of witnesses. That is how the corrupt GRC panel operators with complete criminal conduct as they themselves state as reasons the corrupt Judge Craig U. Dana, J.M.C. issued unconstitutional court orders stating Thomas Caggiano could NOT even contact any prior or current official of the Borough of Stanhope in any manner for any reason. The corrupt Judges Shuster and Sypek without any cross examination of any affiant or any witnesses issued illegal court orders to prevent the detection and apprehension of the felons controlling the criminally run Borough of Stanhope where perjury, criminal claims, obstruction of government functions, bribery for decades is its method of operations for I was not even allowed to contact the Open Public Record Act Custodian by email, fax or telephone nor attend Open Public Meetings at any Open Public Meeting in the entire Department of Community Affairs with the exception of the GRC then kidnapped him when he arrived at an Open Public Meeting with his own complaints on the agenda from attending the Open Public Discussion Period wherein he would further expose the corruption of State and Municipal Governments by presenting grievances in a public assembly as the Bill of Rights does NOT exist therein. In addition, and Sussex County and Morris County cease pool of Superior Court Judges lead by its corrupt Vicinage X Assignment Judge for both Morris and Sussex Counties is Judge B. Theodore Bozonelis, A.J.S.C. with the corrupt Laddey, Clark and Ryan LLC's law firm for the racketeering enterprise known as the Sussex County Borough of Stanhope's Borough Attorney and municipal prosecutor, the perjurer Richard A. Stein, Esq. now under investigation by the Supreme Court of New Jersey's Office of Attorney Ethics

OAE investigator being the Passaic County District Ethics Committee investigator Harry Nolan, Jr. Esq. We suggest Nolan also investigate the lawyer for the Passaic Valley Sewer Commission.

The Government Record Council whose mission to assure transparency in Government is a cess pool of corrupt lawyers and voting members, a gang of traitors, that not only protect their own fraternity in violation of the Rules of Ethics but conspired with the corrupt perjurer executive director Catherine Starghill, Esq. In-house lawyer Karyn Gordon, Esq. and other panel members being the corrupt now Gov Chris Christie's (R) Commissioner of Community Affairs Lori Grifa, Esq. and her Chief of Staff. After being given an appointment by corrupt Gov Jon Corzine (D) to the \$291,252 Deputy Director [Port Authority of New Jersey and New York](#) on the patronage padded payroll where the Governors of New York and New Jersey use tolls funds to give their political buddies outrageous salaries. The Authority is the King of Patronage organizations as they are like Local Tax Appeal Boards places where hard copy minutes are NOT even made and the cess pool of Sussex County 87% that has farmland assessments were NOT even eligible as fraud is rampant on Tax Appeal Boards as the Sussex County Clerk admitted NO person in Government reviews what is submitted on Deeds as they ONLY check to see that the boxes are filled in. I suggest a simple computer program search out deeds that have farm assessments for a check by an independent evaluator and also check deed sales that are under \$200 for many are false documents or just fraudulent arrangements to avoid county property transfer taxes. Susan Bass Levin a felon, was the former Mayor of Cherry Hill, http://www.philly.com/philly/news/new_jersey/20101114_Assured_pension_Levin_quits.html is an example of corruption in New Jersey pays to be the Governor's Campaign Manager as she was ALSO given a dual position on the Local Finance Board so that she could increase her retirement pay in the part time 12,500/year job by over \$5,000 per year and obtain FREE medical benefits for life as she was given the part time job to qualify for the rip off of free medical benefits for life.

The corrupt Department of Community Affairs' Local Finance Board is a protector of corrupt Local Officials and the State's Ethics Committee are apparently both criminally run organizations or they interpret the Ethics Laws of New Jersey to allow massive corruption out right bribery and perjury for neither of these corrupt State organization found any Ethics Violations worthy of investigation as you can read one letter sent to the corrupt Local Finance Board that had the outright gall to write me there were NO ethics violations in response to hundreds of pages sent that corrupt agency

Listen and Read evidence which is beyond any reasonable doubt of not only criminal conduct but Treason by these Governments. Our ten year Case Study proves the utter corruption of the Federal, State, County and Municipal Governments and its courts published on the internet.

The United States of America were power corrupts absolutely is worse then Egypt, Iran, Iraq, Tunisia and North Korea as rights exist only on paper such as the Declaration of Independence as We the People have no rights and used as pawns wherein the State of New Jersey's Standing Operating Procedure in the "Soprano State" is Complicity, Conspiracy, Racketeering, Official Misconduct, Bribery, Fraud, Perjury and lies by Government officials is common place. False Imprisonment, Assault, Kidnapping, Destruction of Evidence by Government officials are its methods of Government in the United States with terrorism against its own citizens for as they say - YOU CAN'T FIGHT CITY HALL, False Government Press Releases, Witness Coercion, Obstruction of the Administration of Law, Criminal use of court processes and Constant Corruption as the desire for Power, fulfillment of Ego and Greed corrupts absolutely

Unlike Nevada and New York, New Jersey's corrupt Judges are appointed via cronyism by their protectors being its corrupt Politicians in the Pay-to-Play State

The corrupt Governors of New Jersey act only after the Star Ledger prints the corruption of government officials on its front page as corrupt government is the operational mode of its government.

New Jersey Attorney Generals like Stuart Rabner, Esq. now the corrupt Chief Justice of New Jersey's Supreme Court, Ar Milgram, Esq. and Paula Dow, Esq. under Democrat and Republican administrations are simply felons with their corrupt State County Prosecutors, Office of Administrative Law Judges, municipal law firms bribed with sole source contracts for decades as municipal prosecutors and local police are unethical protect their own as cops don't give cops tickets, as judges protect judges, as lawyers protect lawyers and where politicians protect those of their own party as Nepotism, cronyism and incest are constant.

Government Corruption Exposed

A 10 year Case Study into the corruption of the United States of America's Federal Government's corrupt Executive Branches with a widely infested Supreme Pay-to-Play State of New Jersey, a "Toxic Mix of Money and Politics" (Quote: former corrupt Gov Jon Corzine) and "a Failed State" (Quote: current corrupt N.J. Gov Chris Christie) as corrupt officials, including Governors, a constant stream of corrupt state of New Jersey Attorney Generals are protected by New Jersey's corrupt U.S. Attorney's Office and the FBI in New Jersey and Washington D.C., almost two dozen corrupt Judges in its Supreme Court with its corrupt Chief Justice Stuart Rabner, and corrupt Mercer County, Sussex County and Morris County Superior Court Assignment Judges, other Superior Court Judges and every municipal judge we met was owned by the corrupt Mayors and Governing Bodies and State Senators. Six corrupt Office of Administrative Law judges in widely known corrupt Essex County are located in Newark, New Jersey where its corrupt Newark Municipal court is a cesspool of corruption.

This web site, with links on page /page400.htm and reports provided in the directory at /pdf and massive Open Public Federal District court records of E.D. [New Jersey's Star Ledger Newspaper Blog](#) on official corruption that is constant in the State of New Jersey

On Jan 24, 2010 I contacted the Federal Government's Internal Revenue Service IRS Office on 110 City Parkway, Las Vegas, NV 89106 to find out what office address to send written interrogatories. The person I initially talked with was Brian Peng's Supervisory Dave Lowe, then in their office his Supervisor Steve Osborne was in the IRS room and heard the telephone conversation as I described the tax fraud, etc. I explained to them I have just received from the State of New Jersey's Sussex County Board of Chosen Freeholders, two boxes of emails and other evidence that would be Original Evidence from the Sussex County Board of Chosen Freeholders and requested that their office make a copy of these originals while still in the priority shipped boxes to prove the knowledge and massive federal tax fraud in the millions and IRS's Special Agent Brian Peng 702-868-5113, 110 City Parkway, Suite 200, Las Vegas, Nevada 89016, his Supervisor C Lobe 702-868-5120 as heard by his supervisor Steve Osborne directly refused repeatedly stating to me "He was NOT a

copy service" and that I should scan in all the documents or go pay for copies **BEFORE he would accept the evidence** massive federal tax fraud using the original documents still in their "proprietary mail boxes" for which I paid over \$140. So much for a Government of public Servants. That happens to be a Tort Claim Act violation of Outrage, breach of duty and causing emotional distress and also refused to make a copy for the Department of Justice's FBI Office in Whashington D.C. that I was directed to send evidence. The corruption continues as now the IRS willfully refuses to take evidence unless YOU pay for copies as you need the originals for other copies. Having distributed hundreds of thousands documents, paid thousands in copy cost already uselessly, I have decided to proceed to Federal District Court, Issue subpoena and other written interrogatories that I informed him must be answered oath as I am a defendant. The corruptic Continues

. MUNICIPAL APPEAL 3 1 THE COURT: The Court is reviewing the status

2 of State versus Caggiano.

3 Mr. Caggiano is the subject of Indictment

4 08-09-316.

5 The Court has received the competency

6 evaluation that was ordered. Doctor Peter D. Paul, a

7 licensed psychologist at the Anne Klein Forensic Center

8 has issued a report dated August 11. That report finds

9 Mr. Caggiano not to be competent to proceed.

10 Subsequently, the Court has received from the

11 State, yesterday, their motion asking the Court to

12 dismiss the indictment without prejudice. The State is

13 citing the fact that Mr. Caggiano was now a resident of

14 the State of Nevada; and considers the report that has

15 been received regarding competency, and, thus, asks the

16 Court to dismiss the indictment without prejudice.

17 Mr. Mueller, is there anything further you

18 wish to add?

19 MR. MUELLER: No, Judge.

20 THE COURT: The State has the right to make

21 the application to dismiss. It is within their

22 discretion. And given the nature of the evaluation;

23 the fact that defendant was now a resident of the State

24 of Nevada, the Court will grant the application to
25 dismiss without prejudice.

. MUNICIPAL APPEAL 4

1 The Court has previously ordered defendant's
2 monetary bail exonerated. Given the fact that the
3 Court was advised he is residing -- his new residence
4 in the State of Nevada.
5 So, the indictment can be ordered as
6 dismissed without prejudice.
7 The Court will enter the order.
8 MR. MATTIA: Thank you.
9 THE COURT: It will be stamped "file"; and
10 copies distributed.
11 Remaining matters involving this defendant
12 concern a conviction in Green Township Municipal Court
13 with regard to harassment allegations.
14 Subsequently, there was a conviction in that
15 Municipal Court for violation of a probation term that
16 was imposed when defendant was sentenced on the
17 underlying harassment conviction. In reviewing the
18 statute with respect to imposing sentence on conviction
19 for petty disorderly person's offense, it would seem to
20 the Court that in the event of such a conviction, in
21 terms of the sentence to be imposed, a sentencing Court
22 can impose a sentence of probation, and it can impose a
23 sentence of incarceration.
24 For a conviction for petty disorderly
25 person's offense, the maximum sentence that can be

. MUNICIPAL APPEAL 5

1 imposed is up to 30 days. The maximum monetary fine
2 would be up to three years -- strike that. Would be up
3 to \$500.
4 The question that I have, given the nature of
5 the underlying offense, including petty disorderly
6 person's offense, is whether the Court can impose both
7 a sentence of probation and as a condition of that
8 sentence, a sentence of incarceration.
9 It's clear to the Court that if the
10 conviction were for a disorderly person's offense, as a
11 condition of a probationary sentence, the defendant can
12 be ordered to serve up to 90 days in county
13 correctional facility. I don't believe the statute
14 though permits as a condition of probation, the
15 imposition of a sentence of incarceration.
16 Now, in this particular situation, as I
17 understand it, the history, 30 days sentences were
18 imposed for the conviction for harassment, multiple
19 counts. With relation to each count regarding that 30
20 day sentence being imposed. There was a suspension of
21 all but three days of each particular sentence being
22 imposed for each count.
23 As it has turned out, the defendant has
24 served a period of incarceration between December 1,
25 and December 12, 2008, and January -- between January 7

. MUNICIPAL APPEAL 6

1 and April 12, 2009. That totals 108 days.
2 The question that I have is if, indeed, it
3 was the intent of the sentencing Judge to impose a
4 sentence of probation, then the sentence of
5 incarceration could not be imposed. If it was the
6 intent to impose a sentence of incarceration, then we
7 know the amount of time the defendant is incarcerated.
8 And by the way, with regard to the sentence
9 that was imposed, each period of incarceration was to
10 run consecutive for each count.
11 Then, as I said, if the intent was to impose
12 a sentence of incarceration, then a sentence of
13 probation could not be imposed.
14 The reality is, Mr. Caggiano did serve 108
15 days of incarceration.
16 Given that history, what I'm going to do, on
17 my own motion, is vacate the conviction for probation
18 violation. Because you can't have both in terms of the
19 sentence that was imposed.

20 In terms of the remaining aspect of this
21 matter that would involve the defendants -- Oh, one
22 other point about the sentence of incarceration, I
23 should make note of that Mr. Mattia argued this. In
24 the Municipal Court, if I remember correctly from my
25 review of the transcripts, when you impose a sentence

. MUNICIPAL APPEAL 7

1 of incarceration, you cannot then suspend it. You can
2 suspend the imposition of a sentence of incarceration
3 pursuant to the Code of Criminal Justice, but you
4 cannot impose a term and then suspend that term.
5 Be that as it may, based upon my
6 determination vacating the conviction for the violation
7 of probation. The reality, the defendant served this
8 period of incarceration. In terms of the underlying
9 conviction for harassment, that conviction still stands
10 of record. Mr. Caggiano is filing an appeal of that
11 conviction.
12 Given the evaluation that was conducted at
13 the Court's request, with the determination that
14 defendant was not competent, I cannot address the
15 argument on the appeal at this point in time. The
16 appeal can be pursued by Mr. Caggiano. But before the
17 Court can permit the argument to proceed, it would have
18 to be a determination he's competent to proceed. With
19 the evaluation that I have at this point, I can't let
20 that procedure go forward.
21 So, what I will do is adjourn the appeal of
22 the underlying conviction. It will be for the State to
23 make determinations from their perspective as to
24 whether they are pursuing the conviction. It's up to
25 Mr. Caggiano whether he wishes to pursue the appeal.

NOTE: After more months of delay the corrupt Judge Conforti, JSC did NOT dismiss the charges and I filed an Appellate Division Superior Court Appeal A-001721-10. The Supreme Court's Advisory Committee on Judicial Conduct ACJC protected the corrupt Judges but the Supreme Court's Office of Attorney Ethics has now assigned an Ethics Investigation against the corrupt William E. Hinkes, Esq. and the corrupt Richard A. Stein, Esq.

. MUNICIPAL APPEAL

1 But before, the Court can address that appeal, there
2 has to be a determination he's competent to proceed.
3 So, the Court will ask Mr. Mattia to present
4 an order to vacate the conviction for the violation of
5 probation; note the sentence of 108 days. The Violent
6 Crime Compensation Board Assessment and \$75 Safe
7 Neighborhood Services Fund assessment, they continue in
8 effect. But because of the sentence -- because of the
9 time served, because of the determination and
10 evaluation of him being incompetent, the Court would
11 vacate the monetary fines that were imposed. And I
12 don't see the utility in terms of the issue of
13 deterrence, because of the competency evaluation. And
14 because the defendant has served 108 days, the aspect
15 of the sentence that required the sentence for the
16 convictions for the violation of probation, an
17 additional ten days, that will be vacated by the Court 18 as well.
19 Mr. Mueller, is there anything you wish to
20 indicate on behalf of the State?
21 MR. MUELLER: No, Judge. No objection to
22 proceeding the way the Court is proceeding.
23 THE COURT: Mr. Mattia?
24 MR. MATTIA: I think there might be
25 mathematical error on the number of days Mr. Caggiano

. MUNICIPAL APPEAL 9

1 has served in jail. He tells me I think he's -- My
2 records indicate 85.
3 THE DEFENDANT: January 7th to April 1st. 85 4 days.
5 THE COURT: Well, I'm looking at the computer 6 printout from the jail.
7 THE DEFENDANT: Well, may have different
8 person's name. I served from -- I was --
9 MRS. CAGGIANO: That's right.
10 MR. MATTIA: The wife concurs with that.
11 THE DEFENDANT: It was January 7th, to
12 April 1st.

13 THE COURT: Anything else, Mr. Mattia?
14 MR. MATTIA: Well, I think Mr. Caggiano
15 regarding the -- I don't think we have any -- certainly
16 no right to dispute; nor, does he wish to dispute the
17 dismissal of the indictment your Honor. It's up to the
18 Prosecutor's discretion to dismiss the indictment. And
19 he has no objection to dismissal of the indictment.

THIS IS FALSE as the Indictment can NOT be dismissed because of a mental examine that court rules demanded a hearing as Dr. Peter Paul Disagreed with the other corrupt Dr. C. Joseph as the "mental examine" was used to defame me, obstruct justice and was a pretence as on Sep 30, 2010 on a court order to have a mental competency hearing NO hearing was conducted as I demanded a video recorded mental examine that was required by the State ; also be polygraphed paid by myself so that the evidence could be used in courts but to prevent any discussion, witnesses the corrupt Judge Conforti, JSC. then issued a court order on Oct 4, 2010 for a brief 21 days later (Oct 25, 2010 and then had a hearing on Oct 19, 2010 with NO witnesses as on Oct 18, 2010 the Borough of Stanhope threatened me with arrest and bail when I went examine court records in Stanhope as Richard Stewart the Town Administrator of Stanhope, a witness for the FBI and State Police's Official Corruption Bureau was the fired illegally by the Borough of Stanhope on Dec 2, 2010.

20 As far as the appeal, the Municipal Court
21 matter, I think there is going to be a motion as far as
22 competency issues is concerned. Mr. Caggiano asserts
23 his competence. He wants the conviction of that appeal
24 to be heard by the Court. But that's something he and
25 I can discuss.

. MUNICIPAL APPEAL 10

1 Regarding the present outstanding order of
2 the Municipal Court.
3 THE DEFENDANT: Yes.
4 MR. MATTIA: I get confused there.
5 THE DEFENDANT: Judge Dana's Municipal court.
6 MR. MATTIA: Judge Dana's order.
7 There has been problems Mr. Caggiano has run
8 into in the process of selling his house. He tells me.
9 And, he needs -- he would ask the Court modify that
10 Court order. The -- the -- now the Court has
11 jurisdiction over this situation to allow Mr. Caggiano
12 access to the Construction Code Official so that I can
13 find out what's required as far as a fire extinguisher,
14 carbon monoxide detector; those things necessary to
15 necessitate the sale of the property of New Jersey, he
16 has to get.
17 THE DEFENDANT: He has to come to my house.
18 MR. MATTIA: Let me talk.
19 THE DEFENDANT: Sorry.
20 MR. MATTIA: He has to get certificate of
21 continued occupancy from the -- from the municipality.
22 He tells me he doesn't have a fire extinguisher, or
23 carbon monoxide. He wants to find out what he has to
24 do, which is certainly not unreasonable.
25 THE COURT: Is the house listed for sale?

. MUNICIPAL APPEAL 11

1 THE DEFENDANT: Yes.
2 MR. MATTIA: It's currently listed for sale.
3 Right. It's listed for sale.
4 MRS. CAGGIANO: Yes.
5 MR. MATTIA: Weichert --
6 COURT REPORTER: One at a time. One at a
7 time, please.
8 THE DEFENDANT: Sorry.
9 THE DEFENDANT: It has a for sale sign on the
10 front lawn. New door was put in yesterday.
11 MR. MATTIA: There's still some little
12 outstanding issues here that Mr. Caggiano would like to
13 address. They don't seem to be unreasonable. I note
14 in the motion, that Prosecutor agrees that he hasn't
15 had any recent contact with Stanhope officials in
16 violation of existing Court orders. He has,
17 apparently, perhaps, outstanding bill for the open
18 public records he requested in the past. He would like
19 to know what it is; he can get that taken care of. He
20 like to -- apparently, he's tried to pay taxes to the
21 town, which he feels he has a right to do in advance.
22 I don't know why you would do it. There's a reason.
23 He had -- he explained it to me. It makes sense. He

24 should have the right to do what everybody else does.
25 And he wants to exam his property card --

. MUNICIPAL APPEAL 12

1 THE DEFENDANT: Records con --
2 MR. MATTIA: Okay. He would also -- Is that
3 it or is there anything else you want to do?
4 THE DEFENDANT: The current order of Judge
5 Dana is I cannot have --
6 MR. MATTIA: Stand up.
7 THE DEFENDANT: I'm sorry. The current order
8 of Judge Dana is rather unconstitutional. It doesn't
9 allow me to write the Borough of Stanhope; or any prior
10 employee, any current employee of Stanhope, for any
11 reason whatsoever. It only allows me to pay by mail my
12 property tax, my water bill, and my sewer bill. In
13 order to have the Construction Code Official come into
14 my house to do the inspection, I'm required to pay
15 \$125, according to the realtor agent. According to
16 Judge Dana's order, I cannot pay the \$125 to the town.
17 On two occasions I have attempted to pay the town and
18 actually sent a check for my taxes. Of course, I have
19 certain tax planning since I'm moving to a no tax
20 state.
21 In the probation violation hearings, Judge
22 Dana asked Mr. Stein, can Mr. Caggiano or anybody pay
23 their taxes in advance; and he said, yes. And then he
24 said, except Mr. Caggiano. Well, I like to be able to
25 pay taxes. I have sent two checks and they have

. MUNICIPAL APPEAL 13

1 returned them twice.
2 Also, there's something called the Open
3 Public Record Act. And in order to get records from
4 the Borough of Stanhope, one, like any citizen or any
5 interested party, must submit an open request. As
6 you're aware the Appellate Court has ruled against the
7 government record counsel and allowed any interested
8 party to send an open request in by e-mail, rather than
9 the prior form that was used by the JRZ {sp GRC} under Judge
10 Dana. I'm { sp NOT } allowed to fax the Borough of Stanhope, talk
11 to the -- any current or prior employee which, of
12 course, injures my defense capabilities on the
13 Municipal Appeal. I'm not allowed to call or talk to
14 any witnesses. So I would like to be able to, like
15 every other person, to send E-mailing to Borough of
16 Stanhope through the open custodian to send OPRA
17 request.
18 MR. MATTIA: Let me interrupt you for a
19 second. How many e-mails would that be? Would that be
20 something finite; one e-mail perhaps?
21 THE DEFENDANT: No. No. Every person is
22 allowed to send e-mails.
23 MR. MATTIA: I think the Court -- Excuse me.
24 THE DEFENDANT: It's unlimited. There's no
25 reason to put a limit on a person's right by the

. MUNICIPAL APPEAL 14

1 Appellate Court's decision. You're allowed to do. If
2 there's harassment charge on OPRA request, they have
3 the ability to send a civil suit in.
4 I should also note the charges against me
5 were not just harassment, but the charges included were
6 trespass. Well, I went into an open public meeting. I
7 told them I was coming in a letter and in advance. And
8 they kidnapped me out of the meeting. So I would like
9 the ability, like any other person, to attend an open
10 public meeting. I am currently willing to comply with
11 Judge Bozonelis's Court order that says I have to
12 notify them in advance. Judge Shuster also made that
13 ruling. He's the -- he was the Trenton Judge. Against
14 the State of New Jersey. In the hearing where before
15 the Superior Court in Trenton, says, every person has
16 the right to attend a meeting.
17 THE COURT: All right, Mr. Caggiano, I
18 understand.
19 MR. MATTIA: Okay.

20 THE COURT: Excuse me, Mr. Mattia, I'm
21 looking at the second re-sentencing order that was
22 issued by Judge Dana, on July 15, 2009, and I believe
23 the issue that you're addressing here is no contact
24 with Stanhope Borough officials, except for payment via
25 mail; tax, water, sewer, and Court payment fines,

. MUNICIPAL APPEAL 15

1 costs, and assessments. This was a condition of the
2 suspension of \$300 -- of the \$500 of each fine. I'm
3 vacating the fines, as I indicated.
4 It was also a condition of suspension of the
5 balance of consecutive jail sentence that had not yet
6 been served. I'm vacating that suspension. And that
7 jail sentence.
8 And it further provides, the period of
9 suspension shall expire on January 5, 2011. That,
10 because of my determination, no longer is in effect.
11 Therefore, the condition of the suspension is no longer
12 in effect.
13 However, I would direct Mr. Caggiano and you
14 to the terms of the order that -- the orders that were
15 entered by the Assignment Judge with respect to your
16 client, or Mr. Caggiano, having contact with the
17 Borough of Stanhope. And he is still bound by the
18 terms of that order in the civil action.

The corrupt Morris County / Sussex County District X Assignment Judge B. Theodore Bozonelis, A.J.S.C. has not had a hearing on the civil suite Docket SSX-L-847-07 Borough of Stanhope vs. Thomas Caggiano and Government Record Council which was filed by the Borough of Stanhope's corrupt Laddey, Clark and Ryan LLC's Borough Attorney Richard A. Stein, Esq., Tel.: 973-729-1880, Fax: 973-729-1224, Email: rstein@lcrclaw.com in Borough of Stanhope v. Thomas Caggiano and Government Record Council (GRC) as a stay request to prevent Denial of Access complaints being sent to the equally corrupt State of New Jersey's corrupt Department of the Treasury's Office of Administrative Law the cease pool of Essex County's Newark, New Jersey as part of the coordinated conspiracy with the Office of Attorney General's Division of Law's for the corrupt Government Record Council felon and coordinator the Office of Attorney General's Paula Dow's Deputy Attorney General Debra Allen, Esq. and the Department of Community Affairs Government Record Council lawyers with its corrupt Office of Attorney General Anne Milgram, Esq. under the corrupt Democratic ex-Gov Jon Corzine's corrupt administration now continued under the even more corrupt former U.S. Attorney for New Jersey Chris Christie, Esq. with his corrupt former Essex County Prosecutor as the latest corrupt New Jersey Attorney General Paula Dow, Esq. under the Republican Gov Administration of Gov Chris Christie (R) and the latest corrupt Commissioner of Community Affairs Lori Grifa, Esq. that continues with the corrupt GRC chair Robin Tabakin, Esq., the corrupt GRC executive director Catherine Starghill, Esq., In-house lawyer Karyn Gordon Esq. and other corrupt lawyers from the Office of N.J. Attorney General's Division of Law and the Chief of Staff of the corrupt Commissioner's of Community Affairs Lori Grifa, Esq. Office.

This malicious civil suite was originally filed as a civil suite as a Stay Request to prevent detection and apprehension of the racketeering by the Borough of Stanhope's officials for over a decade by the so called Transparency in Government Act called the Sunshine law and then changed to the Senator Byron Baier Open Public Record Act OPRA as Stanhope requested the GRC be blocked from sending the complaint to the independent and corrupt State of New Jersey's Department of the Treasury's Office of Administrative Law (OAL) with its corrupt Chief L. Sanders, Esq., Acting Director and Chief Administrative Law Judge, Quakerbridge Office (609) 689-4001, P.O. Box 049, Trenton, NJ 08625-0049 wherein I would get subpoena authority and be able to call witnesses. No such hearing with testimony or witnesses nor cross examination of any affiant in violation of the Constitutions of the United States of America, the Constitution of New Jersey nor Case law has happened in over 3 years as the corruption is exposed in a transcript record of a set-up hearing among the corrupt Judge B. Theodore Bozonelis, AJSC, the corrupt Borough of Stanhope lawyer Richard Stein, Esq. and corrupt lawyers representing the corrupt municipality of Frankford Township another Albino, Ullmann, Laemers & Pompelio, LLC, 10 Poplar Tree Lane Sparta, NJ 07871 and Angela Paternostro, Esq. in Open Court Records NOW available on the Dismissed with Prejudice AGAINST the STATE NEW JERSEY in its malicious filing of 13 criminal indictable charges against Thomas Caggiano by the corrupt Office of Attorney General for New Jersey and its corrupt State Sussex County Prosecutor's Office under Ind 08-09-316 as the malicious criminal charges were filed by Borough of Stanhope officials and employees.

19 So in terms of the order that you present to
20 the Court, Mr. Mattia, you can indicate in that order
21 that these conditions are being vacated on the Court's
22 order. With a caveat that Mr. Caggiano is still bound
23 by the terms of the order issued by Judge Bozonelis.
24 Obviously, in terms of the effectuating the sale of his
25 property in the Borough of Stanhope, in order to

. MUNICIPAL APPEAL 16

1 accomplish what has to be done for that purpose, he
2 should have the opportunity to comply with local
3 ordinances that are required for inspections. So when
4 this order is entered, I don't believe his residence
5 was on the market in the Borough of Stanhope.

6 All right. That will be all.
7 MR. MATTIA: Thank you, your Honor.
8 THE DEFENDANT: Thank you.

Commissioner of Community Affairs Susan Bass Levin - Gov Jon Corzine's campaign manager and former President and CEO of the Cooper Foundation	Corrupt Commissioner of the Department of Community Affairs then given the Port Authority of New York and New Jersey the lovely overpaid job by Gov Corzine of Deputy Executive Director Susan Bass Levin with salary of \$290,862 but wasn't good enough so Jon Corzine also gave her a dual position on the corrupt Department of Community Affairs' Local Finance Board at a part time pay of \$12,500/yr so she could have Full life time medical benefits as New Jersey taxpayer expense and increase her retirement pay by \$75,000 per year as she continues to work in the corrupt Department of Local Government Service's Local Finance Board which of course does NOT enforce the Ethics laws against corrupt County and Municipal officials but protect them like her prior job on the corrupt Government Record Council now replaced by the corrupt former U.S. Attorney in now Gov Chris Christie's former Newark based corrupt U.S. Attorney's office in position of corruption that protects the Local Governments: Commissioner of Community Affairs a cease pool of corruption as I am even banned from attending its Open Public Meetings under the corrupt contrived Docket MER-C-102-07 before the corrupt Chancery Division and the corrupt Superior Court Judges Shuster and Sytpe banning me from emailing, telephoning any person in the Department of Community Affairs, attending any Open Public Meeting, contacting directly the excellent Sr. Case Manager Mar Caruso in the corrupt Government Record Council that supports corrupt court orders by these corrupt Judges and also the corrupt Superior Court Judge N. Peter Conforti, J.S.C. and corrupt Municipal Judge Craig U. Dana, J.M.C. who has issued court orders that I can't apply for a library card, attend any Open Public Meeting, communicate in any manner to any Borough of Stanhope official, can't file criminal charges in Stanhope as I was threatened with arrest on Oct 18, 2010 when I desired to examine my own court records brought by corrupt Borough of Stanhope officials and employees as petty disorder charges by Judge Dana as Constitutions do NOT apply in the State of New Jersey the land of pandemic treason, complicity and conspiracy as every person that came forward to report criminal conduct was attacked the Sussex County's Borough of Stanhope's Town Administrator Richard Stewart was fired by its corrupt Mayor Diana Kuncken of 8 Valley Road and its corrupt Governing Body on Dec 2, 2010 illegally in secret because the corrupt municipality was aware that Richard Stewart was cooperating with the FBI and State Police of New Jersey's Official Corruption Bureau reporting their racketeering enterprise for decades.
Freeholder Susan Zellman the former Chair of Stanhope's corrupt Planning Board now Stanhope's representative on the corrupt Sussex County Board of Chosen Freeholders	Bribed John Cilo Jr. Associates for years as John Cilo Jr., a professional engineer and his bribed employee the town planner of Stanhope didn't have valid contracts for apparently decades complying with the State of New Jersey's Local Public Contract Law and used federal, state, county and municipal funds to bribe them to be their corrupt municipal engineer and town planner as they each submitted by the Borough of Stanhope signed by them false Annual Financial Reports to the Department of Community Affairs' Local Finance Board which states such actions do NOT violate the State ethics laws! Then the Vice President of Omland Engineering Associates Eric Keller false wrote in signed Annual Financial Statements that he

the municipal engineer so the corrupt John Cilo Jr. used a different phony title with the approval of the corrupt Land Use Board and its corrupt law firm Dolan and Dolan PA of Newton, N.J. as "Land Use Board Engineer" but he had NO contract and such a title does not even exist in the State's Map Filing as bribery, conspiracy is approved actions by the corrupt Office of Attorney General of New Jersey's corrupt Department of Consumer Affairs' and its corrupt Board of Engineers and Board of Professional Planners in Newark, New Jersey where the corrupt State Department of Treasury of N.J.'s corrupt Office of Administrative Law executive judges protects them all.

Now Sussex County's corrupt Deputy County Clerk in Newton, New Jersey

State/Sussex County SCSCD Board of Supervisors Winifred Straub State's Department of Agriculture's Sussex County Soil Conservation District Board of Supervisors

Corrupt State Department of Agriculture's Sussex County Newton's Sussex County Soil Conservation District Manager in Newton, New Jersey paid with county funds was raised to its corrupt Board of Supervisors with other corrupt members being on the Sussex County Planning Board. The corrupt law firm of Dolan and Dolan PA is the law firm for both the corrupt State's Sussex County Soil Conservation District and the corrupt Borough of Stanhope's corrupt Land Use Board so there is NO check and balance as same corrupt law firm "approves" the same incompetent corrupt plans approved by the State Sussex County Soil Conservation District the corrupt professional engineer Joseph Sedivy with the corrupt professional engineers for Stanhope and its corrupt town planner neither of them having contracts in the Borough of Stanhope as reported by the former excellent Municipal clerk Ms. Robin Kline, RMC, MAS ten agencies including the corrupt Commissioner of Community Affairs, the corrupt Sussex County Prosecutor David Weaver, Office of Governor and more as Robin Kline was tormented by the corrupt former Town Administrator Teri Massood who ran away from Stanhope without any severance pay while the excellent Vince Maltese, Esq. for the GRC had the GRC send complaints against the corrupt Teri Massood, town administrator, and the corrupt former municipal clerk and OPRA custodian Antionette Battaglia to the corrupt Office of Administrative Law where we were confronted with corruption by six executive judges noted on this web site.

Borough of Stanhope Municipal Clerk Ellen Horak

As Deputy municipal clerk she in violation of Stanhope laws with the approval of its corrupt Mayor and Governing Body prepared minutes for the Town Council and the Land Use Board at the same time while we were deceptive to prevent the detection and apprehension of the corruption in both board as the corrupt municipal prosecutor and the corrupt Borough Attorney is the same law firm having an obvious conflict of interest as how does he defend the local officials as Borough Attorney and prosecute them as municipal prosecutor. Well he doesn't as Richard A. Stein, Esq., their corrupt lawyer paid by federal, state, county and municipal funds that are vouched to pay his law firm or funds deposited into escrow accounts in the Pay to Play State are used to bribe John Cilo, Eric Keller, Scarlet Doyle, Dolan and Dolan PA and Lac Clark and Ryan and someone that does not even exist on Annual Financial Reports as an official P. D Zimmerman who the Borough in town council meetings, in reports distributed by the thousands stated David Zimmerman WAS an official of Stanhope and prepared multi-false Area in Need of Restoration Reports used in preparing false COAH analysis reports by person having NO valid contracts, and false Housing Element Plans and Revised Master Plans all using the same false information by professional planners and professional engineers NONE of who had valid contracts as a resolution is NOT a contract per State Case Law since 1912 but must be a signed executed contract between two parties with an effective date and comply with the Local Public Contracts Law which of course does NOT apply as a violation of the Ethics Law per the office getting perjured Annual Financial Reports in the cease pool Department of Community Affairs from which I am banned in violation of the Bill of Rights!

Where is more evidence of massive corruption: You may also contact the excellent Sussex County Superior Court criminal staff court assistant Kay Mack, 43-47 High St, Newton, N.J. 07860 of the corrupt Sussex County Superior Court Judge N. Peter Conforti, J.S.C. and obtain Public Records available under the Malicious Dismissed Criminal Indictment 08-09-316-I in State v. Thomas Caggiano that was dismissed WITH PREJUDICE against the State of New Jersey or records via OPRA from the corrupt Sussex County Prosecutor's Office of David Weaver, Esq. on 19-21 High St., Newton, N.J. 07860 the center of corruption in the infested continuously corrupt Sussex County.

Extensive records showing the corruption are also available on the Municipal Appeals 13-04-08 and 19-05-09 of State Vs. Thomas Caggiano as all Judge Dana, J.M.C.'s fines were vacated on Sep 10, 2009, and it was determined by the Court that the, corrupt Joint Municipal Court of Green, Fredon, Hampton and Borough of Andover's of the felon Judge Craig U. Dana, J.M.C. and his municipal prosecutor [William Hinkes, Esq.](#) <http://www.hollanderstrelzik.com> repeatedly violated court rules in sentencing me and re-sentencing me from 39 days to 95 days and on Sep 30, 2010 it was determined Judge Craig U. Dana, JMC had NO authority to order any mental exam AFTER his illegal sentencing wherein I was falsely imprisoned in the corrupt Sussex County Jail under Sheriff Untig who has NOT conducted investigations of abuse of my medical records, not providing asthma and other prescribed drugs and my being threatened repeatedly by his SGT as his office has refused to respond to Open Public Record Act Requests. The corrupt law firm of Hollander, Strelzik, Pasculli, Hinkes, Vandenberg and Hontz, LLC, 40 Park Place, Newton, N.J. as the law firm is also the Borough Attorney for Newton's municipal Government in the corrupt cease pool of the infested Sussex County. William Hinkes law firm had as it the former law partner of the corrupt Sussex County Prosecutor David Weaver, 19-21 High St, Newton, N.J. 07874 who protects his former law firm and dozens of other corrupt law firm and State, County and Municipal Government officials in Sussex County. Newton municipal court and the Township of Green and the Affidavits and evidence are public records available by contacting the court administrators.

The municipal government's racketeering enterprise in the [Borough of Stanhope](#), Sussex County 07874 is lead by its corrupt Mayor Diana Kuncken, as the former corrupt Mayor Brian Mc Neilly is now the Sussex County Deputy Clerk and the former corrupt Planning Board Chair Susan M. Zellman is Stanhope's representative on the [corrupt Sussex County Board of Chosen Freeholders](#), its corrupt prior Chair [Hal Wirths is now Gov Chris Christie's Commissioner of Labor](#) responsible for assuring persons and judiciary employees understand [C.E.P.A. - Whistle Blower Directive 9-09](#) and are given [a posted bulletin notice](#) and training but most Newton municipal employees never heard of C.E.P.A. which by executive order of the Office of Gov every employee is to be provided personal knowledge.

The Sussex County Government nor any of its municipalities have any local Ethics Boards and the State's Department of Community Affairs Local Government Service Department's Local Finance Board with responsibility for county and municipal Ethics laws protects them and has no investigations like the State's Ethics Board and State's Judiciary Committee as Corruption is the Standing Operational Procedure of the State of New Jersey wherein Title 2C State crimes are NOT enforced by its Office of Attorney General Paula Dow or the Mercer County Prosecutor against the corrupt [Government Record Council \(GRC\)](#) or the [corrupt Sussex County Prosecutor David Weaver](#) against the Borough of Stanhope which even though was provided funds to provide me agendas 48 hours in advance per the Open Public Meetings Act OPMA ignores the law and is protected from civil fines that the County Prosecutor must seek nor are violations of the Open Public Meetings Act and the Government Record Council, except the excellent Sr. Case Manager Frank Caruso and former Case manager Dara Lownie is infested with corrupt lawyers and a corrupt GRC Chair and panel.

Dozens of other corrupt State, County officials and municipal employees and professional planners and professional engineers that they bribe without contracts awarded per the Local Public Contracts Law divide up the municipalities using the exception clause for decades as the municipalities become their asset base as "The corrupt law firms, corrupt Engineering firms OWN the towns as they get exceptions for decades as their are no complaints as the law firm just divvy up the State.

 Change the Local Public Contracts Law as recommended by the Comptroller's Office to prevent continuous NO Competition awards and revise the Local Public Contracts Law to require a change in the County's and Municipal Government's law firm every 8 years to break the fraternity of corruption, for the legal community and professional planners and professional engineering firms "set-up" their municipalities as "their own assets" as the Mayors, Governing Bodies, Town Administrators become an embedded entity of favoritism, cronyism and corruption. no competitive bids and racketeering.

The other major process in corrupt State of New Jersey as stated correctly in his State of the State speech by Ex-Gov Jon Corzine was the TOXIC MIX OF MONEY AND POLITICS. This widespread corruption is protected by N.J.'s APPOINTMENT PROCESS of Judges that is just A POLITICAL PATRONAGE JOB wherein corrupt Municipal Judges protect their local officials that give them the contracts to be THEIR MUNICIPAL JUDGE and n many corrupt municipalities the MUNICIPAL PROSECUTOR is the same law firm as the BOROUGH ATTORNEY as they also GET control of the courts. Change the law and DO NOT allow the Borough Attorney and Municipal Prosecutor to be the same lawyer or law firm as there is an immediate "conflict of interest" embedded in many municipalities.

Further obvious changes are suggested: Allow the public to read the insurance policy of the municipalities via Open Public Record Act and do NOT make these insurance policies confidential as the taxpayers pay for the policy.

To reduce N.J.'s pandemic corruption, CHANGE THE FORM OF GOVERNMENT to elected Judges like New York and Nevada as Judges protect the executive branch and legislative branch in a vicious fraternity of infected government and massive fraud, waste and corruption.

With the aide of the corrupt law firm of Laddey, Clark and Ryan LLC as the Borough Attorney of Stanhope Richard A. Stein, Esq., he committed willful perjury dozens of time and has for decades engaged as the ring leader in the infested Borough of Stanhope.

Under District XA Ethics Committee Docket XA-10-018E both William Hinkes, Esq. and Richard Stein, Esq. were placed under investigation but the N.J. Supreme Court Office of Attorney Ethics OAE stopped the investigation that was assigned by District XA Ethics Committee.

The Supreme Court of New Jersey is lead by the corrupt Chief Justice Stuart Rabner, the former counselor to Gov Jon Corzine (D) and former U.S. Attorney Chris Christie (R) as the State of New Jersey's Supreme Court's Advisory Committee on Judicial Conduct ACJC is a corrupt organization whose job it is with ABSOLUTE IMMUNITY and TOTAL SECRECY is to protect the corrupt Superior Court Judges and the Municipal Judges as proven by the complaints rejected without any investigation by the corrupt ACJC as some are posted on this web site proving how utterly corrupt the State of the STATE of New Jersey is being the most corrupt State in the United States of America.

All fines imposed by the corrupt Judge Craig U. Dana, J.M.C. were dismissed on Sep 10, 2009 upon my municipal appeals 13-04-08 and 19-05-09 as I spent thousands on lawyer fees, had my wife threatened with Jail that Judge Dana and William Hinkes in violation of court rules repeatedly re sentenced me from 39 days to 95 days in the corrupt Sussex County Jail, Keogh Dwyer Correctional Facility as its Under Sheriff and Open Public Record Act custodian told me he refuses to respond to any of my OPRA requests as advised by the Sussex County Council as I was illegally and falsely imprisoned as inmate CN10355 for 85 days in the corrupt Sussex County Jail as its under sheriff John Armeno refuses to respond to any Open Public Record Act request based upon guidance from the corrupt Sussex County Counsel of the corrupt Sussex County Board of Chosen Freeholders located at 1 Spring St, Newton, N.J..

On Sep 10, 2009 the thirteen criminal charges filed against me by the corrupt Sussex County Prosecutor's Office based upon complaints by Borough of Stanhope officials were dismissed and then Dismissed with prejudice in State of NJ v. Thomas Caggiano, Ind 08-09-316-I.

 However the corruption continues unabated as the Borough of Stanhope illegally fired its Town Administrator Richard Stewart who posted the C.E.P.A. Recommendation: Change the form of Government from Judges to Elected Judges for in New Jersey, the **Toxic Politics rules** and replace the corrupt appointed political of cronyism to Elected Judges as done in the State of Nevada corrupt State and other Government Officials are convicted unlike the corrupt State of New Jersey wherein you can't file complaints in many of its court for in Stanhope and Netcong threatened with arrest if you attempt to file a complaint, Probable Cause per R.7:2-1 as you can't sign any CDR-1 disorder summons or a CDR-2 for any indictable offense person in the corrupt Sussex County / Morris County Vicinage orders are issued to every municipal court, without ever wife Kathryn or myself on a Superior Court order issued number by the corrupt Superior Court Judge Thomas M due process does NOT even exist as you can't even file pool vicinage.

Some of the complaints filed against corrupt Judges to the New Jersey's Advisory Committee on Judicial Conduct, published for the world to understand as a public duty in the State of New Jersey's Black Robed felons called Honor lawyer/judge/politician/executive branch system of appointment in New Jersey is broken as essentially NO judges are ever impeached by a 200 year record in the General Assembly and State Senate Judiciary Committee whose constitutional duties corrupt Judges. In the State of Nevada, WE the PEOPLE referendum by politicians to have appointed judges that to them but in Nevada WE the PEOPLE elect Judges so vote them out of office. In New Jersey in 200 years less judges have been impeached in the most corrupt State of America which itself proves the Appointment method charade and a systems that breeds corruption, false loyalty corruption embedded therein. If the legislature wants to in Government then change the form of Government as Declaration of Independence as in New Jersey there is Tyranny.

Diana Kuncken and its Governing Body fired its Town Administrator Richard Stewart in retribution in secret as Stewart was performing his public duty and reporting their corruption to the FBI, 11 Centre Plaza, Newark, N.J. and to the N.J. State Police's Official Corruption Bureau in West Trenton, N.J.

The fraud and trickery by the Department of Community Affairs and its Public Communication Office continued as shown by the false GRC findings being published in the Star Cross newspapers to adversely impact the OPRA itself. See my published response that was also input to the Office of New Jersey Attorney General's Department of Law and Public Safety Criminal Tip line reporting system on [Dec 16, 2010 Report of fraud and corruption](http://thomascaggiano.com/101216dcjcriminalreport.pdf) <http://thomascaggiano.com/101216dcjcriminalreport.pdf>"

As reported in the Star Ledger and [New Jersey Herald](#) Stanhope fires another borough administrator, on Dec 2, 2010 the corrupt Mayor of the Borough of Stanhope, Sussex County, New Jersey Diana Kuncken and its corrupt Governing Body members with the corrupt law firm of Laddey, Clark and Ryan's LLC Borough Attorney Richard Stein, Esq. fired in violation of Municipal Statute Chap 2.2.D Administration in secret without a public hearing Richard Stewart their town administrator.

Per his public and official duty, for the public's safety, health and protection, Richard Stewart was reporting the corruption of the Borough to the FBI and the State Police Official Corruption Bureau.

The former corrupt Town Administrator, Teri Massood, ran away from Stanhope, without resigning or severance pay when the GRC filed my Thomas Caggiano v. Borough of Stanhope Denial of Access OPRA complaint GRC 2006-02 against her and the former corrupt Municipal Clerk Antoinette Battaglia to the Department of the Treasury's Office of Administrative Law (OAL) under Docket OAL GRC 07725-2007N where I met the corrupt executive [Judge J. Howard Solomon, ALJ](http://www.state.nj.us/grc/decisions/pdf/2006-02.pdf) <http://www.state.nj.us/grc/decisions/pdf/2006-02.pdf> and was confronted with his corrupt finding noted on the GRC web site itself <http://www.state.nj.us/grc/decisions/pdf/2006-02.pdf> in Newark, New Jersey which it proves that Richard A. Stein, Esq. lied to the corrupt Vicinage Judge Bozonelis, AJSC in his appearance in Morristown's corrupt Superior Court under [Docket SSX-L-847-07 Borough of Stanhope v. Thomas Caggiano and GRC - click here](#) as the court transcript record shows in response to Judge Bozonelis, A.J.S.C. question to Richard Stein, he stated falsely noted on the Morristown's Superior Court transcript records in two years I submitted 800 OPRA requests **ALL on zoning**. The interim order by the GRC and findings posted on the State's web site at [GRC finding 2007-46](#) proves beyond any reasonable doubt that Richard Stein, Esq. willfully deceived the court, violated the Rules of Professional Conduct and is a felon by obstructing justice, being a conspirator protected by the Office of Administrative Law, the Sussex County Prosecutor, the Supreme Court of the State of New Jersey's Office of Attorney Ethics, the Office of N.J. Attorney General and the FBI in New Jersey. This statement was false, Willful, a violation of the Code of Professional Conduct and an act to obstruct justice, aide others in criminal conduct and Judge Bozonelis directed the Borough of Stanhope to respond to written OPRA requests which they ignore the court order and OPRA and protected by the corrupt GRC. The original caption of the civil suite filed by Richard Stein filed Dec 1997 and has NO hearing with witnesses allowed by the corrupt Judge Bozonelis in 3 years was Borough of Stanhope v. Thomas Caggiano and the GRC.

My request for reconsideration by the GRC shows how utterly corrupt the Department of Community Affairs and the GRC executive director Catherine Starghill, Esq. and In-house lawyer Karyn Gordon, Esq., its GRC panel and its chair Ms. Robin Berg Tabakin and Commissioner Lori Grifa, Esq. are.

Some Black Western Humor:

What does a member of the corrupt State of New Jersey's Supreme Court Advisory Committee on Judicial Conduct ACJC look like?

A felon of course as they have ABSOLUTE IMMUNITY, don't assign any investigator and operate with complete secrecy as they refuse to show your own records or to any public citizen. They protect the Black Robed corrupt Judges that are pandemic and infect New Jersey as the only corrupt Judges is to change New Jersey's appointment methods to have elected judges like New York and Nevada as the Speaker of the Assembly, the State Senate President Sweeney, the State Senate Judicial Committee, the State of New Jersey Ethics Committee ignore their impeachment a judge and their corrupt State prosecutors who protect them from criminal charges for like the corrupt Federal Govt complaints buried in chambers and only 4 Judges have been impeached in 200 years by the NJ Legislature that is infected with corrupt Judges in the Superior and Municipal Courts as they protect Government Officials, Mayors, State Senators who protect them. An embedded system of corruption Jersey operates as the Appointment of Judges IS the essential ingredient to New Jersey's toxic Mix of Money and Political corruption.

Things haven't changed.

The town's people renamed where the lawyer's offices were by the court house to **Rotten Row** and another sign of the times then and now*

The United Nations is supposed to be a place of peace and its country members have diplomatic immunity. But the United States of America's spy network per orders issued by the Secretary of State Hillary Clinton based upon Wikileaks released documents as her letter stated the Department gave its diplomats instructions to spy on other countries' representatives at the United Nations, according to a directive signed. Diplomats were told to collect information about e-mail accounts, credit cards and passwords, among other things.

US diplomats are alleged to have been requested by Secretary of State Hillary Clinton to spy on the diplomats of other countries at the UN was the purpose of the "National Humint Collection Directive," which has been seen by SPIEGEL. The document was signed by Clinton on July 31, 2009. "Which the Nations airports now spy networks do YOU feel safe and have any privacy rights? . Absolute corruption continues:

The Whashington D.C. Department of Justice's Office of Inspector General's Integrity Commission review my complaint against the Office of Inspector General of the United States of America at next IC meeting. Of course, I was never contacted thereafter.

The corrupt Superior Court Judge Maenza, J.S.C. in his corrupt secret chambers without any without even his lies that he reviewed the evidence adopted by reference which he surely did as usual falsely stated based upon HIS review there was no Probable Cause and dismissed charges. The Public of course could NOT be aware as I was not even allowed to file an official complaint form called CDR and no municipal court hearing by any municipal judge was held corrupt Vicinage continues its unfettered corruption. The corrupt Judge did not inform the Mercer County Prosecutor of his decision of course as the felons in the State of New Jersey infest Superior and Municipal courts not to be outdone by the corrupt N.J. - In the United States of America, per the corrupt Department of Justice allowing bribery, terrorism, false imprisonment, complicity, official misconduct, racketeering conspiracy are acceptable felonies per **the Department of Justice's management decision process.**

Well read the definition of tyranny. YOU can pay taxes and move out of your house. You can't examine tax records, talk to the tax assessor, get copies of your deeds or Town Agendas and that is what the corrupt Office of Inspector General of the corrupt Department of Justice states is an acceptable Department of Justice management decision. Just a county of tyranny the only question is after ten years how many more years with the blatant corruption continue.

The CAG Report as of Nov 26, 2010

Peter Conforti, J.S.C. he again changed his position as he directed I must use Robert Mattia, Esq and did NOT allow me to represent myself Pro Se with a stand by attorney as my own prepared Pro Se motions forced the corrupt Sussex County Prosecutor's Office headed by the corrupt former Law Partner of the corrupt Township of Green, Fredon, Hampton and Borough of Andover William Hinkes, Esq. to have the corrupt First Assistant Prosecutor Gregg Mueller without even sending me a copy as the defendant on 13 malicious criminal charges filed under Ind 08-09-316-I in State of New Jersey v. Thomas Caggiano that was dismissed with prejudice in a secrecy motion by Gregg Mueller as Judge Conforti, J.S.C. dismissed the criminal charges without standing any reason. Therein he ordered two involuntary mental examinations and after the first corrupt Department of Mental Health Services stated I was competent to stand trial, Judge Conforti stated on the court record he would NOT allow me to bring my own expert witnesses I paid for voluntarily to defend myself thereby immediately violating the Constitutions of the United States of America and New Jersey, the common law right of confrontation and used the scheme to defame me with his accomplices for years. Thereafter he directed a second mental examine and in secret had the corrupt Dr. Peter Paul change their standard examine and he wrote a false report that was NOT mentally competent. The corrupt Judge Conforti, JSC now had two reports 180 polar opposites and NEVER had any hearing in violation of court rules which require a*

mandatory hearing. He then illegally ordered a voluntary mental examine and when I stated on the court record the DHS must conduct an examine as their findings were over year old and I agreed to pay for a video recording of the examine and a polygraph so that the video could then be per N.J. Court rules be evidence. So without any report from DHS or my request for a hearing, Judge Conforti, JSC and the Corrupt Sussex County Prosecutor stated I no longer needed the mental examine on the municipal appeal after demanding such for months. He also dismissed Robert Mattia, Esq. as my mandatory directed lawyer and found no prejudice in the case as the Township of Green, the Vicinag Trial Court Administrator Mr. Arnold have ignored my requests for the court records in years and months respectively. I have filed a motion to the corrupt Sussex County Superior Court that its should reconsider the motion by Robert Mattia, Esq to also Dismiss the NON-criminal charges as I can not even get the court records but Judge Conforti, JSC maliciously stated the case continues even though on Sep 10, 2009 he made a finding that Judge Craig U. Dana, J.M.C. repeatedly violated court rules, repeatedly illegally resentenced me and illegally imprisoned me for 85 days and vacated the fines, vacated the probation but continued the saga of his criminally conspiracy.

That is the corruption pit

of New Jersey as even my wife can not sign an Open Public Record Act request nor can she file any petty disorder charge in any municipality in Sussex County and Morris County and sign any Compliant summons in any municipal court where per NJ court rules such a petty disorder harassment charge would be tried. She also has no such rights and have never been charged with anything. So the Borough and State Superior court judges in chambers without any complaints issue court orders violation my wife's due process right without any hearings or any complaints even being filed. That is the corrupt land of New Jersey a cease pool of corruption.

I can NOT send by mail an Open Public Record Act (OPRA) to the cease pool, the Sussex County's Borough of Stanhope which they protect. The Sussex County Borough of Stanhope and all its corrupt surrounding municipal governments that are pandemonically corrupt and appear as universal in the State of New Jersey's municipal governments of corruption as Standing Operating Procedure (

as Gov Christie acknowledge's the municipal Government of Atlantic City has been corrupt for a long time. So why aren't the FBI and Governor and his Attorney General's putting them in Jail?

and in conclusion, the N.J. Supreme Court and their municipal court judges are a pandemically infected fraternity with lawyers and prosecutors.

To understand how totally corrupt the Supreme Court's Advisory Committee on Judicial Conduct ACJC the ABSOLUTE IMMUNITY, don't notify the corrupt Judge a complaint was received even though posted on NOT allow you to obtain any records after dismissing your complaint and won't allow you to see any person in the Public. To read the complaint about the corrupt Joint Court of Green, Hampton, Fredon and Andover concerning the felon Judge Craig U. Dana, JMC who with is corrupt bribed municipal prosecutor Hinkes, Esq. who is protected by the corrupt Supreme Court's Office of Attorney Ethics and the State of Association of the law firm of Hollander, Strelzik, Pasculli, Pasculli, Hinkes, Gacquin, Vandenberg & H Park Place, Newton, NJ 07860, Tel:(973) 383-3233

How corrupt are the State of New Jersey's corrupt Supreme Court and its Superior Courts and Courts?

Below are just a few examples:

Read [the Judge Craig U. Dana, J.M.C. Theodore Bozonelis, A.J.S.C., Thomas Manahan N. Peter Conforti, J.S.C. filed with corrupt State of New Jersey's corrupt Advisory Committee on Judicial Conduct which apparently disappeared in the corrupt ACJC as no notice to the Judge was sent and no investigation which is the ACJC's typical corrupt standing method of operations.

Read [the Judge John Paparazzo, J.M.C. Complaint](#) <http://thomascaggiano.com/100908acjcpaparazzo.pdf> Morris County Borough of Netcong Municipal Court as its corrupt Chief of Police Blesson repeatedly threatened criminal charges for sending any letter or OPRA request or complaint to the corrupt municipal court or Borough of Netcong, you are threatened if you even write a request for the complaint the corrupt court Anne Sheridan apparently filed with the Chief of Police as the corrupt Chief told you verbally to request writing. A new level of corruption that even I find unbelievable!

The saga and crime wave continues as I was convicted by Judge Dana over 40 times and falsely imprisoned days. In Cuba, Iran, North Korea you as an American citizen have more rights than in America where you as the Bill of Rights is a useless document
